## President's Report

Well here we are again at the end of another busy soccer season in which our club had an enormous amount of success. The successes on the field this season were very rewarding and satisfying but just as importantly I believe that most of our players and supporters really enjoyed their soccer experience each and every week.

Our coaches and managers this year were absolutely fantastic and our canteen and weekly BBQ were very successful due to the constant help of our many volunteers and the support of club life member Frank Skiller. I would also like to acknowledge the excellent work of our dedicated Club Committee members throughout the year.

2019 was also the Centenary year for the Churches Football Association Sydney. A Centenary Dinner was held in early August and it was fantastic to see such a great representation from our club at this important event.

I would also like to congratulate all our teams, coaches and managers who made the semi-finals, finals and grand finals this year and I would encourage those who didn't make it to come back bigger and better next season.

I sincerely hope that you all enjoy the off-season as I will and take the time over the holiday season to re-energise yourselves.

Looking forward to seeing you all again in 2020.

Peter Warwick  
President

In 2019 two former McCredie players made international debuts. Mohammed Rahimi has played a number of World Cup qualifiers for Afghanistan this year whilst Martin Lo debuted for Vietnam's U23 team which will seek Olympic qualification at next year's Olympics. We wish both players and their teams all the best. We are enormously proud that our club is where they both started and that both played in junior and senior teams at McCredie.

## Secretary's Report

In Guildford McCredie Uniting Soccer Club's twenty first season we were able to field nine junior teams: two each in the Under 11, 13 and 16 age groups and one Under 12, 12 Girls and 15; seven small sided teams: two under 8s, three under 9s, an under 10 and an U9-11 Girls; four mini teams, two under 6s and two under 7s; four senior men's teams in the Premier League and Raahauge Cup competitions and an All Age Ladies team – a total of 25 teams. This is the same number of teams as last season (and equal to the most teams that we have ever fielded) but is an increase on player numbers to last season as we have more 11 a side teams playing.

It was exciting to be able to enter another junior girls team this season after our successful U11s last year. With both teams qualifying for Grand Finals we seem to have been successful again. Hopefully we can continue to expand our junior girls programs. Again we entered our older junior teams and Ladies into the competitions of the Granville & Districts Soccer Football Association whilst our mini, younger junior and senior mens' teams continued their affiliation with the Churches Football Association, Sydney. Decisions on team placement were again taken in consultation with team management and the club executive and will be reviewed on an annual basis in light of the changing circumstances of both our club and the Associations concerned. We would like to thank both these Associations for their support and the competition they have provided.

Unfortunately the restoration work on our fields at Granville Park were not very successful and we stayed "up the hill" for training. The lack of soccer posts is a problem and we have raised this with Cumberland Council. This led to the late erection of posts on field 5 and promises for posts on field 2 next season. Many thanks to Councillor Hamed for her support.

In 2019 CFA Sydney celebrated its Centenary. With new Perpetual Trophies for six a side and a celebration Dinner in August. Many of our club members attended the dinner which was a great night with plenty of memorabilia, a video display and guest speakers David Hill and Paul Wade.

This season we had two former players make international debuts. Mohammed Rahimi has now played 4 games for Afghanistan and has embarked on World Cup Qualification games for 2022. Martin Lo debuted for the Vietnam U23s against Myanmar and will attempt Olympic Qualification for 2020.

On field success was everywhere in 2019. The All Age Ladies, Premier Reserves, U16/1, U12/4 and U9 Onyx teams were all minor premiers. In Grand Finals we won the Premier Reserves, U16/1, U12/4, U11 and U9 trophies. For the first time we had teams qualify for the Football NSW Champions of Champions competitions. The competition is for the winning Division 1 teams from across the state. This is an incredible achievement and a great honour. Our U12 Girls made it to the Quarter Finals before going down on penalties after a 2-2 draw in normal time.

The Premier League boys regained the State Cup Knockout trophy winning it for the third time in four years. Both of our U6s and the 7 Whites played knockout semis but lost close games. On six a side day we had another very successful day, claiming a number of the new Perpetual Trophies and being named the Bill and Meryn Palmer Club Champions. We won 6 competitions – U11 (Red), 12 Girls, 13, 15, 16, AAL and the B Grade AAM. We were also runners up in 7 competitions with the U9 (Red), U10, U11 Girls, U14 and U16 where we finished first and second!

In 2019 the National Titles for 14s, 16s, 16s Girls, 18s, 23s, AAL and AAM were again hosted by Queensland and McCredie was represented in the NSW City sides by Mahmoud Jalloh and Muhammed Alizada (U18), Darren Warren, Theo Thoo, Daison Le, Peter Hourani (U23), Wil Wark & Yousuf Almaroof (AAM), Sharlene Muru-Tucker, Jenna Nowlan, and Destiny Joseph (AAL) and Greg Wark (coach AAM) Congratulations to all. The U16s and the U23s went all the way winning their grandfinals.

The club's executive was elected in November and I would like to thank all the committee, Peter W, Tahlia, Dorothy, Carolynne, Ian, Hendrika, Sarah, Elise, Ahmad and Wil for the support and work they did during the year. Remember – no one is paid for their service to your club.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. All registrations must be accompanied by full fees. If everybody brings a friend we will double our team numbers!

See you all in 2020.

Greg Wark,  
Secretary

## McCredie members at the CFA Centenary Dinner

McCredie's members shared a terrific evening helping the CFA Sydney celebrate its 100 years at the Centenary Dinner in August. With guest speakers Paul Wade and David Hill and MC Mike Tomalaris, McCredie members occupied 4 tables amongst the 200 guests.

## Under 6 Red Team Report

This season has been absolutely amazing, the kids became such a strong team and there was no doubt we were going to win. Unfortunately going down in the semis to a team who have beaten us once before was disappointing. Throughout the entire season the Reds dominated on field and always showed good sportsmanship to the opposition which I was most proud of. Each week they showed great determination and a willingness to learn , although some days it took a bit of discipline to keep them on track. I thoroughly enjoyed every moment with my team this year and I have high hopes for next year. A huge thankyou to the parents for the continuous support , it made my year so much easier and by the end I was sad it was over. Congratulations to the under 6 red , you didn't win the grand final but you made me one proud coach and for that I am grateful. Every child improved in one way or another and watch them develop and learn has been extremely rewarding.

Sireen- she is our little pocket rocket that stunned everyone with her skills and speed. She always did her best and gave it all when she was in the field and had the best attitude. I would always have people come up to me amazed at how great sireen is. I was never shocked, sireen has always been tough.

Joshua- He is incredibly funny , one of our star goal keepers that played mental games with the opposition which saved alot of time and almost always ended in goals from whoever he passed to. Even in defence he made a huge difference. I guess all the extra training with his big brothers matured his skills because Joshy was awesome.

Ghani- he scored quite a few goals at the start of the season being more experienced than our new players. Ghani never wanted to come off the field he enjoyed playing so much.

Zakariah- Zakariah suprised me this year, at the start he would get distracted on field but towards the end he followed instructions easily and proved that he was up for the task each week. The most improved this year by far.

Mawien- we didn't see much of mawien this year but when we did he sure made up for it. He would skill players on field and run until he couldn't anymore. Another one of our funny characters who made coaching enjoyable.

Utkrist- ukky is one of the fastest kids in the competition he can outrun anyone and he scored many goals by holding his position or simply running past the opposition and shooting. He really listened to small things I asked him improve on ,alot of our goals came from him.

Angakehe- he played a few games and at the end of the season really tried his best , kehe wasn't afraid to put his body on the line and worked well with his teammates.

Noah- Noah grasped the concept of the game more than anyone else he really knew how to hold his position whether it was up front at the start of the season or when he defended beautifully which stopped alot of attacks in the harder games. He communicated with his teammates which made alot of difference.

Ali- For his first season in soccer ever, you would not have guessed that Ali didn't know how to play. He was always so controlled in his footwork, fast paced and would run back and forth on the field and drop into any position that needed help. He is our all-rounder , although I wouldn't let him in goals even when he pleaded he always had the best attitude and always wanted to train or play regardless of the weather.

Aleena- our other super goalie, Aleena really proved this year that she was ready to be a team player and was not afraid to dive on the ball . Aleena and Joshua often had some friendly rivalry who was better or not . On field she was reluctant to get into tackles but towards the end just gave it everything. Another who improved immensely this year

### **Under 6 White Team Report**

It is a great pleasure to see individual players come together as a team and get to the quarterfinals.

From the early days, it was a challenge to get the kids to focus and turn up to training, but eventually it all came together. Each week the kids would show up to training with great enthusiasm.

We had strong goal scoring throughout the season from Jabari and Isaac. Jabari improved his ball skills and the two strikers would pass too each other and Isaac's accuracy on goal increased dramatically.

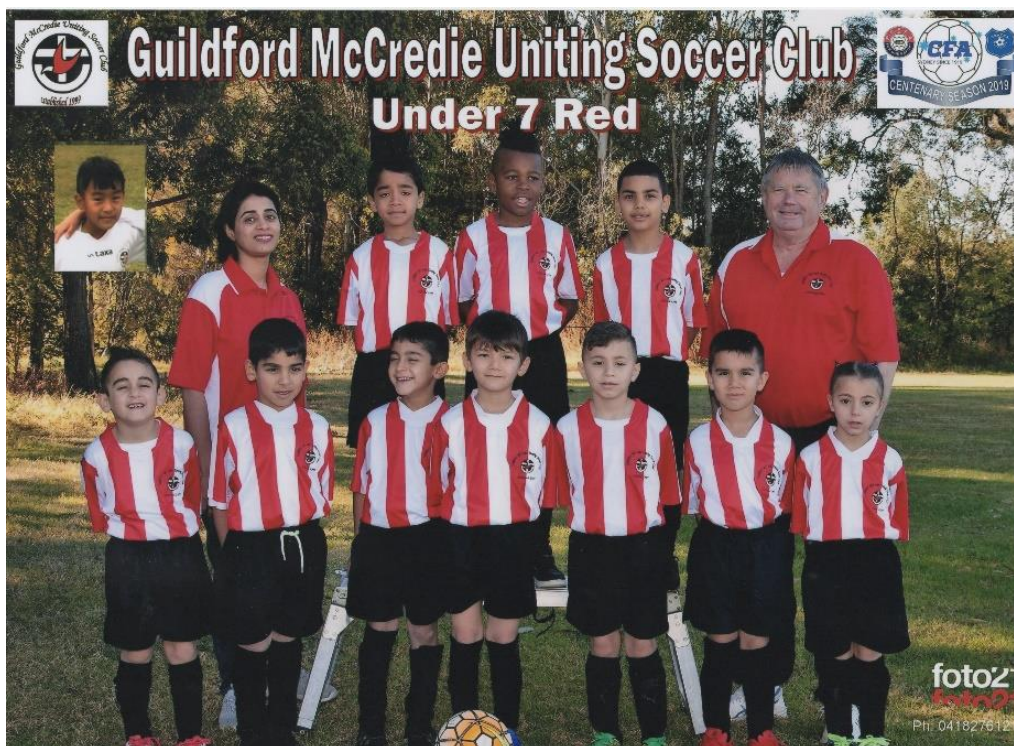

In midfield, we had Rudain, Arman, Zachariah and Thomas holding the ball, passing it up to the two strikers, and stepping in defence when needed. All four players showing huge improvements from the early days. It was great to see how each player developed his passing skills.

