Associate Referees	Philip Rafter, Robert French, Lukman Sungkar, Wil Wark, Will Booker, Peter Sultana, Aakrist Nepal, Gerard McKeown, Geetansh Kaushal, Adem Stevens, Amarvir Batth, Christopher Germanos	

President's Report

Guildford McCredie's 20th soccer season has now come and gone, surprisingly it doesn't seem that long ago that we were hosting our initial trial matches at Merrylands High School. We were again privileged this year to have a group of dedicated and enthusiastic coaches and managers and I would like to take this opportunity to thank you all for your efforts and support throughout the season.

As most of you would be aware, this season my wife Dorothy took a step back from manning the canteen every week. While she continued to order and pick up the stock each week and helped set up each Saturday morning I had to rely on volunteers to help man the canteen and BBQ each week. I must admit that initially I was unsure how things would go but it soon became apparent that my concerns were unfounded as willing volunteers turned up every week. I won't mention any names here but a couple of our coaches and managers went way beyond the call of duty and their efforts contributed to a very successful season for our canteen. A sincere thankyou to all of you and remember all the money raised through our canteen goes straight back to our club.

A major highlight of the season was our 20th Anniversary Dinner in August. All those who attended the night had a great time checking out the display of our club's history as well as catching up with a number of our past players, coaches and club members. During the night it became apparent just how much the Guildford McCredie Soccer Club has achieved in its relatively short history but more importantly it highlighted how many lasting friendships have developed over the years and that notwithstanding our club's successes we have always, and continue to promote, a fair go for all players regardless of their ability.

I hope you all enjoyed the season as much as I did and I look forward to seeing you all again next year.

Peter Warwick
Club President

Secretary's Report

In Guildford McCredie Uniting Soccer Club's twentieth season we were able to field eight junior teams: one each in the Under 16, 14, 13, and 11 age groups and two in the under 15 and 12 age groups; seven small sided teams: three under 8s, an under 9, two under 10s and an under 11 Girls; four mini teams, two under 7s, an under 5s (which played in the U6s) and an under 6s; four senior men's teams in the Premier League and Sydney Cup competitions and an All Age Ladies team – a total of 25 teams. This is the most teams that we have ever fielded and is 3 teams more than we fielded last season.

The season got off to a great start as we were successful in securing a \$2000 grant from the Uniting Church Stamp Committee. After last year's difficult financial year, this was a much needed boost and we thank the many volunteers at the Stamp Committee for their hours of trimming and sorting stamps for sale to overseas dealers that enable community groups like ours the opportunity to enjoy the fruits of this labour.

It was exciting to be able to enter a junior girls team into a Girls competition for the first time this year. Again we entered our older junior teams and Ladies into the competitions of the Granville & Districts Soccer Football Association whilst our mini, younger junior and senior mens' teams continued their affiliation with the Churches Football Association, Sydney. Decisions on team placement were again taken in consultation with team management and the club executive and will be reviewed on an annual basis in light of the changing circumstances of both our club and the Associations concerned. We would like to thank both these Associations for their support and the competition they have provided.

Very little rain this season meant that the financial issues faced in 2017 with trials and six a side washed out, were a thing of the past. Council's work on Granville Park following approaches by us to our local Councillor, saw us move "up the hill" for training. Hopefully the work taken this season will see us return to much improved facilities in 2019. Everley Park has also been scheduled to receive a makeover – so again hopefully everything will be good for 2019. Many thanks to Councillor Hamed for her support.

In August we celebrated our twentieth season with a celebratory dinner at Guildford Leagues Club. The dinner was attended by 65 people from the club's early days, current junior and senior teams, past and present committees, SFA Sydney officials and neighbouring clubs. It was a fun night of story telling, memorabilia, old photos and friendships rekindled. Prior to the evening a poll was taken of some of our greatest players and a women's and men's All Star team were also named from the results of the poll.

Whilst we had no minor premiers in 2018 we did have two victorious teams on Grand final day. The U10 Reds were crowned Premiers and to finish the evening our Premier Reserves crushed Ultimate Fairfield 5 – 1 with a big crowd. Our U8 Onyx team went so close, losing in the last 40 seconds, the U11s pushed their opponents, the 12/2s went down by a single goal and the 16/2s went even closer – losing on penalties. The U6s and 7s played knockout semis with the 6s losing by a single goal whilst the 7s won their semi but were defeated in the final. On six a side day we had our most successful day ever. We won 7 competitions – U8 (white), 12 Girls, 13, 14, 16, AAL and the A Grade AAM. We were also runners up in 7 competitions with the U8, U12 Girls, U14 and U16 Age groups seeing us finish first and second!

In 2018 the National Titles for 14s, 16s, 16s Girls, 18s, 23s, AAL and AAM were hosted by Queensland and McCredie was represented in the NSW City sides by Abdulfazal Mirzaei (U14s), Jackson Galea, Krish Shrestha, Mahmoud Jalloh, Muhammed Alizada (U16), Sharlene Muru-Tucker (16s Girls), Wil Wark & Darren Warren (AAM), Jenna Nowlan, Natasha Muru Tucker and Destiny Joseph (AAL), Greg Wark (coach AAM) and Ahmad Hannouf (Manager AAM). Congratulations to all.

The club's executive was elected in November and I would like to thank all the committee, Peter W, Peter S, Dorothy, Carolynne, Phil, Ian, Hendrika, Sarah, Elise and Wil for the support and work they did during the year. Remember – no one is paid for their service to your club.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. All registrations must be accompanied by full fees. If everybody brings a friend we will double our team numbers!

See you all in 2019.

Greg Wark, Secretary

Guildford McCredie Uniting Soccer Club

2018 National Titles

In 2018 Guildford McCredie had 13 players, coaches and managers selected to represent NSW City at the CFFA National Titles. Congratulations to Abolfazel Mirzaei (U14s), Mahmoud Jalloh, Mohamed Alizada, Jackson Galea, Krish Shrestha (U16s), Sharlene Muru-Tucker (U16 Girls), Natasha Muru-Tucker, Jenna Nowlan (AAL), William Wark, Darren Warren (AAM) and Greg Wark and Ahmad Hannouf (AAM coach & manager).

What a fabulous week of tough football and great friends. Unfortunately playing away is tougher than playing at home and NSW City was unable to claim a title. The U16s did best losing their final to Queensland on penalties despite even having the Victorians and NSW Country cheering for us, as well as the City crowd!

I would encourage all talented players to seriously consider trialing for a position for 2019 where Queensland will again host the National Titles. Trials are usually held in June and July and will be advertised in our weekly newsletter.

20th Anniversary Dinner

In August we celebrated 20 seasons with a celebration dinner at Guildford Leagues Club. 70 people attended and some pics follow but for a look at the Anniversary Booklet prepared for the night, follow this link

To All Guildford McCredie Uniting Church Soccer Club Members

As the inaugural president of the club, 20 years ago, I'm so disappointed that I can't be in attendance tonight but I do want to congratulate Greg Wark and all the other folk who have been involved in this club on a job well done. It's wonderful to think that for the past 20 years these folk have given their time to a community activity such as this where it fosters friendship and sportsmanship on the playing field. I trust that in another 20 years time, you will be meeting again and that the club will continue to grow and prosper.

Kind regards and blessings

Rev David Wrightson

Under 6 Red Team Report

It has been such a wonderful season for the young under 6 players. Most of the under 6 red players played soccer for the first time in their life. Being the youngest team, it was never easy to get up early on Saturday cold mornings and get to the field to play their favourite game. We didn't win a single game in the season but the team was never short of enthusiasm and had a lot of fun. The young champs learned so much and will definitely become one of the strongest team next year.

