President's Report

2025 was another very successful season for Guildford Mcredie; well done to all our teams who made the semi-finals and congratulations to our grand finalists and premiership winning teams. Unfortunately, we also had a few teams who missed the semi-finals solely due to the wet weather at the end of the season, all I can say is better luck next season guys.

Despite the numerous interruptions during the season due to the wet weather, starting in March with the washout of a complete round of trial matches to the cancellation of semi-finals in August, we still managed to hold our annual Lapathon fund raising event in May which proved to be very successful and in June we also had great success at the annual Churches six-a-side competition and again retained the Club Championship. During the season, our club committee members were again extremely busy working behind the scenes making sure that our club continued to run smoothly; a big thankyou to Greg, Carolynne, Wil, Sarah, Mabel, Pam and Ian for your tireless efforts and thanks for great support from Alex, Elise and Gemma. I'd also like to acknowledge all our canteen and BBQ volunteers who turned up every week to ensure we always had something to eat and drink on game day.

At times the continuing wet weather again prevented many of our teams from training for parts of the season and I would again like to thank our dedicated coaches and managers for all their amazing efforts to organise training for their teams and getting them onto the playing field each weekend.

Thank you to all the parents, relatives and friends for your weekly support of our teams throughout the season and your efforts to ensure that our players continued to enjoy a positive game day experience.

I hope that you have all enjoyed this season and I look forward to seeing you all again in 2026, have a safe and enjoyable summer and when you come back, we can do it all again next year.

Peter Warwick
Club President

Secretary's Report

In Guildford McCredie Uniting Soccer Club's twenty-seventh season we were able to field ten junior full field teams: two Under 11s, an Under 12s, an Under 13s, an Under 14s, two Under 15s, an Under 15 Girls and an Under 16s; seven small sided teams: an Under 8s, an Under 9s, an Under 10s, an U10 Girls, an Under 12 Girls, and an AAL and Over 35 mens on Wednesday nights; three mini teams, an Under 6s and two Under 7s and five senior men's teams one in the Raahauge Cup Firsts and two Premier League & Premier Reserve squads: a total of 25 teams. This is a decrease in total numbers of teams from 2024, but a stable number of junior players (given we had less small sided and more full field teams entered). Only having a single Under 6 team was a shame and we may need to look into our pre season promotions. It may be that less people read on line school newsletters (where we primarily promote ourselves) than used to read the printed versions. Or perhaps less schools are promoting us. We were also unable to field an Under 8 girls team meaning that there was one age group in CFA where we were unrepresented. We did lose what should have been our third Under 11s and third Under 15s which was a shame but in both age groups we still fielded two successful sides. What was pleasing was that a number of our 2024 U17s (6), despite struggling in Raahauge Cup, returned to play senior football again and were integrated into our two Premier League squads and acquitted themselves well.

In weekend competition we achieved four minor premierships – U9, U12, U14, U15 Onyx, but unlike 2024 where we converted 3 from 7 to premierships, this year we won three of them (U12, U14 & U15) and added the RC for good measure! The weather was appalling for the middle and ends of the year, spoiling the semi finals. We did get the finals in, our lapathon, six a side and all teams played each other at least twice so things have been worse. It is certainly worth appreciating that both CFA and GDSFA did their best to replay as many games as possible which was a monumental effort and much appreciated.

The club's executive was elected in November, and I would like to thank the committee who work so hard to keep the club running, Peter W, Carolynne, Ian, Sarah, Elise, Mabel, Alex, Gemma, Pam, Wil, Michelle and Eddie. Michelle Allen generously stepped in to run our canteen in 2025. Serving in the canteen for 4 hours each Saturday is an enormous and important commitment to our club. The ordering and purchasing was largely managed by Mabel. The canteen remains an important hub for the club on match days and the service of Michelle, Mabel and all who volunteer some time on a Saturday is very much appreciated. Remember – no one is paid for their service to your club. Finding volunteers is becoming increasingly difficult. We need you to step up and offer to help out. We need coaches and managers, we need people to help in the canteen, we need you to help put up nets and take them down. It doesn't matter if you have very little time, no English, your own business, don't know what to do, or any of the other excuses that we hear – your child needs you to step up and we will have something that you can help with. Your fees do not cover someone else sticking a corner flag into the ground on Saturday morning for you!

