President's Report

Congratulations!

Once again you have arrived at a new adventure in your life as a player, coach, manager, cheerer, supporter and parent.

To all players, I would like to acknowledge your efforts and the determination you show (many since the club started). You make a great contribution to the club and without you, friends, the 2005 soccer season would not be complete

I would also like to acknowledge the effort of those who always give their time during the season: the soccer club office bearers, secretary, assistant secretary, treasurers, registrar, canteen managers, fundraising coordinators, councillors, coaches, managers and associate referees. To all parents who let their children be a part of the team thank you for choosing our club and I trust you and your children enjoyed our community. Thank you for your time and great contribution, I am personally proud of you!

Teams -you did our soccer club proud! Your conduct on and off the sports field and in team building spirit has been inspiring. We are grateful for your commitment and big contribution for this season.

Let all of us dedicate ourselves to make every soccer season more meaningful and challenging.

Congratulations to the competition winners; the under 9s, 12s, 14s and the Raahauge Cup North Firsts.

Cheers to all!

Rev. Rodel Palma

Secretary's Report

In Guildford McCredie Uniting Soccer Club's seventh season we were able to field nine junior teams: two in the under 16 age group and one each in the Under 14, 13, 12, 11, 10, 9 and 8 age groups, five mini teams, two in the under 6 and three in the under 7 age groups, and four senior teams in the Raahauge Cup competition – a total of 18 teams. This is the same number of teams fielded in 2004 but a slight reduction in overall player numbers. Our satellite club at Newington grew an extra team this year to field two mini teams and a junior side.

In 2005 we used Granville Park more extensively than last season, which is terrific for players and parents, but costly for the club. Our canteen makes significantly less money at Granville Park and the line marking is a club expense (rather than at Everley where the generosity of time given by Mr Peter Sampson in marking the lines is much appreciated). In 2005 we were again fortunate enough to gain sponsorship from a number of businesses. There is a page further on in this report where they are further acknowledged and I would encourage you to support these businesses. Make sure you mention McCredie Soccer when you do!!

There were a number of changes amongst the McCredie coaches and managers

this season as some coaches had a break, some families moved away and some children tried different sports. A heartfelt thankyou to Peter Dunbar, Miro Djordjev, Musa Canli, Bobby Sugarevski, Paul Elliott, Errol Henderson and Kojo Atta-Koomsen. You were all missed this season and whilst we wish you all the best where you are now – should situations change – you are all welcome back!

The committee however, was unchanged and I would like to take this opportunity to formally thank Peter Warwick for his tireless efforts in setting up each week and looking after and transporting all the equipment. Quite simply without Peter the club would grind to a halt. To add to the burden Dorothy Warwick stocks, 'mans' and transports the canteen each week. Again, despite sponsorship, no canteen, no revenue, no McCredie soccer! Craig Osland took on the official title of sponsorship coordinator (last year Craig took on the role without a title). Craig's energy in chasing, harassing and securing the support of sponsors is breathtaking. Thanks also to Helen French who coordinated the fundraising which this year was again our Krispy Kreme doughnut drive. The masked man also needs thanks. Chris Goringe is Mr Anonymous although I'm assured he did get to a soccer ground one day. What he does do all the time is maintain the website, an increasingly important and time consuming job.

2005 was another very successful season results wise. We won four premierships this year, a new club record. This is a great effort. We were probably not quite as dominant in the 6 a side, knockouts and President's Cup this season which just serves to give us something to aim for next year.

2005 marks the McCredie Uniting Church's centenary. Our club was recognised during the September celebrations and I would encourage you to get a look at the commemorative booklet put together for the day. Is your picture in it? Hopefully we will create a link from the website to it.

Speaking of websites we are very keen to extend even further our electronic communication with you. The website has the weekly newsletter posted each week and if you provide us with your email we will send you the newsletter each week as well as updates regarding match postponements, knockout fixtures etc. Be amongst the first to know! The advantages for all of us in developing such communication is in speed and in terms of money saved on printing.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. We will also be taking preliminary registrations at the Presentation Day. You can register any time by seeing me but remember no registration will be accepted without a \$20.00 deposit. Please register early as I would hate anybody to miss out. **Be aware however: registering with our club means you are making a commitment, you are in fact signing a contract to play soccer with our club. We will honour that contract by providing soccer, you by playing.** Despite this very message last year and numerous reminders I still hold over 15 registrations from players who registered and then didn't play. This can be a costly exercise as players who attempt to then register at other clubs are declared unfinancial and need to pay two sets of fees. We don't like doing this but it is impossible to organise teams if players are coming and going as they please. We want to provide the best, stable, reliable soccer environment for your kids.

Thanks again for a terrific 2005 and I look forward to enjoying our fine community together with you again in 2006.

Greg Wark

Under 6 Red Team Report

This year was a tough year for us management – wise. We had a coach for a few weeks - and then we didn't. Thanks to Rocky for the time he spent with the boys in training them. I also would like to say a big thankyou to Tom and Craig who took on training our team with their team on Wednesdays. This was a lot of work and we really appreciate your efforts. Unfortunately it seemed that most the boys wanted their own coach and opted out of training.

For much of the season the kids were tackling each other but after all the new players got the hang of playing, they all put in their best effort to play together. In the end we had a great and very successful year, losing just one match!

Jobby Woetai: This was Jobby's second year in the under 6s. He has improved a lot, always first to the ball and never afraid of the other teams. Jobby did get upset when his own players tackled him! Jobby had a great year.

Bilal Abdul Hamid: Bilal's second year also. Bilal is a great little runner and goal scorer. Next year, with some more time at training he will develop into a good team player and have an even better year.

Makeeta Sharwood: Makeeta's second year also, but from the other under 6 team last year. Makeeta is a sweet little girl who, when she decides to play, really puts in a big effort to be the best player she can be.

Lazar Mijatovic: Lazar mostly played as goalkeeper, saving a lot of balls. As time went on he improved a lot and he was always proud of himself when he saved a goal or scored a goal. When he scored he ran around like a pro. He will be a great player next year.

Sione Folau: Like all our first time players, Sione was initially all over the place, taking the ball to the wrong end etc. But he developed quickly and managed to score quite a few goals. He will also be a great player next year.

Mason Folau: Mason was the youngest in our team. Mason is a quiet little boy who was often a little unsure. But towards the end of the season he seemed to develop. In the last game of the season Mason didn't want to come off as he was really getting the hang of playing.

Declan Lyons: Declan, like all our first time players, is a great little runner and whilst initially unsure, certainly got the hang of the game. By the end of the season Declan was playing very good soccer.

Rusheel Raj: Rusheel is a good little player who is learning to play as part of a team. Like all the players Rusheel improved throughout the year and will make a great player next year.

