## President's Report

Greetings to all,

It's another year, and there's only one thing I can say "Congratulations for all your time, dedication, and support to this year's Soccer season 2006." You have completed another rollercoaster, another joy ride as a player, coach, manager, cheerer, supporter and parent.

If you're a player you definitely deserve a big hand shake. You have put all your strength and might to take that soccer ball into that goal net, and if you're a goalie, you have played to catch that soccer ball. Overall, you have played a great contribution to the club, and without YOU, it would be incomplete.

A big Thank You and acknowledgement for the teams, to the all knockout champions Under 9's, 10's, 11's, 13's and Under 14's. To the Under 11's, 14's and the Raahauge Cup North, who were Premiers. All the runners up, under 9's, 10's and 12's, and last but not least the Under 14's Presidents Cup Champions.

When reading the list of achievements, I was truly amazed. These kids deserve a big Thank You. There might have been a few injuries this season, but that has been one of the greatest challenges to help one another, and encourage one another to keep going to reach the goal you were striving for.

We'll all be looking forward to the Soccer Season in 2007.

Enjoy your break, and take care of yourselves.

Cheers to all!

Rev. Rodel Palma

## Secretary's Report

In Guildford McCredie Uniting Soccer Club's eighth season we were able to field nine junior teams: two in the under 8 age group and one each in the Under 17, 15, 14, 13, 12, 11, 10 and 9 age groups, four mini teams, two in the under 6 and two in the under 7 age groups, and four senior teams in the Raahauge Cup competition – a total of 18 teams. This is the same number of teams fielded in 2005 but an increase in overall player numbers. Our satellite club at Newington grew an extra two teams this year to field three mini teams and two junior sides.

In 2006 we continued to utilise both Granville and Everley Parks. Granville Park is terrific for players and parents due to its proximity to most our players' homes, but our canteen always does much less business at Granville which is costly for the club. Our canteen makes significantly less money at Granville Park and the line marking is a club expense (rather than at Everley where the generosity of time given by Mr Peter Sampson in marking the lines is much appreciated). In 2006 we only gained one additional sponsor in John R Turk's renewing their support however, the sponsorship of Shalala Smash Repairs and Wipeout Pest Control remained current from last season. We thank all these businesses for their kind support. There is a page further on in this report where they are further acknowledged and I would encourage you to support these businesses. Make sure you mention McCredie Soccer when you do!!

Again we welcomed some new coaches and managers this year as well as welcoming back some returning coaches. We did have one notable retirement from Sam Eid who did not coach in 2006. Thanks Sam for all your work with the boys (under 8 to under 10) and we hope to renew your involvement with the club when your house is complete! Robert French also did not coach his own team in 2006

(having guided the 17s since they were 10 in 1999) but his assistance in stepping in with at least three separate sides during the year when required was invaluable and much appreciated.

In 2006 the committee was again unchanged. Peter and Dorothy's efforts in organising the canteen, printing and distributing the newsletter, ensuring the fields are set up and packed up and generally doing anything and everything as required keeps this club going. Too often they are taken for granted and it is deeply disappointing to see Peter pulling down nets and mini posts at the end of a long Saturday morning when I know he has spent from the early hours warming sausage rolls at home, packing his van with equipment, selling food and dealing with spectators as the ground official. Don't forget this family has also printed and distributed the newsletters and their son was injured (and has since retired from playing) before the halfway point of the season!

Thanks also to the Thomson family for the time they spend keeping the 'books' for the club and to Carolynne Wark for all her efforts as registrar, ensuring all the paperwork is up to date and bills paid. Chris Goringe would be totally unknown to almost all club members, but anybody who has visited the club website has seen his handy work. Thanks Chris.

Again in 2006 we enjoyed some strong results. Our RCN 1sts, 14s, and 11s were premiers whilst the 12s, 10s and 9s were runners up. We won five knockouts the 9s, 10s, 11s, 13s and 14s which was amazing and the 14s also won the President's Cup. (This is the 4<sup>th</sup> successive year that we have won the under 14 President's Cup, certainly something for this year's 13s to aspire to next year!). All this in a year when the six a side was washed out – oh what might have been!

We had some significant injuries this year and I am pleased to report that all the players are on the mend. Never have I experienced a season for injuries quite like this one. We had three broken legs (myself, Peter Hession and Kari Bergsson), Iain Houlford broke his jaw and cheek and three players required knee surgery (Ian Warwick – second year in a row, Carlos Calderon and Moises Palacios). Amongst this lot were 4 coaches! Let's hope we've used up all our injuries for a few years! It is a credit to our club's depth that despite these injuries three of our four senior teams made the semis.

The NSWCFCA continues to offer our players these opportunities, knockouts, night matches (for U13s and older), President's Cup and six a side (when it doesn't flood for a week!) in addition to the regular competition. These additional competitions are not offered by other Associations and are always very much missed by players who have experienced them and left to play elsewhere. The cancellation of the six a side was a bitter disappointment. Those who have played it know what I mean, those who haven't will just have to believe me when I say that we all missed the best weekend of the season in June when it poured for a week. The Association recognises this and is putting a plan in place so that should rain again interfere in June, the competition can take place at another time. (Apart from the fun, our club usually makes about \$2000 in canteen profits which of course this year we missed out on).

Our website continued to be well patronised in 2006. We have made some new additions including lists of Association records and links to the laws. Our Association has a history going back to 1929, have a look at the records (since '76) as you are now part of that history. The Association's website was also overhauled this year and included competition tables and draws etc. We would like to be able to add more pictures to the site but we are restricted a little by Child Protection legislation. We will though attempt to get some more up to date photos and things up next year by gaining parental permission and uploading them.

The diversity of cultures in our club has always been a sense of great pride for us. Here is a list of cultures that have been represented at McCredie: Aboriginal, Afghanistan, Argentina, Armenia, Bulgaria, Chile, China, Congo, Cook Islands, Costa Rica, Croatia, Egypt, El Salvador, England, Fiji, Germany, Ghana, Greece, Hong Kong, India, Indonesia, Iran, Iraq, Ireland, Irian Jaya, Italy, Kosovo, Kuwait, Lebanon, Liberia, Macedonia, Malta, Mexico, Nepal, New Zealand, Palestine, Peru, Kurdistan, Philippines, Samoa, Serbia, Sierra Leone, Slovakia, Somalia, Sweden, Turkey, USA, Uzbekistan and Vietnam. This year we added Belgium, Thailand and Sudan. Have we missed yours?

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. We will also be taking preliminary registrations at the Presentation Day. You can register any time by seeing me but remember no registration will be accepted without a \$20.00 deposit. Please register early as I would hate anybody to miss out. **Be aware however: registering with our club means you are making a commitment, you are in fact signing a contract to play soccer with our club. We will honour that contract by providing soccer, you by playing.**

Thanks again for a terrific 2006 and I look forward to enjoying our fine community together with you again in 2007.

Greg Wark

## Under 6 Red Team Report

This year was a fantastic year for the whole team. At the beginning we had a few more players but it all sorted out and we remained a strong team throughout.

Thanks to our coach Roger Wehbe's patience the boys gelled together and absolutely loved Roger. He not only coached them but he also made sure it was fun for the boys. At the beginning the boys really wanted to tackle each other and muck around but by the 5<sup>th</sup> and 6<sup>th</sup> games they began to listen to get a better understanding of the game and what was expected of them. We measured our success by the players that turned up every week for training and the actual games and trying their little hearts out. We also had a few games when the boys only had 4 or 5 players, the boys took it in their stride and rose up to the occasion and actually won against the odds.

Roger and I couldn't have asked for any more great effort boys, you are to commended.

### **Serge Boustany**

What a little pocket rocket. Serge always gave his best, he's not even 5 yet but he stood tall and gave it his all. He was great in defence and never gave up

### **Salem Boustany**

Salem was one of our main goal scorers. Once one of the other boys gave him an open space you could shut the gates virtually every time. In attack he was improving with every game and has the potential to be a great player.

### **Ramey Darwish**

Ramey was another of our goal scorers. Ramey got the chicken pox and missed a few games but when he was at the games he made sure everyone knew it and a good attacking player as well another one of our team that has great potential.