In 2024 I wrote the following "the CFA was able to further expand through advertising with two more brand new clubs and enough growth in other clubs to create an additional girls comp, extra junior divisions, significant growth in the AAL and O35s and an U14 competition". In 2025 exactly the same thing could be written, as Titans and Cumberland joined the Association, U8 Girls and 11 a side U15 Girls were added, extra graded divisions were brought in, additional O35s entered and an U15s comp introduced. It is fantastic that our Association continues to grow and offer even greater opportunities for our players. Unfortunately, the cost of sending teams to National Titles in 2024 meant that teams did not head to Victoria after the season in 2025. Hopefully in the future things may change to allow this to happen again.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. All registrations must be accompanied by full fees. Remember if everybody brings a friend, we will double our team numbers, but we also need twice as many volunteers. Nobody is paid, so please think how you can support your children in their participation in sport.

See you all in 2026.

Secretary

Life Memberships 2024

At our presentation at the end of the 2024 season, Paul Sydenham (President CFA Sydney) presented Peter Warwick with Life Membership of the Association. This is an incredible honour and much deserved for Peter. Peter becomes the second GMUSC member to receive this honour.

Also at our Annual presentation last year Adem Stevens and Peter Sultana were awarded Life Membership of Guildford McCredie Uniting Soccer Club. Adem played in our very first Under 6 team in 1999 and continued in 2024 playing in, and coaching, our Premier League white squad. Peter received his 10 year Service Medal in 2021 having coached, played and served as a member of our Committee. Both Adem and Peter are deserving of this honour and were happily surprised when receiving it.

Under 6 Team Report

What a season it has been for our Guildford McCredie U6 team! Through sunshine, rain, and even being short on players, our boys showed incredible heart, teamwork, and resilience every single week.

Across the season, we had tough battles and some brilliant wins. Highlights included Ronav's outstanding final game performance where he netted three goals and a 4–2 victory over OLQP Falcons Blue where Zayd scored a memorable hat-trick. Every player — Zayd, Ronav, Musab, Mikhaal, Zak, and Dayaan — contributed with determination, strong defence, fearless goalkeeping, and smart teamwork.

Even in games where we were outnumbered, the boys never gave up, always playing with courage and sportsmanship. A special mention goes to OLQP Red for their generosity in lending players, reflecting the true spirit of junior football.

While results varied, the season was a huge success in what matters most — learning, growing, and enjoying the game together. The improvement in skills, confidence, and teamwork was clear to see, and every player should be proud.

Well done Guildford McCredie U6 — an amazing season full of effort, energy, and fun!

Under 7 Red Team Report

This season has been nothing short of spectacular for our U7 soccer team! The players demonstrated exceptional skill, determination, and teamwork throughout the year.

Highlights:

- The team achieved an outstanding record, winning almost every game and experiencing only one defeat.
- Runners up at the six a side tournament (with just 5 players!)
- Teamwork: Each player consistently supported their teammates, showcasing the true spirit of collaboration.
- Effort: Every child gave their best effort in each game, contributing to the team's overall success.

The coaches and parents are incredibly proud of the team's accomplishments and the positive attitude displayed both on and off the field. We look forward to seeing their continued growth and success in future seasons!

The U7 White Team enjoyed an excellent season, demonstrating consistent improvement, strong team spirit, and a positive attitude towards learning and competition. The group comprised a mix of new and returning players, all of whom showed a commitment to developing their soccer skills and understanding of the game.

The primary focus for this age group was skill development, confidence-building, and fostering enjoyment of the sport. The players made significant progress in key areas including ball control, passing, positioning, and teamwork.

Our Team participated in regular weekly fixtures with strong performances across the season. Majority of games resulted in wins, while maintaining a strong focus on development over results. Training sessions were structured to be supportive, engaging, and age-appropriate, ensuring learning remained fun and inclusive for all players.

Under 8 Team Report

What an amazing soccer season we've had this year! Despite missing a few games and training sessions due to wet weather, it was a joy to watch our Under 8 team come together and grow throughout the season. Theo and Riley played a crucial role as coaches, not only guiding the team tactically but also focusing on giving every player the chance to experience different roles on the field. Their inclusive approach helped every child develop confidence and skills in multiple areas of the game. One of the biggest turning points this season was the focus on team bonding. The coaches encouraged players to support each other with kind words and to avoid foul language on the field. This shift in attitude really brought the team closer together and improved morale and cooperation. It was a proud moment to see our team make it all the way to the semifinals. Such a shame the weather intervened. Every player contributed to that achievement, showing great effort, determination, and sportsmanship. A special thank you goes to the parents who took turns in washing jerseys that's showed that Guildford McCredie community is building strong every year and we all take part in building this club stronger. Overall, it was amazing to watch our little boys to achieve so much in this season.