Arjaan Prasad: Arjaan is a quiet little boy who loved to run around even though he wasn't always sure what his role was. Arjaan got sick and missed many games which was a shame and his team missed him.

It was certainly a lot of work getting a bunch of 5 and 6 year olds to listen to instructions but we have to remember that they are just kids and they are a great little team.

I would like to say a big thankyou to all the parents who helped out at the games and to Robert for training the boys for the last three weeks of the season. Thanks everyone.

Theresa Woetai Manager

Under 6 White Team Report

The season started and finished on a very positive note. Our biggest achievement was to ensure the children and parents had fun. I think that was achieved by the Whites. We won a few games which was very uplifting and we walked away smiling when we lost, knowing we tried our best.

By mid-season our boys had progressed well. They played and trained with great enthusiasm. The parent support has been fantastic, assistance at games and at training was very much appreciated, thank you to all.

Brendon Hopper: Our Number 3 boy. Brendon always had to play in the no. 3 jersey. Brendon progressed well through the season. He will always be remembered to me as coach Brendon, for his enthusiasm and spirit building comments to encourage his team mates on the field.

Mostafa El-Bahri: With a little more training Mostafa will develop his defence and attacking ability. He has a good kick on him which saved us many times, and scored a couple of goals. Keep up the great work Mostafa.

Jack Keenan: Jack, the slide tackle boy, although this didn't always work in his favour he tried very hard all season to play the game well and loved having mum and dad there to support him. A keen player, well done.

Adam Mills: Adam, our champion little goalie. Adam proved to be a good goalie and played many of our games in goal. A little more coaching and training will see him achieve well. Keep up the good work and enthusiasm.

Christopher Robinson: Our star of the day in the six-a-side competition. Scoring a goal after running the whole field saw us move on in the six-a-side comp. Well done Chris. Chris' fast legs and good attacking ability will see him through next year.

Jayden Kastrounis: At the start of the season Jayden was a quiet little boy that would just go with the pack. But as each week progressed Jayden became more confident. His first goal brought a new wave of confidence. Keep it up Jayden.

Harrison Castles: Harrison is very confident on the field and has taught a few things to his team mates throughout the season. He is never afraid to attack and run that ball the length of the field scoring most of our season goals. He truly loves the game and will be an asset to the u7's next year.

Kane Carder: The smallest but the boy with the fastest legs. Kane never said much but progressed well in the game as the season went on. He is the most improved player of the team. Kicking his first goal gave him the extra confidence he needed to get in there and give his best each week.

Ryan Carder: The youngest member of our team. At the start of the season Ryan didn't like staying on the field but he progressed well and it was then hard to keep him away. Ryan will be remembered for his roly poly celebrations.

Helen Mills
Manager

Waleed Wehbe
Coach

Under 7 Red Team Report

Well, another fantastic year for the Under 7 Reds in 2005. We had a couple of new players, a new Coach and a group of continually maturing players from last year's under 6 Reds. Special thanks should go to Roger Wehbe in his first year of coaching. The team appreciated his ability to juggle his own games with the team's playing schedule to turn up to a majority of the teams games. Thanks also to the parents for their encouragement of the players. We found ourselves with 2 and 3 reserves for the majority of the games this season which ensured that the team had the depth required to win the big games.

For the record, the Reds only lost 3 games, winning 9 and drawing 2

Ahmed Dbouk – Ahmed had a great year as our one of our main strikers putting 33 goals into the net. Ahmed consistently chased down the opposition ensuring that he was a key player not only in attack but also in defence.

Andre Ulavalu – Andre played a key role in the centres this year as the team improved, passing the ball from the backs to the forwards. Andre never gave up attacking the ball and was rewarded with the occasional goal throughout the season.

Connor Barkley – Connor has matured a lot in his play from the under 6's. He spent a lot of time in goals making some great saves. Time spent in the centres honed his passing and attacking skills and we saw a marked improvement in his ball control throughout the season.

Emily Pereira – Emily, yet again, showed she is one of the toughest players in the comp. She never gave up attacking players much bigger than herself and was rewarded with a memorable goal mid way through the season.

James Elliott – James was the other half of the Red's attack this year scoring 23 goals. James ability to clear the ball assisted the rest of the team and was the instigator of some memorable passages of play where the ball was passed 4 or 5 times up the field ensuring an increase in the Red's tally.

Harrison Lira – Harrison took the skills he was learning last year and used them to great effect this year. Harrison was always in the middle of the play, and like his team mates, never gave up the ball to the opposition easily

Pasimi Uasi – Pasimi had a great year playing in the centres and occasionally putting a goal in when the opportunity presented itself. Pasimi's ability to move the ball down the side line and then cross into the centre of the field was instrumental in increasing the Red's goal count.

Phillip Tajeski – Phillip joined the team mid way through the season for his first year in soccer, showing great improvement as the season went on. Once Phillip kept his eye on the ball, his playing improved and will only get better as the years progress.

Rachid Howchar – Rachid was one of the most determined players in the Reds this year. His ability to tackle the opposition and keep control of the ball was a stand out feature of his game. Rachid was the 3rd highest goal scorer with 5 goals and his "never say die" approach to the game was great to watch.

Manager
Sean Barkley

Coach
Roger Wehbe

Under 7 White Team Report

It was a pleasure to be involved with the Club and this team for the second year. This little team improved every week and we started to play some “Real” football. We believe in fun and participation. We also believe that to enjoy soccer you need to improve and we are all doing that. Coaching staff included.

We measure our success by the players turning up every week and giving their best efforts. Whilst it is important to win, we cannot have a win at all costs attitude because all players are not the same and success should be measured by the kids wanting to come back every year and play again. We only lost 2 boys from 6's to 7's and one of them moved to Queensland.

We are very proud of our team's efforts at training and at games. We are also proud of our loyal supporters. The families that trekked all over the Hills district to support and transport is appreciated.

We had a mixed year on the field that was highlighted with some sensational highs and some lows. The good part is that the coach is the one who suffers wins and losses. The boys don't seem to mind as long as we have fun. We can learn something from that I'm sure.

We started the year with a bang. 5 wins in a row and we were contemplating Silverware at the 6 a side knock-out. We were soon bought back to earth with big losses at OLOR and Rouse Hill. These 2 teams had some great players and knockout glory seemed a long way off.

But there is something about these boys on the long weekend in June. We turned up at Everley with a glimmer of hope. We lost the opening game and thanks only to a second chance stayed alive in the competition. 4 wins later we faced Rouse Hill in the Final. Great goal keeping, clearing, tackling and passing saw us snatch a 1-1 draw and win on corners. We lost 10-0 to the same team 3 weeks before and we could barely believe what we had achieved. One step better than our runner up performance from 2004. We had won the knockout. The boys ate lollies and drank coke.