### **Ryan Carder**

Ryan has a mean left foot on him. Once his fitness improves he will be unstoppable. He was always there and gave it his best whether it was in the goal keeping position or in the run of play.

### **Allen Nguyen**

Allen is a great all round player but missed too many training sessions and actual games. Hopefully next year he will be able to reach his full potential as he has got what it takes to be a really great player.

### **Issac Herrera**

Issac also missed a lot of games and training. He is another player that has the killer instinct but needs to develop more and that will come with more training and game play.

### **Zane Jones**

Zane is another player who is coming out of his shell and developing more and more with every game. Zane was excellent in the goal keeping position and will be a great player.

### **James Tiller**

James is another great all round player, he is focused and has a good understanding of the game. He almost scored goals in every game and has great defence skills and has the potential to be a great player.

It was certainly a challenge to get a group of 5 and 6 year olds to listen but Roger and I would like to thank all the boys and their parents for all the effort they have put in every week, we could not have done it without you.

Also a big thank you to Zane's dad, Darren, for running on with the boys as acting coach in a few games when Roger was playing in his game, great work.

Coach  
Roger Wehbe

Manager  
Claudia Tiller

## Under 6 White Team Report

This was our first year together and our boys can be proud of their efforts. For all but one player, this was their first season at competitive soccer. The team started out as individuals learning how to kick the ball and which way to run, under the guidance of George (our ever patient and always encouraging coach). All the boys have improved so much throughout the season. By the end of the season our players were developing some skills, starting to play as a team and holding positions. They were no longer afraid to attack the ball especially when defending, and started to pass the ball rather than tackling their own players. Throughout the season our games were always exciting as we were always able to score some goals and except for one game never lost by more than 2 goals. We had 4 wins, 2 draws, 7 losses, 3 washouts and 2 byes. We scored 39 goals and had 36 goals scored against us. We usually won our matches by one goal except for our huge 14-0 win against St Columbus which clearly helped our for/against stats. As the season progressed and we started to win some games, the weather was not favourable by washing out some matches where a win was very possible. This though did not hamper our boys' enthusiasm and we continued to try hard and have fun each week. The season was also made enjoyable by the terrific support of the parents and grandparents who were very encouraging and made sure our players each week got to games and were on time.

Our players:

### **Christopher Robinson**

Chrissie was our only player who had played in the u6's last year. When up front he would use his speed to chase the ball and steer it towards the goal. When in goals he was a solid defence being able to catch the ball safely. (3 goals)

### **Daniel Wark**

At the beginning of the season Daniel would attack as well as run back to help defend. Daniel is fairly solid on the ball. By the end of the season, Daniel found his niche as a solid defender where he would greatly hinder the oppositions attack as not many balls would get past him. (1 goal)

### **Divik Nigam**

Divik missed quite a lot of matches, however when he was on the field he would always have lots of energy to run everywhere and tackle and fight hard for the ball. When he was on the field his presence was felt. (1 goal)

### **Jordan Kastrounis**

Jordan was our youngest and smallest player who only turned 4 this year. He loves soccer and tries hard. By the end of the season Jordan found his position up front and whenever the ball came his way he was always determined to win the ball. (2 goals)

### **Marc Anthony Sarkis**

Having his own goalkeeper's gloves, Marc Anthony chose to spend some time in goals. He provided a good defence as he was not afraid to stop the balls with his hands and was able to do large goal kicks. When on the field he would run hard. (1 goal)

### **Matthew McGuire**

Matthew initially was a little timid, however as the season progressed he became our little fighter in the middle, always willing to be amongst it, not afraid to try and attack the ball. He also helped the team by spending some time in goals.

### **Nathaniel Guzman**

Nathaniel is a quiet player who at the beginning of the season would be on the edge of play observing. However by the end of the season Nathaniel's game awareness had improved immensely and he was now happy to be in the thick of things with all the other boys. (2 goals)

**Samuel Joya**

Sammy continues in the footsteps of his soccer playing brothers. Sammy is always eager to get on the field and 'play a game'. His good dribbling skills developed throughout the season and saw him take many a ball from the midfield towards the goals. As well he made many saves when wearing the goal keeper's jersey. (4 goals)

**Tevin Rillera**

Tevin is quite fast and runs around a lot. He uses his pace to take the ball and head towards the goal. When he is positioned as a back he has a fair kick and provides a solid defence. (2 goals)

**Zion Woetai**

This was Zion's 1<sup>st</sup> season to continue the Woetai family's soccer dynasty. Zion at 5yrs already displays exceptional soccer skills. He started the season in goals making numerous saves and then when placed on the field became the player who controlled the midfield always fighting hard for the ball and providing through balls to the forwards. He was by far our top goal scorer with 20 goals for the season. He will be a great asset to the u6's next year.

Our thanks and appreciation must go to George for all his time and effort spent coaching our 4, 5 & 6 year old boys who we know at times can be a challenge. Also a big thank you to Nicole who also gave up her time at the beginning of the season to help coach our boys. We had a great time this season, and we cannot wait for everyone to come back for the 2007 season.

Carolynne Wark  
Manager

George Kastrounis  
Coach

## Under 7 Black Team Report

We had such a fantastic season considering all the circumstances. We started with a full team of about 10 players, a few dropped out due to lack of interest or other commitments and by the end we had 6 players, which meant for the last few games we had no reserves. But the 6 that were left worked so well as a team and were improving so much with each training session and game. The weather was a let down for this team as they really enjoyed and took on board everything they learnt and experienced at training and in the games. One of our first games we played we were beaten something crazy like 13-0 and each game the gap got smaller and we were scoring at least once or twice each game. Finally our time to shine came, on the last game of the season, we won 2-1. An awesome way to finish off a season of hard work and learning. If the 6 can come back next year and continue to build on their skills together they will benefit their future team greatly.

**Emily-** Wow. Where to start. Emily was fast, consistent and tough. Not much could get past her, she could weave through almost anyone and if she got knocked she'd just keep on playing. Emily was a great all rounder with her excellent goal scoring and goal keeping. Emily was also always at training and games and her dedication and love for soccer really showed when she played.

**John-** in the last game it was great to see john using his teamwork to score the first goal of the game, he called for the ball to be passed and it was passed to him and he took a great shot at goals. John was a very hard working and eager player, always really keen to get on the field and get the most out of the game. John was dedicated too, coming to every training and game.

**Liano-** Liano was a great back, his defence was amazing. He wasn't scared to run up to anyone no matter how tall or how fast they were coming at him and just strip them of the ball. He would always naturally take the position of defence even if I told him to have a run up the front, and he really developed his skills as a back over the season.

**Anthony-** Anthony was a great all rounder, he was always very keen and had this awesome faith in his team. One game he said he would ask Jesus to help us score goals and we scored our first goal and he ran up to me saying, "Jesus likes our team! He helped us!" Anthony was willing to take on board any tips or suggestions about improving his skills and would give each game 100%.

**Mostafa-** Mostafa was also an awesome all rounder but was especially good at midfield. Over the season he really developed his tackling skills and also had a few turns at goal keeping which he was also good at. Mostafa was a great asset to our team when a player needed back up he was there and when an opportunity came to make a break for the goals he was always one of the first to attempt. And was successful in scoring great goals.

**Cassandra-** Cassandra brought a dramatic touch to the team and was great fun to coach. Cassandra claims to hate soccer even though playing was her choice, but once she got on the field and stuck into the game she was fantastic! She was a great midfielder and wasn't scared to tackle. The position she excelled in was goal keeping, and many thanks to her because we we're always begging her to go goalie for us and after a few "I hate going goaliiiiieeeee" 's she would change her mind and enthusiastically put on the shirt and not many goals were scored against us when she was in goals.

Leanne Pereira  
Manager

## Under 7 White Team Report

This season was a credit to all our under 7 white team players. We had a great run with only one loss and one draw all other games were our wins. Our boys worked as a team and showed great sportsmanship. Thanks to all parents for their support with training and game attendance. We really have a great group of players and will be a force to be reckoned with next year.