Antoine - Antoine is a true all-rounder. When the team needed a stable goalkeeper, he stepped up and delivered brilliantly. Not only did he handle goalkeeping duties with confidence, but he also contributed to scoring goals. His calm personality brings positivity and balance to the team.

Mathew - Mathew played as a reliable all-rounder. From taking on the role of a goalkeeper to defending, he contributed in every area of the game. His versatility and commitment were key assets to the team.

Kanil - Kanil showed great dedication and contributed tremendously by scoring goals and supporting the strikers. His effort and teamwork were felt throughout the season.

Jeremiah - With his friendly and supportive nature, Jeremiah helped the team in many different ways. He proved his ability to take on multiple roles and always gave his best for the team.

Raymond - Raymond has an amazing ability to score from long distances. In several games, he secured the winning goal with powerful shots from afar. Watching him score was a true highlight of the season.

Farhan - Farhan consistently showed dedication and gave his all in every game. His commitment, skill, and effort made him one of the most valuable players on the team.

Riyaarth - Riyaarth is a fantastic player, strong both in defence and in moving the ball up to the strikers. His ability to support both ends of the field made a big impact on the team's success.

Jayden is a talented goalkeeper and a fast runner. Though we missed him during his time away on holiday, his presence and skill in goal were greatly appreciated when he played. He remains an important part of the team.

Under 9 Team Report

The 2025 season was one to remember for our Guildford McCredie U9 team. From the very first whistle, the players showed determination, teamwork, and a willingness to learn, which set the tone for the months ahead. We started the season with an already full roster of 14 players, meaning a very full bench of 5 players. We enjoyed a steady start to the season, developing our rhythm and confidence against strong competition. When the divisions were redrawn midway through the year, we found ourselves placed in Division 2. The team rose to the occasion spectacularly, going almost undefeated throughout the remainder of the season and securing the Minor Premiership!

We found a winning formula with Felix as our goal keeper. We utilised the skills of Jessie, Akram, Zoe and Christian in defence. Then strategically placed Hamza, Aaron, Yusef and Sam up front. All while being able to rely on Seb, Ali, Prajithan, Salvatore and Josh to support in midfield.

The season culminated in a hard-fought Grand Final, which tested our resolve right to the end. After an incredible performance and a tense penalty shootout, we narrowly missed out on the championship. Though the result didn't go our way, the courage, skill, and sportsmanship displayed by every player made us all immensely proud.

A heartfelt thank you goes to Coach Anthony, whose guidance, patience, and commitment have been invaluable, and to Trainer Will, for his energy and encouragement throughout the season. Your dedication has helped every player grow in confidence and ability, whether it was their fourth year of soccer or their first. I would also like to sincerely thank all the parents for their ongoing support — from early morning games to cheering on the sidelines and helping with training and logistics. Your consistency and dedication make all the difference.

It was a privilege to watch each and every player grow this season. We can't wait to see what the 2026 season brings. Congratulations, Guildford McCredie U9 team, on an outstanding year!

Gemma (Team Manager)

Under 10 Team Report

First 5 in 2025 we were undefeated and on top of the leader board. Due to circumstances beyond our control, the U10 were required to restart the competition due to the CFA adjusting the teams in the various divisions.

With the reset in the season (having 6 teams in the new competition), 70% of last year team returning and the addition of 4 new players (making 13 players total) we had found a new rhythm and varied the players positions accordingly.

There were various teams whom we struggled against (Greystanes Black and Inter Parra White - however both these opponents were quiet challenging given their skill set). Our games against these 2 teams were played in full and was never washed out nor missed allowing them to score the points required to be on top of the leaderboard. There was a team who were on par with our ability (OLQP Blue) and others (Greystanes United and Greystanes Blue) who would put up a good match. Unfortunately, due to the wet weather at the end of the season the last 3 games were forgone.

Although being eligible for playing the finals, the wet weather dampened our hopes (quite literally) and the fields with the decision for only the top 2 teams to play out the Grand Finals. It was a shame it turned out this way at the end, however being part of your weekly schedule for almost the last 20 weeks I can say that it was enjoyable watching many of the boys grow into young men and getting to know them (parents included) throughout the season. A shout out to all the parents who assisted with the washing of the jerseys on a weekly basis and supporting the team, Kamil Khan for managing the team this year and to Nick Errichiello who coached and arranged the John Oliver Rep Games.