We continued on in the regular season playing very well. We lost a couple of soft games in the last few weeks as the long season took its toll.

We have developed into a great little side, that above everything else are great mates and love playing football. It was a pleasure to be involved with these kids and their terrific families. We get to play real soccer on the big field next year and we can't wait.

See you all next year

Tom List
Coach

Under 7 Black Team Report

Under 7 Black Cats.

This season was definitely a season of learning and new experiences, not only for the players but for the coaches as well. Nearly all the players in this team were playing their first season of soccer ever. We got off to a very slow start with only the bare 6 players, but soon our players were inviting their friends to sign up and join in on the fun. At the end of this season we had 10 players at every game eager to play. This caused problems with interchange as we had so many reserves and no one wanted to come off for a rest. Everyone tried their hardest at every game, and always came off the field with a smile even if we had lost. A huge 'thank you' goes out to all the parents for your support and encouragement throughout the whole season...and offering to wash the shirts.

Bethany Almeida- I don't think Bethany missed one training session or game for the whole season. She started off a bit shy and was a little afraid of tackling and attacking the ball but after a few games she was getting involved and made some great tackles as a defender.

Lucy Calderon- Lucy was always keen to get on the field, even if it meant she had to be goalkeeper, she was eager to have a go. She's a great mid-fielder and almost scored a few times this season.

Anjur Dodwad- Anjur started off a little shaky. He was hesitant to make tackles and kick the ball, but after a few games he was making more tackles than anyone else on the field. The highlight of his season was when he scored his first goal. He was also keen to go goalkeeper for a half if we needed him to.

Mohammad Ganaim- Another very shy player. He was very unsure of his kicks and tackles, but soon, after some very physical training sessions, he was a lot more confident on the field and in goals.

Aid Hanxhiu- This boy never ceased to amaze us with the goals he scored each week. He could shred a team's defence to pieces in seconds. Although he was late to a few games, the team would suddenly rise up in their spirits once he had arrived. A very valuable player to our team.

Albion Jahiri- Albion has the best goal keeping skills I have seen for a boy his age. He's not afraid to dive on the ball or slide tackle the opposition. Even coaches from other teams were amazed at his abilities.

Arian Jahiri- Another shy one. It took us a few weeks just to get him to speak to us. But towards the end of the season, he was more vocal than any other player. If he was off for a rest, he would run up and down the sideline, cheering for the team. His enthusiasm and encouragement was amazing.

Fred Maroun- The oldest player in our team, always giving the rest of the team advice and encouragement. Fred scored the most goals for our team this year and set up some great goals as well.

Arthur Maroun- One of our best defenders. He saved so many goals this year, shutting down the strikers from the opposition and clearing the ball to our forwards. He's a ball of energy, always keen to go for more laps around the field at training.

Arbin Zenelaj- Arbin would take what ever we taught him at training or told him at half time and he would put it straight into the game. He gave 110% every week. He's an excellent support player for our forwards as well as a great defender.

We hope to see everyone back again next season.

Coach - Katherine French

Manager - Megan Warwick

Under 8 Team Report

The under 8s are a terrific community of players, parents and their supporters. All season we have had tremendous support on the sidelines and support for each other in getting kids to the games, washing shirts, supplying oranges etc. We have a number of players in the team with siblings in other teams, but at no time during the year did any player miss a game because their brother or sister was playing somewhere else. A special thankyou to Hendrika, Theresa, Cuong and Halime for ensuring that their children, and the others they brought, always got to the games. Of course a special thanks to Carolynne for her wonderful work as team manager. Everybody always knows what's going on, in the under 8s!

It is my long held belief that good teams don't happen by accident but rather by long term commitment from the players and parents. If a team stays together for a number of years they will be successful. This season seven of last year's eight under 7 Whites came together again. They were joined by three of last year's under 7 Reds and four new players. We had another very successful season results wise finishing the regular season in third place and defeating second placed Kellyville and the first placed second division side, Coverdale, in the President's Cup. We were beaten in the President's Cup final by The Falcons in extra time golden goal. So close. A terrific finish to the season though with the boys playing their best soccer on that day and the two previous weeks where we had a combined score of 18 – 0 in those last two games.

Alan Guzman – Alan is one of the team's most reliable players. At the start of the season he was already working out plans for next year. He's always thinking on the field, marking key opposition players, organising his own players around him and continuing to develop his own skills.

Avik Nigam – Avik is a tenacious little tackler who rarely lets the opposition past him. Unfortunately Avik moved house mid season and missed some of our best games as the side developed. Hopefully Avik will return next year.

Daniel Jabou - Daniel was our striker this season. His speed and ability to fight for the ball make him a handful for any defence. Towards the end of the season things seemed to really click for Daniel and he hit the President's Cup in rare form. If Daniel brings half that form with him next season, the team will have a good one.

Jalal Akkowsch - One of our new players this season who really hit the ground running with a goal in his first game! Jalal really developed into a good fullback, with a good clearing kick and solid tackle. Jalal loved playing in goals though and always put his hand up to wear the yellow shirt.

James Valencia - James holds a new club record – longest distance travelled to play each Saturday - James lives in Gosford! James had his best day of the year at the six a side where he kept for the first time and saved like Mark Schwarzer. James was fantastic in goals but liked to play in the halves where he could show off his South American skills. Well done James.

Joey Nader - Joey really improved throughout the season. Joey is very fast and has improved his clearing kicks enormously. In the last competition game Joey scored his first goal. After having a go in goals at training in the week before the President's Cup, Joey and the coach agreed he would have a go there. It was inspired, as Joey's safe hands and good clearing punts kept us in some tight matches on that day.

Jordan Mcalister - Jordan too went away just as the team was clicking towards the end of the year, but made it back for President's Cup. On this day, following the coach's instructions perfectly, he scored the two winning goal kicks in the quarter final to sink Kellyville. Kellyville must have nightmares about Jordan because he scored against them in the final seconds in the first round to draw 1-1.

Keely Sharwood - Keely always does what the coach asks, "halves Keely", "left back Keely", "goals today Keely" – "OK Greg". It was nice to hear comment about the way Keely filled in for the under 11s as it was noticed she was doing things she could only have learnt by listening to a coach. That's Keely.

Kerem Sevinc - When Kerem first started in the under sixes he tried so hard. This persistence is paying off because this year things really started to click. Kerem is not the fastest player but I guarantee that if you pass Kerem the ball he will kick it cleanly in the right direction and I also guarantee he will be in the right position when he does it. There are All Age players who struggle with this!

