President's Report

Well, our 2021 started with a bang with the registration of a record number of teams at Guildford McCredie and a weekend of successful and well attended trial matches, unfortunately the season was to finish with a whimper as a result of the Covid lockdown restrictions. Ironically the 2021 season ceased at the end of June which was about the same time that the previous season was just getting started. Despite numerous attempts by the various associations, it was not possible to re-start the season and when it was suspended just after the half way point in late June most of our teams were well placed in their respective competitions and looking forward to participating in the finals, however there would be no finals or champion teams for the 2021 season.

On a more positive note, the Churches Association did manage to hold an extremely successful six-a-side competition in early June with a number of Guildford McCredie teams winning their various age competitions and our club again taking out the Club Championship. This is always a very big day and it takes a lot of organising. Thank you to Greg and Carlyne for the mountain of work you did to organise this event, to Ian Warwick for setting out and marking the fields, to Dorothy Warwick, Jennifer Griffiths and Brenda Tangi for manning the canteen and to Henry Tangi, Alun Griffiths and Frank Skiller for running the BBQ.

Despite the season's untimely end, I want to thank everybody associated with our club for their continued loyalty and support during the season and to Greg and Carlyne for the work and organising you continue to do for our club and the Churches Association each and every season.

At the time of writing this report it is uncertain whether we will be able to hold our annual presentation night in November or how things will be by the beginning of next season but hopefully things are on the improve.

To the members of our Club Committee, thank you for all your efforts this year and to all the parents, relatives and friends thank you for your support and co-operation during the season.

I hope you have an enjoyable and safe summer holiday season and I expect to see you all again in 2022.

Peter Warwick
Club President

Secretary's Report

In Guildford McCredie Uniting Soccer Club's twenty-third season we were able to field twelve junior teams: three Under 11s; two each in the Under 12 and 18 age groups and one each in Under 13, 14, 14 Girls, 16 and 17 age groups; ten small sided teams: two under 8s, 9s, 10s and 12 Girls and an U8-10 Girls and an AAL on Wednesday nights; six mini teams, two under 6s and four under 7s; two senior men's teams in the Premier League and Premier Reserve competitions and an All Age Ladies on Sunday – a total of 31 teams. This does include one U12s team being a combination of players from all our U11 teams, playing an additional game each weekend and most of the Ladies (but not all) being the same across our Wednesday and Sunday competition teams. Regardless the growth of 9 teams for 2021 is outstanding and a testament to the hard work the coaches and managers put in for 2020. Congratulations all.

CFA Sydney worked hard to expand their Saturday girl's competitions again this season. There were more teams and clubs entered and the return of Ladies football to CFA after a break of 37 years was exciting. Unfortunately, most teams struggled for numbers early on forcing the return of 5 a side football to ensure that there were enough teams. This isn't a disaster, but it also isn't our preference.

With all that hard work it was very disappointing to have our season cut short by the Covid pandemic. Last year we started late but this year we finished early with just 10 of the 18 rounds played and no finals series. We were fortunate to have got our photos, six a side and lapathon in, but with all the work done and just the fun of the

downhill run into the semis left, it was very disappointing to finish so early. We do thank CFA Sydney and GDSFA for their preparedness to get things ready to play again but public health orders and lockdown extensions denied us the opportunity.

McCredie managed plenty of on field success before the cessation. With the return of six a side a number of teams had the opportunity to get mid season rewards. Our U6 Reds, U8 Reds, U8-10 Girls, U12 Girls, U14 Girls, U18 Black and AAL Red teams were all crowned Champions, leading to McCredie taking the Bill and Meryn Palmer Shield (Champion club) for the 4th straight event. In addition, our U6 Black, U7 Onyx, U11 Onyx, U12 Red, PR and PL were all runners up. At the time of the last game being played Premier League, All Age Ladies (Wednesday night), U11 Onyx and U8 White were all on top of the table and crowned minor premiers when play was unable to be resumed. Our Premier Reserves, U18 Black, U10 White, U9 White and U8 Red were all runners up. But despite looking odds on favourites to take the premier league crown for the first time in our history, we have been denied the opportunity by a pandemic. Such a shame for a bunch of guys who trialled in February and trained hard all season defeating last year's premiers and runners up convincingly.

The club's executive was elected in November, and I would like to thank all the committee, Peter W, Tahlia, Carolynne, Ian, Hendrika, Sarah, Elise, Mabel, Alex and Wil for the support and work they did during the year. Remember – no one is paid for their service to your club. I would like to make special mention and give thanks again to Peter and Dorothy Warwick who work tirelessly in the canteen and Ian who ensures all 6 fields at Everley are always well marked. It was fantastic to see so many regularly helping Peter and Dorothy in the canteen too, people like Sue, Salma, Alun, Henry, Ola and Jen. Thank you all.

It is unclear at the time of writing whether we will be able to hold our Annual Presentation and it appears unlikely. We also now have the challenge to collect all the gear in including jerseys despite not being able to gather. If this equipment isn't returned, the financial damage to the club may be terminal. Please cooperate when you are contacted to return your jersey. The lockdown also occurred at a time when our canteen was fully stocked. Stock that would expire before our resumption in March was donated to a local food distribution service. I imagine that the recipients used to receiving bananas, bread and carrots would have been excited to also get some potato chips, Mars Bars and Powerade!

Following the incomplete 2021 season we will be offering a \$30 rebate to all returning senior players and a \$10 rebate for all returning junior players in 2022. Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. All registrations must be accompanied by full fees. If everybody brings a friend, we will double our team numbers!

See you all in 2022.

Under 6 Red Team Report

For most of the players in our team, the start to the 2021 season was their first introduction to the game of soccer. Standing on the sideline, one would never have guessed that this team of 10 were beginners. The level of ball skill, point scoring and the ability to work together as a team improved every week as the season progressed. It would have been an absolute joy to have continued to watch them grow further into the season.

Christopher was undeniably the highest goal scorer for the season, with a tally of 23 goals scored for the season. His skills with the soccer ball are beyond his years.

John assumed the role of fullback and played that role very well, knowing how to read the play. He scored 1 goal for the team.

Jessica stunned everyone with her phenomenal ball skill and playing ability. Jessica landed 8 goals for the team this season.

Salim stepped up every game and showed dominance on the field as well as adding 12 goals to our goal tally.

Wasim was a fantastic all-rounder in defence and attack who was always enthusiastic to get on the field and do his best. He landed 2 goals for the team this season.

Jared was shy and timid at the beginning of the season but started to grow in confidence as the season progressed and really began to enjoy playing with his teammates.

Arshan's obvious enjoyment of the game saw him playing well with his teammates and getting better each week with him scoring 1 goal for the team.

Zoe was never afraid to get into the mix and win the ball or defend the goal line whilst playing goalie. When her boot connected with the ball, you knew it would land at the other end of the field.

Charbel also played the role of goalie and did his absolute best to stop the ball whilst also keeping the mood light with his witty humour.

William's ability to win the ball with fast sprints across the field allowed the team to keep the play in the opposition's half. He scored 5 goals for the team over the season.

Our first 6 a Side competition as a team was a winning success for the 5 players who were able to compete that day. Our energetic pocket rockets Zoe, Jessica, Christopher, William and Arshan scored a combined total of 21 points across 3 games, cementing themselves as a force to be reckoned with. Christopher scored a phenomenal 11 goals, William scored 5 goals, Jess netted 4 goals and Zoe scored 1 goal. Arshan came so close to scoring his first goal that day but his attempt was stopped by the opposition, however Arshan was able to score his first goal the following week which he was very excited about.

By the time lockdown hit, the U6 Red team boasted an undefeated scorecard, winning every game they played, some by as much as 10 points. It was a bitter disappointment to have our season and winning streak cut short, it would have been amazing to have watched our team defend their undefeated title and grow in skill and ability together.

Total Goals for 2021: 52 goals! - An outstanding effort!!

From Coach and Team Manager, a big THANK YOU to the parents and caregivers who supported the team each week by cheering them on from the sidelines. To the players, looking forward to seeing you again in 2022!

Under 6 Black Team Report

Two first time coaches, a first time manager and 10 first time kids made up the fun community of our U6 Blacks. Everyone took a while to get the hang of things but the kids did amazingly well every game, scoring goals, stopping goals and enjoying each other's company. Huge thanks to Zohal who stepped in at short notice and did a fabulous job of organizing the team and helping everyone feel like they were an important part of the group – which they were.

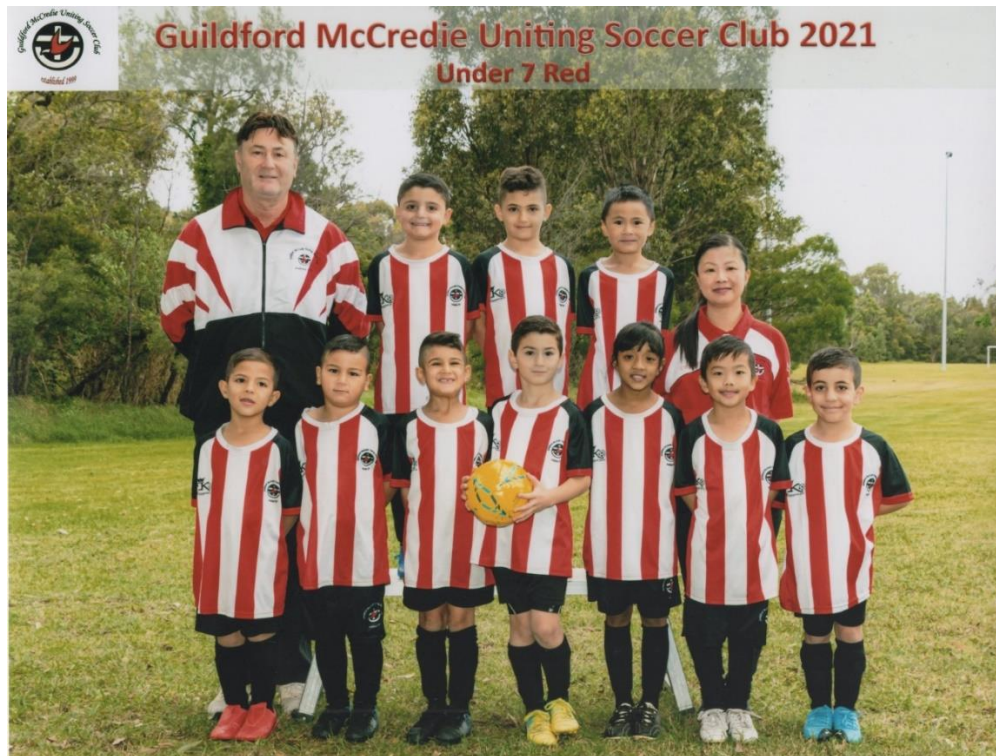

The effort was all worth it when we received our runners up medals at the six a side tournament. A great day and a great result to us, losing only to the very strong McCredie Red team.

Looking forward to seeing everyone back for 2022 where we will hopefully get a full season in. Go The Blacks!

Under 7 Red Team Report

What a great time we had this year!

A few of the prior year Under 6 team players Abdul, Aidan, Ibby and Josh returned this year joined by our new players Aaron, Azalea, Eden, Hussain, Jabril and Romeo.

The kids and parents formed great relationships enjoying each other's company so quickly and were great supporters at each game.

Below are a few words to describe each of the players and how they have contributed to the team.

- Aaron** - grand goalie who is never afraid of stopping the ball from all angles
- Abdul** - fluid and flexible player moving between solid keeper to attacker on the field
- Aidan** - super energised bunny who can run the whole game taking on all positions
- Azalea** - fearless attacker who gets into the thick of all tackles
- Eden** - sunshine always cheering on his team mates, celebrating loud and clear when they score a goal
- Hussain** - strong defender protecting the back ensuring no one breaks down the wall
- Ibrahim (Ibby)** - little pocket rocket always ready to dribble and take a shot
- Jabril** - tough tackler and super sweeper who would do anything to get a hold of the ball
- Josh** - unstoppable road runner always able to chase down our opponent
- Romeo** - killer booter known for scoring goals by lopping the ball over everyone's head

A big **THANK YOU** to each of the kids for their determination and joyful nature, to our wonderful parents for bringing their kids and supporting the team, to our coach Francois for his commitment to making the team as best as it can be, and to the Club for making it happen this year.

It is unfortunate the season has come to an end early, but I look forward to seeing everyone again next season to continue on with the fun.

See you all next year!
Nancy (Team Manager)

Under 7 White Team Report

This year was a great season and all the kids played well however unfortunate it was that it got cut short. We continued to play as a team and all players were ready to put effort in and try their best on field and at training. Arman was our leading goal scorer this season. Arman played with determination and passion every game.

Charbel Geagea played well in goals and on the field this season and has shown a lot of enthusiasm and dedication both at training and on match days.

Samipya was a strong player as always. Making some great runs and scoring some great goals this season. Samipya has shown great improvement in skill level.

George Moussa has had a great season this year. George scored his first goal this year and it was a great one. George has really grown this year as a soccer player and believe there's more to come.

Roshav has also had a very good season. He has been great in the midfield and has also had some great goals.

George Eskaff has shown so much improvement and dedication this year. George has run and defended all season and has been a great team member.

Charbel Nassim played his first season with the under 7 whites. Charbel blossomed into a great soccer player this season and has shown great skill and determination.

Thomas Tannous has been consistently improving all season and encouraging his team mates to improve as well. He has shown that through hard work you can achieve results and has had some great goals as well.