In defence we had Noah and Marco provide support for the team. In Goals, we had Pablo consistently trying his best to keep the ball out of the net. Noah and Marco worked hard to keep the strikers at bay.

My first season as a manager was fun and challenging at the same time. It was great to work alongside Tito who did an excellent job training the kids.

I would also like to thank the parents for their support and the kids for their commitment to show up for training and the early games every week.

## Under 7 Red Team Report

Again, I had the pleasure of coaching a McCredie junior team. Our team this year was made up of 11 enthusiastic players and supportive parents and carers. Over the season all the players improved their soccer skills. The team never gave up trying each week, even when family events and sickness left us a bit short of players on the field. I like to thank Uzma for managing the team and all the parents/carers who constantly did the best to get to the games and especially helped with training and managing the team. We won a few games over the season and that showed we had potential, especially when everyone worked as a full team, but training as a full team was often very difficult.

As the season was ending the players showed improved soccer skills and were finding their natural playing positions on the field. With their new skills and knowledge, I believe next year they will start the season more competitive.

I hope everyone had fun this year and return next year in the Under 8's competition!

Robert French

## Under 7 White Team Report

It was so good to see that most of our U6 team from last year, laced up their boots and joined the team again this year. We also had some new faces join us that created a new team ready to tackle the season.

As I look back on the season, there has been so many amazing accomplishments over and above winning the games. Every player showed growth and each week showed up ready to play - win or lose the kids always played with good sportsmanship and had a great time.

It was a proud achievement to make it through to the semi-finals after our great season. Our win/loss record for the season was 14 wins, 3 losses and 1 draw.

**Arad** showed improvement this year and became more aware of the game and his position on the field. He also improved in kicking and passing the ball and assisting his team mates. Arad always showed up ready to do his best for the team and always played the game with good sportsmanship.

**Emaan** joined the team this year and from the first game took on the role as one of attacking players. Emaan showed great ball skills, liked to be involved and always worked hard whether playing attack or defence. His attacking strength earned him 2 goals

**Emily** took on the role as our main goal keeper this season and showed constant focus during games and helped to secure many of our wins with some great saves. Not only was Emily able to save the goals but she was able to score them securing 2 goals throughout the season when taking the field as a striker. Emily always showed up ready to play with a big smile and a great attitude.

**Kayra** started off this season where he left off last season and that was ready to take on the opposition. His huge kick this year gave our team a great foundation and he worked on learning to control and use his strength when it was needed. Kayra ended the season with an amazing tally of 30 goals (6 goals during the six a side comp!) and with a lot more goal assists.

**Jeremias** showed that he had not lost any of his fast pace from last season making length of the field dashes to score. Finishing the season as our highest goal scorer with 31 goals, Jeremias made sure he used his skill to his best advantage and worked hard on getting himself into goal scoring opportunities. He also learnt more about positional play and assisting teammates.

**John** made the defender position his own and always made sure to work hard in blocking attacks and supporting his team mates. John was also aware of good positional attacking play and always worked hard in pushing the ball forward and scored 1 goal.

**Michael** worked on learning and building his defending skills partnering with John at the back. In attack, Michael liked to use his pace with great runs down the sideline to take advantage of different opportunities and assist his teammates. Michael ended the season with 5 goals.

**Mithesh** took to the game from the first kick off, ready to always do his best. He showed he was a versatile player that could be moved to any position and he would always try his best. Mithesh continued to grow as a player throughout the season learning to use his pace to the best advantage. Mithesh also scored 2 goals.

**Sudev** continued to build on his skills from last year and approached each game with a great attitude and always showed up ready to play. He learnt more about positional play in both attack and defence and ensured to use these skills to assist his teammates. His versatility was a great asset to the team.

**Xavier** also joined the team this season and never faulted in his support of his fellow teammates. Xavier continued learn more about the game and improved throughout the season. He showed passion throughout every game and tried hard whether attacking or defending.

I have finished this season very proud of our whole team. After meeting some of these kids last year it is great to see how much they have grown as players and in their approach to the game. It was also great to welcome new players and for them to add their individuality to our team.

I am so thankful to all of the parents for their support throughout the season as it would not be possible without them. Lastly, a huge thank you to our coach Peter Sultana - we are all so thankful for the dedication you show towards the team and in improving the skills of all of the kids.

## Under 8 Red Team Report

It has been an amazing and memorable soccer season for the U8 Reds. The majority of our team returned from last year and we had 3 new faces join the team. We knew that this year we were only going to improve on where we left off, and this was reflected in the team's results week after week. We finished 2nd on the competition table and it was heart breaking to not reach the grand finals this year, but we are all so proud of their achievements. We did have 5 members of the team participate in the Zone Rep John Oliver Shield and won after a nail-biting penalty shoot out. It was an incredible outcome. Their enthusiasm and love for soccer is truly contagious and has even converted a non-sporty manager to find a love for the sport.

By the end of the season, the team formed a special bond and a great team spirit. They were forming their own perfect circle to warm up before games without supervision and their support for each other from the side lines always brought a smile to my face, and that's priceless.

A few words on each of our star players: Aiden returned this season fitter and faster than ever. The strength in his kicks and his speed has made him a valuable player in midfield and defence. Our opposition had something to fear whenever he took the left-footed corners. Ameer has the ability to cover every position on the field all at once and although it may not be the best strategy he has always been relentless in his attacks and seems to be in the right place at the right time. Akeel can dribble the ball up the field with confidence but we also saw his true potential as an amazing defender with his agility and massive kicks. Ali is a natural and can run the ball up field with his dribble, speed and ball control. More focus on his passing and team play will help him become an even stronger player. Antonio has been our goal keeper for most of the season but also played great in defence and we witnessed one of his awesome game play as midfielder in the semi-finals. Carissa has worked well developing her soccer skills and will only get better especially with her growth in confidence. She is a breath of fresh air to the team, keeping the boys in line at training! Christian always put in his best effort and never gives up. We have seen how he has developed his skills and techniques, being one of the 3 original team players who has been with us from the very beginning in 2017. Gabriel is one of our key strikers who has learnt the importance of working together with his team mates to score winning goals for the team. Jawad has tremendously improved from when he first started with the team last year. His sheer determination to stay on our opponents saw him play well as midfielder and defender. Khoder is always incredibly enthusiastic to play soccer and has been a great addition to the team. No doubt he will return with even more energy next season. Logan is one of our stronger defenders in the team and plays best in this position. Encouragement to take opportunities to run with the ball may see him have an even better season next year. Sebasjin has completely opened up this season and has become a different child. He has no difficulty maneuvering across the field and attacking the ball. And he has still been our reliable and amazing goal keeper when we have needed him to step up. Massive thank to you all our parents, family members and friends for their help, commitment and support throughout the season. And of course, thank you to Rana for generously volunteering her time to coaching the kids to be the awesome soccer players they have become. Bring on 2020!

Mabel Chen

### Words from the Coach

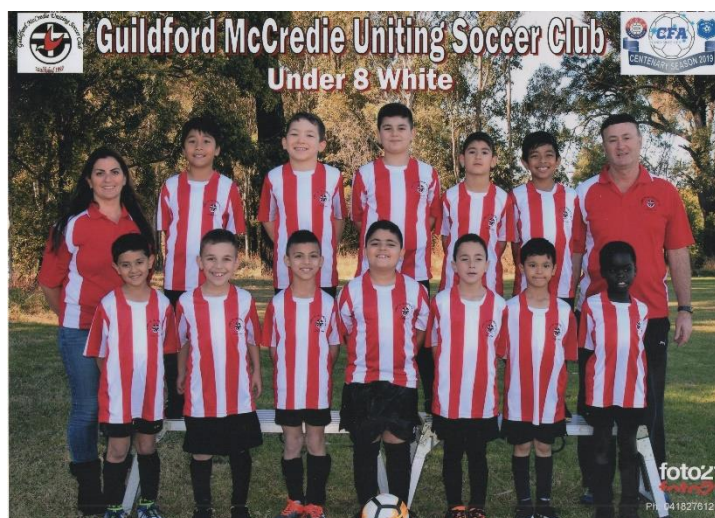

It is always such a joy to coach this group of kids. This season has been one of many improvements and all of our players, new and returning, have developed new skills in individual play and team work which is so great to see because it means I'm doing my job! U8 Reds are a wonderful group of kids and parents which is the reason I coach this team. I wouldn't have it any other way. Volunteering has been a rewarding experience to say the least and I have really come to care for this team. I can only hope that the kids enjoy training and playing with me as much as I do with them. I am looking forward to seeing everyone back next year so we can win that grand final!

Rana Karakus

## Under 8 White Team Report

Our under 8 White team was largely made up of new players who never played comp soccer before and a few continuing from last year. Our coaches Francois and Claudio were new to coaching and myself new to managing. So overall, we can say a new team coming together.

From the beginning of the season the boys had momentum and courage. They never gave up and played their hearts out right till the end of every game. Win or lose everyone played with great sportsmanship and had a great time. Making it to the top 3 on the ladder was such an achievement taking us into the semis.

The semi-final was a nerve wrecking game against a team we lost twice to previously this season. But that never stopped or discouraged the boys from giving it all they had. With their extra-ordinary effort, the boys held on in the game and kept the score levelled until the last 3 minutes when our boys found an opportunity and scored an amazing goal taking them into the finals.

The Grand final we knew was going to be extremely tough, playing against the toughest team in the comp this season. However, the boys never gave up or let their guards down. They surprised everyone by keeping the game equal until the last 2 minutes when the opposition scored of a freekick.

Our greatest achievement was the growing teamwork and the support the boys showed one another. Our fabulous team is made up of:

**Julian Azar:** Our youngest member of the team, Julian was very dedicated and at every game and training session. He was always ready, listened to instructions given by coach and incorporated new things he learned into the game. Julian went from holding onto the ball too long to a fantastic passer of the game. He always created chances for the other goal scorers on the team. His positional play where linked up with Akshan in the semi-finals and final, turned the team into dangerous counter attackers.

**William Livingstone:** William went from a timid kid, uncertain of what to do between the posts to a confident and fearless goalkeeper. He was a true team player that loved his goal keeping and sometimes wanted to fill in as a defender. He was always ready to listen to instructions given to him and loved coming to trainings and games. His goalkeeping improves by leaps and bounds making some of the most impressive saves seen for a kid his age.