Martin Lo- The coach didn't know what to do with Martin for the first half of the season. Up front? Halves? Martin is clearly a good player but things weren't quite clicking. Then the coach woke up and put Martin into the sweeper role where he excelled. Martin clears beautifully and tackles very well and as long as he can curb his desire to charge forward he is a very, very strong defender.

Marty Woetai - What a wonderful player to have picked up from the 7 Reds. I really hope Marty keeps playing soccer because he is going to get better and better and probably bigger and bigger. Marty is already physically very strong and his throw-ins, runs through the middle, shots and tackles are very intimidating for the opposition. Marty has all these things going for him but the best thing is his ability to play as part of the team. Marty has had an outstanding season.

Rongamai Hawke- Another under 7 Red. Rongamai quickly made the fullback position his own. Nobody goes around Rongamai! Rongamai also had a moment of absolute brilliance when he saved a Falcons penalty when he had a go in goals.

Shayan Kashef- Shayan is the team's fastest player. It took Shayan a little while to get the hang of playing but by the season's end he was starring. He always tackled well and dribbled well but by the end of the season though he was also passing well and kicking some great kicks through to the forwards. At the President's Cup Shayan was close to man of the match in all three games as he kept flying through the middle stealing the ball and pumping it forward.

William Wark- Wil has one of the comp's biggest and cleanest kicks. In the first half of the year Wil kept oppositions out, but four nil all draws in a row forced the coach to change tactics. Wil up front worked well in two ways. He scored a number of goals (many from the edge of the penalty area) but he also played some good crosses for Daniel to score from. Well played Wil.

Thanks again for a terrific season that got better and better as the year went on. I could not have been prouder of the boys than I was at the President's Cup. We built up all year practising different skills at training each week and on the last day of the year the boys and girl! brought it all with them. The coach was stoked! I would love every player and their family to return next year so we can keep going from strength to strength. As I say over and over, good teams are the ones who stick together for a while.

All the best, Greg

Under 9 Team Report

What a season the Under 9's had. As usual we started the competition with the thought that we would not have enough players to form a strong team, however luck prevailed and a team of 12 very keen players turned up for training.

Last year we finished 5th in the Under 8's 2nd division, this year we were moved up into 1st Division, the competition was going to be much stronger. However with commitment at training the boys proved to be very difficult opponents on Saturday. We finished the season NUMBER ONE, with the formidable record of being undefeated throughout the entire competition. This feat should not be underestimated and is a testimony to the boys' dedication at training and their hunger for winning.

Unfortunately our ability to carry this winning form into the 6 a side & Presidents cup competitions proved to be our enemy. One of our 6 a side teams was defeated in the Grand Final, whilst we were unluckily defeated in the Presidents Cup with a golden goal in extra time of the semi final.

What a season the Under 9's had. As usual we started the competition with the thought that we would not have enough players to form a strong team, however luck prevailed and a team of 12 very keen players turned up for training.

Jacob Clark : "Rock solid defence" is the best description of Jacob's playing style. Jacob is one ½ of our strong fullback defence. Not many opponents managed to get around him and with always a smile on his face he would take the ball off the attackers and deliver it to the mid field with a determined kick.

Jeremy Gonzales : A new addition to the team, Jeremy became a very important player and processes quick speed & reflexes. Jeremy provided relief in the goalie position throughout the season and performed some remarkable saves. Whether it was in the mid field or forwards Jeremy was always amongst the action.

Altaj Hanxhiu : Another new addition to the team, Altaj possesses an abundance of youthful enthusiasm and keenness just to play soccer. Altaj enjoyed playing up in the forwards and mid field and would always be chasing the play all over the park.

Tony Lo : Tony has developed into a very valuable player for the team. Once with the ball Tony's skills & speed become evident. Numerous 50 metre runs with the ball resulted in goals being scored and the opponents defence left bewildered. With strong support from the mid field and fellow forwards Tony finished the competition No 1 goal scorer for the team.

Ahmad Momand : Give Ahmad the ball and he will attempt to dribble past the entire opposition, a times with very good success. Ahmad learnt though if the ball is passed to other players, they will pass it back and as such Ahmad scored several goals throughout the season. Ahmad processes good skills and these will continue to develop.

Jackson Mower : Regardless of the position Jackson played goalie, mid field or forward "reliability" was Jackson's strength. It was in the mid field with him providing strong support & the "through ball" to Tony that many of our goals & overall wins were achieved. Jackson's soccer skills have developed strongly and he is a very valued team player.

Toby Porter : The goal keeper find of the year. Unfortunately for Toby our strong attack sometimes meant long periods of boredom, but when called upon Toby's quick reflexes saw him stop some remarkable shots at goal throughout the season. When given relief from the goalie duties, Toby loved sliding after the ball and getting amongst the action. Well done.

Abobaker Sadiqi : Although one of our forwards, Abobaker would appear everywhere on the field. If defence was required he would be there lending assistance and when our

attack was on, up there he would be. At training Abobaker was very committed and put those skills learnt into practise, which result in him scoring several goals.

Jesse Skiller : Jesse is the other ½ of our defence line. With Jacob providing “rock solid defence” Jessie was the “terminator”. Many an attacker would tremble & lose the ball when they looked up and saw Jesse coming at them. Jesse loved going for a run and many a metre was gained with these runs. Jesse possesses excellent defensive skills and proved to be an extremely valuable player for the team.

Nicholas Taktikos : Fearless would be the best description of Nick. Whether it be as our second main goalie, let loose in mid field or in sweep position Nick would challenge everyone. Nick has the ability to get into the right place at the right time for the team and make that saving tackle in defence. Nicks goalie skills have developed considerably since the start of the season and this proved very valuable.

Ben Van : Ben was the quietest player on the team, but put him into the sweep position and he became Mr Consistent. Whether it is getting the ball back up to the mid field & forwards with a strong driving kick or assisting the defence line Ben was there. When given the opportunity Ben loved to also play up in the forwards and provided strong assistance to other forwards.

Zac Sunners : Another new edition to the team, Zac loved getting out onto the field and just “having a go”. The mid field position seemed best suited for Zac and he provided a key support role for the forwards and assisted heavily in the defence line. Zac’s skills have developed throughout the year and he possesses a strong team attitude and as such is a highly regarded player.

Frank Skiller : As the team manager & assistant coach, I extend my sincere thanks & appreciation. Thank you for attending those required meetings throughout the season, but more importantly for bringing the oranges on game day!