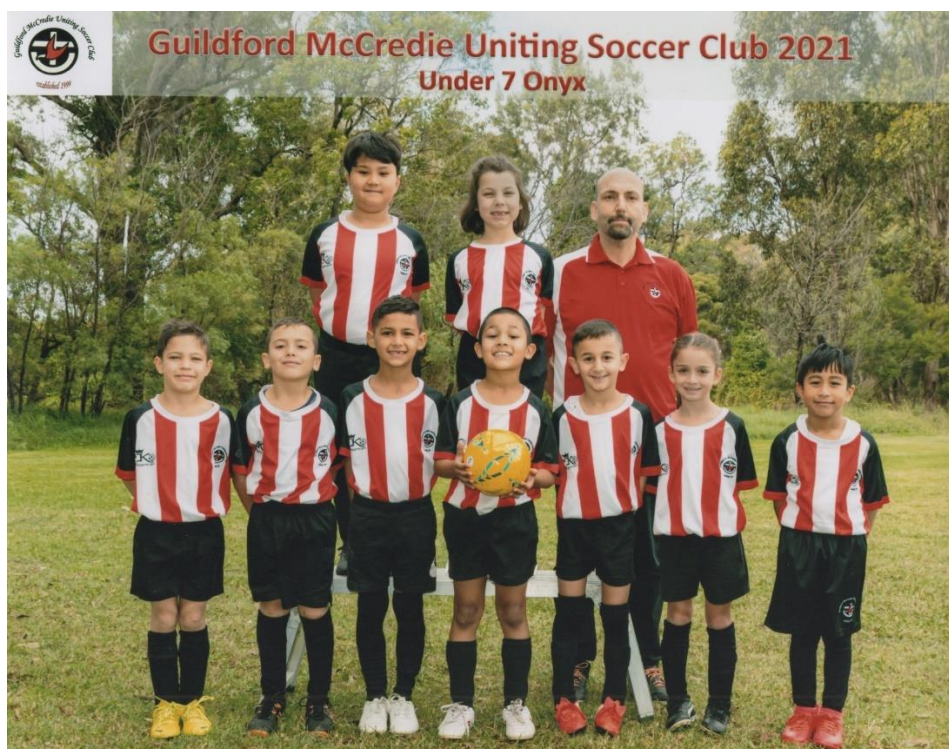

Shane is our little pocket rocket. Small in stature but Shane has proven that he is fast and skilled. Shane has improved this year in all aspects of soccer.

Samuel Livingstone has played in all positions this year and has had great development in all areas. Samuel has been a great team player and played in goals during some tough matches.

Every player has grown and improved significantly this year with children and parents alike having some fun moments. Thank you to Joel our amazing coach and Lorenz our assistant coach for all their hard work and commitment this year. The kids really enjoyed your coaching and fun attitude. Lastly, the support of the parents was exceptional this year and they were as always, all happy to lend a hand during training and the games to ensure the kids trained and played to the best of their ability. I would like to thank the kids for their commitment to the team and hope they return for another season in under 8s.

Under 7 Onyx Team Report

This year there were so many players wanting to join up that we had enough players to create an Under 7 Onyx. Some of the team had played for GMU before but most of the team was new, to both the club and to soccer. Luckily the team bonded instantly, and we had a great start to this short season. From the first game it was clear that players brought great natural ability and spirit, supporting and encouraging each other. Even during the cold and rain of April the team still came to training and tried their hardest to develop their skills.

I'm sure we'll hear about it elsewhere, but I am really saddened that we couldn't play to the end of the season, it would have been a great one. Over the nine games we lost only twice and won runner up in the six aside under sevens for 2021. All of this was even more amazing considering this was the first time some of our place had ever played club soccer. Of course, we were helped by a loud and proud group of supporters, and I want to personally thank the parents and guardians that helped throughout this very short season. Thank you all for a fun and rewarding is short season.

Animesh Maharjan – He simply has the best kicking foot of the team and maybe the best of all GMUSC U7s. A powerful and accurate skill. More than that he played with heart and was one of our most committed players. Our excellent goalie was never afraid to chase the ball and I can't believe he hadn't played soccer before.

Batoul Issa – Small but with a big heart Batoul always tried her best, even when the big boys were bearing down on her. She never gave up but always tried her best, whether it was midfield or goalie. Thank you also for supporting or her Six-a-Side team.

Ella Sabbouh – One of the fastest, most skilled best players on the team, I am sure she will make a huge impact next season. One of the first to training and last to leave Ella always gave 100%. When not scoring goals Ella always remembered to defend and worked hard at both ends of the field. Chasing goals and supporting the team, I would have to take her off the field or she would run till she passed out.

Laith El-cheikh – Laith showed amazing growth through the short season. His skills just kept improving with each game. Whether tackling or attacking goal Laith is a versatile player and one of the backbones of the team. And so very fast too.

Maroun Dib – In defence or attack Maroun was another strong support for the team. Either in mid-field or attack Maroun has the ability to change switch the game and was excellent at taking the ball off opponents and back to their own goal.

Muhammed Kassem – Our quiet achiever, an unassuming but excellent striker. A goal scorer himself Muhammed never complained and always supported others to attack goal. A very versatile player, once he got the ball he was hard to stop and was one of our best.

Olivia Kurdi – No player had more heart or gave more to the team. Olivia was committed to every role and her skills grew quickly with each game. Rock solid in defence she would often surprise the other team and change the direction of play.

Zayd Kassem – A little powerhouse. Zayd wears his heart on his sleeve and is hardest on himself. Zayd could be playing in much older teams and is almost unstoppable on the field. Our highest goal scorer runs so hard and fast that I don't know how he is still standing at the end of the game.

Samuel Nassour – It is hard to believe Sam came to the team from Rugby and had never played soccer before. He was a natural and an excellent goalie. Then, swapping to goal attack he was again a natural and showed that he has huge reserves of natural talent. Sam was always ready to do whatever was needed whether for our team or his Six-a-Side team.

Shiven Rijal – Fast and nimble Shiven was impossible to stop. Always ready to train and to push himself, rain or sun it was hard for anyone to get him away from the ball. Shiven played with heart and growing skill. When he channels that passion is an excellent player.

Under 7 Black Team Report

It was a tough year with most of the team not played the game before. it was back to basics and spent the better half of the first 3 training sessions learning each others names, how to pass the ball, how to stop the ball, how to dribble the ball, and how to perform a throw in.

The team grew more and more confident each week, and by the middle of the season (before lockdown) we even looked like winning our first game. we were up by 1 goal until our goal keeper kicked the ball into the trainer and it bounced back into our goal to give the other team a 1 all game. Regardless it was a welcomed change and put a big smile on the teams face as they finally started to compete and enjoy the weekends.

One thing i can say, the team was never short of who wanted to be goal keeper. after everyone having a go, it was clear that the teams goal keeper was Elijah Boutros.

It was a shame to have the season cut short, but a lot of fun for the kids. We are all looking forward to next year.

Under 8 White Team Report

What another year 2021 has been!! The season started on time compared to last year and we all hoped the pandemic was a forgotten past, however, the future had a big surprise for all. The season started very well for the team having played 9 matches we only lost one match and had a draw in one and the season was looking to end up being a successful one.

Azlaan Haider: Azlaan has had a quiet start of the season, new to the team, but as the season went by he assimilated with the team and produced a match-winning display. Azlaan also put on the keepers' jersey for a couple of games at the, and kept a clean sheet against especially during the six aside competition.

De-Alize Wira-Jones: De has been joining forces with Jabari in defence. Dez's calm manner on the ball and steady passing out of defence was a joy to watch. Being his first season with the team De was a welcome addition and has settled into the team perfectly.

Isaac Ibrahim: A quiet start, but Isaac has grown into an awesome striker with his no-nonsense performances, scoring most goals for the team and always being the gentle one in the field but the most powerful one, he can hit the ball harder and further than any player.

Jabari Uno: What can you say about the rock at the back? Jabari has been calm, cool and damn right brilliant in defence. Last line of cover for the keeper and thrives on tough matches. Not afraid to tackle anyone and leads by example.

Jayden Tuysuz: Jayden has speed, trickery and sheer determination to score. Have seen him grow to be one of the most valuable players in the team. He will always grab a goal or two when opportunities come his way.

Kien Shahi: Kien was a new addition to the team this season, Kein has grown in confidence during the few matches he played for the team.

Marco Jimenez: Marco has emerged this season as a player who can pick out a pass when called upon, regularly setting up chances for his teammates.

Pablo Jimenez: The youngest member of the team, and one of the coolest heads in the squad. Pablo has made central midfield his domain. Pablo has a natural ability and when on form, is great to watch.

Prayan Sitoula: Prayan was on the goalkeeping duties this season. Being his first time playing soccer, he has been able to grow his confidence regularly thwarting attacks and commanding his area

Sahel Rezai: Sahel has continued to improve as the season progressed and this being his second season with the team, usually being deployed in the middle. Sahel has great determination. He has the potential to step up another gear next season.

Taha Mansouri: Taha possesses a fantastic right foot and when in the mood, can always be relied on to turn on the style and get a goal. Taha is usually found embracing the midfield but has been used up front to add competition in that area.

Coach Tito: Masterminding the 9 matches this season, winning 6 means a pretty successful season. Always training the boys and running with them in the field during the matches.

Supporters and Parents

Thanks to you all for turning up, supporting, cheering, clapping, shouting, and above all, keeping the boys enjoying it to the max !! Much love!

Under 8 Red Team Report

The U8 Reds played a fantastic season this year and made major strides in teamwork and independent skill. The stresses of COVID-19 were no match for their mental and physical strengths, and each player put in 110%. As a team, we were so proud to call ourselves the six-a-side champions of the U8 age group, and had it not been for the unfortunate circumstances of an early cut off to the season, the team could have potentially also called themselves the winners of the comp.

I look forward to coaching the kids in 2022, and cannot wait to embark on another journey of commitment and growth with the team.

Andrew

Under 9 Red Team Report

Under 9 Red Team had lots of strong players individually, took a while but we managed to work as a team and have some impressive WINS!! We started slow but towards the end we were growing stronger and stronger to reach Top 4 teams! Thank you so much parents and manager Elton so much.

I am proud of all the Under 9 Red boys and all of you have played really good. I have put few words for the boys but there are lots of good skills you all have. We have rooms for improvement and learn together. I wish you all the best future!!

AYAN: The rocket boy is very fast in taking the ball towards the opponents' goal post. Hard working boy, listened to the coach and improved his dribbling skills. Stayed strong in attack and we were learning goal striking to execute the goal.

HUSAYN: Very good all rounder, good in attacks, smart and is not scared to say what he thinks. Very good player in midfield as he is good at running and defending too. Scored a goal.

JOHNNY: Very good defender, good kicks and striker too. Johnny has some good skills in kicking, dribbling, ball control. He is the main defender like a brick wall and has saved unlimited goals. He stopped almost every ball from the opponent's striker.

MUHAMMAD: Shy first time player but was good at defending. Very disciplined and listens and observes carefully Good in the mid field.

JACOB: Very good all rounder and goal keeper but played as Right wing Striker. He did score few goals. Smart player and always ready at training.

MAHMOUD: Best goalkeeper! He plays well in the Forward as well but was outperforming in goal keeper. He was able to handle tremendous striking from the opponents each and every game. Mahmoud have saved unlimited goals against our Under 9 Red Team. Always on time in training and was the best.

ADAM: Strong player in the Forward. He is fast sometimes without the ball! We were learning ball control, passing to each other and scanning the players.

ISSA: Very good player in terms of discipline and also ball control and passing. Issa likes goal keeping too and was goal keeper in couple of games.

ALI: Smart player and fast in running and knows what he is doing, Ali scored a good goal by taking from the mid all by himself. Good in Forward and loves to run.

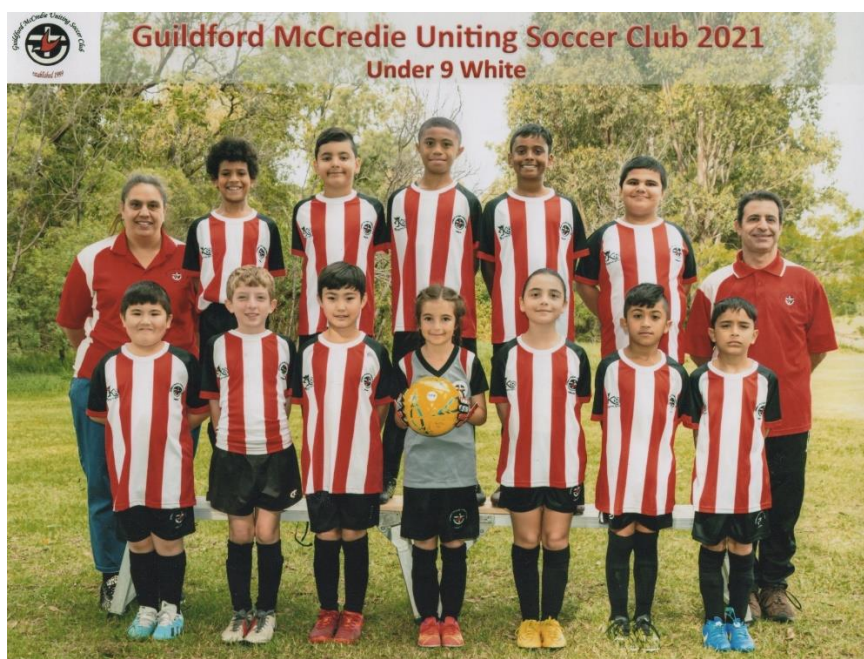

DANIEL: Quite but smart player, Daniel did really good defending, He was catching up with the ball skills and was very proactive after few games.

XOLANI: Very strong player and turned out to be very good at defending and passing the ball away from danger zone. He developed ball control skills quickly and was getting fitter week by week.