- **Aakash Gurung** had a wonderful season was consistently good player all the season. Being the most experienced player, he was keen to take possession of the ball and helped others defending the goals. He is a very talented player and scored 7 goals in the season with a hattrick against Wentworthville Uniting Blue. He'll definitely be one of the key players in future seasons.
- **Aleena Khan** joined the team a little later in the season. She played as a great defender and an outstanding goalkeeper. She saved countless goals throughout the season and had no fear blocking the ball. She developed a few skills and learned basic rules of the game. She hardly missed any training or games.
- **Alyaan Aftab** was the youngest player on the team. He attended a few sessions but was not able to continue with the season.
- **Ghani El Ekdawy** Another strong player, Ghani was really good at defending and played very well throughout the season. He played as a goalkeeper in a few matches and always gave a tough time to the opposition by blocking saving their attempts. One of the key players in the team.
- **Mawein Mawein** Good striker of the ball and knows how to tackle and win the ball. Made a lot of goal attempts throughout the season was a little unlucky not to score a goal. He enjoyed the game and always kept trying to score goals.
- **Muhammad Tahir** Another strong player and pretty consistent throughout the season. He played well as a striker as well as a defender. Muhammad is an allrounder who also played as a goalkeeper in a few games and blocked some strong attacks.
- **Noah Alouche** What an awesome player, Noah missed a few early season games being overseas but when he returned he made a huge difference in the team. It was so good to watch him play, he played well defending the attacks and then passing the ball to the strikers. Noah developed many skills this season and another key player of the team who will definitely do well next year. Good luck for the next season Noah.

- **Sireen Adeel** First time soccer player who quickly developed necessary skills to give tough time to the opponent team. Starting from zero skills, Sireen made very good progress throughout the season. She played very well as a striker and scored her first goal ever in this season, followed by a second goal. Confident and smart on the field, always observing and following the instructions from the coach. Sireen hardly missed any training session and was regular coming to the early morning Saturday games. She scored 2 goals in the season.
- **Zakariah Ali** One of the most regular players and was consistent throughout the season. He came to be a solid defender and always keen to play each week. As a defender he made sure to get to his position and made extra efforts to block the attacks. He occasionally took possession of the ball and tried to take the ball to the goal. Zakariah developed good soccer skills and made a lot of progress this season. Another key player of the team.

An awesome season overall and everyone had a lot of fun. A massive thanks to Destiny (Coach) and Gabe (Assistant Coach) for their hard work and efforts. The team made a lot of progress throughout the season and will be one of the strongest teams next year. Getting up early morning on cold Saturday mornings was never easy so special thanks to the parent who made extra efforts and showed commitment to make sure that the kids are at the field for the training and the games. Also, thanks for helping the team to wash the jerseys and bringing the fruits for the kids.

Hope to see everyone next year for another awesome season.

Under 6 White Team Report

Looking back on all of the games of the season we can see how far the kids of U6 White have come. As this was the first time most of the kids had played in a competition, it was great seeing how each week they showed up with huge smiles, enthusiasm and ready to play. Win or lose the kids always played with good sportsmanship and had a great time. Finishing the season as semi-finalists was a great achievement. Our win/loss record for the season was 10 wins, 7 losses and 3 drawn matches. We had 3 players that played every game of the season - Emily, John and Michael.

Arad always showed up ready to take the field and do his best for the team. He continued to grow throughout the season - improving in kicking and passing the ball. He always played the game with good sportsmanship.

Emily brought focus to our games and proved to be our safe and reliable goal keeper, saving many tricky goals. She was also able to bring that same focus onto the field working hard up front to push the ball forward and also supporting her teammates. Emily scored 3 goals.

Harley always showed good sportsmanship on the field and worked at supporting his teammates. He also continued to improve throughout the season in his defence and passing the ball.

Kayra consistently worked hard mainly in the centre of the field ensuring to keep our team moving forward. Through the season he developed a huge kick getting the team out of tight spots in lots of games and showed to be a sharp shooter from corner kicks. Kayra scored 16 goals.

Jeremiah loved to show his quick pace on the field and push the ball forward with a determination to score goals for the team. He also continued to work on his defence throughout the season. He finished the season as our top goal scorer with 20 goals.

John made the defender position his own and always made sure to work hard in blocking attacks and supporting his team mates. He also worked hard in pushing the ball forward and scored 3 goals.

Michael from the first couple of games showed natural skills in controlling and running the ball. He worked hard each match switching between his positions as striker and defender. He loved playing up front and was rewarded with 14 goals for the season.

Sudev proved to be our all rounder - doing his best no matter the position he played and always with a smile. Sudev always tried his best in supporting his team mates and listening to the coach and was also rewarded with 1 goal.

Zion worked hard in all of his games. He proved to be a hard tackler and he always showed enthusiasm to be involved in either defence or attack. Zion also finished the season with a goal on his record.

My first season as a manager was fun and a great learning experience. It was great working beside a fantastic coach in Peter Sultana who has such a passion for the game and working with the kids. I am also so thankful to all of the parents for their support throughout the season. Bring on next year!

Under 7 Red Team Report

The under 7 Reds had an amazing season with a team of kids who all love soccer with a passion. The kids hated it when parents told them they need to miss a match due to a family holiday or a Disney on Ice show! Now that's love! With the majority of the team comprising of new faces, we played the early part of the season with kids too shy to tackle their opponents and we were yet to see them play to their full potential.

A few games into the season and with them continuously developing their soccer skills during training, the boys came together as a stronger team. They familiarised themselves with their positions and learnt the importance of team work. What followed was a streak of continuous wins and defeating many opposing teams we lost to earlier in the season the second time round. One of our most memorable moments was coming runner up in the 6-a-side! It was unfortunate the under 7 teams played knock out rounds at the end of comp so it was not a true reflection of how well they really played over the entire season.

A few words to describe each of our team players:

- Aiden - Building confidence and team striker.
- Akeel - Naturally gifted, fast, eager and passionate.
- Ameer - Persistent and fearless.
- Antonio - Goalie superstar and ball dive expert.
- Christian - All smiles, positive, never gives up.
- Gabriel - Goal scorer for the team.
- Hasib - Hardworking and never gives up.
- Jawad - Great improvement over the 6 months and played extremely well towards the end of the season.
- Logan - Our star defender with a power kick.
- Sebasjin - Naturally talented, focused, knows how to play the game.

Massive thank you and appreciation to all the parents and families who have been so committed and supportive of the club and the team. From washing jerseys, bringing half time fruits, participating in our fund raisers and most importantly providing positive encouragement and support to the kids during every match. Thank you to coach Rana for volunteering her time, knowledge and patience with the kids. The boys wouldn't love the sport if they didn't love their coach! A truly enjoyable season, watching the kids improve every week and becoming the awesome little team they were by the end of it. Makes managing easier than ever. I hope all the kids return next season for 2019 when U8s join the official comp!!

Words from the coach: This season has been a massive improvement from the last, from both myself as a coach and the kids as players. I have loved every frustration, every win, every loss and every moment in between simply because they have brought us together as a team. Waking up early on a Saturday morning is worth it when I see the joy and excitement these kids have for the game. These kids are all special and talented in their own ways, coaching them has helped me be more understanding and patient. I hope that my coaching has also had an impact on them, not only on the field, but also their mindset towards challenges and their love for soccer. I genuinely have enjoyed coaching these kids for the past two seasons and I can't wait to get stuck into it again next year. I'm excited to see what we can achieve so I hope everyone returns! It would be awesome to see the same little faces next season. Go Reds!

Under 7 White Team Report

Under 7 White's had a phenomenal season and we exceeded our best from last season to make it to the grand final. Unfortunately we played the International Soccer Academy and they played a stronger game on the day. To their credit all players demonstrated excellent sportsmanship and were happy to have gotten so far in the season. It's not how often you win but how you play the game.....

We had a couple of new players to the team this year, Mahmoud Hussein and Anthony Mansour and they were great additions. Our existing team consistently played a good game all season. There were some unnecessary loses where our confidence failed once the opposition took the lead however overall we played strongly and managed to win 14 games out of 20.

Each player of the team had their own strengths and together the boys worked on complimenting each other's strengths. Sometimes they were successful at this and other times they were all over the shop. It can be hard to maintain concentration for the duration of a game.

Ahmad Agha: Ahmad continues to be a consistently strong player in the team. He also consistently attends every game and every training session. Ahmad truly loves soccer and it shows. He is a kind and well mannered boy and he has made efforts this season to pass the ball and work on playing as a team. I am sure we will hear about him in the future and we can say that we knew him when! A big thank you to Ahmad's Dad, Sam, who helped out during the season when we needed him whilst also coaching another team. Well done this season Ahmad!