Mums, Dads, carers and team supporters many thanks for the season’s effort

*Overall an EXCELLENT team effort and CONGRATULATIONS to all,
Please let’s stay together as a team and look out Under 10’s*

Carl Mower
Coach

Carl - Thanks for all your commitment and enthusiasm in forming this Champion side. You were really able to bring out the best in each player and help them work together as a formidable team. It’s taken 3 years but we got there!

Frank Skiller Manager

Under 10 Team Report

Another great year from the U/10's side. With so many wanting to join our team, we had to turn children away to other teams. We started off our trials where we left off last year, on a winning roll. We had high hopes and expectations for the year ahead. We didn't start too badly, but other teams surprised us by the quality of their play. We had several close games with the top teams, beating nearly all of them and we canded the lower teams by large margins.

The six a side knockout was made for our style of play, we have some very quick and fit players. They knocked out all teams, and won the final 6-1. Well done to the boys involved.

Miki was encouraged by all, but unfortunately did not continue playing for the second half of the year. **Yonja's** skills as defender improved through the year and her skills shone during the close, hard matches. **Charbel** who was goal keeper as well as defender for most matches also improved. **Mark's** skills as a defender and counter attacker were tested during the hard matches, and when we won, it was due to Mark's ability. You could see him slide, run and kick the ball back in the field of play.

Emmanual would be chosen to share the goal keeping duties during the tougher matches. This has developed quite well, and has saved many goals for us. He is also a determined defender in midfield. **Phil Van** showed some brilliance and speed on the wing. He scored his first goal in the last game of the season. **Johnny** keeps improving every year. He does really well out on the wing, where he defends and counter attacks. He also scored his first goal in the last game of the year.

George who is determined in the midfield also has great positional play. When we attack, George is up there attacking. When we defend, George drops right back and defends well. **Daniel** is like a little puppy who runs everywhere chasing the ball. This frustrated the opposition. He has a lot of energy which needs to be harnessed more for him to be a great player. His brother **Joshua** is an all round mid fielder. He defends well, he counter attacks well and he even scores. Josh always gives 100%, at training and during games.

Junior's skills and big kicks would turn games around. One minute the opposition are attacking, the next they are defending. Opposition coaches would comment on his kicks where he could score from outside the 18 yard box. **Shaun** absolutely canded the weaker teams. His skills and brilliance as an individual player would mean he would score many times. **Jason's** skills improved as the season went along. He would fight for the ball when needed, and score or set our other forwards up to score. More of his style of playing is needed if we are to progress from young boys playing park soccer to real champions.

I was proud of the guys for helping and supporting weaker players.

In the end, we had a great year, winning the six a side, runners up in the knockout competition, had the best for and against of any team and just unlucky not to win the competition finishing 1 point behind the leaders. Good luck next year

Sam Eid
Coach

Under 11 Team Report

In 2005 in came new players and a new coach – a new team! The team was aiming to get better results than last year. We started the season not too great. We had a number of draws and losses at the start as our new team found their feet, with final touches letting us down. At about the halfway mark the team started to turn around.

We were runners up in the 6 a side, which was great to see and the team advanced to the semis in the knockout. The boys were playing with their hearts and making few mistakes. Our defence started to strengthen and more goals were being scored with Tommy and Zakaria making great partners up front. At this time we won six straight games. The new players were improving and the whole team was playing well together. Elvis and Mushtaba in particular showed terrific gains. I believe this team can go all the way next year if we stick together as a unit.

Hayden Sharwood - Our part time goalkeeper/ part time defensive midfielder. He was always an asset, his strong defence and kicking helping us on the flank. During his time in goals Hayden was strong and will only get better.

Parth Nathani - This was Parth's first year and he learned quickly particularly in defending. He learned not be afraid and with more practice next year will continue to be a valuable part of the team.

Elvis Dangol - Elvis too was new this year. Elvis started in defence and with terrific improvement during the year, made the left back position his own.

Deniz Temel - A key player in the team, always working hard in defence & in the midfield.

Eloy Calderon - Our defender, mostly playing at right back. Eloy is a strong tackler and when given the opportunity in the midfield, showed good attacking skills too.

Justin Yang - Justin had a tough job to do in the centre of the defence. He played strongly throughout the year. Justin is a good talker during the game and a good leader.

Sundeer Chattha - Sundeer was another new player who had to learn quickly. Used more as a defensive midfielder he played a good attacking role, having the impact of demolishing teams on his day.

Mustafa Hassanpour - Mustafa has some good attributes and when focused had an important role to play on the left, putting some good passes through.

Dhanushan Sriranjjan - Strong right winger. Put some great passes through to the strikers and as a second choice keeper he had some good games between the posts – especially in the 6 a side comp. We all enjoyed the day Dhanushan scored his hattrick!

Mohammed Hassanpour - A central midfield player who was a key to our midfield. Needs to work a little on his defence but is developing into a good player.

Mushtaba Nazary - Mushtaba was involved in some good plays and nice passes. With good dribbling skills and playmaking he reminds me of the ex Colombian captain, Carlos Valderama.

Tommy Hedayat - First year with the club he proved to be a real asset, top scoring. Tommy scored some beautiful goals and played some nice crosses and his ability to move quickly up and down the field was a real strength.

Zakaria Gessey - A new striker and always on the move. He started the season quietly but played a key role in the end. More practice in shooting and passing and Zakaria will develop into a very strong player.

In my first year of coaching I was happy overall with the performance (particularly in the latter half). I would like to thank Phil for his assistance as manager.

Goya Hedayat Coach

Under 12 Team Report

Coach: Ian Warwick
Manager: Lana Borg

Position in Competition: 1st

Played	Won	Lost	Drawn	Points
17	15	0	2	32

The start of the 2005 season saw the two under eleven teams of last year become one with the departure of players from both teams. With this in mind we didn't know what to expect and whether the differing playing styles of each team could come together as one. However the players worked hard and came up with the **Premiership** at the end of the year. The squad consisted of fourteen players who were as follows:

Dharshan – the captain of the team led by example at the back by continually turning away opposing attacks. His ball control and clearing kicks continually frustrated his opponents and helped keep us on the attack for most of the game.

Nathan – another member of our defensive unit that was able to stop the opposition in their tracks. He has a never give up attitude on the field and showed that by constantly running down breakaways before they could get a shot on goal.

Kyle – our left fullback, but could have played anywhere with his control and on the ball ability. Always looking for a chance to get forward he showed was able to score goals as well as diffuse opposition chances.

Emilio – another member of our backline, playing on the right hand side of defence, he proved to be difficult for opposing strikers to get around and showed his versatility as a player by filling in the midfield and setting up a few goals.

Hasan – a new addition to the club at the start of the year. Through the year he showed his all round ability on the field going from fullback to up the front. He eventually found his position in the midfield but could have played anywhere he was needed.