XAVIER: Very reliable and strong player, He developed the ball possession skills within few weeks and was performing much better as he started to listen more.

AAKASH: Good Striker and highest Goal Scorer. He is fast with the ball and have strong ball Shooting skills. He scored some impressive strong shots.

Under 9 White Team Report

Sadly another season affected by covid, but for the time we were on the field the team showed great strength and determination and loved playing every game. We are so proud of all the players.

The players for the **2021 U9 WHITE** team were Ali K, Ali T, Arad, Emaan, Emily, Gabriella, Jeremias, Joachim-Cruz, John, Michael, Mithesh, Owliya and Xavier.

It was great seeing back familiar faces and with our new teammates, the team created a strong unit on the field. They all had a great sense of the game and a focus on supporting their teammates which resulted in fantastic results.

Our season started out strong with 6 straight wins. Our win/loss record for the season of 10 games was 8 wins / 2 losses finishing proudly 2nd on the table. Our for and against was also a massive effort with 40 goals and only 7 against.

Our top 5 goal scorers were Jeremias 16, Joachim-Cruz 13, Emaan 5, Michael 4 and Arad 1. With our fantastic record of 7 goals scored against us, we would also like to knowledge all of the amazing saves by our goalie Emily.

Every player though is called out for the amazing way they played. They all showed great focus at training and were able to take this onto the field. The fusion of the team was really growing, and I know we would have ended the full season on a great note.

Although the season was cut short and we have all faced different challenges, it was still amazing to have some time on the field to bring us all together. The joy each week on the kid's faces is what it is all about.

I would like to say a huge thank you to all the parents for their on-going support and for all of the social distanced sideline fun. I stand by the claim that the U9 White parents are the best cheer squad in the competition!

Finally, the largest thank you goes to our coach Peter Sultana. Each year, Peter has worked hard to build a strong and supportive team while sharing the life lessons of the game, building the kid's skills and teaching them the joy of the game. Thank you Peter, the continued dedication you show towards the team is greatly respected and greatly appreciated.

Under 10 Red Team Report

We were very grateful to have all our team players return to the 2021 season. In addition, we also had fresh faces join the U10 Reds and as always, the kids welcomed the new members like old friends. If we were to describe the team we'd say they trained hard, played hard, were persistent, full of enthusiasm and keen learners. It was rewarding to watch each and every player grow individually and gel as a team as we progressed through the rounds. We finished half the season in 3rd place, but we know the team is capable of defending our title.

We had an amazing team of players (words from coach) made up of:

Ali - New face but an old face. A returning player who didn't play last year, but decided to come back midseason. Only played a couple of games but his skills didn't fade at all. Fearless and energetic, always up for the task of whatever is asked of him.

Ameer - Our old reliable. Doesn't matter what position you put him in, always does his best. His speed combined with his determination, makes him invaluable up front of our attack.

Antonio - The engine that could. Always giving his all in training and games. Isn't afraid of a challenge and always makes his coach proud.

Charles - Rookie 1. First year playing with us, always polite and respectful. Trains hard and plays hard. Need some time to get going at first but his skills and match fitness improved immensely. Can only imagine what a full season will do for him.

Christian - Mr Smiley. One of our reliable veterans. Win, lose or draw, he's always happy and smiling. That makes the coach proud. Always gives 110% when he's on the field, he will continue to improve as he grows, hopefully that smile grows too.

Daiwik - Rookie 2. Another new comer, but always welcome. A little shy and quiet, but opened up as the team bonded. Never gave up on training and playing the game. Only half a season to work with him but he has shown he has the potential to be a really good player. Highlight was when he admitted he was having fun. Hope the team has made you feel welcomed.

Jawad - He must be nuclear powered. Jawad just doesn't stop, sometimes even when we tell him. Just loves the game and always excited for training. Always exceeds expectations when playing, one of our most reliable defenders. Can't wait to work with him again.

Jayden - Resident all round athlete. Jayden has natural talent no matter what sport he plays. I think he plays all of them at the moment, and it clearly shows in his fitness. His skills in soccer continues to grow and wants to improve even more. A good sign of things to come.

Karim - Rookie 3. Karim didn't get to play a lot of games this season. But what he did show is he CAN play, any position really. Even goal keeper. Almost gave us a win at 6 a side. His speed and agility makes him a great addition to the team.

Kevin - A rare talent. Only his 2nd year playing and continues to impress. He just genuinely loves the game and wants to do his best, at training and on game day. A vital part of our defence.

Logan - The coach's favourite.....son. Being the coach's son is never easy, but Logan shows how hard he works on his skills with game day performances. Does everything asked at training, whether it's at the park or at home.

Lukacs - Soccer obsessed. To say Lukacs loves soccer is an understatement. His passion clearly shows especially when we have a bad game. His positive attitude doesn't die, always wanting to be better. Loves the game so much, it takes longer to get him to go home than train him.

Sebasjin - He's a keeper this one (pun intended). Our player of the year last year, first time for a keeper? Maybe. Continued to show why he deserved the award last year. A vital part of our team, even opposition coaches are impressed by his skills. Didn't get much time out of goals last year but this year he was let loose. His skills out of goals are just as amazing, showing up our strikers with a 5 goal game.

Alex and I truly enjoy our jobs and owe it to the kids' love for the game as well as the massive support we receive from all the families of the team. Thank you to everyone for making every season a memorable one. Looking forward to 2022!

Under 10 White Team Report

The Under 10 white team 2021 consisted of 13 players, 12 boys and 1 girl. Their experience ranged from never playing the game before, to playing in their fifth year. We knew it wasn't going to be easy but coach and team members were willing to give it their all to see this team succeed.

Week after week we watched the team skills and confidence improve dramatically. It was unfortunate that it had to be cut short preventing us from seeing how far they could have gone with their success (even though they finished off in 2nd position).

The support for this team by the parents (and family members) and their commitments to ensure their child was at training as well as on time for the game made it a lot easier and a pleasure to manage. So I like to thank each and every one of you for making this team feel like a family. Our special thank you also goes to our Coach Claudio and assistant Coach Jean Paul who were always ready and prepared to challenge the team with new style at training.

Our amazing team included:

William (Goalkeeper): Will's season got off to a slow start, but he eventually regained the sharpness that made him player of the year last season and was instrumental in the winning of several games due to some impressive saves.

Jacob (Central Defender): Jacob was promoted from left fullback to centre fullback part way through the season and gave the team that extra steel in defence that it had needed. He's a strong, fearless tackler and has begun to develop an impressive passing game.

George (left back/midfield): George had a stellar second season. There was an astonishing explosion of quality to every aspect of his game this year - his speed, fitness, passing, kicking, tackling, everything. He's found a home at left fullback and become a vital member of the team.

Lucas (right back/midfield): Like George, Lucas also had a great 2nd season. He became an essential member of the team's defensive line and made contributions in midfield, scoring his first ever goal in a classy fashion which will boost his confidence next season.

Danyel T. (right back): I've not seen a player typifying the never-give-up mentality as much as this kid. Danyel always, ALWAYS, puts in a 100% effort and it's heartening to see his skills and confidence growing every week.

Jonah (left midfield/central defender): Jonah was promoted to midfield after showing improvement in his passing and dribbling. He then spent the season adjusting to the tempo of the game that comes from playing in that position and has exceeded all expectations. He scored his maiden goal with a cracker of a shot and has gone from strength to strength ever since.

Akshan (central midfield): Akshan's skill development this season was next level. Not only was he one of the team's leading goal scorers, but he also led the team in goal-assists. He's a player of the Kevin De Bruyne mould, technically gifted with an immaculate passing game, showing a maturity beyond his years.

Daniel D. (right/centre midfield): Daniel scored his first ever goal last season. This year, he scored many more, winning the game for the team on multiple occasions. When it comes to football, this kid is the total package and his development absolutely exploded this season, which is why he is this U9 Reds player of the year. Congratulations Daniel!

Julian (striker): I have really been impressed with Julian's development this season. He's always been a naturally gifted player and proficient goal-scorer, but his technical ability improved by leaps and bounds this year, particularly his passing game which, through some dazzling combinations with his teammates, was the catalyst of many impressive goals.

Aadhinarayan (left midfield): Adi has gotten his footballing career off to a good start. He'd never played the game before and it took some time to get used to the pace of the game, but through perseverance and continual practice, Adi began to find his feet and show big improvement. I hope to see him again next season.

Ahmed (striker): Another first timer, Ahmed has been a joy to train, taking every challenge on board that's necessary to play and enjoy the game. He scored in his first game and played this season up front producing some impressive passing combinations with his strike-partners.

Saffron: Like all beginners, Saffron needed a bit of time to understand how to play the game. She is already a naturally gifted player, but the key to unlocking her potential came about by boosting her confidence with every new skillset she learned and every game she played. This all culminated on two occasions: winning the 6-a-side with the U8-10 girls team and scoring her first goal (actually a brace) in game weeks later.

Aman: This was Aman's first year as well. He is one of the most technically-gifted players I've ever seen as well as one of the most unselfish. He was on track with his development and a few games away from fully unleashing his potential, which makes the premature end to the season all the more tragic. I hope to see him again next season and continue what we started.

Thank you all for another successful year and hope to see everyone next year! Stay Safe!!!

Under 8-10 Girls Team Report

Guildford McCredie Uniting Soccer Club 2021 Under 8-10 Girls

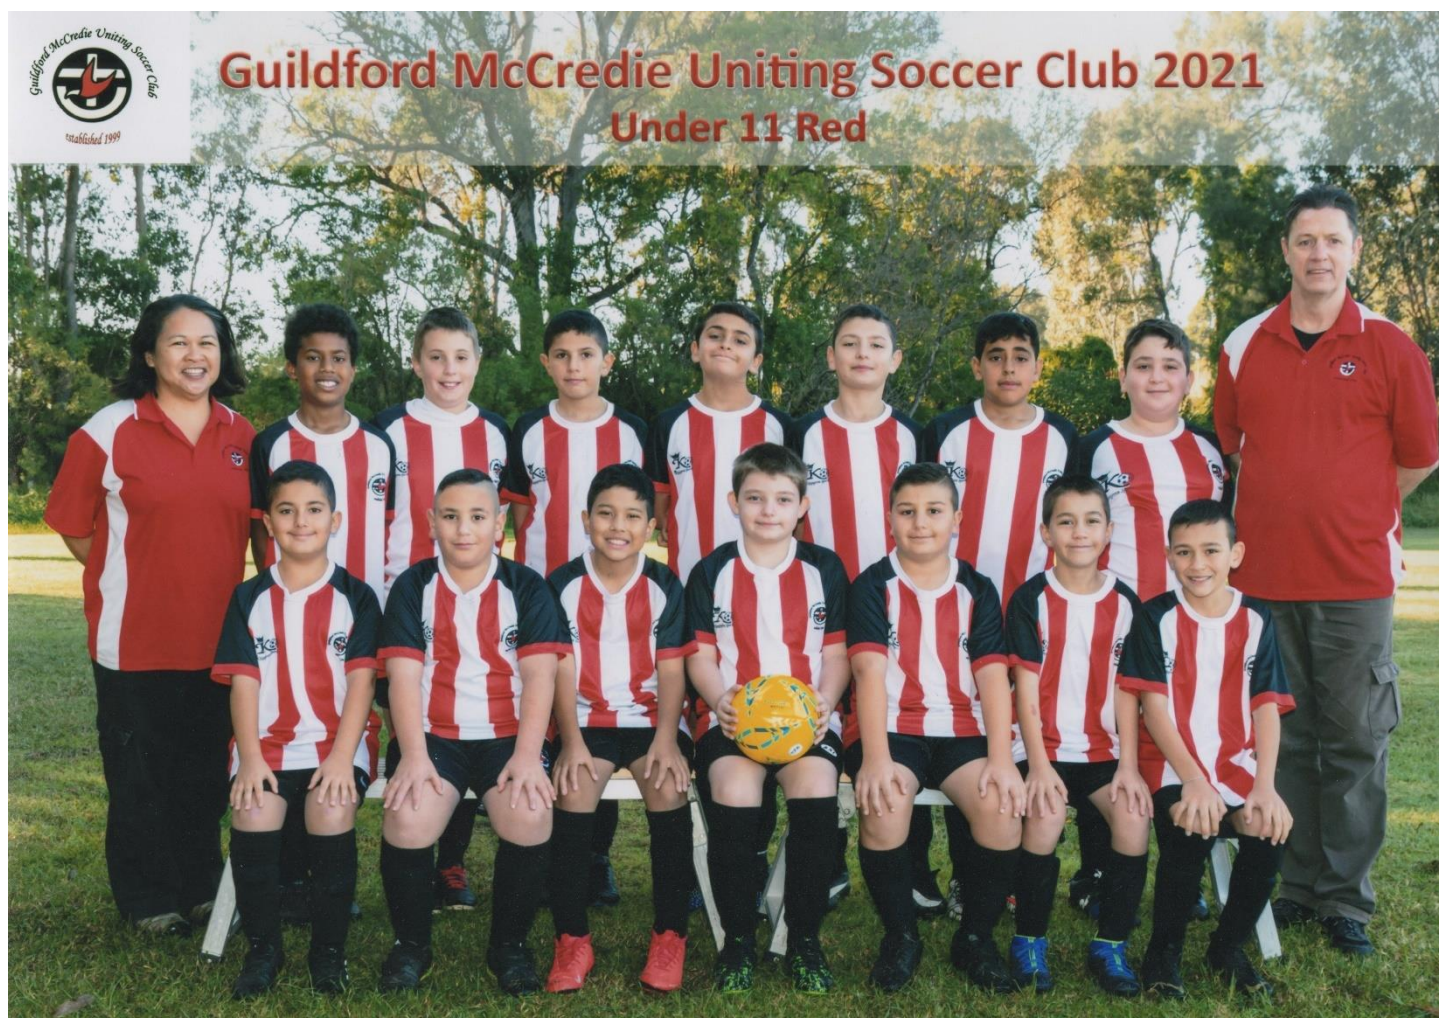

As a first year coach I had the pleasure of coaching a lovely bunch of girls. Only 1 of the girls had ever played before so we were all learning together. Unfortunately the year was cut short due to Covid-19 but not before we won the 6-a-side comp with the help of Saffron Rijal and Kuei Deng Lual. They joined Emily Sultana - goal keeper, Gabriella Yacoub - defender, Olivia Yousif - Striker and midfielders Ava Boutros, Zahra Hemmet and Nelofar Mobin.