Julian Azar: Julian is a star player and with his big brothers coaching him in the backyard, you can tell that Julian eats and breathes soccer. He is such a strong player and we were devastated when he was out for six weeks with a broken collarbone. Fortunately we got him back and he came back and was at his best right from the start. He is a great addition to the team and is a very fair and good natured player. Let's hope no broken bones next year Julian!

Lukacs Bausse: Lukacs loved to floss on the field at every available opportunity this season. He really developed his skills as a defender and was an important player in each game. He would become frustrated at not being able to be a striker but he naturally defends and uses strategy during each game. Lukacs didn't love having to train and preferred just to play on a Saturday. He needs to work on doing the hard work outside of each game. Keep up the good work Lukacs!

Daniel Depares: Daniel is always a great entertainer and a good player. He shows up for training and each game with the same enthusiasm. He truly is a pocket rocket! This season he experienced some frustrations but was gracious in taking turns and understanding when being rotated on and off the field. Daniel is a great striker but also a good defender. He is confident in his ability and takes charge of the ball during the game. We love Daniel and he always gives us a good show. Well done Daniel, keep that cheekiness up!

Mahmoud Hussein: Mahmoud was a new player this season and what an addition to the team. Mahmoud is a lovely mannered boy who is an amazing player. A big thank you to Mahmoud's Dad, Yasser, who helped with training and coaching throughout the season when needed. Mahmoud is another amazing player who I am sure is destined for bigger things. He took the ball to goal each game and scored more often than not. He is humble in his winning and is always respectful. He loves a good joke with his team mates but always gave his best effort all season. We love having you Mahmoud!

William Livingstone: William is a star goalie and another kind and respectful player in our team. He loves training and loves each game just as much. He saves goals like no other and without him we may have lost more games. William is very gentle on the field and we hope he will grow in his ability to get in amongst it and get that ball to goal. He has been bribed with \$100 if he scores a goal so let's hope next season that he achieves that goal!! We love having William as a member of the team and look forward to seeing him back next year. Great work William!!

Anthony Mansour: Anthony was another new addition to the team and a great striker. He performed so many big kicks during the season and he is a confident player. Anthony also loves to floss but he also loves to run with the ball and ran the length of the field a few times this season. He is a great player with a cheeky smile and we look forward to seeing him again in 2019. Well done Anthony!

Akshan Maskey: Akshan is another consistently great player as well as always being so polite and a good listener. He consistently attended training and each game and quietly played an important role in each win. He plays so well as a team member and is such a lovely boy. Akshan gets in and plays whatever position is needed and always gives his best effort. Thank you Akshan for your efforts this season and we know you will be even stronger next year. Keep up the good work Akshan!

Ahmad Zein: Ahmad joined the team this year and completed Under 7 White. With no previous training he grew in skill each week and found himself to be a natural goalie. Ahmad is energetic and enthusiastic. He listens and improved greatly over the duration of the season. He is a cheeky boy who was entertaining during the season. Well done Ahmad, you did a great job and you will continue to get stronger next year!

Thank you to all the parents to come to each game and brought their kids to training when it was freezing. Our team is a great one and I hope we roll on next year to win the grand final!!! We might just have to concentrate more and floss a bit less!!!

Under 8 Red Team Report

2018 has been an enjoyable and challenging season. Half of the under 8 reds were newbies, but by the end everyone worked really well together. The players all showed commitment, enthusiasm, and team work. They started to learn their positions, what areas of the field to cover and their roles. Towards the end, the team started to play and understand the strategies of the game.

Abatar has speed and skill. Countless times he broke through the oppositions' defense and setup his team mates to score or score himself.

Abaan is a really hard worker. He always tried his hardest and was constantly chasing down balls.

Ahmed has a lot of energy and when he focuses his attention on the ball, he connects with it really well. His strong kicks deflected the ball numerous times from our half to the attacking player.

Brandon chased, blocked, and scored. He grew in confidence and skill this season.

Danielle is a strong player and a good leader. She helped make sure the defense line as tight and impenetrable.

Gethyn started to understand the nuances of the game. He learnt from his mistakes and listened to feedback. He was enthusiastic as a goalie.

Hussein showed that he can listen and focus. He has lots of energy and so chases the ball all over. When he follows instructions and understands his role, he is play in harmony with the team.

Izaac is the engine of the team. He plays all positions well and doesn't tire easily. He reads the game like a professional, so, is always at the right place at the right time.

Jacob is the quiet achiever. He follows instructions well and is tenacious in chasing the ball down.

Lual's skillful left foot deflected a lot of attacks away from our goal. He is very effective as an attacker, mid-fielder, defender and stopper. His controlled and fast dribbling helped the team get close to the opposition's goal and also allowed him to score.

Mardin is always willing to help out. He did well pushing the ball away from our danger zone

Stefan has improved his fitness and skills this season. He is a courageous and very focused goalie.

Yusuf is a fast, skillful, and strategic player. His fancy foot work and command of the ball is to be envied.

Thanks Andy for all your patience and friendship. Your commitment, understanding, and enthusiasm helped make 2018 interesting and lots of fun. Thank you parents for your support and friendship. Your commitment has made the season very enjoyable and successful. Thanks to the referees and officials who controlled the games and made sure everyone played fair. Thanks to the committee members and volunteers who selflessly contributed their time, skills, and knowledge. They helped make the club what it is today. Happy 20th birthday GMU.

Under 8 White Team Report

We lost three key players from last year and naturally there was apprehension as we looked to replicate last year's effort as finalists. After registrations, it was quickly realised that most players had never played before. This added to the tension. The kids were so accustomed to winning over the years that this would test their character. However, the nerves quickly subsided as we realised our new talent. Enter the new recruits - Saif, Mohamad, Abdullah, Danton, Kaan, Mya and Liana. They rapidly developed the skills, whilst quickly fitting into the team culture and team spirit. The team's lack of experience was made up for by their enthusiasm and determination. This was made easy with the assistance of older team members - Daniel, Alex, George T, George E, Joshua and Zen. It was the first time we've had girls playing which made it extra special for the group.

The season started off a little shaky, but the kids began to find their feet a few games in. The competition was fierce as opposing teams were of high calibre however this did not deter us. We lifted each time the challenge presented itself.

When the six a side comp arrived, we considered this a mid-season test of what the kids learnt and developed. They showed their class by going all the way to the final and taking out the competition yet again in our age group. We knew we were on the right track.

We often pulled together a string of wins and then the occasional loss or draw but often our biggest enemy were not the opposing teams but ourselves when at times complacency got the better of us. Other times there were internal challenges we had to overcome as little personalities can get in the way. All through it though, we always laughed, regrouped and carried on with the task at hand.

Despite falling short of making the final, we ended the season with our best performance against the academy team. No team succeeded against them, but we came agonisingly close. The kids gave everything in the tank, as did the parents cheering from the sideline. As parents all we ever asked them to do was, "be there for your team mate through thick and thin, success or defeat" and true to form that's exactly what they did. We cheered so hard, people thought we were the victors but through it all we were just so very proud. Boys and girls, mum and dads it was such a joy working with you all this season. It is never a chore when we have fun and I think that's the theme of the season and our soccer family. Enjoy the break and see you all next year.

Henry and Ola.

Under 8 Onyx Team Report

It has been an unforgettable year for U8 Onyx, made up of some big wins, nail biters and heart-breaking losses. We remained on the top end of the table throughout the season, winning 14 games (1 draw, 3 losses). We were

runners up in the six-a-side competition and made it into the finals of first division. The semi-final was like a Hollywood movie with us scoring an equaliser in the final seconds and winning the game in a penalty shoot-out (3-0). But little will compare to the experience of playing in a grand final, and only narrowly losing to an academy team in the dying seconds of the game. Perhaps the greatest achievement was the growing team work, care and support that the players showed each other every week.

Everyone settled into their positions well and with each game they became more in sync. Our wonderful team included:

Jason: A natural leader who was always determined to do his best and never give up. This attitude was most evident during the semi. When it seemed like the game and our season was over, he fought on and scored the equaliser and winning penalty.

Aaron: One of the most dependable players on the team, as every time he went out onto the field he gave 110%. He was tenacious and fearless on the field and his support play in the mid-field allowed our strikers to score many goals (59 in total – Aaron scored 8).