Player Highlights

Arshan Turkmani: Returning this year and playing mainly defence and mid field, Arshan was always willing to get into it and tackle and when able to, used his power to smash the ball down the field assisting those who were playing striker. Arshan also represented in the rep matches.

Filipe Niulala: New this season and a player with a mix of mid field and striker, he was a person who was one of the top goal scorers this season. His speed kept the opposition in his rear and on their toes. Filipe also represented in the rep matches.

George Algass: A long-term devoted player who would play mainly in goals but wanted to be let out this year playing mid positions. After being “let out” George scored a goal in the last match before our competition was changed and represented in the rep matches.

George Merhi: New this season and a player who was skilful and able to display these abilities throughout the season. His dedication to the game was able to net him quite a few goals and added some flare to the team.

Imam Khan: A new player this season and a great defender and midfielder. Imam is hard to stop when he picks up speed and is always brave when taking on attacking opposition players or going on a run of his own.

Jacob Ibrahim: The returning striker who notched up the most goals this season. Your fitness, endurance and dribbling made sure our opponents were always trying to catch up to you. Jacob also represented in the rep matches.

Milan Bhattarai: The returning of our all-rounder versatile player. Milan would play whatever position he was assigned and was relentless in his pursuit of opposition players allowing him to score this season. Milan also represented in the rep matches.

Neal Pradhananga: Our hard charging “all positions” player. Whichever position he was assigned he would give it his all. It was this brave and courageous actions that netted him a couple of goals this season. Neal also represented in the rep matches.

Neil Shrestha: Returning as our highly effective defender, Neil was away for a chunk of the season. However, when he was here, he would take charge in defence providing tactical solutions to his teammates. Well done, Neil.

Orlando Errichiello: Returning extremely energetic, fit, and brave player, Orlando was always ready for a tackle (or a slide) and could run endlessly regardless of what position he played. This energy blossomed on field and in goals. Orlando also represented in the rep matches.

Pierre Sassine: Returning this year Pierre appeared to have practised in the off season with his primary positions played being Midfield/striker. With continual striving he was able to score a few goals this season.

Rostom Alasie: A new and enthusiastic player who played defence grew over the course of the season and always got stuck in to protect when required. Well done, Rostom.

Srijan Paudel: Returning dynamo, Srijan was fearless in defence and ready to take on any opposition player with his hard tackles. Srijan was a reliable in defence/goals and mid field and would always give it a go regardless of the situation.

We are a champion team that wins matches and a team that can be feared only when we commit to holding positions, listening, playing as a team, passing, and tackling hard. Get rested and look forward to anyone who returns next season.

Coach Louis.

Under 10 Girls Team Report

That wraps the season for the U10 Girls! Each of the girls put so much effort into the team. It was amazing to see their confidence grow each week, putting the hard work in during their training sessions and showcasing that throughout their Saturday matches. At the start of the year, players were still finding their confidence, learning their roles, and understanding how to work together. Over time, their communication, trust, and support for one another became the foundation of their success.

Maya Alasie - It's hard to believe that this was Mayas first year with the girls. She is an absolute natural at soccer. Her skills kept improving each with each game. Her commitment to protecting the goal, strong tackles and ability to stay focus in high pressure has been a key to the team's success. Overall, Maya scored 4 goals this season!

Charlotte Birchall - When charlotte first joined the team, she was a little hesitant to attack the ball. If you saw her now you'd think it was a completely different girl! Her confidence has grown so much over the season and it showed in each game. Charlotte's understanding of the game has improved as well, now being able to read the game well and adjusts quickly to different positions.

Amellia Chakoush - Our main goalie for the season. She showed a strong improvement in goal kicks and throws. Her reflexes and positioning in the box really helped prevent numerous goals this season - especially towards the end of the season.

Luciana Hana - At the start of the year, Lucy was sometimes hesitant and unsure of her positioning, but as the season progressed, she began to play with greater belief in her ability. Her increased confidence has led to stronger tackles, better decision-making, and more consistent performances.

Fajar Khan - It has been wonderful to see Fajar confidence grow in defence this season. Every training session and game she showed her hard work paying off. She has all the skills to become a dominant defender! Amazing effort Fajar!