Everyone had a job to do and they did it well. Learning to play soccer was the easy part. Learning positions and staying in them was the hard part but the girls did well in the short amount of time we had. They learnt quickly and were getting better every week. Unfortunately we played 9 games and lost 9 games. A win was coming, I could feel it but with the season cut short we can only dream about it.

I enjoyed my time coaching and with the help of Rana and Ujjwal we made a good team too.

I also want to thank the parents for their support especially during the 6-a-side when I was playing in it too. See you all again in 2022.

Under 11 Red Team Report

It was a great start to 2021 season with 9 new players. We had a full team. Coach Glenn had to re-start from ground zero. Everyone was keen to play and showed up at games.

Ali always had a smile and loved to participate. He learnt how to play right back from scratch. As he got fitter, he became more tenacious and unshakable.

Bilal showed lots of enthusiasm and knowledge of the game. His dribbling and ball skills improved every week. He worked well in the middle and back.

Brandon was a good role model for new players. He had the speed and ball control to be our main attacker. He provided support all over. He followed instructions, read the game, and was a good work horse

Charbel B was a quick learner. He made many long runs up the right side to assist. He tirelessly chased every ball and won most of them.

Charble D was fit and fast. He was very competitive and ran allover for the ball. He passes were getting longer and more accurate.

Charlie M was a hard worker in the middle. He confidently tackled and challenged. He kept on moving and thinking ahead.

Daniyal was a solid defender and tried different positions during the season. This helped him increase his understanding of the game.

Elio was good in the middle and made some good breaks towards goal. He showed potential as a goalie also. His reflexes and ability to read the kicks were fast.

Gethyn was the backbone of the defence. He chased and swept balls aside to create safety. He provided guidance and instructions during the games.

Ghadir had strong, long and accurate kicks. He was thinking and responding quickly in the middle and came back to provide support. His tackling and confidence grew every week.

Jesse waited a lot in the front, but when he got the ball he pushed it forward. His ball control and evasions skills were getting better.

Luke showed resilience and determination to play. He jockeyed and tackled really well towards the end. He started to win more of the 50-50 balls.

Mason's skills and willingness to work hard was great to see. His foot was injured, but still he came to train with the team and work on other kills.

Stefan stepped up and put his body on the line to be our goalie this year. He blocked, dived, scrambled, and saved penalties.

Even though the season was unexpectedly cut short, everyone learnt new skills, made new friends, got fitter and had lots of fun outdoors.

Big thank you to coach Glenn. He would travel for hours to come to training and games. In addition, he organised for the majority of our team to watch Western Sydney Wanderers. His passion for the game and skills knowledge is contagious.

Thank you to parents for sharing this journey with your child and with us. We greatly value your participation and commitment.

Under 11 White Team Report

While we had a great start to the beginning of the season, it was disappointing to see it end so quickly and without any warning. The kids had a great time meeting and getting to know each other. It was great to see them all interacting with one another and including each other! It truly showed the team spirit that club sports are all about.

Michael Dias: This was Michael's first year playing soccer. It was great seeing him go from a kid who knew so little about soccer to one who knew all the positions and was willing to give everything a try.

Aayan Saeed: Aayan is a great team player who was always willing to help out his team mates, you would always see him on the field calling out to his teammates and guiding them.

Kamren Rezaie: This was Kamrans first year playing soccer and it was great to see him go from a shy kid to one who always wanted to go to training and the games.

Mustafa Ghaznawee: Mustafa was one of our defence superstars, he was always on the ball and calling out to his teammates. He was a great asset on the team

Danton Sewell: While Dantons season was cut even shorter due to a foot injury, he gave every game his all and didn't want to miss a second of playing! The team really felt it when he stopped playing.

Yusif Sukkar: Yusif was another superstar in all positions, Yusif was always willing to play any position required of him and always gave 110%

Danielle Sleiman: Danielle is the only girl on our team and is an amazing defender, she also hid the fact that she plays goals for the girls team and is amazing!! We will definetley be using her as a jack of all trades next year.

Khoder Issa: Khoder is an amazing goalie. One would take alook at him and be forgiven for thinking he was a pushover, but Khoder proved himself as our goalie superstar! He was a pocket rocket and saved the most amazing goals!!

George Tragar: George started off as our goalie but showed what an asset he is as defender! George put in the hard yards at every game and the team definetley felt it on the rare occasions he could not attend.

Michael Karaki: Michael was another great defender, and did really well as striker, always putting in great effort and trying his hardest at every game! He also loves his trick shots!!

Muhammad Adeel: Aaban is a great team player whose energy on the field could always be felt! He played his position to the highest standard and kept the other team on their toes

Jacob Ali: A great player who gave it his all during every game, Jacob always played guys best, even scoring in a few games

Saif Al-Kanaai: Saif is a great team member with dedication to the game, he knew his position well and was hard to get past

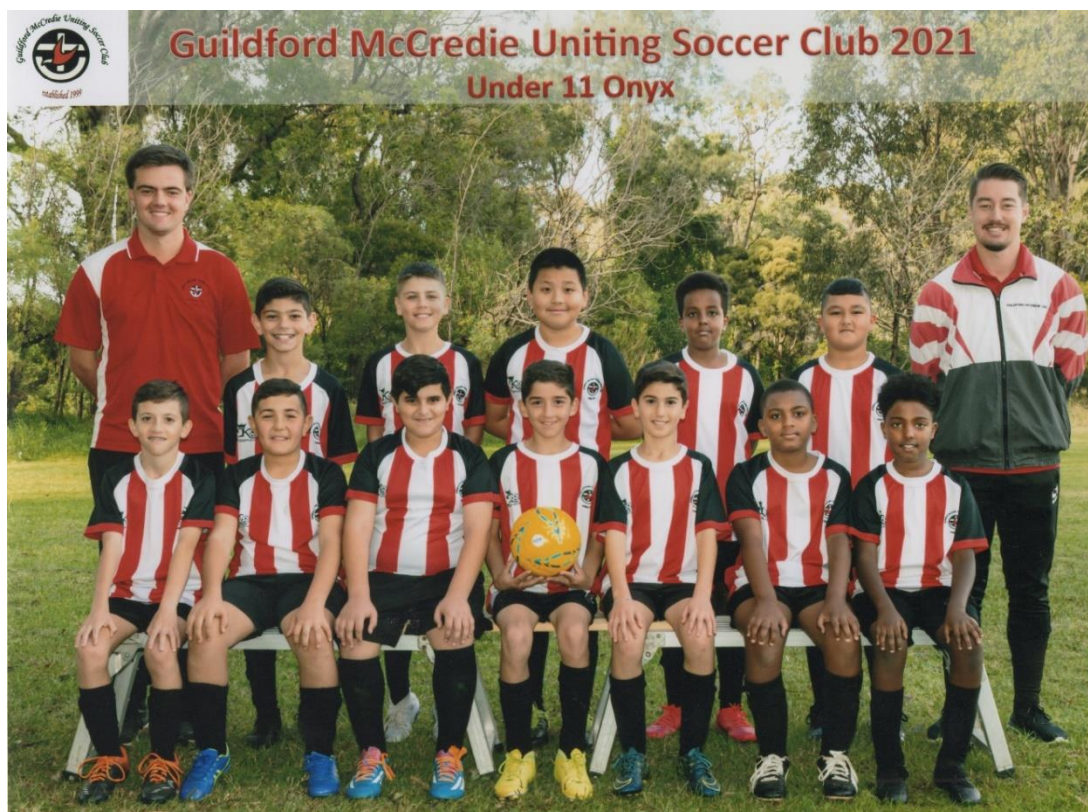

Abdallah Bin Abbas: Abdallah had a great understanding of soccer and was always willing to do what was best for the team.

Youssef Saleem: Youssef is our striker superstar, playing for 2 teams on a Saturday couldn't have been easy. Even if he was tired it never showed, scoring majority of our goals usually within the first few minutes of the game.

Mustafa Farhad: Is a great team player who always tried his hardest at every game!

This is a great team who works really well together and if they get to play together next year, with a bit more training they will definitely be a team to watch out for!!

Under 11 Onyx Team Report

Possibly the least satisfying first-place finish that many of these boys will ever experience without getting to play a grand final that I am very confident we would have won. However, the year was not a waste by any means as both coaches were able to observe significant improvements in all players throughout the course of the year.

The two goalkeepers, Stefan and Farooz, coped admirably with the transition to a goal that was markedly bigger than the one they were used to. Both players were also some of our most effective on the field, playing multiple positions with incredible energy and toughness.

The defenders did have a couple of games where they weren't as involved as they might have liked but when called upon they did the job to repel attacks with great enthusiasm. The leader of these defenders was undoubtedly Rushil, whose ability to use both feet and take set pieces was invaluable for the team. Another honourable mention to the new boys at the back, Mojib and John Paul, who showed incredible improvement throughout the year.

The midfield is really the bread and butter of this team. The passing displayed in the forward half at some times this year would be the envy of teams with a lot more experience than ten- and eleven-year-olds. Jason and Mykal were the pillars in the centre of midfield and guys like Hassan, Yonathan and Kelvin provided excellent options out wide as well as covering defence.

Up front, this team's game plan hasn't changed a lot since Wil and I have been coaching. Most of our attack is directed through Nik and Aaron who both bring different skills that allow them to score and assist incredible numbers of goals. Nik's blinding pace was once again too much for most teams to handle, while Aaron's incredible ball control makes a lot of defenders look very foolish.

While this was undoubtedly a successful season finishing first, the team still has incredible potential for development next year. In particular, marking and jockeying are key skills that were worked on extensively this year that still require maximum concentration and attention to implement effectively.

To finish, a really great season that I hope all the boys are proud of, despite not getting the crowning day of a grand final. Wil and I are already looking forward to going for the three-peat next year!

Under 12 Red Division 3 Team Report

After winning our Grand Final last year it was an interesting year for the new U12 Reds. We moved into the Granville competition, and we faced more of a challenge than we were used to. With the variety in teams, a loss of players from last year and some fresh faces it would be expected that we would struggle; however the boys held strong all season and worked hard every game.

Our new faces, Abbas, Abdul, Ayaan, Bilal, Muhammad-Zayn, Mustafa and Ruhan, all strived to reach the level of our returning players and succeeded greatly. Players that had never played a game of soccer before, such as Ayaan, came close to scoring during the year. Abdul, Ayaan, Bilal and Muhammad-Zayn all worked well across the midfield (and occasionally up front), running the ball all over the park, helping to set up some of the amazing goals this year and even scoring some of their own. Abbas, Mustafa and Ruhan worked well in the backs, filling in dangerous gaps, maintaining the defensive line solidly and stopping the opposition's goal scoring in its tracks.