### **Bilal Abdul Hamid:**

Bilal has a great future in this game, he has such spirit and runs the whole field with ease. Bilal shows never ending energy and is starting to be a real team player. Bilal's goal scoring was also a great part of his overall game.

### **Kane Carder:**

Kane is still our smallest player with the biggest spirit. Never under estimate this boy he is fast and is deceiving by his size. Kane played in goal also this season however he is best on the field. Kane gave all he had in each game.

### **Harrison Castles:**

Harrison always plays his heart out, he is a very confident player who will excel with more training. Harrison showed great skills in defence later in the season and was always on the attack all over the field. No amount of hard falls will stop this boy.

### **Ali Hawchar:**

Ali is a boy who truly loves his soccer. He is always on the look out for a break to score a goal. He also will be a great all round player. Ali can run the whole field with ease and never stops smiling.

### **Jayden Kastrounis:**

Jayden is another player who can run the whole field and is great in attack. Jayden has a big heart and is a confident player and has real team spirit. Next year it will be great to watch this boy run.

### **Jack Keenan:**

Jack has always been great in attack and in the latter part of the season he showed great defence skills. Jack puts his heart into each game and is again a very confident player. Looking forward to see Jack in the under 8's.

### **Lazar Mijatovic:**

Lazar was our major goalkeeper who saved many a goal being scored against us. He played half game on field and scored goals in this position. Lazar plays a hard game and puts Heart and soul into his game. Lazar gets the coaches award as he has showed much promise in goal and out this year.

### **Tommy Palmer:**

This is Tommy's first year and he improved with each game. Tommy has a great kick and back field he will not let a ball pass. As Tommy becomes more confident he will kick hard and long and be a great player backfield.

### **Jobby Woetai**

Jobby is a true champion, he kicked most of our goals this year, some from the corner post. Jobby stands out to everyone who sees him play. He is never afraid to take the ball the whole field for a goal. Jobby has amazing ball skills and just can't be passed as our Player of the year.

**Coach**                      **Waleed Wehbe**  
**Manager**            **Judy and Iain Castles**

## Under 8 White Team Report

2006 was a very mixed year for the U8 Whites for many reasons. The major change this year was the combination of last year's white and red U7 sides. With a large number of talented players in the side, the expectations on this team were high. The season got off to a great start but due to circumstances outside our control (chiefly the weather), the team lost its way as the season progressed, not quite achieving the expected results. We took a fair amount of time to adjust to the big field.

The major win to take out of this year was the number of times both Parents and players fronted to games and training, regardless of the result, ensuring that an enjoyable year was had by the entire team.

Special thanks needs to go Tom List for his coaching throughout the year. Tom's continual encouragement of the boys, and his efforts to instil in the boys skills that will aid them going into next year's team, are to be applauded.

Success for the Whites has and always will be measured by the boys wanting to come back and play football again the following year.

We look forward to seeing you next year where we will be bigger, smarter, faster and ready to have our best year yet.

### The Players:

**Jason Tran:** Jason played a majority of his season on the left side of midfield. Jason was very aggressive in defence throughout the season ensuring that any opposition player would be chased down and be put under intense pressure if in possession of the ball.

**Aiden Beehag:** Aiden's kicking game gave the team confidence in their defence. His ability to clear the ball away from our goal (in normal play and as chief goal kicker) ensured that the opposition needed to continually fight back from their own half.

**Todd Watling:** Todd's speed was used primarily in the midfield this year with a number of appearances in the forwards. Todd ball skills improved as the season went on ensuring that he won more ball throughout the game than he lost.

**Connor Barkley:** Connor was the primary Goal Keeper through 2006. Although he also played time in the midfield and defence, it was his increased confidence in the goal square as the season progressed that was a highlight. The lessons learnt this year will serve him well in the 2007 season.

**Samuel Killick:** Samuel played a number of second halves as Goal Keeper with some great saves to his credit but shone in right midfield. Samuel's concentration and interest in looking for opportunities to promote the ball ensured that the team was presented with a number of attacking opportunities.

**Mitchell Timms:** Mitchell's intensity in the games increased as the season went on. The season was marked by a number of appearances in goal (one in which a direct penalty goal was averted) and an increased awareness in the midfield that saw Mitchell gain more possession and improve his control of the ball.

**Reece Osland:** Reece had a superb year as one half of our strike combination. Reece has an extraordinary work ethic that sees him saving a goal at one end and then creating an opportunity or scoring himself the next. Although he is a talented player of the ball, it was his forward thinking that made him stand out this year. There were some

magic passing combinations that were either initiated by Reece or involving him that resulted in great goals.

**Brandon Hamlin:** Brandon spent the majority of the season working in the defence with Aiden. Brandon showed great improvement as the year went on, in the way he positioned the ball and planned his movements on the field.

**Rachid Howchar:** Rachid showed great tenacity on the field with a “never stop” attitude that saw him win more possession throughout the season than he lost. Rachid was always trying to get the ball off the opposition and was instrumental in assisting with, and delivering his own, goals throughout the season.

**Ahmed Dbouk:** Ahmed was the other half of the strike combination. Ahmed’s speed with the ball, and his ability to pass the ball to others in good field position was a major contributing factor to the goals scored each week by the team and will get him closer to the coveted 100 goals scored for the club.

**Harrison Lira:** When Harrison found himself in the middle of a fight for control of the ball, he displayed good skills to not only keep or steal the ball, but also to clear the ball to the forwards in open positions. His skill level increased throughout the season and he will be a better player in 2007 for the lessons learnt this year.

**Chamath Fernando:** As the season went on, Chamath’s confidence increased as did his control of the ball. Chamath made some great runs from the left of the field and he worked hard in defence ensuring that the opposition did not have an easy passage to the goal.

**Pasimi Uasi:** Pasimi played well in the midfield and at the back. He is one of the most skilful and talented players in the team. He ensured that the ball was passed smoothly to the forwards and was always one of the first players back in defence if the opposition regained control of the ball. He scored his share of goals and is a real player of the future.

**Andre Ulavalu:** Andre had a great season in both the backs and in midfield. His skill with the ball ensured that he made holes for himself and the players around him. He was instrumental in a number of saved goals and clearing kicks forward. A genuine worker who always gives his best.

## Under 8 Black Team Report

After winning our first competition game of the season 2-0 I realised that this coaching caper is a breeze. Two months later when we got our third premiership point I was so thrilled for our team because they never ever gave up in any game, no matter what the score. Should this team stay together, I see brighter days ahead. As with any team you would hope for and somewhat expect improvement, but this side was decimated by injury, illness and overseas trips on a weekly basis, yet the performances grew week by week regardless of the numbers on the field.