Bentley: A very talented striker with a strong kick on him. His free kicks/penalties/corners were always well taken and placed [I don't think I will ever forget his goal in the grand final that was taken near half way].

Mohammad: This year was an adjustment for Mohammed as he was not the only goal scorer in the team as in the previous year. He worked well with his team mates and scored 11 goals this year.

Nikolas: He really came out of his shell this year and was not contempt on staying in defense as he did last year. Nikolas was our top goal scorer

– 21 for the season, and 6 goals in one game against St Columbus.

Aydin: A tenacious defender with a never say die attitude. He was always in the right place at the right time to shut down the oppositions attacks. One of the great personalities of the team and leader of our defensive effort. He also scored his first goal this season.

Farooz: A great all-rounder (mid-fielder, defender and goal keeper) who always brought his best. He surprised us all with his natural goal-keeping talents, that proved crucial in the semi-final with Farooz saving all the oppositions shots.

Moussa: Showed bravery and determination in defense. He was great at creating pressure and tackling the ball. His confidence and skills continued to grow from last year.

Rushil: An enthusiastic and strong player, and an amazing team mate. He was always keen to try new positions and put in his best effort no matter where he played on the field. His powerful kicks helped to clear the ball from the danger zone and shift us into attack.

Sarim: Always full of energy and enthusiasm. Despite his size, he was fearless every time he was on the field. No matter the size of the attacker,

Sarim wouldn't hesitate in making the tackle and winning back the ball. His improvement in dribbling was excellent this season.

Yonathon: Started the season new to the game of soccer but came to be a solid defender. His confidence with the ball grew each week and he displays great potential.

Stefan: His goal keeping skills continued to grow this season. We conceded less goals than any other U8 team and part of this is due to Stefan's confidence and skills in goal. Stefan's humour and cheekiness were always enjoyed, but at times hard to contain.

I would like to thank our manager **Zoe** for her dedication, effort and tireless contributions to our team.

Special thanks also go to the parents for their commitment, support and encouragement throughout the season. Thank you so much for a wonderful season! Hope to see you all next year.

Ahmad
Coach

Under 9 Red Team Report

This year has been a great one with the Under 9 Reds. Many of our team from last year returned and we saw many new faces as well. We couldn't be prouder of these kids; they all worked so hard and improved so much. We strongly held our spot in third all season and made the semifinals for the second year in a row. Unfortunately once again we were unlucky not to win; we'll get them next year guys, third time's the charm! Some of our seasoned players came

back for their fourth year with us including Sunday and Fidaa and their experience really showed. Familiar faces from last year included Husein, Noel, William, Rafael and Siar who came back to continue honing their skills. New comers Ali Sena, Danny, Telissa and Kuae, were welcome additions that brought new strengths to the team. Our defence worked hard all year; Noel, Telissa and William were an impenetrable force every game. They moved as one, marked hard and took direction well, saving us from the oppositions run away strikers more than once. Noel made many great calls from the back and had the control to take the ball for some great runs; well done Noel! William has improved his listening, taking direction better and put many amazing through balls forward to the strikers. Well done

William! Telissa, who had played with her younger brother up until this point, really shone in right back this year. She hustled hard and marked strongly. One of the toughest tacklers on our team she showed us that girls can play just as strong as the boys. Well done Telissa! Moving up to midfield we have Rafael, Danny, Siar, Kuae and Sunday. Rafael had improved so much this year, increasing his confidence and control. He is always a respectful player and listens to his coaches without question. Well done Rafael! Danny started new to the game but quickly found his groove in playing in the wide midfield. Danny tackled hard, ran the ball and was unlucky not to score this year. Well done Danny! Siar did well this year, even though he went overseas for a chunk in the middle of the season, where we missed his strength in the middle for those games(no more soccer season holidays!). He played strongly in the midfield and bagged a few goals for his efforts. Well done Siar! Kuae, our second girl on the team, started off nervous and unsure. Once the season progressed she began to warm up and had some of the best games near the end of the season. She tackled hard and showed those boys she wasn't afraid of them. Quick as a whip she ran around the boys. A few times she found herself in front of goals and was unlucky not to bag one. Well done Kuae! Sunday has been on

our team since under sixes and it shows! Sunday had an awesome year and has the skills to play many different positions. We have found he works best in centre mid, as he can score goals as well as defend. Sunday has saved the backs a couple of times in defence and always works hard on the field. Well done Sunday! Fidaa has also been on our team since the beginning and this year, while he started his year in goals, he finished it on the field, slide tackling everyone and scoring the first goals of his career! Well done Fidaa! Husein worked hard this year, honing control and scoring some amazing goals. He always works hard on the field as a striker and this year we also learnt he is an amazing goalkeeper! Well done Husein! Ali Sena, a new comer to our team, had an amazing year. He brought his talent and passion to our team this year. He played every position on the field, sometimes more than one at the same time. An amazing striker, he scored the most goals this year. Well done Ali!

Thank you to the kids who filled in for us over this year especially Telissa's brother Bentley, who came and played quite a few games with us and felt like part of the team. We are so proud of every single one of you and to be your coaches! We hope to see you all again next year! Thank you so much for being a part of our team! Thank you to the parents of our players for bringing your kids to training, games and for helping us out over the year! You guys are awesome!

Thanks, Coach Elise and Coach Sarah

Under 9 White Team Report

Dear u9 white players and carers/parents,

This year has been a privilege to coach one of the happiest teams I have ever coached. It was obvious that as a newly formed team, the experience to competition soccer would bring a lot of new learning and a lot of effort to concentrate on developing technical soccer skills. We have buckets of enthusiasm which wore me out many times and even though I didn't what to shout too much, I'm sorry I couldn't help it, just trying to be heard over the exciting team talk taking place between players, all the time.

They all seem to have their own way of playing, which will develop over the next year. We have a huge amount of raw talent in this team and with the growing in the next year and hopefully the practice in the off season a number of key players will emerge with some awesome focus and killer instinct and ready to give it a another try next season.

Thanks to the parents and carers who helped and supported the team this year and like many parents, gladly worked around a lot of difficulties to give the kids a chance to play soccer, I think it was worth it. Thanks to Shirley for managing the team this year and making each game happen.

We won 3 games and never gave up, the fitness level improved and above all we had fun.

We have big kicks, uncanny natural goal keeping ability, as we work on positions, speed and accurate passing, this is a team to watch next year. Looking forward to next year, have a good break and if all goes well we can start training earlier next year. Congratulations to 4 of our players for putting their hands up to play in the Rep zone Competition, Ivan, Mohamed, Michael and Hassan (Super Goalkeeping), helped win their U9 zone reps competition this year.

Robert, coach

Under 10 Red Team Report

Well done to every player for working hard all season, improving in your skills, fitness, teamwork and determination and so making it to the grand final and ultimately to be the Under 10 Premiers of 2018! You have made us all very proud.

Over the season the team learnt some valuable lessons about their own place in a team and in valuing the place of others. Such as, no one person can win the game; all players and positions are necessary; and players have differing strengths and weaknesses which need to be worked with.

Early in the season there were games where a lot of players were trying to be the hero and win the game by themselves. Coach Bilal worked with this and used game plans that he knew were not going to work well, in order to teach the kids that all positions are important and they need to stay in the position they are in. The kids definitely learnt from this and grew together as a team. They learnt to trust their team mates and to concentrate on doing their own job well.

One highlight this year was being the only team to beat the new academy team during the season. The first time we met them was our first game of the season, when we hadn't gelled as a team yet, and some of our players were playing their first ever game of competition soccer. The academy were good, and we really didn't stand a chance though we put up a good fight. Fast forward 2 months to when we played them a second time, and they were known as the unbeatable team of the competition. Winning this game 1-0 was a huge confidence boost to our kids, and showed us what we could do when we work together as a team, and that we should never give up hope.

At the end of the season we ended up 3rd on the table, meeting Wentworthville Blue in the semi finals – a team we had lost against and drawn against during the season. But in the semis we showed how we had grown as a team to decisively beat them to progress to the grand final. It was a pleasure to play against Lidcombe in the Grand Final, and an even greater pleasure to beat them and end the season on a great high. Well done to every player on a stand out season.

Adhar: always a formidable force up the front, attacking hard and scoring goals and growing in his ability to work in tandem with teammates to beat the opposition. He is a hard working team player, and was always ready to run back (fast!) to help defend and help out his team mates.