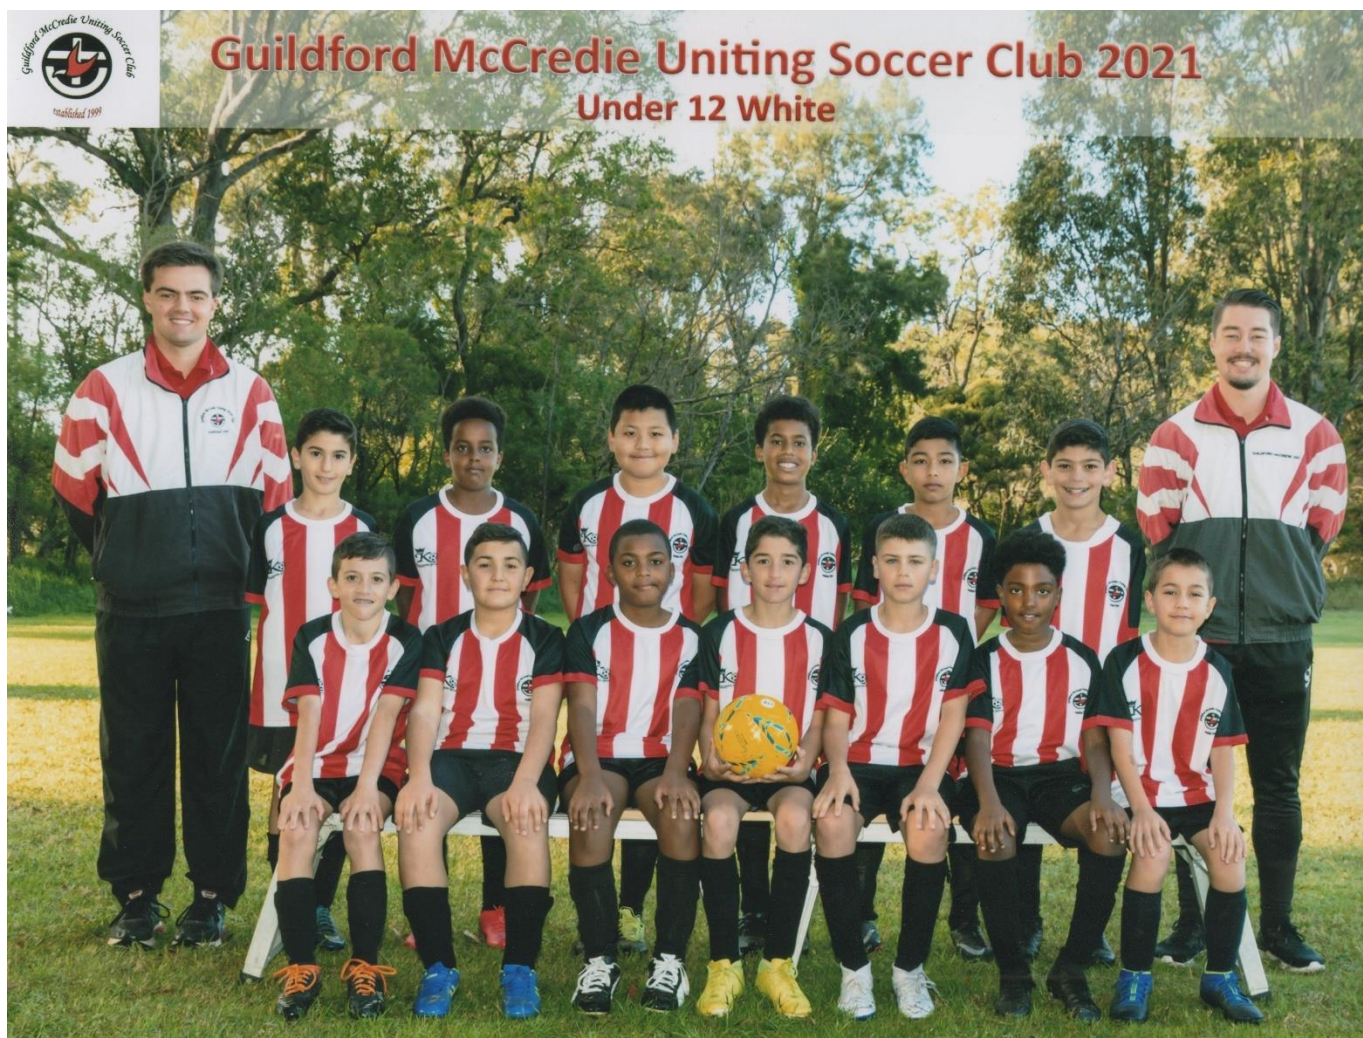

Our returning players, Akram, Francis and Husein, Matthew, Michael, Mohamed, , Sunday, William, all continued to improve their soccer skills out of sight! Akram, Francis and Husein all worked extremely hard in the midfield, blocking opposition plays, maintaining possession of the ball and actively participating in goals scoring opportunities. Akram and Francis were fantastic wings, with endless running and beautiful crosses and Husein's corner and free kicks were unmatched throughout the competition and even netted him some fantastic goals. Michael, Mohamed and William all worked extremely hard in defence this year; William tackled fiercely all year, Michael, our captain, found his calling as sweeper and Mohamed played his position consistently and perfectly. Sunday, our leading goal scorer this year, always worked hard up front to put his best boot forward, both scoring goals and setting others up for the opportunity to do so.

We had some great top of the ladder games, especially against teams such as Toongabbie and Auburn. A particularly exciting match was our win against Auburn 7-5, where we were pelted by heavy winds, faced crazy weather, and had some "interesting" opposition spectators; even Greg came to watch! It wasn't an easy game and we definitely learnt the difficult lesson of how to be the bigger person against our opponents; we're very proud of all of you boys for staying calm and collected in such a frustrating situation!

We had our ups and downs during the season but it really looked as though we could make it to the finals once more, however Covid had other plans for all of us it seems. Hopefully next year with this year's players returning and a full season ahead of us, we'll be a force to be reckoned with. As your coaches we have been very proud to call you our team this year!

Thanks, Sarah and Elise

Under 12 White Division 5 Team Report

While the U12 White didn't quite manage to finish in top spot this year it was an overwhelmingly useful experience for the boys to get used to playing together on a big field in preparation for next year. Finishing third with a game in hand against teams who were a year older than us is no mean feat and the attacking football the boys played with all year was thrilling to watch.

Yusif, Nik and Jason were the focus point of a lot of our attacking force this year and the passing and pace the boys played with demonstrated great skill and maturity. They were ably assisted by Aaron, Yonathan, Hassan, Mykal and Kelvin who all spent a lot of time in midfield or up front. These boys were all extremely adept at playing multiple positions, often within one game, and made coaching or covering players who couldn't be there a much easier task.

Possibly the boys who played the most positions were the goalkeepers Stefan and Farooz, who not only excelled themselves in goals but also played all over the field and made sure that no matter who was in goals we were always superbly covered all over the field.

Another player who played all over the field this year was Brandon, who started the year thinking he would be an attacking midfielder but found himself asking to play right-back by the end of the year. I have never yet said no to anyone who wanted to play at the back and this kind of awareness was brilliant to see across the team. Rushil and Gethyn may not have moved as much in terms of position but were exceptional in terms of their development in how to talk as centre-backs and ensure that the defence was well-organised.

The clear area to improve for these boys next year is at the back, with our 7-7 draw against the top team indicating that we have plenty of firepower up front but struggled to maintain discipline in defence. Despite this, I think that the promise shown this year should have everyone feeling very excited for the next couple of years with what this team may be able to achieve.

Under 12 Girls Red Team Report

It was such a shame that this year's season ended when it did. Our girls were ready each and every week to play, even if it was raining. They put a lot of effort in to their training and remembering everything their coach had said to them. Play as team, Win as a team. Winning the Under 12's 6 side comp and taking the trophy home was the highlight of the year for the girls. The day showed that playing as a team, working together, you can win it. And we did.

Only losing 1 game for the whole season and winning many, just shows our girls play as a team and winning the season premier championship as well. We hope that the girls will come back next year and work just as hard as this year and take home the trophy again for 2022!

What an exceptional group of young soccer stars. I was so excited to be able to work with this group of young and talented people, whose skill and capabilities are hard to deny – but their ability to work together as a team is what makes our Reds so hard to beat. Incredibly proud to have coached this team despite it being cut short by the COVID restrictions. I really hope to see everyone back next year and I hope everyone involved with our team is equally as excited!

Olivia- Our top score for our team. What can I say? That she is always ready to give 110% each and every game. Olivia is always ready up the front and centre and ready to score for us.

Faith- Our awesome defender. During the season Faith played defence and help stop many goals for us. Her massive hard kicks was a shock to us, it came out of nowhere. Keep up the work Faith!

Kuae- Nothing can stop Kuae and her long legs. Just as you think the ball will go out, Kuae to the rescue. This is a player who doesn't stop trying. Playing all different positions and giving it her all. Kuae has also scored many goals for us during the season.

Lopasi- This is one girl who never gives up, even when she not feeling well. Lopasi has shown us time and time again that she is up for the job. Never backing down and always trying her best.

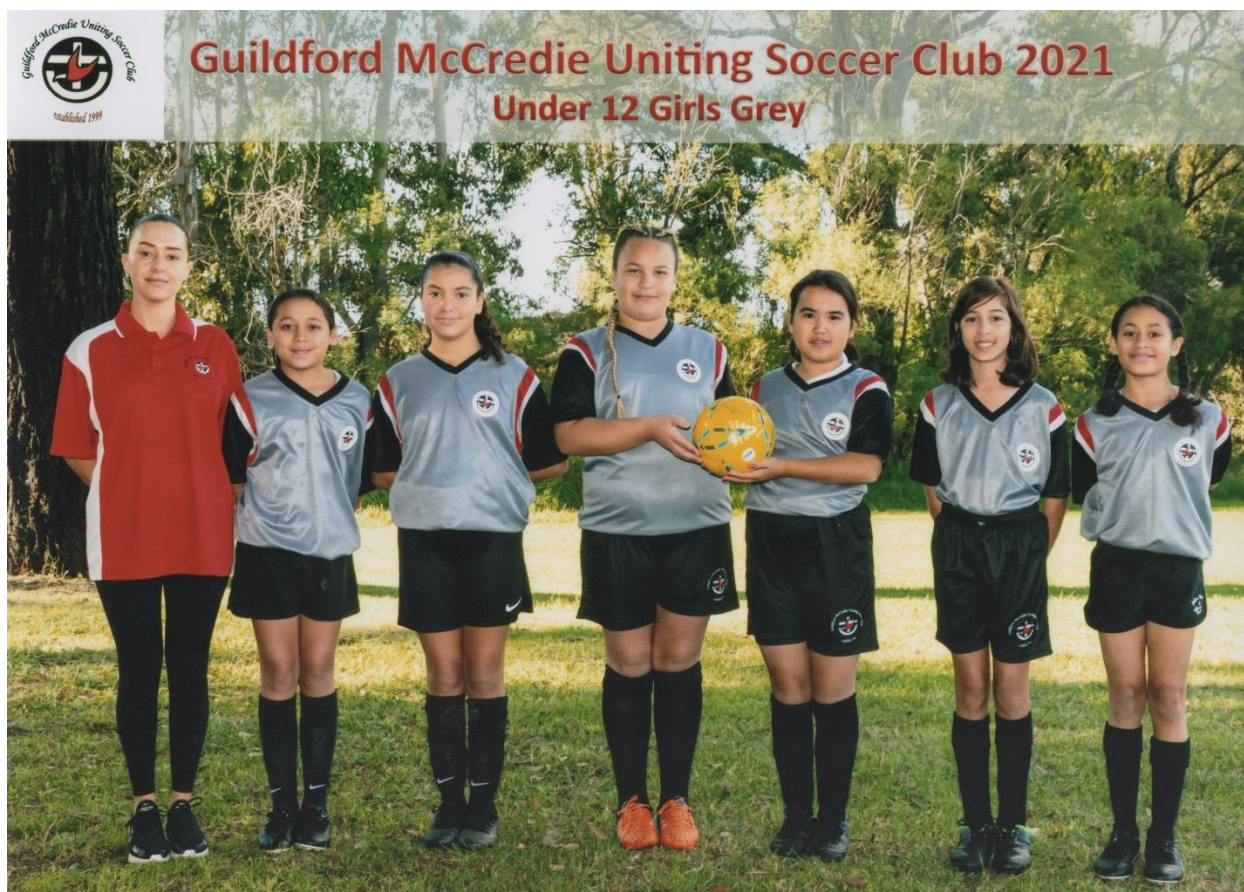

Alexandra- Our superstar goal keeper! Stopping many goals this season, even using her face at one time. She shook it off and continued the game. Not only stopping goals, Alex has an impressive kick as well.

Danielle- Danielle always has a serious look on her face when she chasing the ball. She never gives up and always trying her hardest. Always chasing the ball and giving her best no matter what, whether she got another game after us or before us.

Rita- What can I say, except Chocolate Milk! That her secret weapon. She always running and giving her all. Trying different positions this year, and always giving maximum effort.

Under 12 Girls Grey Team Report

The season may be over but unfortunately, we never finished. The team came so far. We had a weak chemistry at the start of the season, as most of the players were new to the sport. However, week after week the chemistry got better, the ball was moving and being passed accurately, players were doing a great job in their assigned positions. In the defence we had Emily, Lily and Cathereaen who were very supportive to the attackers and the goal keeper, they provided great balls forward for the attackers to capitalise and score on. Our attackers Ellina and Leilah were outstanding as the season went on they got around players and scored a few amazing goals. Furthermore, our goalkeeper Riya, saved countless goals and contributed to keep the score tight in many matches.

Although we couldn't finish the season due to COVID we tried our best throughout to win, have fun and give our opponents tough matches. The team has great potential to be number one and has my best wishes for the coming seasons.

Lastly, I would like to thank the team manager Rebecca for being such a supportive and cheerful member of our team. As well as the parents who came along to motivate their children throughout the season.

Under 13 Division 3 Team Report

This has been a very tough year for myself (Daison) and Theo as we got called in during mid season, nonetheless the kids have been good to us. The boys have proven to show potential in games throughout the season, myself and Theo have tried to adjust this team in the way we want them to play. We appreciate all the help that we've gotten from the parents and friends throughout the season as it was difficult at times. The boys always came to every training session eager to improve which helped us as coaches to stay motivated and train the boys.

In goals we had Hassan which made a huge impact in the team as he saved plenty of goals to keep the team in the game. John, Alvin, Mustafa, Adyaan, Mirwais, Laith and Joseph have come a long way and have developed quality football skills from training sessions. The defence line played well throughout the season however extra improvement and training is required to follow through to the finals next season.

Our midfield and striker had good chemistry and played well together against tough defensive teams. Jamil, Wadi and Omaid were known for their skill and abilities to get through the defence line, whilst Andrew and Iden brought positivity into the game which helped boost the team's morale. Sabal and Mirwais played an important role in the team to both attack and defend when needed.

Hope everyone stay safe and well during these times, thanks Daison and Theo

Under 14 Division 4 Team Report

This season has been a roller coaster of a ride. It has been an absolute pleasure for both myself and James coaching a fine group of lads this year, just an absolute shame we could not cap it off with a finals appearance. A new team with new players figuring out what positions suited them best I believe this season has been a great success given the situation. We started off slow but grew into our formation and playing style which made us a feared team in the league.

Lachie: Player of the season. He has shown immense leadership qualities well beyond his years and has galvanised this team as the captain. With a mix of old and new players this season, Lachie always went out of his way to make sure everyone felt included and part of the team. He pulled boys in line when they needed to be and gave encouragement to everyone.