Jessica Leke - No doubt every Saturday Jessica was the first there and ready to play. She's confidence taking on anyone that comes her way, using her incredible speed and skills to create an opportunity to score. An unbeatable force that's for sure. Jessica scored a total of 23 goals this season!

Dalilah Lisboa-Sutcliffe - This year, Dalilah has impressed us not only with her defensive skills but also with her ability to play in multiple positions across the pitch. While she has been a solid presence in defence, she has also stepped into midfield and attacking roles when needed, always giving her best effort for the team

Tisha Pradhananga - Tisha's performance in the last few matches was amazing. Her effort and consistency have helped the team stay solid defensively. She worked well with the her teammates and kept the energy alive each match.

Eva Puri - Overall, Eva demonstrated great determination over the season. She's always willing to put pressure on defences and track back when needed. Her ability to look for passes whilst under pressure combines well with the other midfielders and attackers. She scored 3 goals this season - a massive achievement!

Jacinta Taleb - An incredible 26 goals scored from Jacinta this season! She consistently delivers precise passes maintaining the team's control. Her ability to connect defence and attack have made her an essential part of the team's success. Jacinta showed great stamina and willingness to cover large areas of the pitch!

Zoe Yacoub - One thing about Zoe is she will always be on point with her defence. She showcased her amazing defence skills in every single match. She encourages the other defenders and organises the backline effectively, which really boosted the teams confidence. Not to mention the strong kicks this girl has, she can easily change the direction of the game with a single kick.

Emily Youssef - They call her speedy for a reason! Emily showed a continued development in quick decision making and skill this season. Her growth as a player has been incredible - she went from being hesitant to run up to the opposing team to constantly attacking the ball from them. She has consistently shown determination and stamina, no matter where she plays.

Lastly, this season would not have been possible without the incredible support from our parents. From early morning games, driving to training sessions, cheering from the sidelines in all kinds of weather, you have all played a huge part in making this a successful and enjoyable season. We truly appreciate everything you do!

Under 11 Red Team Report

First of all, I'd like to thank all the boys who made up our U11 team this year, you all put in more than 100% this year and I couldn't be prouder of you all. I'd also like to thank all the parents for bringing your kids to the training sessions and games, I know it can be a bit of a hassle sometimes, but the team wouldn't be here if it weren't for all of you, so thank you.

A huge thanks to our coach, Josh, for always being patient, prepared, and passionate about helping the boys give their best on the field. We couldn't have done it without you!

We had a bit of a slow start to the campaign with a couple of heavy defeats to kick off our season, but before long we found our rhythm and started getting some valuable points on the board. We were always there or thereabouts in the fight for finals, and if it weren't for some terrible weather right at the end of the season, we really could've made it. The boys really learnt how to work together as the season progressed, and we really just kept pushing each other to be better footballers, and better people too. Special mention as well to everyone who had a turn in goal, thank you for taking one for the team. Hopefully next year we can do one better and make the finals next year.

The team:

Animesh - An absolute wall in goal with a rocket of a left boot. He was always willing to step into goals or defence whenever I needed him, and even played up front a few times. Great effort Ani!

Austin - One of the few fresh faces to soccer, Austin started the season without even owning a pair of football boots! He absolutely grew into a handy addition in defence, and had a few awesome performances playing at centre back and right back. Awesome work Austin!

Cris - Nominally playing as a striker, Cris would turn up everywhere when he was playing. He'd drop deep and help out with defence and would link up and prove a handy passing option in attack. Had a lot of good performances, even if the goals didn't come too often. Still proved to be indispensable toward the end of the season with his incredible work rate. Well done Cris!

Erik - Another one of our strikers who could play everywhere, Erik managed to score a few impressive goals this season with the help of his super strong right boot. Always willing to help out in defence, his desire and determination is to be admired. Nice work Erik!

Eros - Another one of the new boys, Eros proved to be one of the best runners in the team, with a wonderful display at the lapathon. The improvement from the start of the season until the end was to be admired. Good effort Eros!

Hassan - One of our rocks in defence, Hassan's last ditch defending was simply superb throughout the season. With him on the field, the opposition attackers couldn't be sure they were safe, with Hassan always lurking to stop any attacks. Superb stuff Hassan!

Ibrahim - Playing in midfield or attack, Ibrahim had the ability to play his way out of trouble. He linked up beautifully with whoever he was partnering, he was key to holding off the opposition midfield and created some lovely attacks during the season. Impressive work Iby!