**Jonah Cicchini:** Started his first season in comp soccer and had a great first year. Jonah had opportunity to explore different positions on the field including goal keeping. However, he found his calling on the backline and provided solid defence.

**Danyel Tanak:** Danyel is another new player to soccer. Always came ready to listen to instructions and gave it his best. Over a short period, he became confident in his strong kicks and became an excellent and reliable defender for the team.

**Jacob Leke:** Although Jacob was a first-time player in the comp, he proved himself as an important member of the team. His speed was an asset in defence and a fantastic, fearless tackler. Whenever the ball came close to the defence line, he would clear it up to the midfield or even to the attackers.

**Daniel Depares:** One of the biggest personalities in the team. Daniel always gave it his best and was a solid and reliant team member. His speed was an advantage and was always confident and comfortable when came in possession of the ball. He provided excellent support to his team mates.

**Akshan Maskey:** Another solid and dependable team player. Akshan is always polite and a good listener. He consistently worked hard and developed his skills. He went from holding the ball too long at times to giving great through balls and creating many opportunities for his team mates.

**Ali Abbas Syed:** Ali was one of the late comers into the season who never played before. He missed the beginning but that never affected his ability. From day one was great with the ball and fast. He listened well to instructions. Once his ball skills improve, he'll become a dangerous attacker for the team.

**Anthony Mansour:** Returning for another season, Anthony was always eager to score. He was instrumental in attacks and played an important role in the team. He showed commitments and his skills kept improving.

**Mahmoud Hussein:** Mahmoud was a strong and enthusiastic team member. He was always energetic in both attacks and defence. Once he learns positional play and improves his dribbling, he'll turn into a dangerous striker.

**Benjamin Badami:** Another new player this year. Benji was off to a good start. He showed commitment to the team and his skills would grow with each passing week. He came every time ready to listen and play and would always wait for instructions given. Towards the end of season, we got to see some impressive plays from Benji.

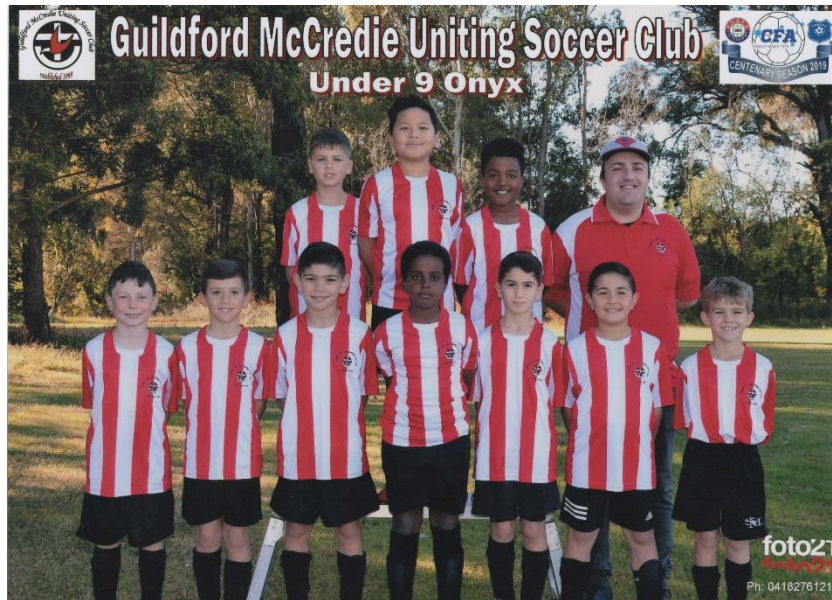

**Krish Shrestha:** Another new comer into the game and the team. Krish showed some solid ball skills and great improvements throughout the season. He was a great listener and passer of the ball. With more confidence in his abilities he'll play an important part of the team.

**Arham Alvi:** Arham was the shy and quietest team member. Being a first-time player in soccer, he always was eager to do his best. When focused, he provided some excellent defensive displays.

A special thank you to all the parents for their commitment, support and encouragement throughout the season. Hope to see everyone back next year!!

## Under 9 Onyx Team Report

Onyx worked very hard this year, remaining on top of the competition ladder for majority of the season and gaining the minor premiership. Unfortunately, we did get the result we wanted in the semi-final, but I am proud of the commitment, support and encouragement that you all showed to each other throughout the season. I am also thankful for having the privilege to be part of your journey (some of you for 3 years), seeing you all learn, develop and grow as champions. Thank you to the parents and extended family who came out every week to cheer us on and support me. I loved our Onyx family and I wish all the best for our cheeky growing champions.

*Our amazing team included:*

**Jason ©:** A natural leader who was always determined to do his best and never give up.

**Aaron:** A very dependable player on the team, as every time he went out onto the field he gave 110%.

**Nikolas:** Always tenacious and fearless, and our top goal scorer the last 2 years (35 in 2019).

**Mykal:** A wonderful addition to our team this year. He developed into a great midfielder who never gave up on trying to win the ball and provide the support play.

**Lucas:** Another wonderful addition to our team this year. He was a strong all-rounder right from the start. He defended, scored and was always at the right place at the right time. He was always a cooperative and supportive team player.

**Farouz:** Another great all-rounder (mid-fielder, defender and goal keeper) who always brought his best. Once again, his natural goal keeping skills were demonstrated throughout the year.

**Stefan:** Humour and cheekiness that cannot be contained, but a wonderful team mate. Although at times reluctant he was a great goal keeper this season – and worked well in the midfield.

**Ayden:** Another leader in our team, Ayden was a tenacious defender with a ‘never say die’ attitude. He read the opposition’s plays well and was always in the right place to shut it down.

**Rushil:** An amazing team mate and strong player who was always keen to try new positions and put in his best efforts.

**Moussa:** Showed bravery and determination in defense. He was great at creating pressure and tackling the ball

**Omar:** Started the season new to the game of soccer but came to be a solid defender. His confidence with the ball grew each week and he displays great potential.

**Yonathon:** His skills improved throughout the season. He was a fearless defender who made strong tackles and big kicks to get us out of a tough situation.

**Thank you all for a wonderful season!**

## Under 9 Red Team Report

The U9 reds had an awesome year. The team made it to the grand finals for 6-aside and u9 division. It was awesome to watch the kids learn from their losses / errors and bounce back more determined to try again. The kids had fun, learnt new skills and made new friends.

Brandon grew in confidence and skill this season. He attacked the ball more, was tireless in the midfield, and was very focused during games.

This was Daniyal's first year of playing soccer, so he had to learn the rules of the game and positional play. He was keen to get in front, but had to be frequently reminded to 'stay on-side'. His enthusiasm and eagerness to learn was contagious.

Danielle's communication and leadership skills were on display this season. She took charge of the defensive line and made sure that everyone had the same objective. She covered and narrowed the angles, which led to her winning the majority of the 50-50 balls.

Gethyn played different positions this season, which helped him to understand the game more. He was more focused, and is learning to jockey the attacker.

Izaac is a strong centre mid. He helped shape each game and rescued us many times. He reads the game and creates opportunities.

Jesse had lots of nice touches at the front and middle. He learnt the rules, how to trap and kick the ball better. He came so close to scoring in the grand final.

Lual is a skilful and tireless work horse. He correctly reads the game, so is always at the right place at the right time. His speed and stamina meant he was both attacker and rescuer.

Mardin had some good touches at the front and pushed the ball forward. As a defender, he is learning to jockey more instead of over committing.

Rodney's first year showed him as a bulldog defender. He chased everything down and won most of the balls. He learnt to pass up the sides and jockey.

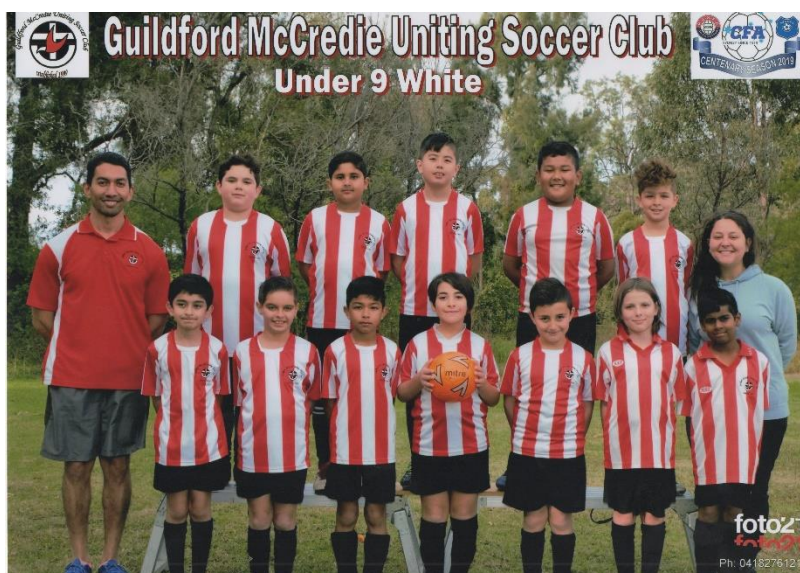

Stefan in the middle was very good at jockeying and covering the ball. His willingness to learn and practice showed in his good positional play.

Yusuf's skill and enthusiasm is greatly appreciated. His control and speed with the ball is very skillful. His team play was exemplary this season as we saw him pass and assist more.

Zayd's quick reflexes and determination saved many a goal this season. As a defender, he was tenacious. He always did the best for the team, even if it meant staying in goals the whole game.

Thankyou Andy for your patience and enthusiasm. You made soccer fun and interesting for the kids. We saw them practicing your drills and then applying them during the games. Lastly, thank you parents for your commitment and support during the season.

## Under 9 White Team Report

The U9 champions for 2019! An unbelievable year with the boys doing extremely well to claim the title. However, reflecting on the journey this year, it was far from smooth. Before the season started, we had some key players drop out which made for some nervous parents, coach and manager. We welcomed our new members – Yusif, Mickael, Aayan, Aaban, Mustafa, Karthik and Jacob. Most of them had never played before so we had to work as quickly and effectively as possible to get them acquainted to the game, the rules and the culture. This was made easier with the help of the longer serving players – George, Zen, Danton, Alex, Daniel and Kaan.