Further, his performances on the pitch in goal were unbelievable from penalty saves, monstrous clearances and complete dominance in the air, Lachie has been the complete keeper

Yama: The fastest player in the team and was an absolute pest for attacking wingers. His ability to track the runners and tenacity made him an astute wing back.

Hamze: Hamze took his time to find his best position which was left back. With his cultured left boot Hamze ensured that clearances out from defence were placed and put us in the best position when transitioning from defence to attack.

Gabra: The classic number 9. Gabra with his skill and strength caused headaches for defenders around the box. Had the ability to dictate the pace of the game and could make defenders look silly in an instance.

Ali: A quality utility player with the IQ to play any position we put him in. When short of players or when injury hit you could trust Ali to get the job done on every part of the pitch. His long throws also caused mayhem in the box.

Dylan: Mr consistent, Dylan had this natural ability to disrupt the oppositions play. He was always in the right place at the right time to intercept the ball or cause trouble in the middle of the park. A true gritty and dependable CDM.

Alian: The most improved player this season. Alian really grew into his role in the wingback position. He focused in training and implemented what he learnt to the game and improved massively over the course of the season.

Thomas: Our most complete attacking threat and goal scorer. Thomas could be deployed at CF or on the wing and you could count on him to cause mayhem in the attack. Always took a player on and made things happen up front.

Mohib: Mohib was a strong winger who used his size to bully opposition defenders. A hard runner and accurate crosser of the ball Mohib showed his importance in team after coming in later in the season.

Simon: A strong defender/defensive midfielder. Simon had deceptive skill that could turn defensive into attack in an instant. He had great ability in distributing the ball from the middle of the park.

Michael: had a disrupted season with an unfortunate broken arm keeping him out of the team much of the season. In the few games he did play he showed his quality on the ball with his skill and made sure he used his height to his advantage. Cannot wait to see what he can do with a full season under his belt.

Rachid: The game changer. Rachid made sure our defensive was one of the strongest in the league. An intelligent and aggressive defender who was versed in the dark arts of tactical fouls and slowing down the opposition attacking play. Could also be thrown up front and score key goals when called upon. Goal of the season after Rachid scored a goal from our own half against Toongabbie.

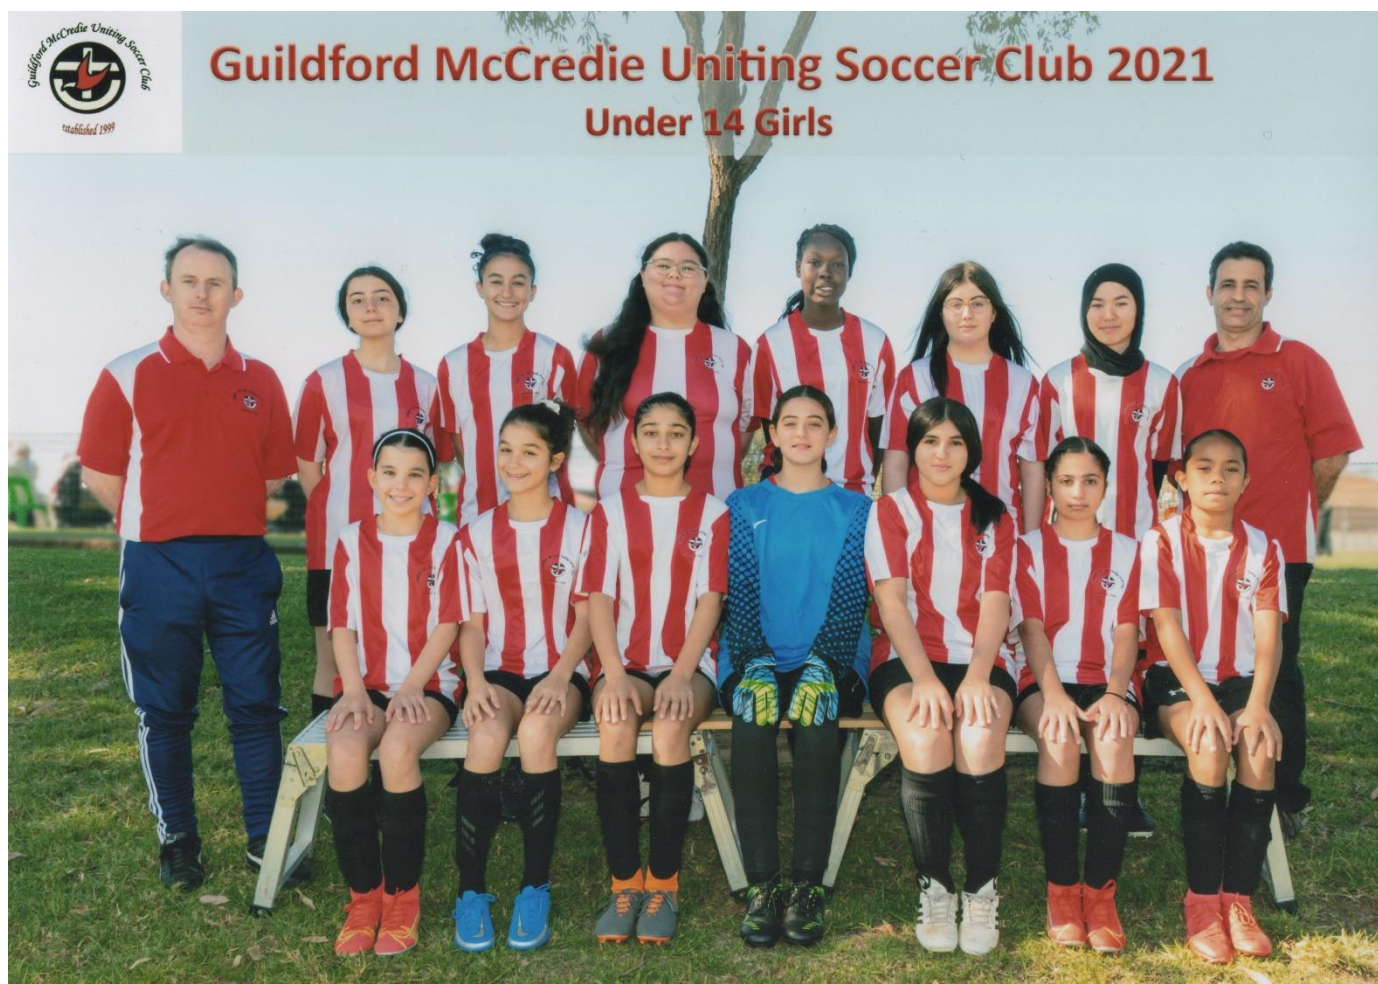

Hussain: The engine. Hussain could run for days, an aggressive and formidable box to box midfielder who could it all in defensive and attack. Could always depend on him to mark the best player and take him out of the game. A real future ahead of him.

Charbel: A intelligent and silky passer of the ball. Was always thinking 2 steps ahead of the opposition and got his team involved with his accurate and tricky passing.

Best regards,

Timothy Rosandi

Under 14 Division 4 Team Report

After the COVID situation of 2020 we were all looking forward to a new year with optimism of completing a whole football season in 2021. Unfortunately, after ten rounds the season came to a sudden halt. We patiently waited for the season to restart as it did in 2020 were we got to finish the season, but the 2021 season was unable to restart and the season was abandoned with only ten rounds completed.

With the competition abandoned the team finished in fourth spot, in a six-team competition. The team had 4 wins, 3 draws and 3 losses. 19 goals forward and 14 goals against, with a goal difference of plus 5 goals.

The team was made up of the following players.

Abuk Yai, Alaa Elsahili, Esha Ahmadi, Huda Alsankari, Lucy Sultana, Olivia Taliauli, Renee Alame, Rianna Alame, Sarah Ayoub, Shannon McGhee, Soman Saleem, Stella Fitzpatrick, Taylor Yacoub, Theresa Hana

Coaches. Phillip Rafter and Peter Sultana

Managers. Phillip Rafter and Peter Sultana

The 2021 under 14 girls team almost did not eventuate as not many players had registered before the beginning of the training season. But because the club had registered a team in the competition we were obligated to complete recruiting and finalise a competitive team for the up coming competition year. After a few training sessions we recruited a team made up of players from the previous year and many new players. In the trial games there were promising signs of things to come, with a few tweaks of where to place players into which positions. The team had a fabulous start to the season with four wins and two draws in the first six rounds. Scoring 16 goals and conceding only 5 goals. Unfortunately, in the next four rounds the team lost three games and drew one game. scoring only 3 goals and conceding 9 goals.

In many of the games the team lost, the team either played short or had at most one reserve while the oppositions all had their complement of three reserves. In saying this, I make no excuses for the lost games as in some games the team didn't deserve to win. The players attitude on some days was not what it should have been and the team on other days seemed perplexed as to how to play the simple game of football.

Considering the team got only the one point in the last four rounds and being only one game win from second place, I am positive that the team would have picked up their game and finished in the top three, if not the top two teams of the competition.

The 2021 season was not all bad for the team. The team was able to win the six-a-side competition held by the Churches Football Association on the long weekend in June.

Abuk Yai, improved with confidence as the season progressed, putting in a player of the match performance during the short season.

Alaa Elshahili, A new player to the team, placed in the midfield position. Was solid and never scared to get into the mix to tackle the opposition, ran hard when required and stopped many opposition raids through the midfield.

Esha Ahmadi, A new player to the team, placed in the midfield position. Started the season strongly considering Esha's first season playing. Has a relaxed way of playing the game. Esha can only get better and showed this throughout the short season.

Huda Alsankari, the goalkeeper of the team was having a good season, keeping three clean sheets, and keeping the team in the contest in every game. Whenever Huda played in another position, she made the most of her chances playing outside of goals and played well in defence or in an attacking position.

Lucy Sultana, a winger small in stature, provided some interesting runs down the sideline beating defenders but her lack of a strong kick sometimes let her good work come unstuck. Working in the off season on her kicking game will help in improving her skills for next season

Olivia Taliauli, playing in the full back position has proven to be a very good defender who is able to read the play and provide cover in any position of the back line. Played many great games in a short season helping the team to win some of the tight games. Never played a bad game and won player of the match on more than one occasion.

Renee Alame, little dynamo played in the forward line this season after playing as a centre back the previous few years. Still was able to retreat in the midfield and help shore up the midfield defence when required.

Rianna Alame, a versatile player able to play in many positions. Good at defence and a good number two goalkeeper when required

Sarah Ayoub, playing mostly left fullback was a player reliable of doing her defence duties as required. On occasions got caught out due to the opposition wingers being faster but effort could never be questioned. Working on her speed and being able to better read the game will improve her game.

Shannon McGhee, first year with the team and a welcome addition in the defensive line after we lost our regular centre back to rugby league this season. A defender with an intimidating presence with a big clearing kick. Played well in partnership with Stella in the sweeping position.

Soman Saleem, a forwards forward. Chasing every ball coming her way, taking on the defence and dribbling past three to four players to score the goals for the team. A player with the willingness to win at all costs. A player that wins games for you!

Stella Fitzpatrick, the backbone of the defence. A player who can read the game, be able to move the ball forward and create opportunities in the forward line. Stella can shut down the attacking forwards of the opposition and turn the game into our advantage. A player very capable of moving in the forwards position and then retreating to defend her goal line.

Taylor Yacoub, a returning player after two years away from the game. Used mainly on the wing, but occasionally used in the midfield and as a fullback. Has the ability to create chances for her teammates and can play well when she puts her mind to it.

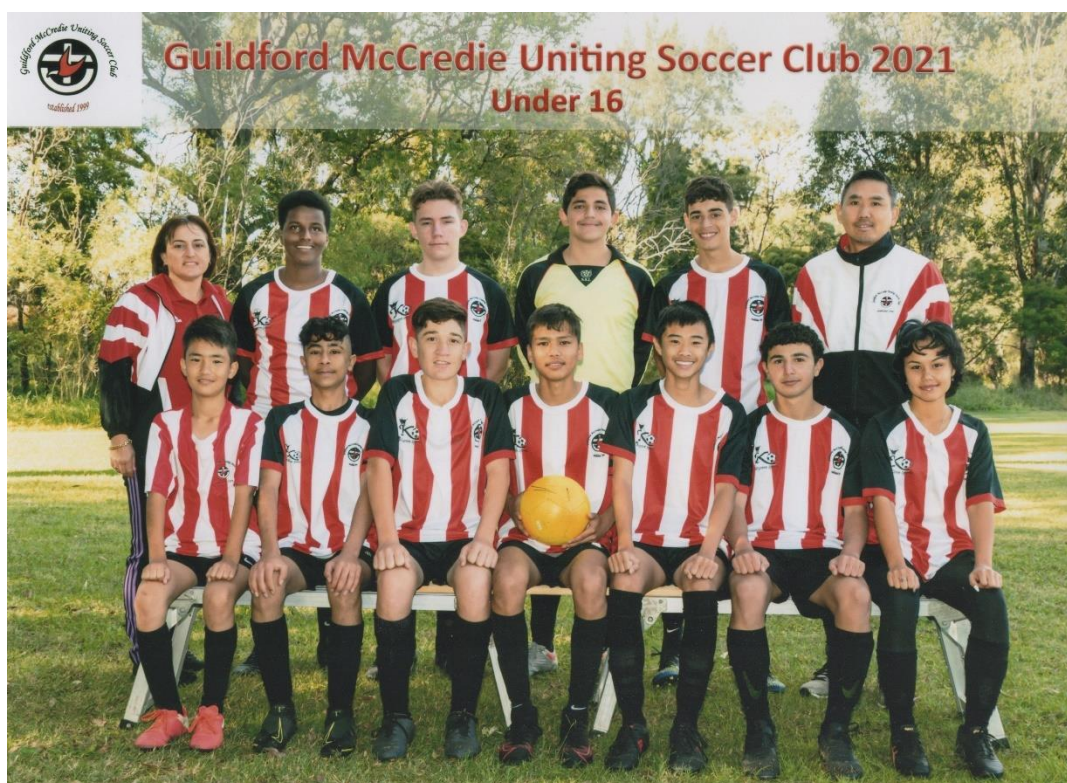

Theresa Hana, first year with the team, used in the midfield. Played well when on the field and showed improvement in each game. Only played three or four games before being injured

Thanks to all the new girls that signed up to play this year. You all complemented the girls that were already in the team. Looking forward to seeing you all return next season to improve on our position from this season. A very big thank you to all the parents and supporters that supported the team and help Phil and me throughout the year.