In alphabetical order I will assess the seasons of each individual. **Bethany Almeida:** Bethany was a delight to coach, she consistently out performed most of the team in speed and endurance training. On game days Bethany, usually in the back-line, always showed great skill and timing, so much so that she was our preferred choice to take goal kicks, which she did always with precision and power. **Brandon Custodio:** Brandon was great value for the team when he was able to join us. His skill level improved through the year and he put in some especially good performances later in the season earning him a player of the match award. When at training Brandon is a happy, obedient and popular player. Thanks for your efforts Brandon. **Krystal Docker:** Krystal was THE toughest and most tenacious player in the eyes of her completely unbiased coach. Krystal always played in position and when the heat was on she was right there in the centre of the battle. It would be remiss of me not to mention her amazing performance as goalie, stopping numerous goals in our 2-0 win to start the season. **Anjur Dodwad:** Unfortunately we didn't see a lot of Anjur in the later part of the season. He is a terrific guy, super energetic and very competitive during both games and training. Didn't like being sent for extra laps at training (but then again who does?) **Cameron Hunt:** A great kid, upbeat, optimistic, ultra competitive. Cameron was an obvious standout in this side and more often than not was the best player on the field win, lose or draw. His speed and skill are matched only by his determination and instinct. This boy is a future champion, sign him up. **Prathik Jagadeesh:** Right up there with the best of them, Prathik was the most consistently good player all year, all over the park. One of the most pleasant and friendly people I have ever met, Prathik is a dream to coach. Always gives 100% effort at training and in games. Add to that speed to burn, skill in bucket loads and you have the under 8 blacks best and fairest player. **Arian Jahiri:** Our youngest player, Arian has a big future ahead of him. Very skillful with the ball and impressively vocal when selected as captain. Had Arian played under 7s this season he would have had no peer and would most certainly have scored a swag of goals. It will be a big loss if we don't see Arian in McCredie colours next year. **Albion Jahiri:** Albion is equal to anyone in the side in terms of skill. His effort was undeniable all season. Though he would be a massive asset in the midfield, Albion's commitment and presence in goal meant he had a very busy second half of the season as goalie, always deserving of high praise. Albion's punt kicks go further than most 11 year olds and as his timing develops he will become devastating to any opposition in any position. Come back next year and choose your own position Alby. **Arthur Maroun:** Unlimited potential for the outspoken Arthur. He is super quick, super talented and a dominant personality within the team. Probably had to run more extra laps than any other player in the side, but always did as asked at training and showed glimpses of brilliance in games, really stepping up in the back half of the season when we were undermanned. I can truly see Arthur pressing for the big awards next season. Also a special thank you to Charlie and Georgette Maroun who often volunteered to wash jerseys and provide the team with bright juicy oranges on many occasions. **Joshua McGuire:** What can I say about Josh? Plenty! Though I would have liked to move Joshua around more this year, he was just so very good at the back of the field and it is hard to put a figure on his value to the team. But I will. The guts and determination that Joshua showed week in week out most definitely saved us 2.8 goals per game. Add to this his constant improvement with the ball at his feet and I would not care to contemplate how the season would have developed without him. After careful consideration, Joshua is an undeniable choice for the Coaches Award. **Shawn Rillera:** Shawn is fast and has great ball skills. He can steal the ball, beat players and is a good finisher. Add to this some excellent performances in goal and you have a very consistent performer winning two player of the match awards and often among the best on ground. **Phillip Taleski:** Phillip is a wonderful boy with a great attitude, plenty of confidence and a lot of potential. With plenty of speed and stamina Phillip was always one of the best at training and never far from the ball during games. Also a multiple winner of player of the match and best at training awards. **Arbin Zenelaj:** Arbin left us for an overseas visit midway through the season. At that point in time he was the most effective player in our side, getting more touches, making more saves and covering more ground than any other player in the side. A fantastic boy, lets hope he comes back to McCredie.

I would thank all players and parents for your great efforts and wonderful spirit for the whole season, have a great spring and summer and keep practising each week. See you all next year.

Graeme Docker - coach

## Under 9 Team Report

We were very fortunate this season to welcome back to the club almost the entire side from last year's very successful under 8 team with three new players joining us. When I saw the teams in our competition at the start of the season I was a little nervous, but the boys stepped up and played some terrific soccer to finish the home and away season with just one loss, the knockout competition as champions and the President's Cup as runners up, losing the final in extra time (just like last year, but to a different team!). As usual this team boasted some great support from the parents and Sara's assistance as manager was appreciated by all and most especially myself. Thank you Sara.

Our team lined up with two strikers, four halves and four backs most weeks. Up front Daniel was the one constant. **Daniel Jabou** had his best season with us this year. His goal scoring reached new heights as he used his speed to beat defenders to the ball time and time again. Daniel's dribbling improved markedly this year and his shooting was great. Last year we as a team struggled to score, not this year! Daniel also scored his 100<sup>th</sup> goal this season. Partnering Daniel was usually **Yasir Sungkar** who quickly developed a good relationship with Daniel and supplied him with some great passes. It was great against Blacktown, with Daniel having a rest, to see Yasir step up and bag two for himself. **William Wark** also partnered Daniel often and Daniel certainly benefited from the crosses and through balls that Wil provided him. Wil also managed to score many goals himself (including a hatrick in the knockout final).

The halves were built around Marty. **Marty Woetai** is perpetual motion, as he links with the forwards in attack and the defenders in defence. Big, strong and intimidating Marty is getting better and better. Partnering Marty in central midfield was **Joey Nader**. Joey has great speed and regularly picks the pocket of the opposition disrupting their attacks. On the flanks were **Kerem Sevinc, Moussa Chami, Fred Maroun, Avik Nigam** and Keely. Our ability to move the ball down the wings is very important for us, and to do this these players have to have a good knowledge of how to play out wide. All five of these players can play in the wide half positions now and Keely and Fred also often play in defence. Fred is a very deceptive player. He tackles well and has the ability to play nice balls forward. Kerem also plays very reliable balls forward whilst Moussa has a very big kick when he winds it up. Avik unfortunately only played five games and both Avik and the team missed out on his skills.

Our team has always relied on a strong foundation in the back. **Martin Lo** is a terrific defender, whether at sweeper with Alan in front or at stopper with Wil behind. Martin is fast has good control and a booming clearance. Martin's importance to our side cannot be underestimated. When we were scored against this year, Martin was often off the field having a rest. **Alan Guzman** is a perfect partner in the back. Alan never gives up, tackles hard and really cares. Alan's clearing kicks really improved this year and, like Martin, his importance to the team cannot be underestimated. The other defenders were shared between Wil, James, Rongomai, Keely, Peter and Fred. Wil played defender against the teams that we thought would really challenge us, and whilst he prefers up front, he is a natural defender and never complained. **James Valencia** played very well this year in his second season. James lacks some confidence but he has very good skills and every now and then he traps a ball and moves around his opponent with ease, just to remind us that he can. **Rongomai Hawke** is one of our most reliable players. He is a great tackler, good clearer and has learnt right back so well that when the coach tries him somewhere else he seems a little uncomfortable. Maybe more important than anything, Rongomai never upsets anyone, is a popular team member and very cooperative.

The final position is keeper. In a successful team keeper can be boring. I tried to rotate keeping as much as possible but when the match is tough I looked in just a few directions. Fred had some goes as did Joey. But it was Keely and Peter who did the bulk of the keeping in the really important games. **Keely Sharwood** enjoys keeping and made some top saves this year. The most memorable for me was the one on one with the St Michaels boy who looked very surprised that Keely just picked the ball up off his boot. **Peter Francis** is a fabulous keeper in the making. When the ball is at the other end it doesn't matter who is in goals, but when they are attacking, taking shots and whether or not you save it and clear it, or miss it makes the difference, I want Peter. Peter made some great saves and cleared the ball well. On the field he is quick and developed his clearances as well, but it was in goals where he made his greatest impacts this season.

Thank you again parents and players for a very fine 2006. As I say every year, successful and happy teams come from consistently having the same players come back, so I earnestly hope every player does return next season.

All the best,

Greg

## Under 10 Team Report

With the majority of last years U 9's Premiers playing again for the Guildford McCredie Club the year ahead looked promising. We attracted several new players, who all fitted perfectly into the team structure. So for the first time we started the season with reserves, which is always a plus.

We were only defeated in two games, which occurred on consecutive weekends throughout the entire season. Bad weather took its toll on a number of important games this year and the match of the season between 1<sup>st</sup> place St Michaels A and us in 2<sup>nd</sup> place was cancelled. Unfortunately this meant that we wouldn't be able to challenge for outright first and our hope of retaining our premier's title. The boys had trained specifically for the 6 a-side competition in hope of bettering their Grand Finalist position last year, again unfortunately bad weather had the upper hand.

The Annual knock out competition proved successful this year for the team. Having survived a number of close games throughout the rounds, the team had a very impressive 5 – 0 win in the Grand Final against St Michaels B. The after game celebrations of the entire team running all over the field with shirts pulled up over their heads was a sight to behold and very amusing for the spectators.

**Abobaker Sadiqi**, this year saw Abo undertake a new role in the “sweeper” position. Abo provided constant reassurance if our goals were under attack with very strong defence. Abo has developed into a very strong and reliable team player.

**Adrian Cordoba**, new to the team this year Adrian's soccer skills improved greatly throughout the year. Adrian loved getting onto the field and giving it all he had, which is always one of the most important aspects of the game.