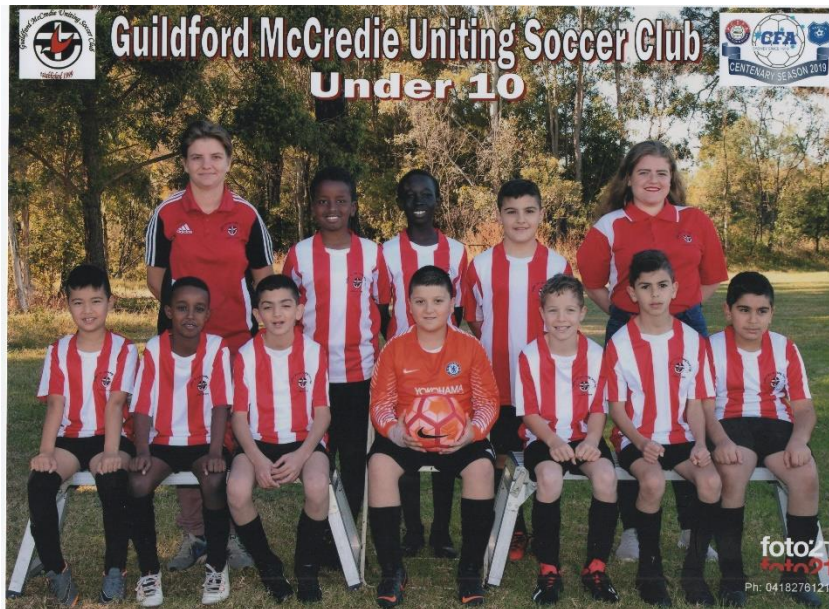

We had a few wins to start off with which boosted their confidence and team morale. However, it was evident that there was too much reliance on the experienced players so we needed to solidify positions, so the newer players can have more time and impact. A few losses were a further reminder that we needed some adjusting. We were heavily exposed, but it was exactly what we needed at the time. We did some tweaking and reshuffling at training to slowly transform the dynamics within the players and bit by bit turning the team into a formidable side. Daniel, Yusif and Kaan in attack. Alex controlling the back with George, Ayaan and Mickael. In the middle, the backbone of the team my midfielders Aaban, Karthik, Jacob, Zen, Mustafa and Danton. The combinations were at last coming together and they were finally starting to play like a team. The final hurdle was for the boys to believe in themselves as there was still self-doubt after their first few losses. Once their head was in the right place, we stepped up another gear. We were now dominating teams that we struggled with and lost to earlier in the season.

We made our way into the final, the decider. We came in with great deal of confidence and in the best form we've been all year. We had only played McCredie U9 Red once this season resulting in a draw, so it was going to be a true test for the boys. We were solid in all aspects of the game - in attack, defence, passing, tackling and communicating. At halftime we were up 2-1 and still going strong. The boys were able to counter everything thrown at them to hit back with 2 more goals in the second half. The game ended at 4-2 and finally the boys were winners. Well done fellas! We are all so proud of you. You hung in there right to the end and most importantly you should you proud of yourselves.

## Under 10 Team Report

It's been a wonderful year coaching the under 10's. We've had our ups and downs, a lot of fun and a some frustration. We did well to win the majority of our games this year after a bit of a rough start; the merging of last years two under 9's teams meant that we lost some of our kids from last year and gained some new and welcome additions to the team this year. From 2nd in 6-a-side to 3rd in the competition, we battled until the end. Thank you to all of you who did your best every single week:

**Ali-Sena** is a highly skilled player. He plays with integrity and while he has the ability to score goals he often puts the team above that, setting other players up and working to be a valuable player. Ali has played every position on the field from striker to goalie. Well done Ali-Sena!

**Sunday** has been with us since the beginning. Sunday will run the whole field and back; another player who can play any position. Sunday never stops and he always gets to the ball first, he stepped up this year as one of our most experienced players Well done Sunday!

**William** has improved tremendously, becoming our most reliable defender this year. Nobody could get past William. He even scored a few goals and his sportsmanship and behaviour has become exemplary. Well done William!

**Husein** really shined this year as our corner kicker and in defence. He scored an unforgettable goal from a corner and did well to clear every ball that came his way. Well Done Husein!

**Hassan** brings a lot of strength to the field. His tackles are always powerful and he has the ability to stop the opposition in their tracks. Hassan really shined this year in both on field defence and as a goalkeeper. Not many could get shots past him. Well done Hassan!

**Michael**, our lead striker and Captain, always placed himself in the right position; he scored a lot of goals this year, but he wasn't afraid to share the glory and set his teammates up. Well done Michael!

Whether it's clearing the ball, putting it through for the strikers or scoring from midfield, **Charbel** can do it all! Scoring a few goals himself this season, Charbel really shined in defence this season, being one of the power kickers in our team. Well done Charbel!

**Mohamed**, our left footer. Mohamed constantly placed himself in the right positions and as a result scored a lot of goals this season. He learnt a lot about team work and has been a large benefit to the team. Well done Mohamed!

**Xavier**, a player with great sportsmanship, has improved greatly throughout the year, going so far as to take player of the match in our Semi-Final.

Who can run the whole of the opposition's half of the field and score by himself: **Akram**! Akram has shown great improvement over the year and scoring a goal boosted his confidence greatly, allowing him to assist in others goals. Well done Akram!

It was **Abyaan**'s first year and I've never seen a player with so much enthusiasm. He ran hard and was always the first person to listen to his coaches. Well done Abyaan!

**Fidaa**, our number 1 keeper at the start of the season, transformed into a field player as the year went on; he slide tackled anyone in his path, defending hard. Well done Fidaa!

**Ricky**: we joke a lot that Ricky doesn't like to run but, over the season, Ricky improved on his running and kicking greatly- no one kicks a ball as low and straight as Ricky. Well done Ricky!

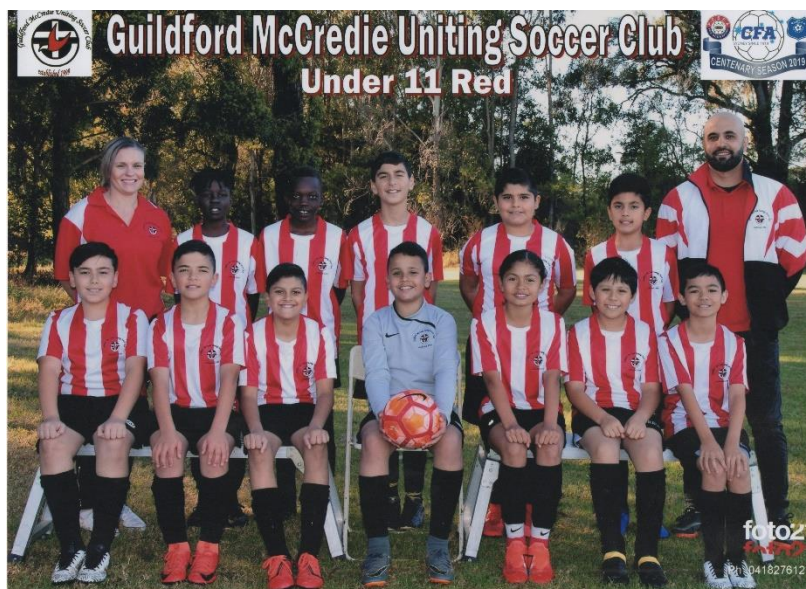

**Ali K** ran hard and passed some good balls this season, playing mostly mid field positions and feeding through balls. Well done Ali!

After a year of battling with the top teams we made it to Semi-finals after having secured our 3rd place position 4 weeks in advance- no one could catch us. We played our best game this season in the semi-final and every single player should be proud of themselves, because we're so proud of you all! In an unfortunate turn of events we lost in golden goal.

We've been with this team since they were under 6's and while some have come and gone the ones who have stayed have learnt a lot from us and taught us a lot in return. We're so proud to be your coaches and we hope to see you all back next year! Thanks for a wonderful year kids and parents of the under 10's!

Thanks,  
Coach Sarah and Coach Elise

## Under 11 White Team Report

Another year draws to a close for our U11 Whites and despite winning 7 out of 17 games through the season, it was about winning the critical games and putting in strong performances to see our kids make the semi-finals, which was a clear goal from the start of the season. So each and every child on the team should be very proud of that result. Through the year, we have to also acknowledge the parents and carers who dedicated so much of their time also to ensure the kids got to training and games on time, without that effort, it makes it difficult to field a full team each and every week.

A big thanks also to coach Andy, who week in week out, puts in an incredible amount of effort and passion to help train and develop the children into great team players. To each and every child on the U11 Whites team. I hope you all learnt some new skills during the year, but most importantly enjoyed the opportunity to have fun with your team mates both at training and on game days, because that's what it all really is about. To each child on the team:

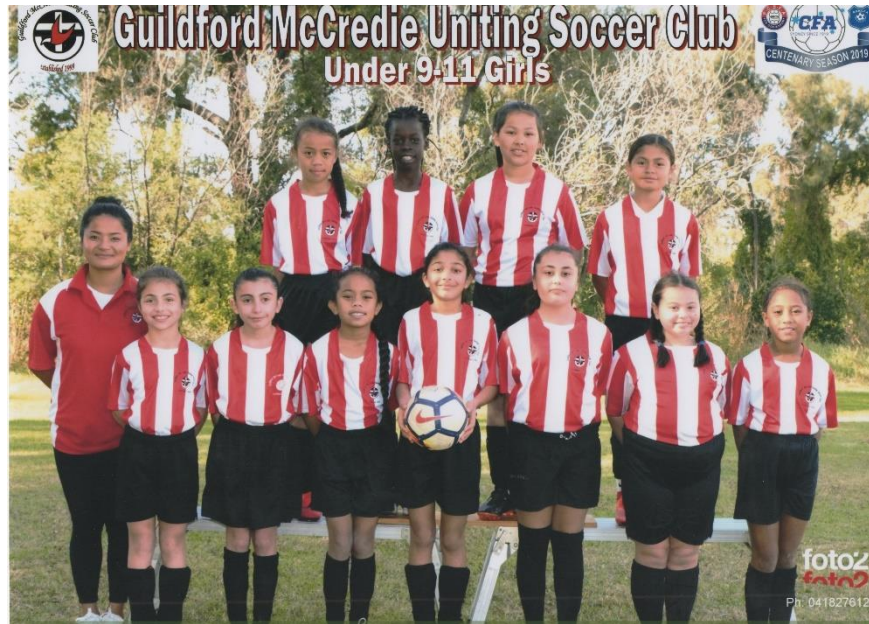

- Badih** - it was a pity you couldn't play through the whole season, but the team were very happy to see you back on semi-final day.
- Daniel** - always putting in a solid effort and doing it with a smile.
- Hussain** - wonderful supportive personality, always cheering for the team
- Jamil** - loved scoring goals and developed so well through the year
- Leon** - little pocket rocket of energy and passion
- Lochlan** - would put his hand up for any role on the field and is Mr no fuss
- Mark** - can't stop him from running all over the park to help his team mates in any position, excellent in any position you put him
- Matthew** - our lefty who has developed a lot of grit and tenacity making it difficult for the opposition
- Ryan** - always putting in his best efforts in any position asked of him
- Rylan** - Mr versatile, excellent in goals and on the park
- Siar** - stay in your position Siar!..... :-)
- Talitha** - would school the boys in how to defend and keep the opposition out
- Waleed** - first year in the team and looks like he's played for years
- Xavier** - our little dynamo, big boot for his size and would run rings around bigger players
- Yahya** - continued to improve with each and every game

I wish you all a safe and fun filled rest of 2019 and hope each and everyone of you return for another successful year in 2020.