Regards

Peter Sultana.

Under 16 Division 3 Team Report

Thank you to the U16 team for always bringing their best attitudes throughout the season despite the many setbacks with player changes through the year. We struggled at times to field a full team, but every player that did turn up always played their part really well and as a team we started to build some very positive momentum despite being under strength compared to the opposition, the team always played with intense passion and that ensured we were always very competitive, pushing the top teams in every game with excellent opportunities to win games which didn't appear possible. We surprised the opposition every time we played them and it just felt like we needed a little more time and some more games to really push towards finals and shock the competition. But alas, destiny would see all that put on hold and unfortunately the season cancelled.

But to each player in the team:

- **Ali-riza**, you have a never give up attitude, you run till you can't run anymore up down the pitch and then keep going. Your hard work helped the team be so competitive and you kept getting better with every game.
- **Anthony**, our rock between the sticks. In games when you were injured and couldn't play, your presence was sorely missed. Your positive attitude was admired and all the players enjoyed playing with you.
- **Armin**, you have such a fun personality when you peel back the surface. Your tenacity at training and on game day was awesome. I remember fondly how you chase down the opposition after they pass you, which is a great trait to have. Your funny screams and theatrics at training was so funny at times and helps bond the team.
- **Dylan**, you get along with everyone in the team and everyone clearly enjoys playing with you in the team. You owned that left back position. Opposition attackers could not get a break with you on that left flank shutting everything down. Your speed and often cheeky nudges and checks annoys the opposition, but enamours you amongst your team.

- **Joshua**, Mr so many chances, but not enough clinical finishes. But hey you were good enough to get those chances. You are super fast and good with the ball getting around your opponents. Also love the team spirit in you.
- **Moey**, you're such a fun guy, but let too many things get under your skin, and then you also talk up a big game. Some advice is to concentrate on the game, keep things simple and execute.
- **Nas**, thanks for making an impact coming in half way through the season, although we only got to play a few games with you, you fit into the team so well.
- **Sajjad**, standing half as tall as some of the tallest players in the comp, but you had one of the biggest heart. Your ball skills and team mentality meant the middle was well managed for the team. Always reliable.
- **Sayed**, you always made your team laugh and enjoy being around each other. You're developing into a great player, but your fitness lets you down a little. Only going to get better, but also remember to be calm when the opposition pushes your buttons.
- **Samuel**, our great wall of defence, opposition fast break or any break, no problem Samuel would shut it down. He would school the attackers and get the ball back more than halfway down the pitch with each thundering kick. Our big booty, was our superstar.
- **Sebastian**, what good things can I say about Sebastian which he hasn't said about himself already? Seb is not short in confidence and has a solid game to back it up. Our top goal scorer who keeps us within a chance to win every game. Only thing for Seb is to develop trust and support for his team, by helping them get better he'll get better and the team will be stronger.
- **Zienat**, what a joy you are. Our only girl in the team, but can mix it with the best of the players on the field. Knock her down and she gets back up, kick the ball in her face and she keeps going, Zienat is so tough and played in the middle and owned the CDM role. Thank you for being awesome.
- **Rijo**, was so disappointing to lose Rijo for the season after just a couple of games, after he broke his collarbone. In his short time demonstrated how complete he was and would listen to everything asked of him. When he went down with the injury was still so positive. Remarkable kid.
- **Ayan**, disappointed to not have had more opportunity to get to know you better, but thanks for coming along to a few games towards the end.

I wish each of you all the best for next year. It was a pleasure to coach you this year.

I want to also thank Salma for her help through the season.

Under 18 Black (Youth) Division 1 Team Report

Unfortunately for the second year in a row, the season was cut short due to the pandemic which only allowed the boys to play 10 games this year. I am disappointed that we could not continue the season as I feel we started the season slowly and were building towards our full potential.

One of the things I like most about this team is the culture. Again, we had 12 players come back to the side from last season and added 5 new faces (Sarthak, Mahdi, Mambo, Jack and Chris). This is the main reason as to why we are so strong every year as the core returns and continues to ensure that this team is a joyous one to be a part of.

This year was still an eventful one for the U18 Black team as we participated in multiple competitions including the Youth competition in GDSFA, the State Cup Opens in the CFA Sydney Association and the State Cup U18s competition under Football NSW. Starting with the Youth competition, we finished the 10 games with a great record of W8 D1 L1 and a goal difference of +45. My highlight of the year from this competition was the second half performance against Auburn District at home. We were down 0-2 at halftime having already drawn one and lost one in the previous two weeks. We were fatigued, lethargic and playing complicated football. However, in the second half, we clicked into gear, and it was a completely new team. Mambo set up the second half with a left foot screamer from outside the box to score his debut goal for McCredie, before we proceeded to score two more goals in the next seven minutes and two more after that finishing the game at 5-2. I still remember the coach saying to me at fulltime "I'm so glad we got the early lead at halftime but that was unbelievable, you have a great team". That second half performance showed ourselves that when we switch on, we are unstoppable.

The State Cup Opens tournament was an extra-curricular event that I entered the boys into to gain some all age experience playing up against the best there was in the CFA Sydney Men's competition. I really had no expectations for where we would finish and the "no expectations" attitude helped us play some of our best football. First round we played Kings Old Boys PLR who drew with our men's team 2-2 the week earlier in the league. However we completely played them off the park and came away 3-0 winners. A forfeit in the second round and a cruisey 3-1 victory against a Wenty RC side brought us to the Semi Final against Ambassadors PL (who knocked my PL team out in round 1). Unfortunately I was not there as I was away for work but I receive a video call in the pouring rain to watch the boys in a penalty shoot out with Ambassadors after it was 0-0 at fulltime. Unfortunately we lost in penalties but to make it to the semi finals with a team of 16 and 17 year olds is a great feat.

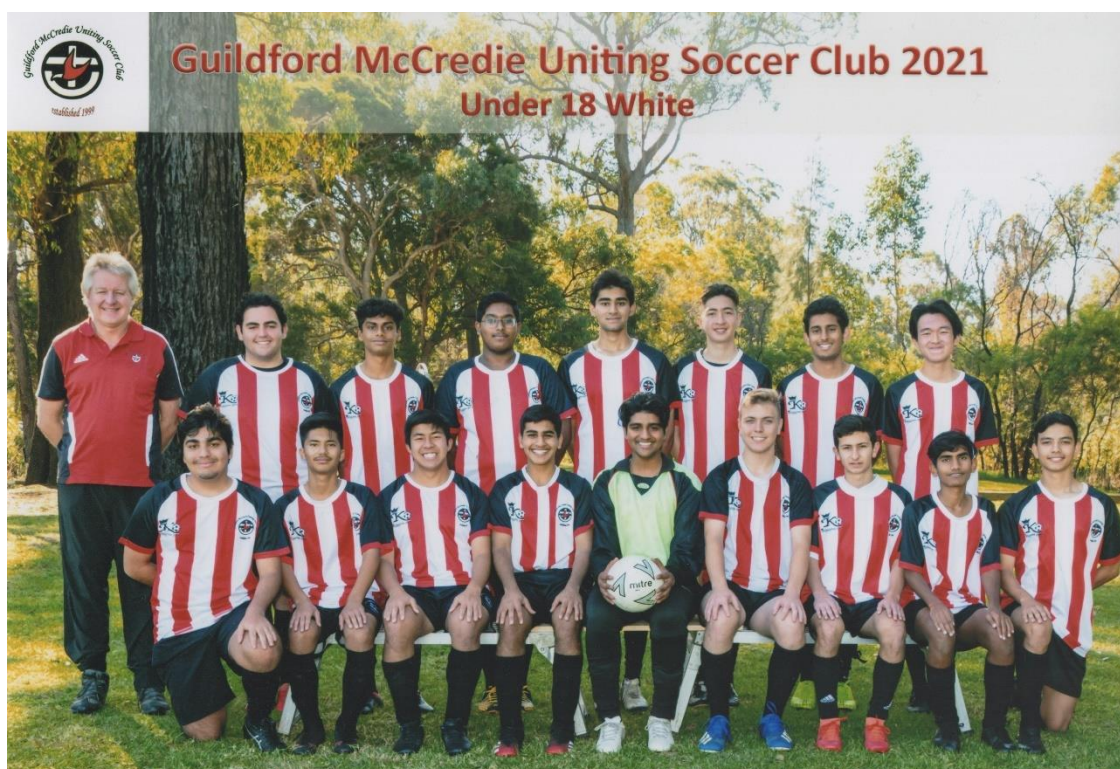

The State Cup U18s competition is a tournament run by Football NSW and anyone in the state can enter. We entered and found out that we had drawn Kemps Creek (away) who had previously won the entire competition a few years ago. This did not deter the boys as we played really well. But this was the game that got away. They had one shot and they had one goal. We had many shots but no goals. It is the way football goes sometimes but still to this day I believe that we were the better side and could have gone far into that competition.

It is an absolute joy to have watched and coached these boys since they were U12s. As I mentioned previously, not only are they a great football team on the field but they have grown to be mature, young men off it as well. This is it for their junior careers as footballers but as one door closes, another one opens. Senior football is just over the horizon and 2 Premier League sides for Guildford McCredie would be awesome.

I hope to see all you boys next year in all age and it begs the question of whether I play with or against you all in the upcoming seasons. See you all next year!

Under 18 White (Youth) Division 1 Team Report

What a thrill it was to have a couple of long term players with our club bring a bunch of friends to our club to play Under 18s this year. Best of all – they could all play and they were a great group to have represent our club each week.

The season started with full fees and full attendance at each training. These guys were motivated and took that effort on to the park every match. The draw was an odd one with teams seeded pre competition and opening rounds played against teams seeded similarly to us. As a new team we were seeded low and early on we had some thumping victories. As the season progressed the games got harder each week, but after 5 rounds we were on top – ahead of our own heavily fancied Black side, who with the early season finish, we never got to play.