Issa - He owned the left wing. Whenever the ball would come out that way, Issa was there. He created a lot of good opportunities, and even scored a couple himself! A really pivotal part of the team, and very influential on his day. Magnificent Issa!

Joshua - The other solid foundation at the back, Josh's leadership saw him rise to the occasion as captain, especially as he commanded the back line. Always itching to go forward, his runs and dribbles led to some amazing chances and goals throughout the season. Wonderful work Josh!

Laith - Our top scorer from midfield, barely a game went by where Laith didn't score, or at least come very close to scoring. Not only was he always involved in our attacks, but his ability to tuck in just in front of our defence really boosted our defending as a whole. His energy never ran out, no matter how long the game had gone for. Tremendous effort Laith!

Obaida - A late addition to the season, Obaida really helped us settle into a nice groove as the games came thick and fast. Often finding himself in midfield or on the right, Obaida had the ability to get past just about anyone who was in front of him. This set up a plethora of chances for the rest of the attackers to feast on. In tandem with Laith's mazy dribbles, they made opposition defenders tremble as they faced up to us. Brilliant stuff Obaida!

Omar - Another one of our new recruits, Omar really grew into the team (and his gloves) as the season wore on. He made some absolutely stunning saves in goal, and was always a willing runner in whichever position he was put in the outfield. If his rate of development is anything to go by, he could be the next Manuel Neuer! In all seriousness, he was a very welcome addition to the team and just kept getting better as the season kept going. Cracking job Omar!

Paul - A real swiss-knife of a player, Paul was very willing and very able to play in whatever position we needed. Need someone in goal? Paul's your guy. Need someone up top to hold the play? Paul's your man. Need someone to mark a tricky winger out of a game? Paul's your boy. He never once complained about playing anywhere, and always had a smile on his face. First class Paul!

Rayan - Always trying to be involved in the play (even if that meant moving out of position to try and win the ball), Rayan cannot be faltered for effort. He always put everything into every game he played, even if the result wasn't going our way. Way to go Rayan!

Under 11 White Team Report

What a 2025 season of soccer we had. Hanna, Emmanuel, Charbel, Thomas, Elijah, John, Roshav, George, Gabriel and Peter welcomed our new players David, Ojas, Muslim and Shiven into the team and they all worked well. So much so that we went from a slow start to the season being towards the bottom of the ladder to then gaining momentum with back to back wins to make the semis. A major achievement of our team was winning against two of the top teams. We're all so proud of our boys and thank our amazing coach Samih, managers Dian and Dianne and our parents for their support and dedication. We can't wait to do it again next year.

Under 12 Team Report

Guildford McCredie Uniting Soccer Club

Under 12 - 2025

After a rainy end to the season and several matches being cancelled, the association secured grounds for the finals between the top two teams. This was particularly significant for our team, as we had experienced three grand final appearances without a single victory. The anxiety was palpable as we faced the team we had lost to in the previous season. This final match felt like a do-or-die situation. The first goal came quickly after JJ crossed the ball to Kai, who was on the left wing and finished with a strong shot, putting us up 1-0. Just a few minutes later, JJ scored a stunning shot from outside the box, making it 2-0 by halftime. The second half was challenging, as our opponents mounted a strong attack and managed to score a goal. They continued to press, creating numerous opportunities. In the final minutes of the game, while they were all pushing forward, Isaac executed a perfect through ball to JJ. JJ beat the defender and sent another precise pass to Kai, who scored again.

With this third goal, only a few minutes remained, and we were crowned the 2025 Under-12 champions!

Jake Charlton

Jake has scared several strikers this season when he dashes off the line to clear the ball. He has made several stunning saves this season, his distribution is fantastic, and Jake is a key member of the team.

Zakariah Ali

What can you say about the rock at the back? Zak has been calm, cool and downright brilliant in defence for the team. Last line of cover for the keeper, Zak is a regular starter in the team and thrives on tough matches. Not afraid to tackle anyone and leads by example, holding the defender and defending midfielders into position.

Noah Alouche

Zac joined forces with Luca in defence. Noah's calm manner on the ball and steady passing out of defence were a joy to watch. Noah worked perfectly at the back with Zak.

Caleb Philip Caga-anan

A quiet start, but Caleb has grown into a regular starter with his no-nonsense performances. He has added another dimension and can play in defence, working in harmony with the other defenders.