Andrew: grew in his confidence and skill, always ready to give anything a go, surprising everyone (even himself) with an amazing half as goalie one game where he fearlessly blocked the ball again and again, saving numerous goals. He worked solidly in defence – growing in his skill in blocking and tackling the opposition.

Amir: grew in his understanding of the game over the season, becoming more effective at reading the play and moving to the ball, both when defending and when supporting our attack. Over the season he became more and more integral to the working of the whole team.

George: playing up an age group in his first ever soccer season was always going to be a challenge, but George always showed up with a positive attitude ready to try his best and encourage everyone around him. He has grown in confidence and skill through the season, finishing on a high in the grand final with some great kicks to help the team along.

Joey: just like the energiser bunny, Joey seems to be able to go and go and go, never breaking his stride or losing his energy and enthusiasm. Along with his great fitness, he adds in awesome skill and is a stand out team player - always full of encouragement for his teammates. He is a strong defended who is able to read the play well, and chase back to tackle and win the ball back for our team.

Lachlan: a great asset to our team, though small he is never to be underestimated! He consistently worked hard all season and especially developed in his understanding of the attacking position. He was always ready to move to the right place at the right time to attack with his team mates, which resulted in scoring some great goals during the season.

Laith: joined our team this year and grew remarkably as a player during the season. He was always cooperative in training and listened well to the coach. He showed increasing skill in the mid field and in goals, always focussed and determined to do his best, and so ending the season a much more skilled player than he started.

Omaid: always dependable for his amazingly strong kicks to get the ball way out of our danger area, and back down the field. Over the season he improved in his ability to read the play and in tackling and could always be relied on for a very strong performance as both goalie and fullback.

Omar: worked hard in goals and on the field, showing great determination to chase down the ball and not let the opposition get a look in, saving countless goals in the process. He also worked well in attack, pushing the attack up the field to the opposition's goal, opening up great chances for our forwards.

Patrick: great allrounder, but usually put in defence because he's very strong as a team player, being careful to protect our goals rather than wanting the glory for himself. However, he was also able to read the play well and take advantage of opportunities that came up to attack and ended up scoring a number of times.

Talitha: grew significantly in her confidence and skill both in handling the ball and in taking leadership on the back line. She could read the play well, and showed good understanding of her position, so was often able to move to where she was needed to fearlessly and effectively make tackles to protect our goals.

Wek: always a quiet and solid defender, working tirelessly and always totally focussed on his game. He appears, almost like magic, where needed, chasing down and tackling the opposition at critical times. He also has the speed and skill to be really strong in supporting our attack, making him a great allrounder. He is a great team player, willing to do whatever job needed to support the team.

Well done team. Looking forward to more great soccer in 2019!

Leisel Chung

Manager

Under 10 White Team Report

It was a topsy turvy season, with a strong start to kick off the season followed by a bumpy up and down roller coaster ride with a good strong finish. Though it wasn't enough for us to get into the finals this year. But if there were any silver linings to look to, it was the fact that the kids on their day could play just as well and take it right up to the best teams in the comp, having played and drawn games with International Soccer Academy, who finished first through the season, Lidcombe who were Grand Finalists and the highlight would have been our final game of the season keeping the U10 Reds to a 2-2 draw. And the Reds going on to win the competition.

To the kids, you each played your little hearts out and I hope you enjoyed season 2018, as it was a pleasure to watch you play through the season. The team this year included:

Ameen - Quiet, reserved and solid all over the park, could play in any position which was very handy for the coach.

Badih - Really stood up to the challenge as goalie for a good part of the season. Good with his hands and never afraid. He was also very handy on the field.

Daniel - While he could easily intimidate the other players with his size, he was our soft and cuddly friendly giant. Had a huge boot on him and played well in defence.

Ethan - Our little chatterbox. Could be a commentator when he grows up as he really loved talking on the field and played well in his position in the midfield.

Lochlan - Has the most energetic running style and also can play anywhere on the park. Little bundle of joy and energy whenever he plays.

Matthew - Our leftie, didn't like goalie, but found his place on the defensive line. A happy kid always willing to listen and do what is asked of him.

Mark - Strong and consistent every week. Solid in midfield and upfront. Our resident corner taker and all round Mr do it all. A pleasure to watch him running around all over the field.

Sebastian - First season with the club and came with a hunger to attack, seeing him up front helping lead the charge. Good on his feet and a challenge for opposition to defend when he is on fire.

Ryan - Consistent and reliable, who doesn't like the attention and that's why he always wants to kick the ball away (so he says). Was solid in the defence and willing to put his body on the line when needed.

Rylan - Our prolific goal scorer, who daintily runs past his opponents weaving between them with a single minded focus to get the ball to the back of the net and did that alot through the season.

Xavier - Pocket rocket is a perfect term for this little fella. Skillful with the ball, can put in a big boot, and runs hard and fast. Plays with a big heart and feels the pain when the team aren't able to get a win.

Although the season didn't go our way, it was always a joy to watch the kids play, and such a great group of families that every Saturday was an enjoyable day for all. Thank you to Tahlia for coaching the team this year and for her efforts, dedication and sacrifice of personal time. And of course thank you to the parents for bringing the kids to training and Saturday games, that's an effort in itself.

So good bye 2018 season and hope each child returns for another cracking season.

Mathew Lu
Manager U10 Whites 2018.

Under 11 Red Team Report

WOW!! What an amazing season with this group of guys and our girl! We started off a bit slow, having so many new kids who haven't played before, a new coach and new manager, it took a couple of months to start playing as a team and winning some games. 2nd half of season was a different story. We dominated most of our games but just couldn't get past Western Sydney Academy.

With 11 of our kids making the zone side this season, I couldn't be more proud as a coach, especially with their efforts put in. By end of season we had qualified 3rd. We got to knock out the coach's old side Wenty Gold in semis in the best display of team work all season! Unfortunately we still could not get past Western Sydney in grand final.

So proud of how far these kids have developed over the season and can't wait to see what they can do next year!!

Couldn't have done it without the expertise of Alex and manager Jenna. Thank you for an amazing season. Can't wait to do it all again next year!!

Under 11 Girls Team Report

This has been a wonderful season for the first under 11 girls team. Everyone has been a totally dedicated and a supportive team player. It has been a joy for all the parents to watch them grow as a team and individually. The girls won most of their games and finished off the year winning the last game, if it was competition they would have been on the top!! Every player had a great moment on the field that we can all be proud of. Well done girls for a great season. Coach Peter Sultana is a dedicated and encouraging coach who got the team to their best potential. The parents were there at every match cheering the girls on and bringing fresh fruit to keep up the energy.

The girls :

Abak M Yai : a strong all rounder, an asset to the team.

Alethia Sewell : a fearless defender stopping the ball with all she had.

Anika Penitani : very strong player, a great shooter and excellent foot work and tackling.

Baneen Alamidi : wonderful attitude to the sport and gave some big power kicks.

Bella Moujalli : A player who never took a backward step in defence, fast on the run being able to run down any attacking opposition play and used her powerful kicks to move the ball forward

Huda Alsankari : our star goal keeper stopping many a goal and even shooting a couple too.

Lucy Sultana : scored some great goals during the season and growing stronger as a player with every game.

Marie Jo Yaacoub : an important part of the defense by not letting many balls get past her.

Millen Batth : has grown so strong as a defender getting more confident as the season went on.

Stella Fitzpatrick : unstoppable goal shooter who has shown a lot of soccer skill during the season.

Talitha Chung : very skilled soccer player with great attitude and team sportsmanship.

Tamana Ahmadzy : strong in defense and some great strength behind her kicks.

Tamara Salloum : powerful kicks and a great team player keeping that defense line strong

Taylor Yaccoub : a great all rounder, ready to get in and score a goal or defend if needed.

This is my first soccer experience for me and my kids, with my son playing in the U8 whites and my daughter in this U11 girls team which I managed. It is such a wonderful club with very dedicated and caring coaches who encourage and support our kids to be the best they can be. Parents are always there to help with fruit or taking kids to games. What a great action packed nail-biting season it has been. Look forward to the next.