Joseph – a player who just enjoys playing and booting the ball as hard as he possibly can. Playing in the defensive half of midfield he was good at clearing the ball to our strikers and keeping the ball in the opposing half.

Steven – a utility player who could play anywhere in the midfield and found himself upfront on the odd occasion scoring goals. He made it very easy to fill a hole in the team line up with all round ability and willingness to do anything for the team.

Matina – continues to grow in confidence with every season she plays. She has become a very strong tackler and has the ability to turn defence into attack by trapping the opposition players with the ball in their own half to win possession back.

Anthony – a player who can play anywhere in the midfield. He was constantly able to trap the opposition in their own half with his big left boot and defence. His through balls gave our strikers plenty of chances to score the match winning goals.

Dale – one of our goalkeepers also showed he has the ability to hold his own on the playing field. Extremely confident between the posts he took that confidence on the field and was involved in the play wherever possible.

Robbie – shared the keeping responsibilities with Dale this year and enjoyed the opportunity to get on the field. Proved himself to be a strong defender and was able to run down many an attacking raid on our goal.

Amarvir – a player with the ability to score goals from anywhere on the field. His accuracy and power left many keepers watching the ball sail over their heads into the back of the net. When the team looked down he was able to lift them with an inspirational run or shot.

Mustafa – has tremendous ball control and was able to not only attract three to four defenders but beat them and score the goal himself or set it up for one of his team mates to finish off. Has a lot of pace and if he broke through the defence could not be caught.

Sarkis – one of our strikers who was unlucky to get injured halfway through the season when he was coming into his best form. When his shot was on target no keeper could stop it. We hope to see him fit and well for next season.

This team was a pleasure to coach as everybody could play and was well behaved. The best example of this was shown on the field when they did not retaliate to any foul play against them. They just simply played the game for the pure enjoyment. I thank them for this and hope that this attitude does not change as they progress through the age groups

I would like to thank the parents for getting their children to training on the cold nights and for taking them to the games every Saturday morning. It makes it easy knowing that you will have a full complement of players for every game.

Finally I would like to thank my manager, Lana, she was there every week ringing players the night before and doing everything and more that is required of a manager on game day. This makes the coach's job a lot easier, as you can just concentrate on the players and the game ahead and I thank you for that.

Thank you again to all the players and we hope to see all again for season 2006.

Ian Warwick.
Coach

Under 13 Team Report

From a coach's point of view I believe we had a very successful season. We didn't win any trophies, but these boys had to go through a difficult time with a change of coach as I took over from round 7. 60 – 70% of our games we had only 9 or 10 players, we had players leave and players arrive. Stick with me boys in 2006, with a couple of extra players coming on board and the team much more settled, we will give some of these trophies a shake next year.

A special thanks to Mr Sresutharsan for the support he gave me through the season. Also better thank the manager Tracey, otherwise I will get a hard time at home! Thanks Tracey.

This year's league results were: 17 games, 8 wins, 7 losses, 2 draws – 51 goals for and 38 against.

Dia - When I first took over this side, Dia was like a gentle giant, didn't like to hurt players and didn't like to run a whole lot. Now it's run Dia run and he has put on some of the biggest one on one tackles this year. Dia is a player every coach would love to have, he's big, strong, polite and always listens to the coach. Top personal effort Dia.

Sam - Had a good solid season. Not the fastest player in the side but always seems to get in the way on opposition attacking raids. With a big effort at training next year we'll see Sam have his best season to date. Good effort Sam.

Albert - A quiet achiever who was thrown into the right fullback role and always tried his hardest for the team. Unfortunately Albert missed a few games but with his first year of soccer under his belt I only see good things lie ahead for Albert next season. Well played Albert.

Athavan – Is a player who, as the season went on, got better and better. A 12 year old having to step up and play 13s isn't easy but Athavan is very much a part of this team and is well liked by all his team mates. Athavan always makes the coach smile with his funny, witty answers. Most improved player, excellent year Athavan.

Sameer – A talented soccer player who had a great year. Would always beat 1, 2, 3 players - sometimes beating them all over again & confusing himself! Great effort Sameer.

Mohammad- From the beginning of the season to the end he learnt and got better and better. Mohammad is a young man of a few words. I get "hi sir", "bye sir", "what time you pick up sir", "did I do good sir" – You did more than good Mohammad, you did great!

Francisco - For the first half dozen games this season I was watching this midfielder play sweeper. One game I made it official & moved him into the centre midfield. This made a huge difference to his game and a great benefit to the team because he attacks & defends very well. Scored some great goals as well. Francisco liked to worry the coach by turning up 3 minutes before kickoff, he more than made up for this. Brilliant year Francisco.

Jorden - A late comer to the team. On Jorden's arrival I had no left back & he got thrown into the position and not once did he let the coach or his team mates down. Jorden proved to be a very enthusiastic & reliable player in our backline. Great personal effort Jorden.

Pierre - Pierre was our leading goal scorer this year which is a credit to himself because we were always short players which meant Pierre was our only striker. He was always outnumbered 4 to 1. What impressed the coach the most was his 100% effort and attitude to training and game day. A role model on and off the field. Fantastic year Pierre.

Chris - 1st class year in our midfield, Chris set up plenty of goals with some great through balls. A very skilful player who will always beat a player one on one. Chris scored a sensational goal this year with a free kick outside the box. He hammered the ball into the left hand corner. The coach and the team would love to see you back next year Chris. Tremendous year Chris.

Adam - Never played keeper or sweeper before this year and got thrown into both. Some of his goalkeeping efforts this year have been awesome. As the son of the coach you have put up with a lot. You have to go home in the car with the coach after the team may have had a bad day, you're stuck with the coach after training where noone has listened and sometimes the coach isn't happy. After a year off and finding your feet in a new team, you had a sensational year Adam. As always, coach very proud.

Robert Hopper
Coach

Tracey Hopper
Manager

Under 14 Team Report

2005 was a very special season for the under 14s this year. It will not be often in any soccer career that you can play in a team that remains undefeated throughout the season. The under 14s won their competition (in fact they were already guaranteed premiers six weeks before the competition finished), they won the knockout competition, the President's Cup and they won the six a side (beating the other half of the team in the final). What makes it even better is that this is the second year in a row that all these trophies have been won.

At the finish of the season McCredie under 14s had scored 92 goals and conceded just 4.

The core of this side has been together for a number of years and their friendship with each other has been evident all year in the way they have played together on the field. The newer boys to the team have fitted in well and recognise the very friendly and enjoyable spirit the side has.

