- **Round 18 results**

### U6's

0	Lidcombe Churches	5	Newington Gunners (A)
---	-------------------	---	-----------------------

The Reds finished off a fine season with only a single loss. They again looked very strong in their last game with Alex breaking the deadlock early with another great goal. Lidcombe made some breaks but were unable to get past Daniel in the Newington goal. Dante was playing like a boy possessed and popped up all over the field to help in both attack and defense as required. That allowed Tyler to play a little further forward and he was rewarded with the second goal. Samuel was busy as ever around the midfield. Saad took over goal keeping at half time and also kept a clean sheet. Dante was also rewarded for his hard work with a goal early in the second half, followed shortly by Mason. A fine all round performance by all was finished off by Dante's second goal to make it a comfortable 5 – 0 win. Well done the whole team. We again had to spread man of the match to all players due to everyone putting in excellent performances. A great way to finish off the season.

### U7's

4	OLOR/St Angela's (White)	3	Newington Gunners
---	--------------------------	---	-------------------

The last time these two teams played it was the tightest, toughest game we had played. The teams were so evenly matched, we were lucky to get away with a 4-3 win in the last minutes. So when we ran out on the muddy pitch we knew we were in for a close encounter. Kellyville started strong and seemed to be camped in front of our goal. It was too much pressure and they scored in the 6th minute and again in the 8th minute. After the 10th minute we finally got the ball down the other end with Kevin, Adrian and Alif keeping the ball in front of the opposition goal post. The constant pressure on the Kellyville goal paid off when an own goal went in giving us our first point for the game. Then it was Tryston who scored two excellent solo goals both running from our end of the half taking us to a 3-2 lead into the second half. The second half started as a carbon copy of the first with Kellyville scoring in the 4th and 10th minutes. And like in the first half after the 10th minute the Gunners put the pressure on the Kellyville goal, Sylvan had some good chances but excellent defence from Kellyville stopped him from scoring. Josh had a shot from almost the halfway but the Kellyville keeper just cut it off. The game was a tough bruising encounter, I know a few of the boys will be carrying some bumps in the next few days. The boys tried to the very end but we couldn't get the equalizer and maybe that's fair enough that both these very good teams share the wins this season.

### U9's

5	Newington Gunners	0	OLQP Falcons (O)
---	-------------------	---	------------------

The Under Nine's finished the season on a high against the OLQP Falcons. Coming off a great win against the top team and with a home game against a team at the bottom of the ladder, the boys were confident of a good result - and so it turned out. We played some great football at both ends of the park and it was great to see the enthusiasm so high at the end of the season. Everyone played well and Nuno kept up his incredible scoring average with another two excellent goals. Mark and Cameron played well in goals (including Mark saving a penalty) but the star of the day was definitely Lewis with a break-through

goal-scoring spree of 3 outstanding goals. Final score was an emphatic 5-0 victory which secured 3rd place on the table. Well done boys! Robert.