Under 12 Red team Report

The 2018 U12 red were Ali Fatlawi, Anthony Germanos, Daniel Kvesic, Dylan Lu, Faizal Mohammadi, Fouad Ayoub, Jean Paul Azar, Joey Farah, Joshua Depares, Mohammad Al Kanaani, Sajjad Karimi, Samir Abas, Sean Sacriz, Sebastian Kerr and Seena Hazara.

Seena - Awesome debut season from Seena in goals. An amazing keeper for his age, he was comfortable handling the ball, could confidently organise his defence, was great at reading shots, was an excellent decision maker, solid penalty taker and also had a big boot. He was very reliable in goals and his displays would regularly influence the results. A great addition to our team and to the club.

Joshua - Solid season from Joshua this year. A speedster and full of energy down our right side, whether he was playing in defence or in midfield. He would always contribute each game, whether it be chasing down opposing wingers or running past them to get a cross in. A very competitive player who would not back down to any opposition.

Ali - What a season from Ali!!!! As our sweeper he was constantly one of the most influential players on the field. Ali was always reliable in defence and comfortable in possession of the ball. Each week we would see Ali chase down strikers through on goal, intercept through balls then starting counter-attacks where he would beat at least three players and leave the opposition defence exposed. He consistently produced standout performances each week both in defence and attack, which is why he is the 2018 U12 Red Player of the Year.

Dylan - A great season from Dylan this year, he set up camp at left back and stayed there all season. Dylan's main strengths include his hard-work ethic, tenacity and resilience. A natural defender who would consistently keep the opposition's right winger quiet by quickly shutting them down, intercepting loose passes and well timed tackles.

Sean - Another great season from Sean, where he consistently performed the defensive midfield role well. Breaking up opposition plays with intercepts and tackles and always looking to get the ball to the attacking midfielders and strikers. He also showed plenty of improvement this season with a newfound confidence in his ability to dribble and hold-up the ball.

Mohammad - Another newcomer to this team, it took a few games for Moey to find his position, where he eventually nailed down one of the defensive centre midfield spots. A very reliable player with good positional sense and solid technique, Moey did a great job with Sean in the middle of the park protecting the defence. Moey's main strengths included his ability to break up play and play out passes to our attackers.

Jean-Paul - JP performed well this season as the team captain, where he would organise the team on the field and consistently putting in hard-working performances. He was also a creative force in our attacking midfield whether it be scoring, assisting or starting attacking plays with great passing and vision. JP's enthusiasm to learn more about the game and try new skills will ensure he continues to improve as a player.

Joey - Last season's player of the year, Joey took a while to hit form this season, but found it during the finals run. Better late than never. Joey was his usual creative self, in particular during the semi-final, where he scored

the equaliser and set up the winner. On his day, Joey is easily one of the better players on the field with his dribbling ability and his eye for goal.

Sebastian - This was Seb's first season where he did not have to share goalkeeping duties, so it took some time to find him a permanent position. After a bit of reshuffling, Seb locked down the left winger position. Seb put in some great performances in this position with his hard running, confidence to take on players and excellent link-up play with Daniel up front. A naturally competitive and confident player he contributed with his share of goals this season.

Daniel - Daniel was our regular left-winger last season, but due to a lack of strikers, he was converted into a forward this season with great success. He was able to use his dribbling ability to hold the ball up and excellent passing range to find his strike partner or one of the wingers. With his big boot, he was our designated deadball specialist. Through his role in the team Daniel contributed to many of our goals whether it be by scoring himself or assisting his teammates.

Sajjad - If U12's league had a fantasy football competition, Sajjad would be the most picked striker. Throughout the season we were able to rely on Sajjad for goals each game. Blessed with speed, dribbling skills and the ability to score from different situations, Sajjad caused plenty of trouble for the opposition's defences. Sajjad stepped up this season to take on the goal-scoring burden for the team which is why he is my pick for the Coach's player of the year.

Anthony - Some big improvements from Anthony this season, apart from adding a couple inches to his height over the break, he also added some skills to his game. Normally a defender, Anthony was required to fill in at defensive midfield, one of our more tiring positions. He was very effective in this position using his defensive brain to read plays and break up attacks, as well as using his size to muscle opposition attackers off the ball. He did this particularly well against the top team Auburn District, where he was a wall in the middle, forcing their attackers wide where they were not as effective.

Fouad - A good season from Fouad this season in what was a talented and stacked attacking midfield rotation. Whether he played in the centre, right or up front when needed, he was a threat with his dribbling ability, smart passes and composure in front of goals. When he got into good positions, Fouad was almost certain to score or set up one of his teammates.

Faisal - One of the last players to join the team this season, Faisal came into the team as a defender, but showed some effectiveness in midfield. A highly energetic and enthusiastic player, his hunger to get to the ball made him a nuisance for the opposition players. One of his highlights this season was almost scoring the equaliser in our grand final with a header that hit the crossbar.

Samir - A new addition to the team, Samir joined the team as an attacking player whether it be as a striker or midfielder. Samir possesses size, dribbling skills, passing ability and a reliable shot. Samir added variety to our attacking rotation and would have been a useful player to have during the finals run, had he played on. The U12 red made it to the finals this year. They played all games with enthusiasm and teamwork came natural to them. The parents eagerness and patience made our Saturday morning games run smoothly. The parents all helped out when it was needed and their support was outstanding. Whether the team won or lost they were winners in our eyes. Keep up the great teamwork and hope to see you all in 2019.

Under 12 White team Report

We had a team made up of new players most of whom had never played before and the coach had never coached before. We had a great season which only got better as the players developed their skills.

We found strength in Alisena and Jayson who shared goal keeper and striker. Both very different players. ALISENA -STRIKER/GK, could ran all day. He would go back to defend then run forward to attack. He showed skill beyond his years and always had the opposition wandering where he came from as he was so quick to the ball. JAYSON - STRIKER/GK owned the goalie position and made some outstanding saves. He read the play well and was ready for anything. As a striker when the ball was at his feet he didn't waste any time shooting.

DEFENDERS - MARIELLA appeared to be intimidated by everyone but when the ball came to her she was ready to attack. She always did her best to defend and never gave up. Was always hard on herself when she made a mistake but came back stronger. ZAC and IBRAHIM our little pocket rockets. Both started the season with no idea how to defend but finish the season with confidence and determination. OMAR slow but agile. Took some time to learn his position but found his strength in the second half of the season. A determined player who was hard to get past. ALMAN always liked to talk on and off the field, he controlled the back line well and had good clearance kicks.

MIDFIELD - ANTHONY a strong player that was not fast but controlled the ball well. AYUB and SEBASTIAN both developed throughout the season to be valuable players able to control the ball move the ball around. THAMIR was missed when he wasn't there. His kicks from the corner were accurate and his ability to get the ball up the field to the forwards was great. RICKY played well all year was a strong member of the team able to move the ball forward and dribble around the opposition. HUSSAIN had speed and agility, ability to read play and work well with team mates. HASSAN found his position on the left and played it well. Learnt how to cross the ball into the box and did so every time he got the ball.

Coach: Ali Chami.

Manager Hendrika Sharwood

Under 13 Team Report

The U13 season came to an end and I can say it was a very challenging season. This team has been together since U7's and suddenly lost many of its members when they were needed the most. We were promoted to division 1 with almost half of the team playing soccer for the first year.

I would like to grab this opportunity to recognise the persistence, the commitment and loyalty of the original members (they know who they are) for every run, shot and drop of sweat they spent in surviving many disappointing loses.

Division 1 tested us though and despite winning only two games and finishing 5th, we didn't surrender any game and every time we conquered the field with new strategies and bigger challenge. Teams that beat us by 9 or even 15 goals early in the season struggled to win by 2 or 3 by the end. One of the leading teams coaches approached me and told me "Lucky we are not playing you in the finals"

During the season we won the six a side in U13 and finished Runners Up in U14 Which was a magnificent achievement for the whole team.