Manager U11 Whites

## Under 9-11 Girls Team Report

In the CFA Sydney's 100<sup>th</sup> year the Association was able to field a junior girls competition for the first time. It was a thrill to be able to participate in this venture and it is hoped in the future that more age groups will be created, with an expansion already planned for 2020.

McCredie had 12 keen girls aged between 9 and 11 to participate in the 9 a side format although we did play many games short of a full side. Despite this we lost just 2 games (both to Wenty Saints Pink) during the competition, played in the grand final and were also runners up in the six a side comp.

Two of our players also played in the U12 Girls and Soman and Anika's efforts are to be commended. Alexandra, Faith, Georgia, Giselle, Kuae, Liyana, Lopasi, Mya, Olivia and Rita all had moments where they scored goals, saved goals and generally starred with great commitment to the regular training and loyal support at games, it was a great season.

See you all in 2020!

## Under 12 Division 4 Team Report

What an amazing season these boys have had! To finish the season being undefeated was an awesome achievement by the whole team. The boys worked hard all season and the team work just improved week after week.

The knockout tournament mid season proved to us we were probably in the wrong division. Although we did have the run of the draw with the first game being a forfeit by the opposition and our next game a bye. We still fought our way through division 3 and 2, playing the final against Division 1 Greystanes and only going down by 1 goal. These boys are an amazing group who all play an important role in the team:

Hassan M - Leading goal scorer for the season. An amazing team player and even helping other team member score goals. Always thinking of the team. We would not have been so successful without him  
Such a pleasure to coach.

Hussain M - 2nd leading goal scorer and also an amazing team player. Also helping others to score and a selfless player. Has been so wonderful to coach this season. This team would not have been so successful without him.

Alex R - Has a lot of skills. Awesome defensively and in attack. Big kicking game and has scored some amazing goals this season. Likes to give the coach a headache at times but has been such a pleasure to coach. An integral team player who stands up in the big games

Simon - Has improved out of sight this season. Helping out in goals and also scoring some on the field. Simon had his best game in the Grand Final scoring our last goal. He has been amazing to coach this season. We would not be the same team without him.

Thomas - Can be up and down depending on the week but when he is up he plays amazing. Needs to learn to stop talking so much and start listening. Has also scored a couple really nice goals this season. Likes to give the coach a headache a training but has still been wonderful to coach. An integral part of the team.

Muhammad - Has also improved out of sight this season. Being only in his 2nd year of playing he has played in numerous positions this season and has played them all very well. A great team player, setting up goals and also saving some in defence. Such a pleasure to coach. A solid team player and also an integral part of the team.

Lachlan - Usually our goal keeper but played mostly on the field this season. Also in his 2nd year of playing, has played a few positions scoring a couple of goals and also saving heaps. Played goalie in all our most important games of the season doing an amazing job and even helping to win a penalty shoot out in the knockouts. A pleasure to coach. Has really become a huge part of the team.

Joseph S - A totally unselfish player who played wherever he was needed this season. A huge team player who never complains. Has scored some big goals in some of our biggest games and the team would be at a loss without him. Such a pleasure to coach

Ali Sajad - His first year with us this season. Has some amazing talent and has scored some lovely goals also. A good team player who has become an integral part of the team. Has been a pleasure coaching him.

Ali E - Has some great soccer skills. Has really improved this season taking lot of our throw ins. Has become an important part of the team and we have really missed him this season at some games and training. Has so much potential and has been wonderful to coach.

Joseph B - His first year of playing soccer. Has been wonderful to watch him develop week after week. We are still trying to find his best position although he has played mostly in defence. He never gives up and always gives his best. We really love his energy and the way he listens and takes on advice. Such a pleasure to coach and I hope to see him back again next season.

AJ ( Aiden) - Also his first year playing. Has really developed well in defence learning how to get the ball out and not giving up when they get past him. He listens well and takes on advice. Has become a good team player, having his best game in the Grand Final. Great to coach and hope to see him back next season.

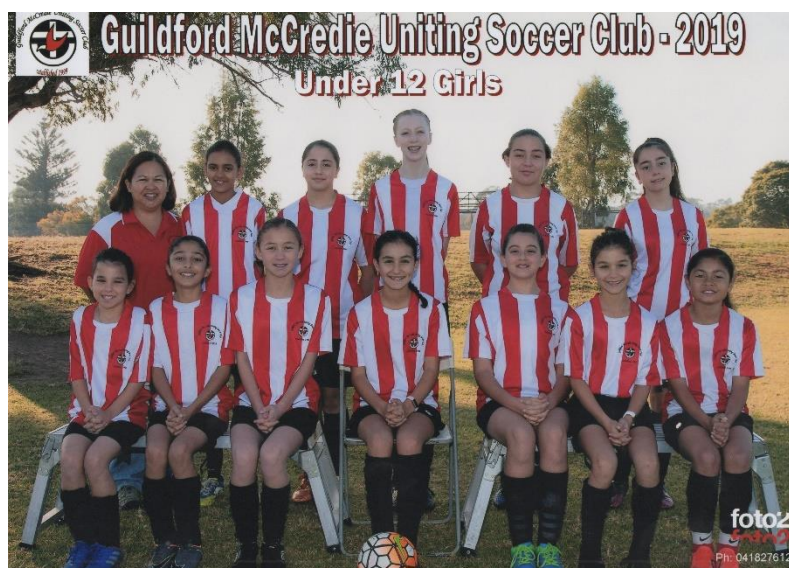

Jabra - This is 2nd season with us. Has so much potential and a lot of talent but can be lazy at times. He has become such an important part of the team, scoring some wonderful goals this season. Is a good team player and we would be at a loss without him. A pleasure to coach.

Dylan - He is our smallest player in the team. Has improved immensely this season, playing a number of positions and playing them well. Has scored a couple of goals as well this season. Has become a good team player and an integral part of the team. Such a pleasure to coach and we would be at a loss without him.

Tom - Has been our Captain Courageous this season. Amazing defender but also equally amazing in attack, scoring quite a few goals off his head. Has a lot of potential and easy to coach. A strong team player

## Under 12 Girls Division 1 Team Report

U12 girls had a very enjoyable and successful season. They won the 6-aside, the inaugural Lyn Nielsen cup, were runners up in division 1 and played in champion of champions. Even though the girls played short in many games, they still tried hard and won the majority of their games.

### The players –

Anika is a versatile and fit player. She excelled at the front with her speed and control. She was instrumental in her 3 teams getting into the grand finals.

Aroha is a strong and solid midfielder. She isn't afraid of anyone and her accuracy with the ball is phenomenal. She can kick the ball a looong way.

Huda as a goalie had quick reflexes and every flexible. She was fearless and could read the game well. When she did come out of goals, she boosted the team up with her energy.

Lucy is a little engine that is always trying and smiling. She loves to dribble up the left side and defend with heart

Marie-Jo as full back played her position well blocking and tackling.

Millen grew on confidence and skill this season. She shut down a lot of attacks and chased until she got the ball back.

Rianna was tireless in the midfield. She had the best throw ins and communicated on the field

Rhiannyn was fast on the left side. She just needs to attack the ball more and narrow down the angles.

Renee the 'bulldog' chased everything down and won the ball back. She rescued the team many times.

Soman's passion and enthusiasm for the game is always on display. Her speed and ball control allows her to dodge around the defenders and score frequently.

Stella loves playing soccer. She always tries her best and is a team player. She reads the game and is able to take advantage of opportunities.

Tamara would be a better goalie if she used her hands more. As a defender, she's a gutsy brawler and isn't afraid to shove back.

Thanks Peter for giving the girls opportunities to excel and participate. Your game insight and knowledge of the competition rules and procedures made sure the team were treated fairly (e.g. 6-aside blow-out). Your encouragement and belief in the team was invaluable. Thank you parents for continually supporting the team. The encouragement and friendship is greatly appreciated.

## Under 13 Red Division 2 Team Report

### Seena

A great start to the season from Seena continuing on where he picked up from last year. With brilliant reflexes, excellent hands and a high goalkeeping IQ, Seena put in plenty of top performances. Unfortunately, his season was interrupted with a broken arm midway through the year. But he came back in the semi final to show he also has the skills to play in midfield.

### Joshua

After losing our sweeper from last year, Josh took up the responsibility to take on the last line of defence role. Despite playing as a right-back for the last two seasons, he put in some man of the match performance in the sweeper role. With his speed and natural defensive skills, Josh was very difficult to beat one-on-one. After years at right-back and now a season under his belt as a sweeper, Josh showed his defensive versatility this year.

### Yousof

As a newcomer to the team, Yousof came into the team as an eager and solid player. After trying him out in different roles and building up his confidence in games, Yousof slotted into the right-back and stopper positions. No matter which position he was asked to play, he worked hard, consistently making intercepts and strong tackles.

### Anthony

After playing midfield most of last year, Anthony dropped back into the stopper role this year. Anthony did well in the role, cleaning up any loose balls in the middle of the park and getting in solid tackles. Anthony also provided an aerial threat in corners, almost scoring on a few occasions.

### Dylan

Another solid season from Dylan this year, further solidifying his role as the team first choice left back. Dylan consistently displayed a high work-rate and excellent speed this season. He was rarely beaten on his wing, even against the quickest players from the Division 1 teams.

### Mark

Due to injuries and other commitments, the team found themselves short on numbers on a few occasions. Mark stepped up from the U11s team to play for us, even though on several occasions he had just played a game. Despite being two years younger, Mark showed that he was more than capable of playing with the older players. Mark showed great determination, solid tackling and excellent positioning as a full back for us throughout the season.

#### Jean-Paul

Another great year for Jean Paul as the team's captain, who started the year in the centre midfield position. However, due to injuries or player being unavailable, JP showed his versatility as a footballer playing in multiple positions from centre mid, right wing, striker, stopper and sweeper. When our regular keeper got injured, JP took on the role without any fuss and put in some incredible performance. JP truly is a team player who puts the team's needs before his.

#### Sean

Sean stepped up this year to be one of the main players in the team. He continued to show a great work ethic and solid all round skills in both attack and defence. This year in particular, he showed that he could be a great ball runner on the wing, consistently getting past the left-back to cross or shoot on goal. Despite moving away from the area during the season, he still showed up to each game full of energy. Sean has been a major contributor to the team for the past few years and really stepped up this year to become a very vital player.

#### Ali Karimi

Despite being a newcomer to the team, Ali slotted in seamlessly and became a major contributor. A player who possessed excellent ball control, a big engine and plenty of pace, Ali dominated most games in midfield. Ali loved to be involved and made his presence felt in the game with his mazy runs in attack and his constant tracking back in defence.

#### Joey

After missing a couple of weeks at the start of the season due to a broken arm, Joey came into the team mid-way through the season. As his natural striking position was already occupied, I tried Joey out in the midfield with some positive results. His solid ball skills, natural instinct to share the ball with his teammates and his ability to regain possession made Joey an effective midfielder.