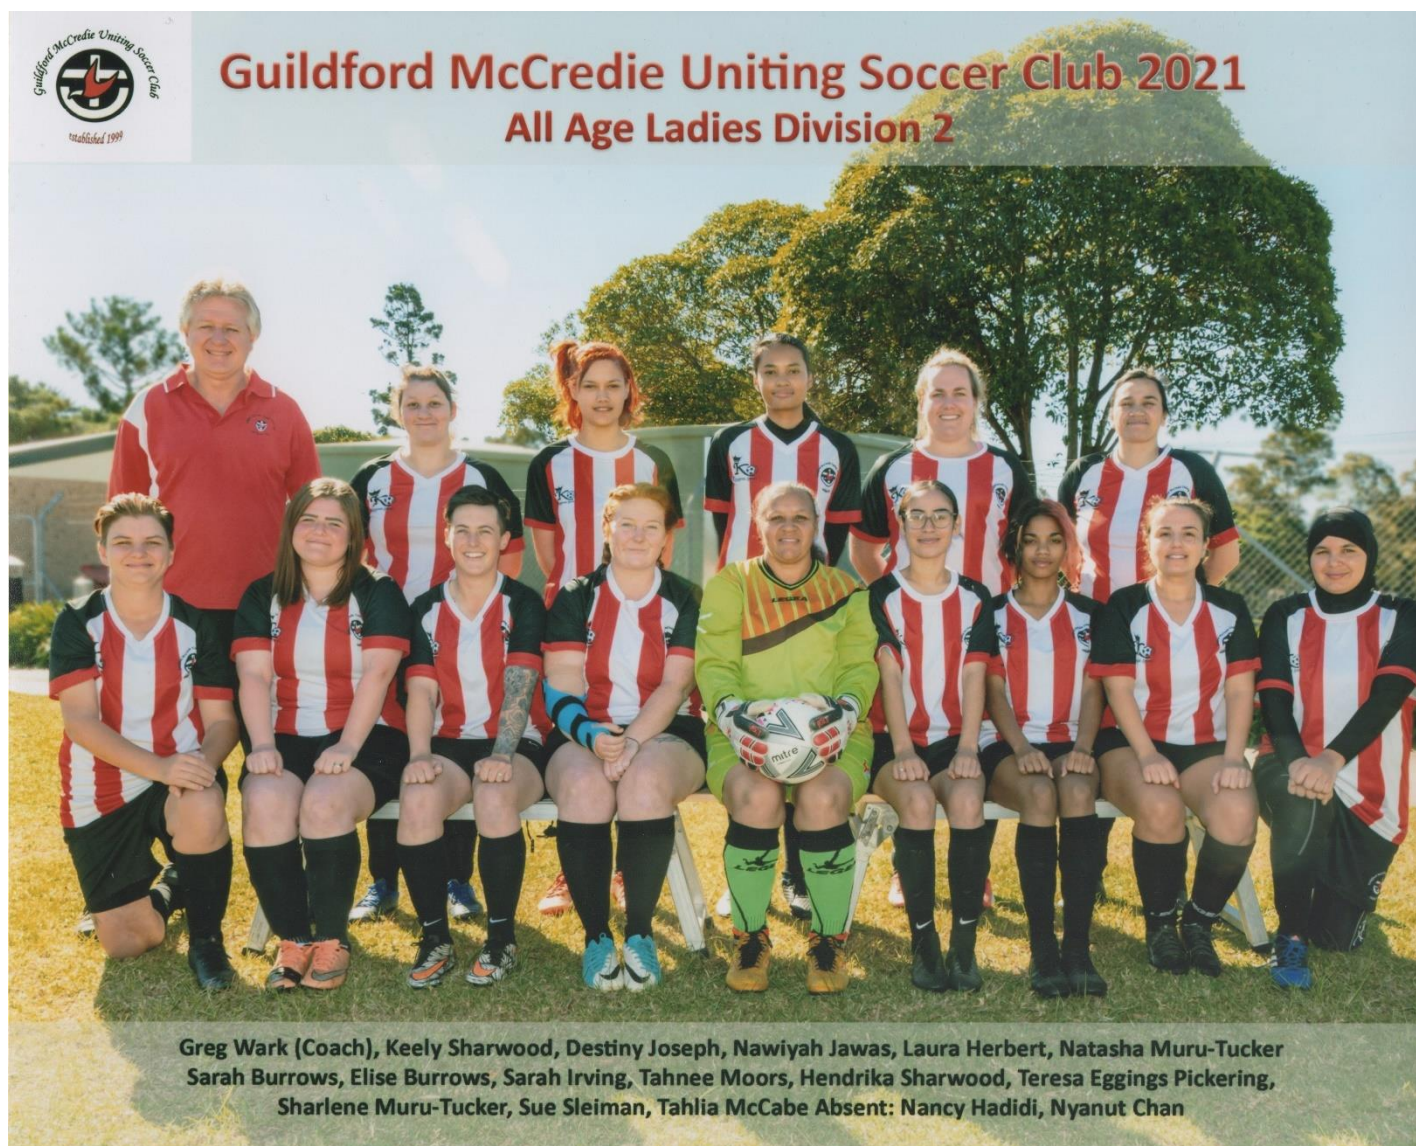

Geetansh returned to McCredie not having played for some years and goal kept for the team doing a great job and working well with the defenders in front of him. Across the back Suleyman, Arav, Matias, Ragul and Haris built a strong wall of defence. All players had their day – Aarav with a great goal from a corner, Matias with a top game against Merrylands in a tough match, Ragul who always out enthused everyone, Haris who was simply outstanding each week (none more so than his great keeping/sweeping at six a side) and Sulayman. Sulayman was almost always the best player on the ground, from either team – fast, cool in a crisis and skilful - simply outstanding.

In the middle Arsh learnt the game. New to football and one of only two guys who didn't know everyone, he was welcomed into the side and assisted to learn the game. He had some great role models around him. In central midfield Cesar was hardworking and clever, but also a great team man. When defence was necessary Cesar was in the thick of it, but he also manufactured most of our attacks. Joel was a very solid holding midfielder, who defended very solidly and Abhe very creative beside him. Out wide Vincent was a revelation and took his opponents by surprise every time they gave him any space. Vincent also put everything into his soccer starting with training, continuing on the pitch with wholehearted efforts and finishing with his enthusiastic support from the bench when he finally got his rest. Sharing the wide duties the architect of the bringing together of the side was Edward who improves every week and has made the wide midfielder position his own and Zikria who returned from last year and impressed his team mates with his selfless efforts to provide them the ball.

Up front Samar, Conor and Aaran scored plenty of goals early but when the games got harder had to work harder, drop into midfield at times and peek out the goal when the opportunity presented.

Our club has a super opportunity in 2022 to build a ready made competitive first and reserves squad with our two 2021 18s teams. I hope these boys all return to take up that challenge and finish what they have started. Thanks especially to our manager Edmund for his support in organising the guys.

All Age Ladies Division 2 Team Report

This one was an odd season already, before it finished prematurely. Before the season started we lost some key personnel unexpectedly but then gained some quality players, new and returning. We even signed up a long time spectator! Then we had some injuries, other players still overseas and then a new midweek comp started and we had some different girls playing – some opting to play just Weds, some just Sundays. We had washouts and byes on Sundays – then one of the teams that had thumped us got regraded up, but we never got to play the new team that came down. It was all just a little chaotic.

We drew one and won one and besides the first two games we competed strongly against all teams losing 2-1 and 1-0 to the top two sides. We struggled to score which was our downfall and our midfield was often seriously undermanned as we searched for different options up front. Our backs and keeper (of course Henny!) were top shelf and kept us in games even when scoring and therefore winning seemed unlikely.

Then the Wednesday comp got rolling and we were unstoppable. We played every game bar the last round and the grand final, we won all bar one (a nil all draw) and never conceded a goal.

Sarah Burrows had the season of her career thus far. Sarah is not going to dribble five players and curl one into the top corner, but she will try 100%, play with her teammates, wear her heart on her sleeve and has developed a very clean through ball and cross. Shaka is the player who will dribble 5 and curl it in top corner. She tore the Wednesday night comp up and did similar things on Sundays until she had some injury and health issues. We missed her when she couldn't play. Hendrika Sharwood remains the best goalkeeper in the comp and made some remarkable saves this year being tested more than she has been for some time. Henny was ably assisted by her daughter Keely, who in the back is

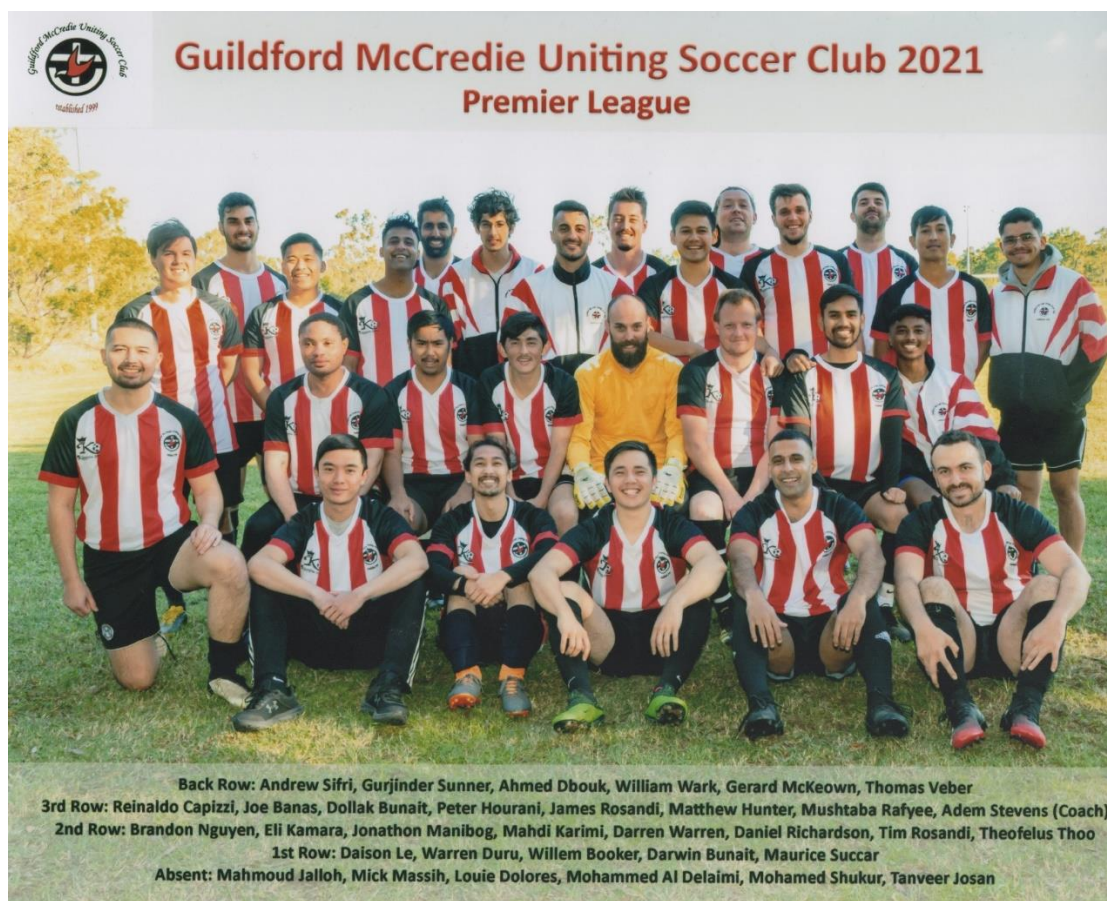

as solid as a rock. Keely has got that way because since she was 6 years old, she is always first to training. Something to ponder. A player like Laura Herbert is gold for any coach. When we need to score she has a run up front and when we do score, Laura drops back to keep 'em out. The only good thing about Covid was that Laura was not able to go home to Forbes in June and instead played six a side where she greatly assisted in us winning and she won her first trophy with us after many seasons of playing. Elise Burrows' crowning moment of the year must have been her 30 m run to goal and scoring in one of our Wednesday fixtures. Probably my favourite goal of the year – and a finishing lesson for our strikers! Sue Sleiman is great fun and really has found her position in centre midfield, feeding those around her with quality ball and a cheeky smirk when the coach yells. Tahlia returned after having (yet another) baby, and was working her way back in when the season abruptly ended. Teresa played in centre midfield with her, gave us a touch of class when she had the ball at her feet and scored a beautiful goal one Sunday to get us our first win. Destiny Joseph also returned after her stint in Japan and was also finding her feet as the season halted, unfortunately she wasn't finding the net like she was in 2019. I'm sure she will in 2022. Another of our new players Nawayah Jawas learnt quickly and really hit her straps in our final Wednesday night game, where she consistently beat one and played quality balls to Mika up front. Not just once, it kept getting repeated that match and we were excited at the development until Covid shut us down. Also unfortunate as Tahnee had just returned from wrist surgery after playing just a few games, but was so keen to learn and excited to play, Nancy had just finished Oztag commitments and Nyanut literally returned from Hotel quarantine for just one game! Lastly Mika played Wednesdays and scored plenty!

Sundays weren't successful, but we tasted success defending our 4th six a side title in a row (defeating the top and third ranked teams in our comp at the time) and were dominant in the Wednesday comp. The good news is that we are very likely to have a very successful Sunday season next year following the regradings and will still have the Wednesday comp – so get back on board ladies – it's always a wild ride!

Premier League Report

Wanted to start by acknowledging a legendary group of guys – this year was great with both the expected highs and lows of a competitive environment mixed in with (mostly) healthy banter. What seems to bring back a high number of our players year on year is hard to describe, because once you're in it, the only way to describe it is to bring your friends/family along to experience the camaraderie first-hand.

Overall, our season was one to be proud of with undefeated status achieved up until gameweek 12. The season frustratingly ended the week after due to lockdown. We used last season as a foundation to build off as there were lots of moving parts in our first "lockdown season" that needed to be pulled together. As a team we identified early on that we needed to create more, enjoy 'fitness', and keep morale up. But less so on the tactical side, a major key was telling the boys that we aren't 2 separate teams, we are a squad of 32 and everyone is there because they contribute in some shape or form and my job as their coach/manager was finding what that is.

Our First-Grade performances this year had many memorable moments. But at our core we were able to remain with a similar shape to last season and more importantly, concede the least and score the most. Usually if you follow that trend you are looking good for the season. Across the defence, we had mainstays like Jono, Gurj, Tim & Daison remain consistent performers. But more importantly we were able to massage others into that lineup with Theo, Darwin & notably, Tanveer all contributing to the 'least conceded' award. A special mention was Darren who played 2 games most weeks but looked to improve his passing game which offered us another player in possession. Midfield is where we looked to improve the most this year with 2 of our most improved in Mush & Brandon enjoying their football and looking really fit. Watching Mush dance and Eli + Brandon bully was a great sight on weekends usually causing a lot of frustration for whoever we were playing. Lastly, our attackers were immense this season with Dbouk, Dollar & Will (+Mick on the odd occasion when he wasn't getting married or on his honeymoon) regularly contributing to the 'goals scored' column.

Dbouk in particular, with a portion of the season fasting, was putting in top performances consistently. A real standout year giving me headaches in team selection. It's unfortunate that we weren't able to complete the run in as we looked a cut above this year in our first grade play.

Now, Reserve-Grade was a roller coaster as many times we were a cut above our opponent, but unable to put them to the sword. What that means is sometimes we got complacent in our approach to games where we had multiple chances to end the game by the 70-minute mark, but instead took the game to the 90th which doesn't suit us. Mind you, we conceded the least amount of goals, so our backline contribution between Banas, Tom, G, Theo, James, and others did an awesome job in giving us the foundation to go and win games. We found an inconsistent midfield with some injuries hinder us from ever getting off the floor, with Rennie & Richo offering us stability, but if they weren't on the pitch, we were lost. Not to sound to dim on a season where we were undefeated til our final game, I just think we had so much more to give and it's disappointing we didn't get the back end of the season to show that. I know we would of. It was a positive showing for the most part up top with Will Wark banging in goals left right and center with a contribution of 16 goals in 12 rounds. Hunter, Booker, Dollar, Warren & Dbouk offering creativity that was sorely lacking at times gives us a platform to build off for next season. Our focus needs to be creation of goals and efficiency in closing games off.

In summary, really happy with how we were tracking. We had some great times on the pitch but off the pitch we had a BBQ, virtual training session, multiple post-Everley pub dinners which I would give anything to do right now. Looking forward to next season boys. Stay healthy and I know we will have our Marconi Grand Final soon.