**Ahmad Momand**, with a much stronger focus on team play, Ahmad has become an asset to the team structure. Ahmad possesses strong soccer skills and in his mid field position was always amongst the play, wherever the ball was.

**Dean Docker**, new to the team Dean was a pleasure to have on the team. Without any fuss Dean would train hard and then put into practice what he had learnt. Dean has become a valuable team member and his soccer skills are constantly improving.

**Gonzalo Diaz**, new to the team, Gonzalo fitted perfectly into the defensive line up and his strong kicking skills quickly became evident. Gonzalo always had a smile on his face and became a confident team player.

**Hassan Sungkar**, new to the team, Hassans' enthusiasm and commitment for the game was relentless. Hassans' speed down the wing became a valuable asset to the team and something that can be further developed next season.

**Jackson Mower**, Jackson is a strong and solid team player whose soccer skills are developing greatly every year. Regardless of where he is positioned Jackson can be relied upon to play hard and show winning determination throughout the game.

**Jacob Clark**, “the boot”, is the third member of our defensive line up and is always a fortress in defence. Many opposition players have come off 2<sup>nd</sup> best when attempting to get past Jacob. Jacob is a pleasure to coach and solid team player.

**Jeremy Gonzales**, it was with much team excitement to have Jeremy return back to the club ½ way through the season and he quickly found his place up in the forward line. Jeremy has very good soccer skills and provided strong support to the forward strikers.

**Jesse Skiller**, “the terminator”. What started out as a question early in the season “can I have a play as goalie”, turned out to be the find of the season. Jessies’ quick reflexes and unquestionable courage were incredible and fundamental to the teams’ success. Many thanks Jessie & job well done.

**Milad Atai**, new to the team Milads’ soccer skills were very strong. Taking control of the centre mid field position, Milad could always be counted on to provide critical support to the forwards or the defensive line up. Milad is a strong team player and will continue to become a valuable player for the team.

**Nickolas Taktikos**, always with a mischievous smile on his face Nick loves getting onto the field and giving it his all. Nicks soccer skills are developing each season and he is a committed team player. Nick also served as our very reliable 2<sup>nd</sup> goal keeper, job well done.

**Shayan Kashef**, new to the team, Shayan showed quick speed with the ball and loved getting into the clear and then moving the ball up to the forward strikers for goal scoring opportunities. Shayans’ soccer skills developed throughout the year and he shows a strong commitment to the team.

**Tony Lo**, “the man”, once again the team and possibly the entire competition’s number one goal scorer for the year. Tony possesses incredible speed and skills with the ball and many an opposition team and spectator were left in amazement once the ball was placed firmly in the net.

**Yue Li**, new to the team, “Mr Li” would always have a huge smile on his face and when out on the field would be kicking the ball to someone. Yue Li’s soccer skills improved throughout the season and he loved playing with his team.

So overall a very rewarding year for the Under 10 team and if we remain as a team for next year, we will continue to a very strong force to deal with, Look out opposition.

A sincere thank you to the Frank Skiller – Team Manager, whose commitment to ensuring that we had a full team every week was a full time job.

Carl Mower - coach

## Under 11 Team Report

After a number of years of going close, especially last year where we went from first place to third just a week or so before the President's Cup, the under 11s in 2006 finished the competition as undefeated Premiers.

We were coming first all season and as competition frontrunners all the other sides were keen to do well against us. It was a hotly contested competition with five sides having some very close matches. We drew three games during the year with three different sides, but managed to defeat them all later in the competition, giving us the lead.

Having the six a side called off was a bitter disappointment. This team last lost a six a side match in 2002 when we lost the under 7 final! We were certainly planning to give it a good shake again this year. Now we will have to regain it next year!

We helped compensate for no six a side by becoming knockout champions. The final was a very exciting match where we had to battle hard to come away with the narrowest of victories.

Unfortunately in the semi final of the President's Cup we came unstuck for the first time all year. Joshua's injury on the eve of the match certainly didn't help but we definitely saved our worst for last. This was a shame as we have a very strong bunch of young players who probably deserved a clean sweep this year. But it was always a close comp and it certainly gives us something extra to strive for next year.

During the year we had three coaches and a manager. Lana managed the team throughout the season and her efforts are much appreciated by all the players and parents. Bobby coached the team for the first half of the year but travelled to Macedonia in June leaving the coaching to Jose and Raul. We are very fortunate to have been able to have coaches all season despite our regular coach having to leave for overseas unexpectedly.

Thank you to all the parents for their support of their boys, and thank you to the players. This team has maintained a strong core of their talented players for some years which is the reason for their success – Jason, Mark, Shaun, Junior, Jonathon Davis, George Elcheikh, Joshua and Daniel are exceptional players and have formed the basis for this team's strength for some time. We also welcomed some 'new blood' this year and they were all good strong players who could more than hold their own and ensured the continuation of this team's successful run. Kevin, Jonathon Butler, George Hanna, Ben, James and Dhanushan (from last season's 11s) were all an unexpected bonus in 2006.

I very much hope this team keeps together to maintain their strong friendships, their club spirit and their successful combinations. I look forward to seeing you all in 2007!

## Under 12 Team Report

**Congratulations boys.**

**Runners up in the Presidents Cup, the knockout and the league.**

We might have come runners up in all three competitions but the true measure of your success is the improvement by all the boys.

Last season we clinched a 4<sup>th</sup> place play-off right at the end. This year we quickly built confidence and we were rarely troubled by the teams we measured ourselves against last year. Teams that we had tense and tight matches with last year we went in with confidence and were never really troubled this season.

We were denied a shot at the premiership by 1 point. To win the knockout the premiers rested key players in their league match on the same day as they knew they were facing us. We also drew a hard fought match with the premiers mid-season.

Justin - Rock steady once again as our full time sweeper. Often under appreciated as we have come to rely on his high work rate. Have coached him for a number of years and I would be lost without him securing our back line.

Elvis - Good solid left back who worked hard throughout the year. He kept the opposition quiet by playing good simple defence and always stayed positive. Handled the responsibility quite well.

Sundeer - Another solid performer at centre back. A bit of a 'gentle giant' but when he did let loose his long clearances were often the start of our counter attacks.

Hayden - Played strongly throughout the season. Given a bit of space he can control the right side of the field by himself, which allowed us to push our right wing deep into the opposition halves. His run against Lidcombe from about 6 yards from our right corner through multiple opposition until he faced the opposition keeper and passed to the centre for the safe goal even though we knew he could have went himself showed composure beyond his years.

These were our regular defenders who despite the desire of any kid their age for the more glamorous position were happy to put in each game for the benefit of the team. Without their team spirit and commitment we would not have done as well throughout the season.

Mohammad H. - Another player whose team spirit was something we relied on. 'Moe' was our utility player who was always there to help out in defence or whatever other role that we needed someone to focus on. Great at holding his position and most importantly despite the excitement in the match continued to remember his role within the team.

Eloy - He was labelled one of our 'hard men' as he always committed 100% to his tackles. Hard but fair as shown by his no foul record. A big surprise and improvement was his massive clearances this year; especially in our 'crunch' matches where they were really appreciated.

Mehdi - A new player who quickly fitted into the team and became our other hard man. Midfielders have to have a high work and run rate if they are to be effective and few players can compete with Mehdi's efforts. Constant movement and solid tackles were his standard. Always a pleasure to see such passion for the soccer from one of the boys.

Mohammad R. - Another new player this season who added a naturally attacking quality to the team. It must be said that we have lacked an attacking edge and with Mohammad and Trung we found it this season. He also had a very high work rate in the midfield and scored the majority of our goals this season. Impressive skills but still willing to learn.

Mustafa - He put in a good solid performance throughout the season usually in the midfield. He provided much needed support in our counter attacks.

Parth - Gave 100% every match and always worked hard in whatever position he played. Good steady player who showed much improvement. Remain positive.

Zak - His speed and ability to run with the ball were a main focus of our counter attacks. We aimed for a simple attack plan throughout the season - tight defence and counterattack by long clearances to Zak on the right wing where he could run, finishing with a strong cross to the penalty spot for one of the other boys to finish. A bit more focus on controlling the ball will see an improvement in an already strong player.