#### Daniel

Daniel started the season back in his natural left winger position. Despite playing striker most of last season, he picked up where he left off. A player who loves to play on his opposite wing, so that he can cut in to shoot or cross, Daniel was very involved in the team's attack. He also worked hard to drop back in defence, making him an all-round midfielder.

#### Ali Karaguly

Another newcomer to the team, Ali Karaguly took some time to find his position on the team. After trialling him out in defence, he settled in the midfield position either on the right or centre. After missing a few games during the season due to school. He came back against Greystanes and scored a curler from outside the box.

#### Sebastian

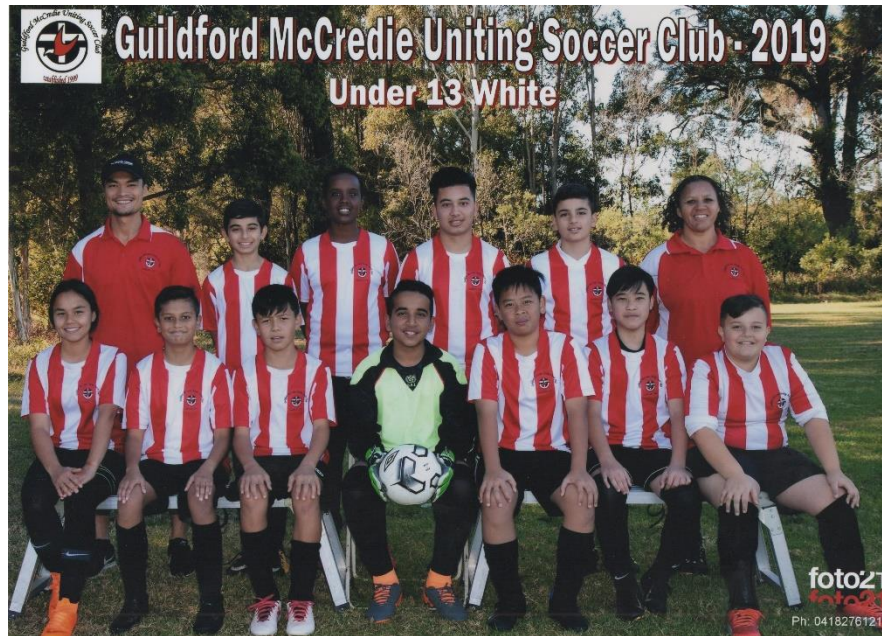

Seb took on the striker role this year, after proving himself to be a goal-scoring threat from midfield. A very confident and competitive player, Seb relished the striker role, using his ball striking and heading ability to put a few goals into the back of the net. His hunger to win games made him nuisance upfront and generated a friendly rivalry between his striker partner for the team top goalscorer.

#### Sajjad

Sajjad continued with his goal-scoring ways this season, consistently contributing to the team's goal-scoring tally. Sajjad has always been a player with great pace, composed finishing and constantly making attacking runs to create options for his team. However I noticed this year he added another level to his game, where there was improvement in his first touch on the run, which consistently put him into excellent starting positions.

## Under 13 White Division 3 Team Report

From the start I felt very lucky to have had the privilege of coaching this young and talented team. Made up of half U12's and half U13's and many having never played before we had a rough start to our season but soon we found our winning ways. Part of that was for me to find the right formation and with the team following instructions, we started looking like the team we had hoped for.

Though Hussain Naji was new in goals, he picked it up very quickly to excel in his job and had great saves. Our four backs from right to left, Shuaib, Ayub, Ibrahim and of course Zienat made sure we had a strong defense. Very mature and fierce when defending and moving forward. Midfield was dominated by again from right to left Sebastian, Ricky, Nek and Mohsin. Very skillful young lads. The amount of hard work they put in, I couldn't ask for more.

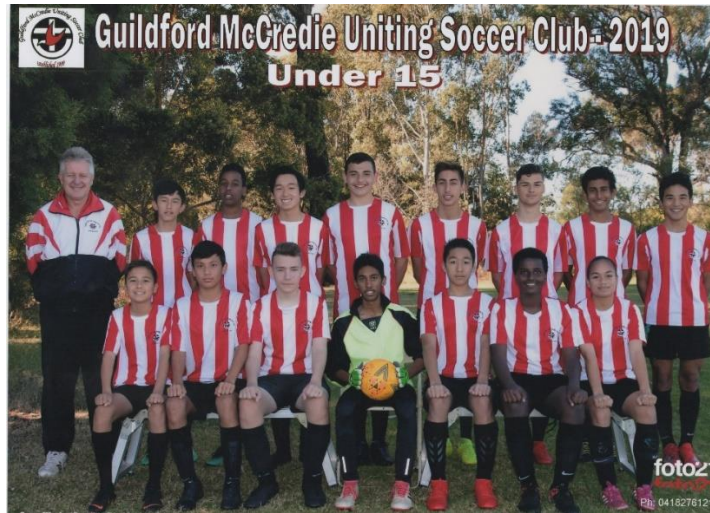

Our forwards, Jayson and Omar were always a threat and kept us in top 5 through the season.

Our new and upcoming soccer enthusiast Saul enjoyed playing in almost every position and was giving 100% every time the team needed him. Yusef was always reliable in the back but it wasn't till the very last game where he found his position up front. Let's not forget Ali who with his pace kept the opposition defense at his heels and confused as to how to defend against him.

I am so happy and proud of this team and their achievements through the season. I hope for them to work hard on their individual skills in the off season because any team is lucky to have them and they can play anywhere on the pitch. Now from our great and kind hearted manager who always had my back and was always there for the kids and their best interest. An inspiration to us all.

Regards,  
Wazza

## Under 15 Division 3 Team Report

The U15s in 2019 were a combination of last year's U13s, last year's U14s and new players in 3 equal parts. We had 16 players with exactly 8 turning 14 and 8 turning 15. Given the difficulties with numbers in 2018 we settled on a full squad of 16 rather than try to get both an U14 and an U15 that may well have struggled for numbers. Unfortunately this meant turning some late players (some who had played with the club previously) away.

At the first training we had 16 players there and together we made a pact to be reliable, to games, to training and to each other. One of the greatest joys of the year was that these players kept their pledge and were reliably at training and games, regardless of results. The competition was a challenging one as Divisions 2 and 3 were combined to have a competition of 10 teams. When we defeated Merrylands in round 1 we knew that we would qualify for the semi finals but we still had to endure many lopsided matches where the higher division teams outplayed us. That said, we twice drew with Div 2 sides and lost some games late after being the stronger side.

Generally Abolfazel Karimi, Katrina Tamano and Aaran Batth played up front. All had moments of brilliance, Karimi with his cracking shots, Katrina with her outstanding positional play & selflessness and Aaran with his superb skills and work ethic. In centre midfield Abolfazel Ahmadi was partnered with Alex Basha for the most part. A very reliable combination which meant the team were led by players anybody would be proud to coach – level headed, committed and team oriented. Rody Aboeid played defensive midfield really well. Out wide Edward Tu was a stand out, delivering some awesome crosses and a couple of super long range goals. Omid Bahadori also played out wide and developed throughout the season, as well as being our season's first goal scorer. In the back we had outstanding contributions from Christopher Germanos in the middle and Samuel Kidane (often best on ground), Mujtaba Ahmadi who would become our best tackler, Amin Dupovac our most determined and Mohamed Sangaaf who played an absolute blinder in our preliminary final. Ishan Shrestha played in multiple positions and always impressed with his speed and determination and Haris Ganibegovic who travelled overseas mid season meaning we lost our best header of the ball.

One of the season's highlights was watching our U15 team take the annual six a side trophy in a very tough final.

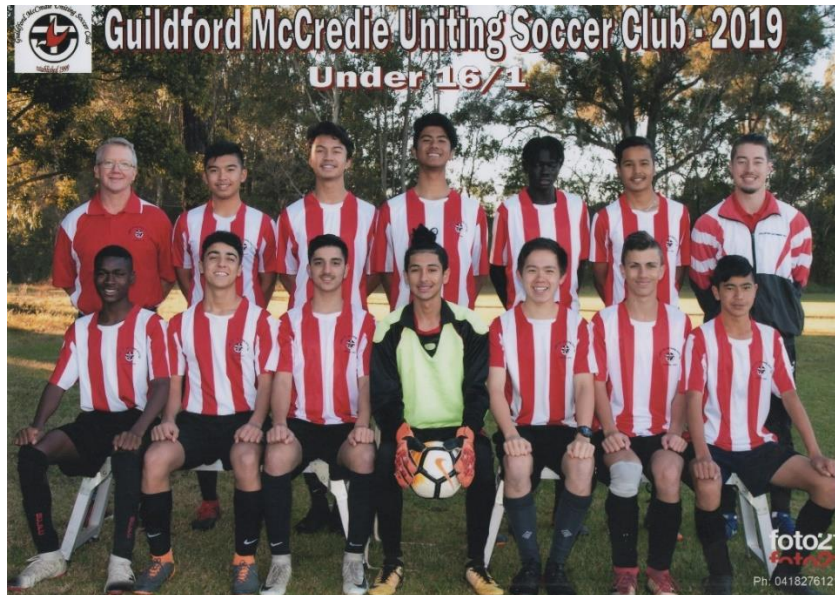

This team was a joy to coach. A terrific bunch of 14 year olds who were often "too nice". It was the final game where we brought our A game and the first time we tackled hard, rattled the opposition and actually gave a few free kicks away. This wasn't a bad thing, it demonstrated how much we wanted it and our opponents knew it. Unfortunately we had already given two goals away and whilst we dominated the remainder of the match, hitting the post and creating opportunities, didn't count.

I hope all the players return next year and bring their friends. It would be fantastic to be able to enter U15 and U16 teams again next year. Thank you to Anali for managing the team so well and our loyal parents for your support.

## Under 16 Division 1 Team Report

Last season's report was full of what if's and if only's but this year's report is the complete contrast. What an amazing year we had! Our team had all players who had played 2+ seasons with the club return as well as the return of previous players from when this team was U14s. Going undefeated through the entire 18 game season scoring 73 goals and conceding only 12 (including 9 goals for and 1 against in two finals rounds) portrays the quality that was displayed on the park each week.