With just the bare eleven, and so many of the players being very comfortable in their positions from previous years the positions this season were established early. Every team begins with their defence and ours starts with **Tim** in goals. As mentioned earlier we conceded just four goals this year and Tim was a large part of that. He wasn't tested in all matches but in games like the President's Cup final he showed what skill and courage he has, pulling off a couple of top saves and injuring his hand. No sooking for Tim though, he was staying in goals, injured hand or not! At right back, our new boy **Emad** played with a cool head and his tackling, kicking and long throws turned many attacks around. Emad also kept on occasions to give Tim a run and conceded no goals all year. At left back we welcomed back **Mat** after a year in Turkey. Mat was one of the original under 8s and it is very pleasing to have so many of them still playing together. Mat plays the back position solidly and despite not being the quickest, compensates with good skills. **Toufic** swept behind the defenders and terminated any threatening attacks. Toufic is a very, very solid player. **Steven** had a strong season at centre back. He seems to get faster each year. With speed, a right and left foot, powerful kicks and, as we saw in the final, a good finish, Steven is a very handy player in the side.

The halves were very organised and settled this year. **Dylan** and Patrick teamed up for the second year running in the central midfield. Dylan had a tremendous year and plays his best soccer when the games are closer. In one match we were toiling over lowly ranked Blacktown and were just 1-0 at halftime. Dylan took it upon himself to fix this and scored 4 crackers in the second half. **Patrick** is Dylan's foil. Patrick holds his position in the middle and has worked hard on his disposal this year. We have always played a game where we attempt to get the ball wide and switch it often. This relies on skilful wide men. John had a tremendous season at left half, scoring goals and regularly running rings around his opposite number. **Ahmad's** speed and brute power on the right intimidated more than one opposition. On a wet morning at Baulkham Hills we arrived with just 7 fit players, 2 U8s and an U9. Ahmad stepped up and played a blinder and ensured we remained undefeated with a 2-2 draw.

Up front were two more of our originals Caner and Cem. **Cem** has developed over the years into much more of a team player and often laid good balls off to his supports. He also benefited from some good team plays with some great opportunities in front of goal which he usually took. **Caner** had an outstanding year. I never knew he was so quick. This year with Ahmed moving on, Caner was the focus of our attacks. On the bigger fields he ran amok, on the smaller fields he required more ball skills, but the results were often the same. Caner scored 51 goals this year (that's an incredible 3 goals per match).

It has been a great experience coaching a side that has grown up from 7 year old kids that mostly got beaten each week, to coaching a group of 14 year old young men who don't lose. I earnestly hope that the boys decide to stick together as a team and that I will be fortunate enough to coach them again next year.

Well done guys, see you next year.
Greg Wark Coach

Under 16 Red Team Report

This year was another very enjoyable year with Under 16 Red achieving a share of the trophies on offer.

We won the Six-a-Side competition for the second year, and at last making the final in the Knock-out Competition, unfortunately becoming runners up.

Six players returned this year and seven new players joined the reds. This was a very skilful team with everyone having a good attitude, but many players had school, family and work commitments which impacted on training and team practice. We also had a number of injuries that just seemed to take the edge off the results.

This year we played in a 16/17's competition which saw us coming up against some very tall and skilled players, with some teams having four substitutes, but this didn't deter our team. Our team was made up of eleven under 16's and two under 15's, most of them quite tall and skilled too. Our games were hard fought and often with no substitutes our players were worn out, but gave their best effort – they never gave up!

The highlight of this season was making the final of the Knock-out competition which is the only trophy this team hasn't won.

The Players

Abbos Ahmedov - Continued to be an asset to our team. Abbos's skills improved throughout the season. He had a great attitude and always showed good sportsmanship.

Abdel Al-Shamery – Wasn't always able to make our games but when he could he showed determination to score a goal. He always found the off-side rule very challenging.

George Azzi – Returned for his fourth season with us. His outstanding soccer skills in our backline saw the opposition struggling to get past him. George was always there to support his team even when he was injured.

Hakan Karasac – A new player to our team but has been a supporter for many years. He also was one of our valuable backline and was always able to clear the ball.

Jasvinn Singh – Returned to play his seventh season with us. Jasvinn continued to be one of our most consistent and reliable players. He was our highest goal scorer.

Jaweed Rezayee – He was one of our Under 15 player's. Jaweed was a very determined player; he showed good ball control and never gave up in any situation.

John Semialjac – He returned to our team after a few year's break. John was an enthusiastic player and an asset to our team. He played in the mid-field and was able to control and pass the ball continually setting up a number of goals.

John Zhou – This was his third season with us and what a season it was! This year John showed great leadership qualities, on many occasions organizing extra

training sessions and working out strategies. He was also part of our strong defence and continued to outrun our opposition on many occasions.

Mahyar Jeyi – A new comer to our team this year. With his speed, determination and good ball skills he quickly gained the nick name of “Maradona”. He was one of our reliable players and showed outstanding sportsmanship.

Nathan Cross – This was his seventh season with our club and he was also an Under 15 player. Nathan is one of our tall, fast players who always showed great teamwork. This wasn’t Nathan’s best season due to having an operation and then an injury. But this didn’t deter him he always gave his best and continually supported the team even if he couldn’t play.

Wayne French – What can we say! He continually played in goals week after week always amazing and frustrating the opposition. The opposition often commented on his great goalkeeping skills and on occasions wrote these comments in their weekly reports.

Yousef Ashour – (Newsef as we named him). He was new to our team this year and quickly became one of the team! He continued to improve his soccer skills throughout the season.

Yusuf Temel – (Oldsef as we named him alias “Chewy”). This was his fourth consecutive year with us. He continually gave motivation talks which often left Robert with nothing to say at half time. Yusuf always added strength and speed to the team.

Robert and I have totally enjoyed this season and hope you all come back next season. We would like to thank the parents, family and friends who have supported the team and look forward to seeing you next season.

Robert French

Under 16 White Team Report

Hi, my name is Marco, the coach of the under 16 whites. Here I present my thoughts on the performance of the under 16 whites. I'll avoid writing this report using the classic clichés of sports writing, which I'm sure you've read plenty of. I'm not going to write about how the boys had a tough year, how we were unlucky at times, that the ball just wouldn't go in the net at times, the inexperience of a second year coach, that this team has so much potential, that refereeing decisions did not help our cause, the missing player cards, etc. etc. Instead, I'll focus on the comradeship, the heart and good sportsmanship of all the players. In my opinion, this team represents what playing soccer at this level should be, that is, having FUN!

To the supporters of the team 9mums and dads0 your help is much appreciated.

Coach's player of the year –

Waleed Wehbe: our goal keeper. Scored twice and from what I've been told, these were his first for the club. Cheers Waleed!!

Best Club Player –

Ozhin Saleh: Scoring midfielder. You led your team with your determination, signs of a team leader. Well done, Ozhin.