The goal keeping duties were rotated all year but mostly occupied by **Armin Dupovac** who performed well along with the defenders. Armin came along way and still can improve. The backs were led by **Victor Doueihy** one of the most passionate players of his age. Victor is a solid player and communicates well with the whole team. **Peter Dinh** one of the best players in the team, fulfilled the left back duties perfectly. Peter's speed created an obstacle towards the attackers. **Charbel Haouchab** on the right back showed lots of skills which will improve over time. **Samuel Kidane** played in different positions, skilful and very focused player. Samuel is a true team player. **Fraz Maqsoodi** played centre midfield where he had very accurate passes. Fraz is complimented on his commitment to the team. **Matthew Youssef**, another core player of the team who consistently found a way to get the ball in the back of the net. He is a talented forward with lots of potential. **Mustafa Elbizri** sometimes Stricker other times in centre defensive mid and in goal keeping. Mustafa's ability to fill any position provided a big support to his team. **Woody Tannous**, came back from retirement!!! But this time he showed much more skills and commitment to soccer. **Welcome Back Woody.** **Alex Basha** a very passionate player. He showed big potential that will be greater with more experience and self-confidence. **Tony Saba Salman Sultan and Chirag Prajapati** three new players to the team who showed commitment and support, they fulfilled the second centre back positions and were able to gain some skills. Thank you Coach An for your hard work, thank you all the parents for your support and our regards to the club committee for all of their efforts.

Under 14 Team Report

The season for the U14s was an up and down one. This is a team with some very talented players in it, but in 2018 we had the difficulty of simply not having enough players. We had some thumping wins and disappointing losses but ultimately the quality of our players could not overcome the fact that we very often played with less than 11 players.

Some of the season's ups and downs are best described by the newsletter reports:

23/6: 3-3 It was a great start to the game with 3 quick goals from some wonderful team work, unfortunately the boys being undermanned 'again' couldn't keep up with a full teamed opposition, eventually running out of steam the opposing team pounced and scored 3 heartbreaking goals. Proud of the team for trying their best, better luck next game.

30/6: 7 – 0 A cold winter morning led to a slow start, but after the boys warmed up the chances became more apparent. It was late in the first half the first goal was scored the boys clicked into gear and didn't hold back, it was a wonderful display of passing that led to some great goals.

28/7: 2 - 0 Once again great effort by the boys and again with 9 players, we dominated all over the park by playing smart and decisive passing, some awesome attempts at goal and great defence by the whole team, well played, very proud coach.

The season's highlight was probably our winning of the U14 six a side where we won all our games. It was a shame more of the team weren't able to take part in the day, but it showed what we could do when not undermanned.

Next season it is hoped that new registrations will fill the team like it was in 2017 and that we will have another great season. If more registrations don't come in, the club has committed to catering for returning players in the 2018 U16s div 1 or 3 sides. Loyalty will be rewarded! Hoping to see you all, and your friends, back next season.

Under 15 Division 1 Team Report

In last year's report I said "even though there was no silverware, my goodness we were close" and unfortunately it is again the same situation. We missed out on the semis by one point and were the only team to challenge and scare the top two teams in the competition. Even though we finished 5th, we had the 3rd best goal difference and 3rd least goals conceded which is credit to our strong defence. Keeping the team on top who scored 96 goals to a 0-2 (one was very controversial) loss three games before the semis just displays the quality of our team and the proof that we deserved to finish a lot higher than we did. Most of our team registered once again as well as welcoming new faces Hamza, Owais, Abulfazl, Adam, Hamid and Bilal.

Aakrist led the defence between the sticks with his fearless ability to go in 1v1s and pull off horizontal saves when his team needed him most. Ryan (c) led the solid defence with the assistance of Peter, Geetansh, Bilal, Hamza who defended in numbers and the marking in particular this year was exceptional. In the engine room (centre of the park), Jackson, Hamid and Deng controlled the possession and distributed the ball to the rest of the team as well as stopping their opponents from attacking through the middle of the field. Out wide we had Abulfazl, Owais and Adam who were able to show their skills with the extra space and whip beautiful crosses into the penalty box which were our best attacking option. Up front scoring our goals were Mounir, Krish and Rahman who terrorised opponent's defence with their silky skills and determination to put the ball into the back of the net.

I would like to thank Tim for managing the team this year and making sure everyone was there on time. My thanks are extended to the parents who supported us this year and brought their kids (and 4 others!) to the game with no complaints. I am very proud of these boys and would like to thank them for giving me such an enjoyable season. After our final match, I looked around at the team and realised that every boy knew that there is some unfinished business and we will be back bigger and stronger next year. See you all next season!

William Wark
Coach

Under 15-3 Team Report

The 2018 has been a hard and challenging soccer season for the U15/3's, with many lessons learnt both as a team and as individuals. This learning experience will hold them in good stead into the future.

With eight returning players and the seven new players joining the team, our new coach, Glenn, spent the year trying to building new combinations in both defence and attack. Unfortunately, this was disrupted, when one of our defenders moved interstate after 4 games & yet another defender left the team about halfway through the season.

Glenn endeavoured to improve the boys' fitness and football skills with an intense training regime two nights a week.

By the end of the year the fruits of these efforts were beginning to take shape, with defensively the team working the off-side trap well and offensively improved effective crossing from out wide towards goal square creating many opportunities to score.

The boys tried their best to implement what they had learned during training and we had many close exciting and entertaining games. We however, tended to end up being on the wrong side of the ledger when the full time whistle blew. Hopefully all the hard work this year has laid strong foundations for next years competition.

Great effort by each player, starting with:

Alizada – midfielder. He is a talented player, with good foot skills. Has the ability to beat opponent and pass to a free player. He is a tenacious defender who worked well with the backs.

Angelo - wing or midfielder. He always tried his best. He ran strongly whether promoting the ball forward or chasing it down. His pressuring of opponents often resulted in us gaining possession.

Angus – right back. He is a determined defender, who made life difficult for our opponents. He combined well with the other defenders and midfielders.

Aurelly - Central defender or midfielder. A capable player who provided a valuable contribution whether we were attacking or defending. Performed the sweeper role well, enabling us to reset our defence. Clean striker of the ball with ability to score from a distance.

Elias – Left wing or left back. A solid player, whether playing upfront or in the backs. He is a capable goal scorer, who set others up as well. A reliable corner or spot kick taker.

Garang - wing or midfielder. He oozes confidence often bamboozling the opposition with his technique. He can cross well into the box when the opportunity arises.

Glen – wing or midfielder or back. He is an unselfish player. He crossed well from out wide into the box. He positions himself well in the field or goal box and scored his first goal for the club.

Jude – right wing or midfield. He is a determined attacker, who made life difficult for our opponents. He combined well down the right with the defenders and midfielders to create many chances. He scored his first goal for the club.

Liem – Attacking midfielder and alternate goalie. Good in attack and defence; always ready to chase ball and put pressure on opposition defenders. He created many chances with his speed for himself and others. He is a capable goal scorer. When in goal he never let the team down, stopping many shots.

Ruben – Goalie and midfield. His goal keeping kept us in many games throughout the season earning grudging respect from our opponents' through out the season. As the leader of our defence, he guided the backs to restrict our opponents. On the field, he was an enthusiastic player in attack or defence.

Sajjad – forward or midfielder. Very good foot skills with ability to dribble around opponents. He created many scoring opportunities for himself and others. He scored the majority of the team's goals.

Victor – defender. A good defender with ability to defuse an opponent's raid and get us out of trouble. Effective clearances to our midfielders got us going forward again.

William – defender. He is a reliable defender. He has the ability to steal the ball and put us on the counter attack. When he gets forward provides good crosses into the box.

Hope to see you all next year.

Stephen Durbidge

Under 16 Team Report

In week 2 of registrations with 30 minutes remaining we had just 2 players registered (1 of whom would later drop out). Fortunately 5 minutes later and with a mate each, 3 players arrived and we had our team again! We ended up with 14 players who enjoyed playing together and a team that started and finished the season very successfully. Mid season the Ramadan period hit us hard and we lost all the games during this time. At the end of the season we had finished 4th but had beaten every side and had every reason to feel confident.

In the semi finals we played Toongabbie who we had had close matches with, but with a howling gale and the team up for the challenge we attacked early and scored early goals to finish Toongabbie off quickly. The following week Wentworth proved to be a greater challenge but two nice goals saw us through to the final. In the final we scored in the first 30 seconds and Rydalmere were rattled. Unfortunately, they came back in the second half and had all of the momentum. We defended strongly though and went into penalties after a scoreless extra time. To lose was disappointing but the team took the defeat with class and Rydalmere, who had come from last place to win were congratulated.