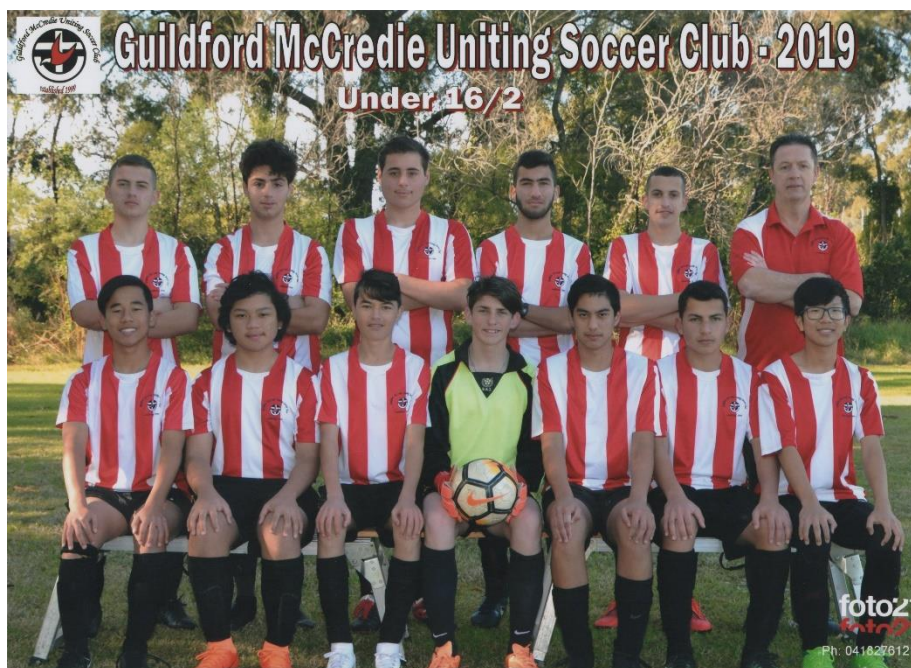

The reason we only conceded 12 goals was because of our solid, hardworking defence. **Aakrist** between the sticks didn't really have a busy season but when he was called upon, he made great saves and improved his footwork which allowed us to use him as our 11<sup>th</sup> player when in possession. **Ryan (c)** controlled the defence in sweeper position with the assistance of **Peter** and **Thyson**. These 4 were impenetrable and caused opposition strikers headaches each and every week. Through the centre midfield, we had new combinations involving **Abulfazl**, **Naseri**, **Deng** and **Jackson** and this is where we controlled entire games. These four players had the flare, the skill and read the game better than anyone else in the comp. Offensively and defensively we were unstoppable in the centre of the park scoring long range goals for fun and tirelessly dispossessing opponents in defence. Out wide we had **John-Luke** and **Jayden** who outran the opposition number on numerous occasions as well as providing those crosses for our strikers to tap in for certain goals. Our strikers consisted of **Koroma**, **Krish** and **Mounir**. Defenders in every team would have nightmares about these guys every Saturday night. Koroma and Krish battled it out this year for golden boot between them and it was excellent because it pushed them both to their best. One week Koroma was injured and Krish scored 4 in one game (which is a great achievement) but the very next week, Koroma came back and scored 4 against the next team. These guys were doing this to teams in division 1 at U16s which is almost unheard of!

This was my 4<sup>th</sup> year coaching these boys and I'm so proud of them. I am so happy that we started in division 2, fought our way into division 1 and then took out the minor premiership UNDEFEATED as well as win the grand final and become the first team in club's history to qualify for the champions of champions. I would like to thank Tim for managing the team and being at the games having to hear every one of my ideas and crazy plans before and during the games. I would also like to thank the parents for taking their kids (and other kids) to trainings and games and sacrificing your weekends to support the team, much appreciated! Awesome year boys, see you all next year where we take out the champions of champions trophy!

Wil, Coach

## Under 16 Division 2 Team Report

The 2019 has been a fun season for the U16/2's.

There was strong team camaraderie throughout the year and a few wins along the way, but not as many as we would of liked. We were competitive and at times pushing the teams higher than us on the ladder, and we had a lot of willing goal scorers.

Glenn, our coach, worked the boys hard at training trying to increase their fitness and stamina throughout the year. The boys did the best they could do, encouraging their team mates and enjoying the game in all its complexity.

Aurelly, Angelo, Utsav, Navid, Ruben, Liem & Omar – played mainly in midfield or up front as either wing or striker. They worked hard and created many chances.

Baris, Ibrahim, Victor, William, Sajed and Helal – played mainly in backline or midfield. They worked well together, supporting our goalie and feeding the ball up field to our attacking players.

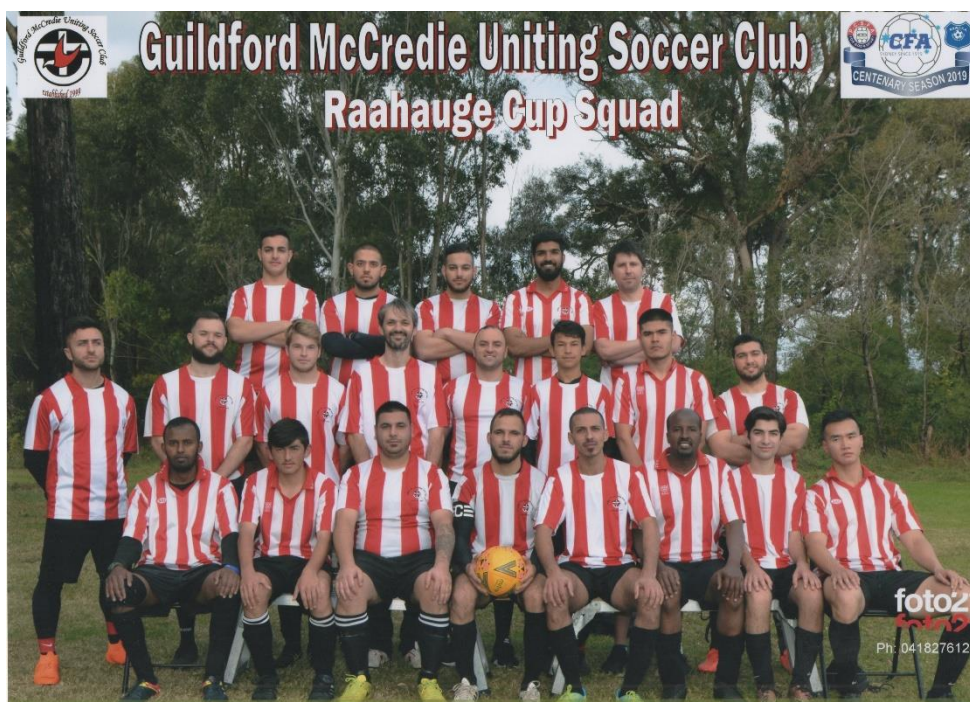

Joel – was our main Goalie and played occasional in midfield. His goal keeping and stunning saves were a factor in keeping us competitive throughout the season. He was the leader of our defence, skilfully guiding the backs with his directions. On the field, he was a tenuous player in attack or defence.

All the boys, Angelo, Baris, Victor, Joel, Baseel, Utsav, William, Omar, Liem, Sajed, Ruben, Helal, Navid, Aurelly and Ibrahim should be pleased of their efforts.

## Raahauge Cup Squad Report

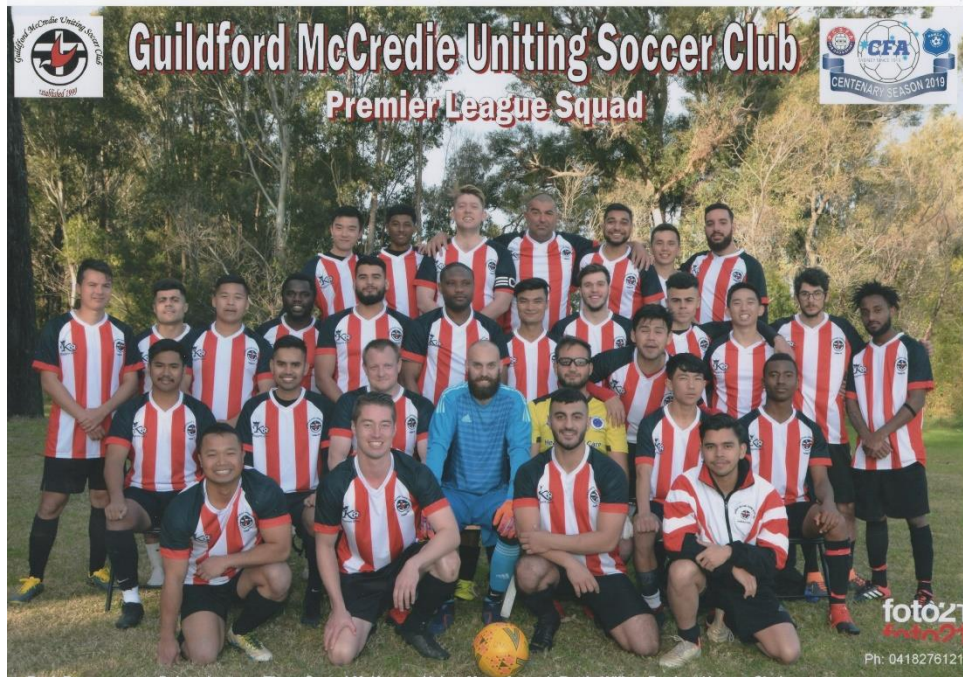

The Raahauge Cup squad sought to enter the Sydney Cup for 2019 but with the decision to reduce the Sydney Cup to a single team All Age competition we took the decision to step the squad up to Raahauge Cup rather than split them into two All Age teams.

The Reserve Grade side struggled to win games but did manage a victory over Kings Old Boys mid round 1.

The first grade side had mixed results, losing to some lower ranked sides and defeating some more favoured teams. The highlight was possibly the 2-2 draw with the strong St Matthews Baulkham Hills, who would go on to win the grand final. This result alone serves to show what abilities this side had, but lack of commitment and some ill discipline saw the team struggle to maintain any consistency. By the end of the season the side was unable to even fill a full 11 which was disappointing.

Significant changes will occur in 2020 as unreliable players will not be welcome to return. It may be that a single team is entered into Sydney Cup and if so, it is very much hoped that the reliable and committed team members will return and assist us to repair the culture that will provide an opportunity for this team's success.

## Premier League Report

### Reserves

We went back to back but added a Minor Premiership. The only thing to do now is rinse and repeat! Before I get stuck on the positive signs for next year, this report provides me a great opportunity to reflect on the trials and tribulations we went through as a team and a full 32~ man squad.

The leadership team here when goal setting at the start of the year try to look at the areas for improvement within our previous year/s to understand what's the lowest hanging fruit to have a 'better' year than last – which is sometimes difficult given we took out the championship last year. But some key wins in total this year, and some standout facts were firstly, the amount of goals conceded, secondly, amount of goals scored by dedicated reserve graders & those pushing for first grade and lastly, attendance & team culture. To us, football is simple so being able to score less and distribute the goals was enough for us to walk away happy. Not to toot our own horns, but I believe this year we nailed all 3 of these areas and then some which capped off a successful year for Reserve Grade.