Deniz - Despite his faults - talks too much - he is another important part of our team. The passion and energy he brings to the team lifts the boys and his work rate made all the boys pick up their game. Mehdi, Mohammad and Deniz gave us a higher working midfield than any of our oppositions.

Trung – A welcome return to the team. Trung showed great team spirit by sacrificing his striker role to play as our goalkeeper in our important matches. His skills in goals gave the boys additional confidence especially against the competition leaders. It was always a tough choice as to which was the more important position for Trung to play as his goals – especially early in the season – helped the boys' confidence.

Thanks to all the parents who regularly assisted on the weekends. I hope all the boys return next year as I know they can do even better next year. Once again, congratulations boys on a successful, fun and improved season.

Philip Rafter  
Coach

## Under 13 Team Report

The team:

Amarvir Singh, Anthony El Hessen, Athavan Sresutharsan, Christopher Cordoba, Dale Atkin, Dharshan Sriranjjan(C), Hasan Tekirdag, Joseph Abebe, Kyle Sharwood, Nathan Borg, Robbie Entwistle, Rodney Keep, Steven Balaz.

As with the start of most seasons this team underwent a few changes in personnel. It took a while for the best combinations to emerge and unfortunately this cost us points throughout the season. The team's best form however, was saved up for the Knockout Competition - the boys had to defeat the two teams who ran first and second in their Saturday competition to be crowned Knockout Champions for 2006.

Even though results didn't always go our way this year, the boys always put in 110% on the field and never gave up, this led to some nail biting results that, with a bit of luck could have gone our way.

The boys that made up this team are as follows:

**Amarvir**- could play any position on the field and has been part of this team for a long time, could go from scoring a goal in the first half to stopping a shot in the second half.

**Anthony**- played strongly in our midfield this year, usually on the left, could set up an attacking raid with one of his strong through balls.

**Athavan**- was new to our team this year and got stronger with every game played, slotted into our midfield and was able to score his first two goals in one game.

**Christopher**- another new player this year, unfortunately missed a few games early through injury, when fit though, could bamboozle the opposition with pace and skill.

**Dale**- shared the goalkeeping duties again this year, when he wasn't saving goals he was scoring them playing up front and showing how versatile he is.

**Dharshan**- the team's Captain and even though he was playing at the back he was leading from the front by never giving up and always showing up as the last line of defense.

**Hasan**- played the majority of his games on the right-hand side of midfield but could play any position and showed this on numerous occasions.

**Joseph**- started the season as a player who had never played in a team before but after a few games became an integral part of our attack with pace and ability to beat players one-on-one.

**Kyle**- another player who has been part of this team for a long time and would not be able to be replaced, his speed and skill at left back has been crucial in stopping the opposition in their tracks.

**Nathan**- started the season playing in the backs but towards the end of the season found himself in the midfield and he took it in his stride showing he could handle the extra responsibility.

**Robbie**- also shared the goalkeeping responsibilities this year, however showed he could match it out on the field as well, filling in in the backline when required and always being there when it counted.

**Rodney**- joined the team after the season had already started but got up to speed quickly, slotting into the midfield and filling a hole the team had at the start of the year.

**Steven**- his role changed at the start of this season, he went from a midfielder to a fullback, he took this in his stride and it looked like he had played there his entire career.

Even though this season was not as successful as previous ones, the boys always turned up to the games ready to play and ready to do what they had to for the team, even if they had to play in positions they were not used to. I would like to thank the boys for this as it made decisions for me on match day a lot easier to make.

I would like to take the opportunity to thank all the parents for getting their boys to the games every week, rain, wind or shine. I know this takes a big commitment giving up every Saturday, but when you see your children enjoying their games, I'm sure you'll agree it's worth it, so thank you for your support. Lastly but certainly not leastly I would like to thank the team's manager Gemma Atkin for her time and support throughout the year. Thank you for everything you did on match day and also for ringing everybody with changes or cancellations during the week. Some of the boys would not have played as often if it wasn't for your time, so thank you. Thank you again to everyone involved with this team and I hope to see you all again next season, enjoy the off season break.

Ian Warwick  
Coach 2006

## Under 14 Team Report

This year's results were: 18 games, 12 wins, 0 losses, 6 draws – 75 goals for and 11 against.

**Albert** – He was quiet at the beginning of the year, but as the season passed by he got used to everyone in the team, and started having fun and was playing great in every position he was put in. Well done Albert.

**Antoine** – Antoine had a tough job as a right midfielder. He played strongly throughout the season. Antoine is a good talker and a good team leader.

**Aykan** - He was a new player who had to learn quickly. Used more as a defensive midfielder he played a good attacking role, having the impact of demolishing teams on his day.

**Azim**- A key player in the team, always working hard in defence & in the midfield.

**Dia** - What can we say! He continually played in goals week after week always amazing and frustrating the opposition. The opposition often commented on his great goalkeeping skills.

**Francisco** - a player who can play anywhere in the midfield. He was constantly able to trap the opposition in their own half with his defence. His through balls gave our strikers plenty of chances to score the match winning goals.

**Jok** - He was new to our team this year and quickly became one of the team! He continued to improve his soccer skills throughout the season.

**Jorden** - shared the keeping responsibilities with Dia this year and enjoyed the opportunity to get on the field. Proved himself to be a strong defender and was able to run down many an attacking raid on our goal.

**Kuag** - First year with the club he proved to be a real asset scoring some beautiful goals and playing some nice crosses. His ability to move quickly up and down the field was a real strength.

**Mohammad** - This was his first year and he learned quickly, particularly in defending. He learned not be afraid and with more practice next year will continue to be a valuable part of the team.

**Pierre** - a player with the ability to score goals from anywhere on the field. His accuracy and power left many keepers watching the ball sail over their heads into the back of the net. When the team looked down he was able to lift them with an inspirational run or shot.

**Sam** - a player who just enjoys playing and booting the ball as hard as he possibly can. Playing in the defensive half of midfield he was good at clearing the ball to our strikers and keeping the ball in the opposing half.

**Sepuita** - continues to grow in confidence as the season went past . She has become a very strong tackler and has the ability to turn defence into attack by trapping the opposition players with the ball in their own half to win possession back.

**Shebit** - A new striker and always on the move. He started the season very strongly and continued the same rhythm. He was also our highest goal scorer. More practice in shooting and passing and Shebit will develop into a very strong player.

**Shavneil** - another member of our backline, playing on the right hand side of defence, he proved to be difficult for opposing strikers to get around.

Manager

## Under 15 Team Report

It was my pleasure to be able to coach the McCredie under 15s again this year. This was the 8<sup>th</sup> year I have coached this side, since the club's inception, and it is a testament to the character of the boys and the quality of this team that many of them have been together for a number of years (and 4 of them since 1999).

After having been premiers for two years in a row, having won two knockouts, two President's Cups and been first and second at the six a side for two years running, the club made a very difficult decision in 2006 and entered this side in the Granville District Soccer Association. We have very much enjoyed the NSWCFA and would have liked to have continued however, the competition in this age group just wasn't there. The club's choice was to enter the team in Granville or lose a bunch of boys we have nurtured for many years.

The season started well with the side up at the top of the table for the opening rounds. Halfway through the first round we slipped up a little before regrouping and defeating some of the competition's minnows. We hit the halfway point in 5<sup>th</sup> position knowing we needed to better our performances by about three points (one win) to qualify for the semi finals.

Again we started the round strongly, defeating eventual grand finalists Granville Waratah, before again stumbling against Parramatta Eagles, who were ranked well below us. Then it rained. And rained. Unlike the NSWCFA who missed two games, we missed 4 games, and as bad luck would have it those games included games against the two bottom sides and the bye. In the end the table reads with us coming 7<sup>th</sup>, when in fact there are two sides above us who we never lost to. Whilst we dropped some silly games and probably didn't earn a semi spot in the games we played, the games we missed meant we were never a chance anyhow.

As mentioned earlier the team has been pretty constant for a number of years, but last year we played with just 11 players, we had three boys from last year not play this season (including the move of our goalkeeper to Queensland) so we had room for some new faces.