Our attack was very good with players like Joe Azzi and Mahmoud Jalloh who have always been prolific scorers and Mehdi Jaffari, who scored plenty of his own, tormenting our opponents early in the season. Later in the season other teams started to combat them better, but we still won or drew every game outside Ramadan. In the midfield Mohamed Alizada controlled the play and was joined by Salman Khan who arrived this season. Salman provided great support and took over the reins altogether during Mohamed's late season suspension. Zakir, Emtiaz, Hayat and Destiny filled out the midfield, with Destiny being used very effectively in marking out the opponent's key player. Defensively, Sharlene, Jeffery and Ameer were organised by Mohamed Naseri who was simply outstanding. I would particularly like to commend Ameer for his development during the season, Shaka for her skills and class and Jeffrey for his determination to follow the game plan every time. The goal keeping duties were taken by Joel Carder who was unfortunately injured in the grandfinal and unable to take his chance at penalty saving heroics.

Thanks to Rosemary for managing and Kiwi, Michael and Elizabeth particularly, for their regular match day support. Thanks especially to the team though who ensured that being with them was an absolute pleasure. I hope to see you all next year.

Greg/coach

Sydney Cup Report

The Sydney Cup squad had an up and down season and ultimately a very disappointing finish. With poor results in 2017 the Club and team were determined that 2018 would be better. For 98% of the season it was, with both firsts and reserves recording strong results and looking semi final bound.

Again training was irregular which is a shame. Teams that train well together develop a better understanding, not only of each other, but their place within the Club. Seeing, and being seen, by all of the other teams on a Wednesday, interacting with Premier League, speaking to committee members and also learning to play better together, helps the Club as a whole and your ability to record winning results on weekends. When training did happen, it was well attended. Thanks to Phil for his organisation.

Reserves made it into 4th position in the semis. Firsts, despite having dropped from the top of the competition ladder (where they were at the midpoint of the season), comfortably qualified for the semis in 3rd place. Given that last year this team took the wooden spoon, this was an outstanding effort. The reserves lost their semi but the firsts won comfortably and the second semi was going fine at 3-0 up at half time. In the second half there was an incident that saw both teams removed. This was incredibly disappointing for the team members, almost all of whom were blameless, and for the Club's management who had worked hard behind the scenes (and in Phil's case right up front) to have the squad where it was. That the actions of a squad member/s not even playing the game could have these consequences is appalling and led to much heartache for many people both within and outside the Club. The ramifications are still being felt and relationships damaged far outside the incident itself. In that very match there were 3 participants that have been with our Club since our inception (one being the referee!), there were coaches, managers, parents playing and numerous spectators. That any of these people should have to bear witness to this is appalling in the extreme.

Amongst the players Yousuf's goal keeping was outstanding all season and Ahmad Abdul Hamid, Phil Chan, Virinder Chaggar, Duy An Dao & Goran Gesovski all had exceptional seasons and brought great experience to the squad. Hussein Hadi's arrival also provided some new class to the midfield. It is very much hoped that the players in Sydney Cup like those mentioned above, who do the right thing by the Club, will return. That our Club's excellent reputation will continue to be on show through all of our teams, in all of their matches and that next season the players so badly affected by the end of season incident and outcomes will receive the reward they and our Club so deserve, in a trouble free, premiership.

Premier League Report

The season started with a lot of changes with the great Phil Rafter no longer running the premier league teams, the club put it to senior members of the squad to run the team – Adem, Amarvir, Wil and myself. There was also a change in personnel as we lost a fair few first grade players, especially losing three of our best first grade players from last year – Mick, Animal and Amarvir – to serious injuries before the season started. This led to a selection process, with the help of Greg and Phil, where we found some good talent and this left us with high expectations for the year.

As was expected with lots of new players in first grade we were still getting to know each other and learning to play with each other, and though playing well, we were not getting the results we were after early in the season. While with the main core of reserve grade having returned, reserve grade was working through their games and winning more games than not. The season mainly took this course, as first grade continued to struggle with more injuries to key players and some new members who couldn't hack the hard slog the season was turning into leaving the team struggling on numbers each week.

At the midway point of the season it was apparent that reserve grade was on course to make the reserve grade finals and challenge for the minor premiership, with first grade not being able to make the finals at all. With the first grade struggling for numbers each week it was put on the players to play two games in a row each week so as to not forfeit points gained in reserve grade. I believe this brought all of us together as a team and also raised our game, our fitness and our determination – we would take this into a great finals run. Also the team was boosted on attack with the return of Angus from an injury that saw him return to the team. Reserve grade finished the regular season 2nd behind Ultimate Football, a strong new team that was unable to beat us through the regular season. We only finished with one red card, shout out to Joey for getting it and shout out to Luke for not getting one.

Going into the semi-final with lots of confidence, with all the boys knowing their job and all on the same page of what this meant to everyone and what it would take. We played the best game of football of the entire season, together and with purpose. With our new look backline and goalkeeping solid, midfield keeping possession and outplaying the opposition, and the forwards finishing their chances and pressuring from the top, the final result was 4-1.

The final took us to Marconi stadium, playing against Ultimate Football again. Amarvir's tactics and team talk were on point and helped the team focus on the jobs to do during the final, and Adem's pre-match pep talk and chant had the boys full of energy, they both really helped bring the team together and allowed Wil and I to focus on just playing. The final was incredible, razzle dazzle interplay between Angus and Wil had them both on the scoresheet and us up 2-0 early. Then before the half Ultimate scored and all our control of play fell apart, we were backs to the wall for the end of the first half and beginning of the second half as the lads showed great resilience and spirit to take all Ultimate had and hold them out. Then Angus backed himself from distance on a freekick and the ball bent into the top corner, then the wind in Ultimate's sails fell apart and we regained control of the game. Malvyn scoring the goal of the season, flicking the ball backwards over the defender and volleying it with power into the back of the net to make it 4-1. Peter then got his goal after forcing an own goal in the semi-final, slotting home to make it 5-1. It was an incredible feeling to captain the team to the grand final win, and to bring home the title for the club on the club's 20th anniversary year.

Special thanks to the club board members for all their support, to Phil Rafter for his support while we learnt to run the team, to all the members of the club, friends and families that came to support us in the final, to all the team members who didn't get to play in the finals due to the number of players restrictions, last to Wil who did the team sheets and organised the team each weekend – and who came back from a leg break last year to be the best player of the team this year.

This year was a success and a failure at the same time. We know what is expected of the premier league team, and hopefully we can take this great win (greatest I've ever been involved in) and use the experience gained to bring home the first grade title next year.

Gerard

All Age Ladies Team Report

We are truly blessed to have such a lovely group of ladies representing our club each weekend. In 2018 we lost just 4 games but we drew far too many leaving us stranded in 5th place. Again we maintained our core group from seasons past and still boast 5 ladies from our first ever team. We were also joined by new players Destiny, Sue, Tahlia, Mary and Talisha, all of whom (except Mary) have connections to our club by being mothers, daughters or sisters of other club members. Unlike last year we had few injuries but we did lose our star goal keeper early in the season with Henny badly breaking a finger. We had lost the best keeper in the comp, but replaced her with possibly the second best – a returning Sarah Irving. We were very lucky indeed.

Our defence remains rock solid and this is a very fortunate position to be in. Laura B, Kiwi, Elise and Jenna are unbreakable. Talisha and Laura H also stepped in at times and maintained the Great Wall of McCredie. In the midfield Tahlia arrived this season and was a revelation. She partnered Nyanut and Sarah D in the middle while Nancy, Rana, Destiny and Mary played outside. Up front Mika started on fire scoring goals in each game until a small injury interrupted the momentum. Laura H early, Talisha mid-season and Jenna late, partnered Mika but we continued to struggle to score goals. The stalemates with top teams and with lower placed teams were weekly occurrences. 7 more goals, spread across our 7 draws and – we finish first!

Club members should know how important this team is to our club. 7 of these ladies coach or manage junior teams. We would be in very big trouble without them!

As a club we are endeavouring to create a second women's team in 2019. We have started recruiting already with the aim to be able to provide competitive football for ladies of all abilities. If you are interested, contact Greg – and bring your friends!