Raahauge Cup North Report

Last season this squad played in the Premier League competition and found the going very tough. This year the sides were relegated to the North Division which suited us much better, particularly as we lost a number of first grade players from last year. Overall the majority of the players had played for McCredie for some time but we did welcome a couple of new guys. Having less players meant a bit of doubling up on Saturdays but we decided that in the lower grade we could cope with this.

The reserve grade side had a very successful year. Finishing the competition as minor premiers the guys had high hopes for the semis. In some of the earlier games the reserves had relied on some first grade help to win a couple of games. One memorable match was when Jose Quiroga (a first grade striker) was goal keeping for the reserves, they received a free kick on the edge of the box. Jose came the 80 metres up field to take the free kick and score, in a match the reserves won 1-0! However by the time the semis came the reserves had their own combinations and were winning games well. They defeated Penrith in the major semi only to go down to them 2 weeks later in the grand final to finish runners up.

The backs consisted of Scuba (in his testimonial year after being one of the club's foundation members – it will be a different Saturday afternoon without him next year), Rohit, Juan, Andrew (another foundation member) and Ricardo. In the halves Tito, Carlos and JP anchored the middle whilst our young tearaway, Mirwais, took the right and Gaven (another foundation member – and playing better than ever) held the left. Carlos stepped back from firsts this year and was a key figure in the reserves success. His injury in the final was a crucial part of the result. JP was one of our new guys and played terrific soccer all year. Up front the triumvirate consisted of Bobby (topping the goal scoring and having his most successful season), Ahmed and John. It took a while to get the team work happening up front but with Ahmed's speed and developing soccer maturity, Bobby's skills and John's uncanny eye for goal, things should click quickly next year.

A special thanks to Pece and Jose who shared the goalkeeping duties and to Phil who regularly filled in for the reserves in defence.

First grade had a few changes from last year but the most important one was that the team remained pretty consistent throughout the year. This is the reason we were successful. The side managed to lead the competition up until the last match which we lost. The team we lost to, passed us but that was our last loss. We played Carlingford three times in a row and we won the two important ones, the major semi and the grandfinal.

In defence Phil swept as per usual. Marco, Jose Saenz and our new boy, Sandeep, formed the defensive effort. In a departure from the norm for us, we generally played just three in defence and three up front this year, backing the strength of our strikers and therefore our ability to score goals. If a striker was missing we played the standard four in defence. In the midfield Moises was joined by Steve in the middle and Sez out wide. Sez was welcomed back from 18 months in Bulgaria, and he still plays the best wide half in the squad. Up front Pece, Greg and Jose Quiroga cut them to pieces. In particular Pece, who had a tremendous season. Pece's early departure for Macedonia last year was a key factor in the falling away of that season, but this year he played all year and we remained successful often on the back of his goals. Steve had a great year in the middle and cleaned up everything in the air and Jose Q's shots are second to none.

It is rare to have everybody fit and available every week and whilst this year was very good for reliability, the willingness of players like JP, Carlos, Tito and John to back up or play firsts for the day is crucial to the sides' success. It is also necessary to acknowledge the efforts of Bobby and Ahmed who played goals for firsts. Neither of them like it, but both understand that this year we played without a goalie and someone needs to help out. Thanks guys.

We won the Premiership, the B Grade Knockout, were minor premiers in reserves and Runners up in the Reserve Grade grand final. The season was a happy one results wise and an enjoyable one with the boys. Consistency was a key and it is very important that we take this into first division with us next year if we are to remain successful.

Ashley Mulcahy	Tony Ounpraseuth	Adonis Raya
Wade Singleton	Joshua Tam	Joe Yildirim

Musa Yildirim

After reaching the final of the 2004 season the squad was elevated from Raahauge Cup North to Raahauge Cup First Division for 2005. During the season we were competitive, winning 3, drawing 4 and losing 7.

Our team had a good mix of youth and experience. The youth being Lachlan, Ashley, Joshua, Toby, Tony, Warren and Enrico, the experience coming from Danny, Dennis, Joe, Little Musa, Big Musa, Raf, Ozkan and our goalkeeper Wade.

In my opinion this group was too large and it was difficult giving all players game time. For future seasons I would like to see a smaller group where all players have equal game time.

One major disappointment is that out of 16 players registered for Reserve Grade only 2 or 3 players hold a referee's assistant card so these same players had to do the lines for all the First grade games. This situation has to change!

The First grade made it to the semi finals and this could not have happened without the backing up from our Reserve graders. This was a great effort as these players, on some occasions, played two full games in one afternoon.

In the night knock out competition we played very well to reach the final, losing to Guildford McCredie's Raahauge Cup North first grade side. The runners up medals were well earned.

I would like to thank Big Musa for taking over the organising of the team on most game days and directing the team on the park.

I hope all players have a great summer and come back next year.

John Houlford
Manager

FIRST GRADE

Kari Bergsson	Sindri Bergsson	Kristofer Dimeck
Matthew Dixon	John Donnelly	Wayne Goodwin
Michael Hession	Peter Hession	Iain Houlford
Matthew Preston	Adam Russell	Darryl Verity
Matthew Verity	Stephen Verity	Ian Warwick

Being Raahauge Cup North minor premiers in 2004 saw our young team promoted to Raahauge Cup 1st division for season 2005. It was pleasing to see every player from the previous season return to have another shot at the title. We picked up 3 new players, Matt P, Wayne and Kris, all of whom fitted well into our team.

Knowing that the new competition would be much harder and faster, we set our goals on making the semi finals, which we achieved by coming in at 4th place. Unfortunately we were beaten in the semi final by Campbelltown 2 goals to 1 in a very tight game.

As the majority of our team are young, we can reflect back upon this year as a learning experience. We had no one in our team sent from the field this year for silly incidents and had only minimal amounts of yellow cards issued which shows maturity, self discipline and tolerance towards opponents and referees.

Due to a number of injuries and work commitments from some of the regular 1st grade players, which included Ian Warwick who unfortunately, sustained a major knee injury in the first game of the year, we had to rely on a number of reserve grade players, such as Joe, Raf, Enrico and Ashley who filled in when required on a regular basis. These 4 players, when playing with us gave it their best each and every time they played, for which I thank them.

On behalf of the team, I would like to thank John, our manager of 3 years, for his devoted and passionate service to our team, and, to John's wife Barbara for her support to John and washing the dirty shirts each and every week.

Win, lose or draw throughout the season, every player played to the best of their ability, had fun, and conducted themselves in a way Guildford McCredie Soccer Club can be proud of, each and every week, which makes coaching this side a pleasure.

Looking forward to 2006 season.