Taha Mansouri

Teams' very own pocket rocket. His pace not only helped thwart many opposition attacks, but he regularly scampered up the right wing and took on players for fun. Scoring goals and having a helping hand in goal assists, Taha has had a fantastic, solid season.

Jayden Tuysuz

Jayden started the season slowly and struggled to nail a position early on, causing Tito a headache. Moving Jayden into the middle of the park to support JJ was a decision that worked wonders. Jayden was tackling hard and winning the ball

and was not afraid to challenge anyone. Growing in confidence, Jayden finished the season in superb form, and who will forget that smile when he scored on his Birthday!

Majd Alameddine

Majd has mainly been deployed as a utility player this season, regularly helping out in defence, midfield, and on the wing. Majd has emerged this season as a player who can pick out a pass when called upon, regularly setting up chances for his team-mates. A great header of the ball, and a few goals during the season!

Kien Shahi

Kien has continued to improve as the season progressed, usually being deployed in the middle. Kien has great determination and some great kicks on his feet. He has the potential to step up another gear next season.

Nolan Rai

One of the coolest heads in the squad. Nolan has made central midfield his domain and is a regular starter in the team. Nolan possesses quick feet, speed, and an ability to get around opponents at ease. Nolan has a natural ability, and when on form, great to watch.

Kai Mwanza

Let's be frank...when he is on it...Kai is unplayable. He has regularly tormented teams running down the left flank, beating players, crossing the ball, and smashing in a few goals, too. Scoring a few some awesome this season, he can hit the ball harder too. Always wears his heart on his sleeve and has by far the most assists in the team this year!

Isaiah Errichiello

Isaiah possesses a fantastic right foot and, when in the mood, can always be relied on to turn on the style and get a goal. Isaiah is usually found hugging the left/right wing but has been used up front to add competition in that area.

Isaac Ibrahim

Isaac has had a quiet season by his standards, but when he is on form, he can produce a match-winning display. Isaac has a great right foot and can certainly hit a ball sweeter than most in the team, scoring 11 goals...and could have been more.

Marco Jimenez

Joined the season later than normal due to school commitments. Marco played in the midfield. Marco has grown in confidence as the season progressed and can take players on with some great moves.

Jabari Uno

Teams' midfielder. Probably one of his quieter seasons by all accounts. What he lacks in height, he makes up for in speed, trickery, and sheer determination to score. Jabari will always grab a goal or two.

Pablo Jimenez

Always willing to fill in positions and helps Jake in being a goalkeeper. He had a super season, missing some of the mid-season games due to an injury.

Supporters

Finally...there is no doubt in my mind that GMU U12s are the best supported U12s team in the comp!! We always outnumber the opposition, home and away, and I am 100% positive the boys play better with that support behind them. Thanks to you all for turning up, supporting, cheering, clapping, shouting, and above all, keeping the boys enjoying it to the max !! Much love!

Under 12 Girls Team Report

This season, every single player in the U12 McCredie Girls team brought something unique and valuable to the field. Week after week, they worked hard, supported each other, and grew not only as individual players but also as a team. It's time to celebrate what each girl contributed to our amazing season.

Olivia was outstanding in goals, making incredible saves that kept us in the game and showing her skills by stepping up in attack when needed. Marita was always dangerous with her powerful shots and sharp passing, while Julie impressed with her confident dribbling and ability to link up play with smart passes. Claire held our defence together with her fearless tackles and strong clearances, and Aarya stood out with her strength in the air and her commitment to defending.

As a winger Chanel showed her creativity with great dribbling and assists, always finding a way to involve her teammates. Hajira was a constant playmaker, using her excellent dribbling and passing to break through the defence and dribble past with ease to the goal. Elizabeth combined pace and skill, scoring important goals and keeping defenders under pressure with her sharp shooting and control on the ball.

We also want to recognise Nadia, Jouli, and Gretel. Although they weren't able to participate as much this season, whenever they stepped onto the field, they tried their best and showed real determination. Their effort and attitude showed the true spirit of the team, proving that it's not just about minutes played, but about giving your all when you get the chance.

Each of these girls should be proud of themselves for the growth, effort, and teamwork they showed. They played with passion, encouraged each other, and represented the McCredie club with pride.