**Mohammad Ada** stepped in as goalkeeper. Mo worked very hard on his game during the year and the fact that we can all remember a mistake he made, means he didn't make too many. Mo's reflexes are tremendous and he made some terrific reflex saves.

**Adem Ada** slotted in to right half. Adem's finest moment would be his 35 metre goal against Wenty just when they were appearing to be on the comeback. Adem was a reliable, popular and cooperative team member.

**Pablo Duque** played on the opposite flank to Adem. Pablo was our quickest player who enjoyed getting forward. Pablo demonstrated good skills and an ability to dribble past opposing players, something we probably didn't make the best use of. We know Pablo better now and I look forward to utilising his talents more effectively next year.

**Bilal Toklar** certainly had me worried at our first training runs. Bil didn't like laps, tried to get out of ball work and generally didn't train well. It was only the second or third session though when he approached me and thanked me for pushing him along that I knew we were on to a winner here. Bil is a very courageous player, always wins a 50/50 ball and plays well above himself week after week. One of our most important defenders.

**Lukman Sungkar** never played the same position for two games in a row. Very quick on his feet, quick thinking and cooperative, Luk was invaluable plugging gaps, marking opposition danger men and helping out when a team mate was finding his position difficult on the day.

**Wol Reec** is the last of our new boys. We tried Wol up front to start and he made an immediate impact against Granville. Eventually though he settled in to central midfield where his wiry frame enabled him to disrupt opposition playmakers, by reaching in, dispossessing them and either taking on defenders or distributing the ball.

**Nawab Rezayee** returned to us this year after a year away and had a fantastic year. Whether up front bashing opposition fullbacks out of the way and scoring or feeding Caner, or in sweeper organising the defence and bashing their strikers, Nawab was a powerful player. Nawab's ball skills are as good as anyone in the teams and his body strength and his ability to use it is number 1.

**Dylan Trevor** also had his third year with the side this year and is certainly the heart and soul of the midfield. Dylan sets up attacks and when we lose the ball he is defending fiercely. Dylan doesn't like losing anything and his determination is one of his greatest strengths as he never gives an inch. By season's end his combination with Wol was really starting to develop nicely.

The rest of the side has been together since 2000 or earlier and have developed a very good knowledge of each others games and how to get the best out of each other.

**Steven Ghadieh** had a positional change this season moving from stopper out to right back. Steven took his speed and ability to tackle to the position but also a knowledge of working as a defensive unit and what is required from the flanks by the guys in the middle. It sounds a bit complex but Steven worked very well with the guys defending inside him and made a huge difference. Steven's game improved this year as much as anyone's in the team, and he was already good when he started!

**Toufic Haddad** again impressed everybody with his ability to read a game, predict where the ball will be and be there before anyone else, despite the fact that he is not super quick. That said, soccer is about being quick over ten yards, not fifty, and Toufic is not slow over ten. Toufic moved from sweeper to stopper to accommodate Nawab and continued to be our best natural defender. His friendship with Steven (which is a nightmare at training) is very important on a Saturday and the two continued to work well together across the back.

**Mat Biber** took a while to get going this year. Getting used to the pace and size of his opponents was a challenge Mat took on eagerly. The second round saw Mat put in a couple of man of the match performances in the halves which were cruelly cut short by a shoulder injury which prematurely ended his season. With the team since '99 we know Mat will bounce back though.

**Cem Tekirdag** started the season with two goals in the opening match and we thought here we go, Cem's big year! A broken arm, followed by another arm injury disrupted his season and our potency up front. Cem and Caner play well together though and this should continue to be the case in '07.

**Patrick Ajnas** has always been one of our most reliable and 2006 proved no different. Pat played most the season, as he has the 7 before, at centre half. This changed by season's end to accommodate Wol's move and Pat played very well at stopper, elsewhere in the backline or wide in the halves. Pat even played in goals where he started in the 8s! No matter where he plays Pat always follows instructions perfectly.

**Caner Temel** is our attack. There is no simpler or more accurate way of putting it. We all try and give Caner the ball in the best position for him to score, we know that and, unfortunately, so do our opposition. Caner breaks down weak or flat back defences with ease. A challenge for the whole team is breaking down stronger sides' defences and defences which play more deeply. This is our challenge in 2007.

The boys and their parents are very understanding that I can't be in two places at once and I thank them for that. A special thanks to **Corinda** for her assistance as team manager and **Gaven**'s assistance with coaching on Saturdays, it is much appreciated and I look forward to spending next season with you both and the boys again.

Greg Wark  
Coach

## Under 17 Team Report

Our result this year does not indicate the way this team played. The Under 17 team was a combination of last year's two Under 16 teams plus two new players. We were off to a difficult start after the players playing as opposition for so many years had now to learn how to play as one team. This, fortunately, only took a couple of games.

We started the season with 15 enthusiastic players and finished with 12 players due to injury, sickness and other commitments.

Week after week they played so well and would hold off the opposition right until the last and we would either draw or be beaten in the last few minutes of the game. All the players showed improved ball skills and great sportsmanship throughout the season.

The highlight of the season would have to have been the last game – we were playing the top of the table team, we had 12 enthusiastic players turn up along with parents and grandparents. The team never gave up even though we were getting beaten they never gave up but they had a great game and a lot of fun.

Each week the referee would read the riot act to the players and each week after the game they referee would comment on how great the game was!

### The Players:

**Christopher Leahy:** This was Chris's first year with our club. He showed improved ball skills and was able to out run the opposition on many occasions. His goalkeeping skills in the last game were fantastic!

**David Burrows:** We could always rely on David, he was a solid player that seemed to be always there when needed to get us out of trouble.

**George Azzi:** George's speed was an asset to our team whether in the backline or the forwards. He also played in the senior team when needed and was unfortunately injured towards the end of the season.

**James McManus:** James always played hard and had a mighty kick, the opposition at times must have thought that they came up against a brick wall when they tackled James. James also supported the club refereeing many junior games during the season.

**Jaweed Rezagee:** Jaweed was an enthusiastic player and enjoyed every game he played.

**John Zhou:** John was part of our strong defence who could out run most players. He also supported our senior team when needed.

**Maher Gergie:** Maher surprised the opposition on many occasions with his determination and speed, he was never afraid to tackle the opposition it didn't matter how big they were!

**Rhys Conchie:** Rhys returned to our club this year and supported the team well. His speed also proved to be an asset to the team.

**Roger Wehbe:** Roger showed great sportsmanship and improved ball skills; he would play any position asked. Roger also coached a mini team and never let his own team down.

**Scott Dibley:** Scott was a reliable player. His speed also saw him outrun the opposition scoring most of our goals.

**Steven Jin:** Steven was new to our club, he was determined and enthusiastic player, and he showed improved ball skills throughout the season.

**Steve Yildirim:** Showed great sportsmanship and leadership supporting the team from the back line. He led the team by example and was a great asset to the team.

**Waleed Wehbe:** Waleed showed great sportsmanship, he was one of our goalkeepers showing fantastic goalkeeping skills, he also played in the forwards showing improved ball skills. Waleed supported the senior teams when needed and also coached a mini team and never let his own team down.

**Wayne French:** Wayne was also one of our goalkeepers showing fantastic goalkeeping skills, he also played in the forwards pushing the front. Wayne also supported the club refereeing many junior games and assisted coaching a mini team.

It was a pleasure to manager the team this. On behalf of Marco, Robert and myself I would like to thank the team and the parents for their support it has been a lot of fun.

Hope to see you all back next year in the Under 18's.

## Raahauge Cup North Report

### RAAHAUGE CUP NORTH - FIRST GRADE - 2006

Goksel Ada  
Valdi Chain  
Charles Galayini  
Matthew Verity

Kari Bergsson  
Matthew Dixon  
Michael Hession  
Joe Yildirim

Sindri Bergsson  
John Donnelly  
Iain Houlford  
Musa Yildirim

This season has been a mixture of highs and lows. Horrific injuries were sustained by two of our players. First was our captain Kari with a broken leg in Round 8, followed by our sweeper Iain with a smashed cheek bone in Round 11. As a result of this both players were not able to play for the rest of the season. The good news is that both lads are doing well and should make a full recovery to resume their playing careers in 2007. Despite these adversities the team still managed to end the season as Minor Premiers and Grand Champions.