With a lot of returning players, referrals from internally at the club (e.g. Champions Cup fellas making the step up) & some new quality recruits I'm sure Greg found wandering Granville Park – where he's unearthed some of McCredie's best talents – we had the make up for a quality squad with the push in the right direction. Notably was great to see Daniel Richardson, Peter Hourani, Youseff Almaroof & Daison Le return/be added. In addition, the notable re-signing of Hakan Mete who deserves a mention as at 60 odd has come out of retirement to add a lot of experience & banter to the club and a key member in driving team culture. Add this to Reinaldo Capizzi, Gerard McKeown, Kojo Owusu & our variety of wingers in Frances (Bao) Hoang, Mirwais Waseeq, Will Booker, Mamoud Jalloh, Freedom, we had a strong squad with depth that was unmatched across the league in my opinion.

The season that followed was one of pure consistency throughout the first half of the year with us only conceding 4 goals in the first 9 matches. A solid statement of intent from Joseph Banas who cemented his spot in the starting XI being one of our most improved players. It was a joy to also see Joey step up as a growing leader within the team. With Banas and Daison add in Hakan, G, Theo and James we had a great backline that was giving our team a real platform to win games. We later added Darren to the mix which gave us a safe set of hands and an experienced Goalie to help lead the team. Goals win games, clean sheets win titles as someone great somewhere must've said. Now our midfield, for the majority of the season made it both a headache and a delight in early weeks with choosing who started and dominated the midfield. With Richo being a massive standout alongside Eli initially with a sprinkle of razzle from Kojo in front of them found us in a healthy place. With Reinaldo and Felipe adding in some more quality, we knew we had a big ask in time managing the lads to 1) keep everyone motivated 2) on their toes 3) and offering game time to ensure we're all ready to make an impact. On the wings, we had such a regimented rotation that the boys knew they would be the burst of energy off the bench with people like Dbouk & Booker offering a constant goal threat and added to their

tallies for another year. When talking about output, specifically goals, Frances deserves a special mention chipping in with 9 goals and 2 assists. Outstanding. Working our way up top, I said somewhere earlier that clean sheets are vital, but goals do win games and 2 lads that we found offering constant game winning moments, and we all know that strikers get the glory. Peter Hourani & Nicholas (Dicky) Massih had a fantastic time leading the reserve grade line. Dicky's first season showed a healthy 9 goals and 8 assists showing us that football comes naturally to the Massih family. With Petey being the only player in both squads to reach double digits (11). Petey, your determination, your drive & growing leadership were on display all season. I was impressed by how much you improved this year and can't wait to see what you have in store next year.

Although we had a patchy few games where we conceded 90% of our goals in 4 games we regroup right before finals in what ended up being a series with Barnies. Finding our consistency at the perfect time we knew we needed a strong spine, to follow the process and do the simple things correctly. This took us to the finals where there isn't much more for me to say. I won't spend too much time on the game that defined our season apart from stating... The final was a manifestation of all the hours we spent having fun, training & sweating together and sharing in the brotherhood of McCredie this season. The final where Barnies and us were 50/50 nearly all season required that 1% to flick over to us. We showed up. We walked onto the pitch like lions and we walked away deserved champions. I know that all of us had a season to remember both on and off the field and can't wait for next year.

A massive thank you to the lads, I personally can't wait til next year. A thank you to all the WAGs that came and supported. A massive thank you to the club for supporting us.

### First Grade

I contemplated copy & pasting snippets of the last few years with this end of year report. On paper, I know my lads are pound of pound of the quality that is necessary to take this league out. We have quality across the park but a lot of ups and downs, mixed in with injuries & travel plans, didn't leave us with the right mix of commitment and talent that our resses may have done better than us.

Where to start but the beginning. With resses hold up on their own, firsts having a great core of returning lads + injection of fresh talent this was a squad consisting of Darren Warren, Louie Delores, Tim Rosandi, Hassan Shukur, Amarvir Baath, Will Wark, Mick Massih, Matthew Hunter, Mo (Animal) Al Delami, Jono Manibog and Adem Stevens (myself), we had a good quality skeleton that played a great style of football the competition knows us for. With Femi Ogunsiji, and Mo Alizada I was confident the additions were strong this year to have a great start and a great run-in, which in previous years was the other way around.

Starting the season off with a bang at home against Lidcome (4-0) we started to fight an uphill battle in niggle injuries, questionable disallowed goals and a bad dose of bad luck. 6 games in we were still without more than a single W with

injuries to Amarvir, Will, Myself, Femi and Jono to name a few. Add this to a red card for Sima & Femi and we were strapped bare and looking like a disastrous season was upon us. Even worse than last year as we couldn't hide behind the fact that we had no team at all. It's moments like these where your mettle is truly tested, the team morale lays a foundation of support and the quality of your footballing talent comes through. It's moments like these that define seasons and trust me when I say it wasn't fun lingering out of the top 4 when we knew our quality was at the other end of the top 4. It was the goals from midfield, the addition of performing reserve graders turn first graders (notable shout out to Hakan, Eli & Youseff who all made the jump up with the latter two remaining), and sheer will power to take us from the bottom of the latter to 3<sup>rd</sup> for a fantastic run-in that saw us beat off every team but 1<sup>st</sup> placed Barnies – who are yet to beat us. Goals from all across the park with Hunter, Alizada, Adem & Mick all contributing 5+ goals this season in first grade it was truly a team effort. A special mention to Will Wark who is probably sick of hearing it from me, but I was extremely impressed with how he showed real sacrifice and selflessness filling in gaps in our squad immensely, playing in the back and owning a holding midfield position that still yielded 4 goals and 11 assists. With Amarvir injecting some much needed quality in the backline alongside Azad we now had a line up that could take us straight to the final. However, the final against Wenty wasn't meant to be. If you were there, you never would've seen such a one-sided game turnout the way that it did. **Another** wrongly disallowed goal and a clean sheet for the home side. We did ourselves no justice with opportunity after opportunity not finished in the final third. Ultimately this meant our end to an overall interesting yet disappointing season given the quality of our team.

I'll end by saying I hold each and every person that played, filled in and supported this team in the highest regard. The reason why I believe this season was disappointing was I know if we were kicking tires blaming things we couldn't influence, but at the end of the day that the quality to do our talking with the ball. We came up short with goals and it bit us in the end. Bearing that in mind, there was so many positives, we learnt, grew and fought through some of the toughest results. We started talking with our feet. I know that when we are having fun we are the best in the league. Onwards to next season and let's win this Prem firsts title lads!!

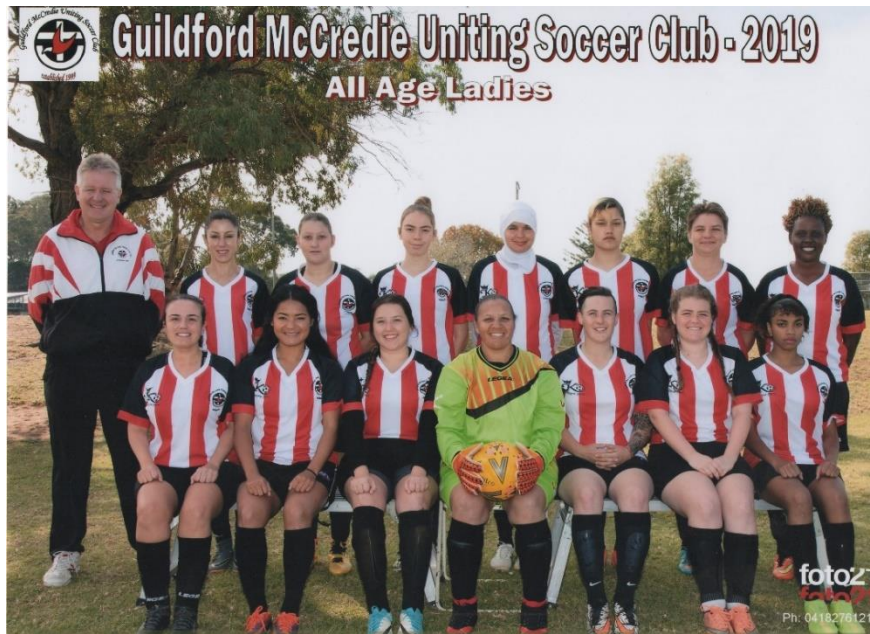

Regaining the State Cup – 3 times in 4 years!

## All Age Ladies Division 4 Team Report

We lost one game all year. We won the annual six a side for a third straight time, we completed the season undefeated, we won the major semi and in so doing defeated the second best side three times during the year and we played the grand final. Unfortunately it was the grand final that we lost. We didn't play well on that day, but we weren't outplayed. What is unfortunately true is that they scored one, and we didn't.

At the start of the year we found ourselves missing a number of regulars from previous years unexpectedly. We had some new ladies come to training but week by week they dropped out and we were promoted a grade. Our situation was outlined to the Association and they regraded us down a grade. At the time this was very helpful. In round 1 we drew with a team that would eventually finish 7<sup>th</sup>, so the regrading was appropriate. But in subsequent weeks we registered a couple more players who would be key components we were missing and we started to dominate.

We still have 5 girls from our original AAL in 2012 playing so our core strength is this consistency. The quick development of our only new player and the addition of Shaka from the junior ranks and we were buzzing. Our strength comes from the back – evidenced by the fact that we conceded just 13 goals all year and only once conceded more than 1 goal in a game. Hendrika is the competition's best keeper and she has been ours for 8 years. We are blessed. Our back line is the Great Wall of McCredie. It is impenetrable. Sarah Irving sits behind them all cleaning up what might get through, but with Jenna in front of her, not much does. On the right Keely was amazing this year, fully realising her potential (very pleasing given that I have been coaching her since she was 6!). On the left Elise will mark you until you give up or die. She will not leave you be and kept some of the best strikers quiet. Completing the wall was Kiwi who brings the experience we need at just the right times. We are fortunate to have 4 ladies who are capable of filling the centre midfield and we utilised them by rotating them between formations of 2 or 3 CMs at a time. Nyanut never stops and added energy when required, Sue has one of the best passing games in the team and has worked hard on her defence, Tahlia is the team's heart and soul and plays box to box, never giving up and Shaka was simply the best player in the comp this season. Shaka scored goals, built attacks, dribbled defenders and defended – the full package and up there with Taufu as one of the best players we have ever had. Out wide Alicia had her first year of soccer and earned the nickname "Twinkle Toes" very early, she's a great dribbler; Nancy was restricted by injury but had great games in the semi and final to remind us that she wasn't finished and what we'd been missing; Sarah Dubois also makes her best contributions in the midfield and was our captain this year and Destiny Hutchin-Connor scored three goals this year, showing what a great game awareness she has. Up front it was the Destiny Joseph and Mika Oo show. They both scored plenty of goals this season in what was one of the notable changes from our past seasons' performances where we have struggled to score. Mika was particularly outstanding this year and was the player our opponents feared the most.

We didn't win the comp, but we should have. We did have a great time though and I reckon that the players are going to be burning with determination next season to set things right. Thanks all and especially our loyal supporters, our amazing grand final crowd and Hendrika for managing.