As coach it was pleasing to see all players step up and play entertaining and at times very clever soccer. No game was ever boring and always exciting. Every player has shown great improvement not only as individuals but also as a team. They not only play with confidence in themselves, they also have confidence in their fellow team mates. If they stick together over the next few years they will conquer any team in their path. This side is truly a champion team. Another reason for our success this season is that over the years the boys have bonded well together and are all very close mates. This is a key ingredient in being a successful team.

I would like to make special mention of two people who had a huge influence on the team performance as well as assisting myself as coach. The first is our oldest and wisest player Matt Verity. Matt has a rare gift of being able to give constructive communication on the field to all the players. His mere presence on the field and his high work rate gave him the utmost respect from the team. The second is team manager John. Over the years John and myself have worked extremely well together. John's passion for the good of the team is of the highest order. His time and effort running both teams cannot be measured. I thank them both.

Thanks to Barbara for your assistance to John, and also for washing the shirts (both first and reserve grade) each and every week. Thanks to Sandra for her valued advice and loyal support not only for this year but also over many years.

Peter Hession  
Coach

Peter's attitude towards coaching, considering he sustained a broken leg in the first game, was exemplary. His knowledge of all the players' abilities and skills came to the fore during the Final and Grand Final wins.

John Houlford  
Manager

**RAAHAUGE CUP NORTH - RESERVE GRADE - 2006**

Musa Canli	Kristofer Dekleva	Kristofer Dimeck
Ozkan Dincer	Adam Di Pietrantonio	Matthew Eastaugh
Warren Haines	Lachlan Hart	Peter Hession
Toby Jones	Ashley Mulcahy	Daniel Rajci
Wade Singleton	Andrew Spiteri	Joshua Tam

Our reserve grade team this year was made up of a number of new players, some had not played soccer for a number of years. It took a few games for the boys to gain fitness and to get to know each other. By the end of the first round the team showed vast improvement. At this point I would like to thank all the first graders because at one time or another they backed up and played when the reserve grade were short of players or were injured. With the assistance of the first grade players, it helped the reserve grade players improve their understanding of the game as well as their teamwork.

I would like to thank a number of reserve grade players who helped in the success of First Grade. Firstly to Josh who when asked to run the line would do so, on many occasions time and time again. Moose who when playing the second half in first grade always made an impact. UF EDIM. Ashley also helped in running the line but more importantly scored an important goal in the first grade grand final, and Toby who volunteered to be the first grade goalkeeper and did a marvellous job in the finals. And lastly to both Kris Dimeck and Ken who backed up time and time again.

Again I would like to thank John and Barbara for their assistance in managing reserve grade. Without their assistance the team would not get onto the park. This is sometimes a thankless task that they perform.

Peter Hession  
Coach

Peter Hession was to have played in the reserve grade team this year, but, unfortunately he sustained a broken leg in the first competition game and his great on field experience was lost to the team. We thank Peter for his dedication to coaching under extreme circumstances.

John Houlford  
Manager

## Raahauge Cup First Division Report

There is no question that this seemed an odd and disrupted year. We were promoted after last season's premiership and headed back to First Division. Before the season had started I had broken my leg in a trial game and Moises had torn knee ligaments. By the season's end Carlos had torn knee ligaments, Ian had re-torn his (all four players undergoing midseason surgery and not playing again) and Booph strained a medial ligament and missed four weeks (which turned into 6 with the rain). And it rained.

Throughout the year we never seemed to get onto a roll. This said First Grade lost their first, second and seventh games, but then didn't lose again until the semi final. Reserves kept winning all year with the exception of the two teams that finished above them.

We welcomed a few new faces this season but the majority were the guys that have been 'kitting up' each Saturday afternoon for the last few years.

Reserves began the season with an away win at Penrith stolen in the dying minutes. This was an important start and set the tone as Penrith had beaten us in last year's grand final and we were to become accustomed to stealing late victories as the season progressed. When we played Carlingford in round 4 we were equal leaders with 3 wins. We had stolen the late first round victory and followed it with the bye and a forfeit. Carlingford beat us and after 5 rounds we really weren't sure where we stood in the competition. As the season progressed we settled into third place with Carlingford setting the pace and Moorebank (perennial premiers) in second.

We relied heavily on goals provided by Pece, who would run on with ten minutes to go, but to make this tactic effective the defence had to keep the opposition out and keep the game close all match. At Mortdale we went down 2-0 early but scored two in the last five minutes to come away with a good away draw. Against Hills we were 0-1 down but Pece went on with 15 remaining and we won 4-1. We were getting used to these 'late in the game' results but that was James' first game with the club, and he was more than a little bemused by the run of events.

In our sudden death semi we again faced off against Penrith (at Birrong where they had beaten us in last year's final) but we put the hoodoo to bed with a comfortable 2-0 win. No Pece for the semis as he wasn't qualified to play reserves, but Mirwais and Bobby were. Mirwais moved into first grade during the season, having had a fantastic year, but had played enough reserves games to qualify for the semis. Bobby returned from Macedonia during the week and they both scored great goals to secure the win. The qualifying final was a different story as we struggled to maintain attacks and keep the strong Moorebank team (surprisingly beaten in their first semi) out. Thus the season for reserves in 2006 was over. Thanks to Jose Quiroga for keeping, Ricardo, Juan, Scuba, Jack and Andrew (defence), Moises, Phil Chan, Cuong, James, Gaven (halves) and John and Bobby (the attack) for a good season with pretty fair results and a minimum of hassle (no send-offs, few yellow cards and no aggro with any opposition all year). The standouts were Phil Chan, Ricardo and Mirwais.

In firsts we had an awful start. We lost our first two trial matches and went down in round 1 and then again to Carlingford before April was over. Archangel beat us with ease in round 7 and despite the fact that we were in third place we certainly didn't feel secure. In the second half of the season though we were undefeated. Rain helped, but so did a draw with Carlo away (the only point they dropped all year) and a draw with Archangel at home (who we had managed to climb back above). On closer inspection though it can be seen that while we weren't losing, we weren't winning either and our ability to score goals was the problem.

We qualified for the semis as runners up in the competition, and whilst I firmly believe we were the only side who could have troubled Carlingford, we would always find it hard to beat them twice in three weeks. They beat us comfortably 3 – 1 in the semi and then in a closely fought qualifying final we went down to Archangel.

Fitness, age, player numbers and a lack of training were all contributing factors although it must be said that many of us have played together for so long that teamwork is not a problem. After all we did finish second with a squad in total of about 22 fit guys. It was very pleasing to have graduated a couple of u17s into the seniors. John Zhou and Waleed helped out regularly through the worst of our injury patch and George Azzi became a fully fledged member of the team.

Thanks to Macca, our new keeper this year, Phil Rafter, Phil Chan, Sam, Ian, George and Jose Saenz in the back; Steve, Tito, Marco (who had an outstanding season in the halves, having moved from the

## Guildford McCredie Uniting Soccer Club – 2006 Annual Report

backs) and Mirwais and Jose Quiroga and Pece up front. The standouts in 2006 were Jose Saenz, Marco Olmos, Steve Wark and Mirwais Waseeq.

Like the reserves, firsts had no problems with discipline, no players suspended for receiving three yellow cards and only one (unlucky) send-off. These are the things that help make organising the team so much easier, so thanks guys. With regard to reliability, this season, like last was pretty good. The guys who let us down were new players who got us out of the phone book. I never understand why people bother to register and not play or people who turn up after three weeks of letting us down and expect to play! As for registering and then looking at me in bewilderment when I ask them to pay.... We do get good new players too and I hope that James, Andrew and Macca return in 2007.

All the best for the off season guys, congratulations to the trophy winners (Phil and I agonised over them this year – there were a number of contenders) and I hope to see you next season – first Wednesday in February 7pm Granville Park!