Under 13 Red Team Report

It was a slow start to the season this year, disruptions with a few players being unavailable, injuries and weather really impacted our season. When we started to gel together and fire up it was too little too late. We had finished the season 5th just missing out on the top 4. The inclusion of some new faces was really good, Karson, Arjav, Muhammad, Erhan and Ali all added to our strike power. Erran was super brave in goals, keeping us in and winning a lot of our tighter games this season. Aahil was a strong leader and stand out in the back, moving into the uncharted centre back position when some of our defenders were missing and showing our new boys how to hold the line and defend. Big shoutout to Muhammad as well who really grew into the RB position and made it his own throughout the year. In the 2nd half of the year if you told me Muhammad never played soccer - I would not have believed you.

Theo was everywhere this year, playing in the defence, midfield and wing. It didn't matter where you played him, he always seemed to find the net. He scored a double from CB and a couple from the midfield and wing this year. His strength and eagerness to always fight for the ball really gave Louis and Auras more time on the ball to do their job and find our attackers. Arjav and Shadan gave us some much needed energy when coming on, pressing the opposition and winning the ball back.

Our boys from last year - Auras, Louis, Yousuf, Aakash, Deniz, Isaiah and Ayan all continued their form incline from last year, getting better every year. Ayan was a brick wall in the back, out strengthening our opponents (maybe sometimes a little too strong for the refs liking) Aakash proved that his boot keeps getting stronger each year by showing us some of his free kicks and shots from well outside the box. Yousuf and Louis dribbled themselves out of trouble and sent through some really accurate passes leading to most of our goals. Auras as per usual was a workhorse covering almost everywhere on the pitch. Deniz and Isaiah were both solid and had some very good 1on1 duels where they came out on top.

All in all it was a season with our ups and downs. We trialled a new formation and trialled some of our boys in new positions when we were down on troops. Not capitalising on teams where maybe we should have walked out with more points but then taking on the top 4 teams and coming away with points shows how good we can be if we were consistent. Hopefully Antonio and myself see everyone back next year and we can find some consistency to show the rest of the competition our full potential. Thank you to all the parents and players for this year.

Under 13 White Team Report

The U13 White team's main experience for the season was nature: lots of rain, parks closures and as a result often lack of weekly training. The U13 white team is one good team. Players have been together for few seasons now with the addition of 2 new players: Azlaan and Izabela, who quickly moulded together with the players of the team and played their positions so well. The team came forth on the ladder. Only five points separated the U13 white from the top team. It is so disappointing that our run was interrupted by nature and were unable to enjoy the season to the end because of heavy rain for days. Otherwise, the team was ready to take on the other top teams on the ladder. All players deserve the coach's award: Azlaan, Ali, Eyad, Emily, Gabriella, Jacob L, Jacob T, Jeremias, Joachim, John, Izabela, Owliya, Mohammed, Raphael and Youssef. Most of them played at least 2 games every Saturday. A special thanks to Julian, Josh and Jayjay for stepping in to help whenever we were short of players. Player of the season goes to Jacob L for his enthusiasm and coach's award goes to Izabela for her drive and turning up for every game even when very ill. Congratulations to all players for getting this far and hopefully you all return for a better season next year.

At the end I like to thank Pam for her managerial skills and Peter Sultana for his assistance with coaching the team.

Under 14 Team Report

Eagerly awaiting the beginning of the season, we were unpleasantly surprised with the news that only 6 players from last season returned. Again we faced the tough task of rebuilding. Our biggest loss was our goalkeeper, as any coach knows, those are big shoes to fill. The team always remained positive and we did end up filling our roster. The team showed plenty of potential and plenty of enthusiasm to make it a successful season.

Our first game was against the team that beat us in last year's grand final, so the team were excited to get a win back over them. However, it was a completely different team. A score line of 18-0 was impressive but didn't fill the void of last year's loss.

The season then presented many challenges as we played some highly skilled teams. Not only other teams but the weather again. Several weeks of no training and games didn't help us progress. Even with these challenges, the team managed to pull off some great performances and proved that we can put up a good game against the other teams.

A 6 a-side win gave the team a boost in confidence after several hard losses. We continued to battle but the weather ended the season. Last 2 games got washed out, and 2 weeks off of rain affected semi-finals meant 4 weeks without training or game time.

Best news was being told we were into the grand final, against a team we beat twice this season. With 2 players unavailable for the grand finals, on top of 2 other players withdrawing during the season, meant we ended the season with 12 players out of 16 we started with. Having back up from other teams we managed to get 15 for the game. A win is a win as they say. Another grand final win for this team of players who truly deserve the rewards for their efforts.

Despite all the ups and downs this season, the players remained positive and kept their heads up high, even after some big losses. We hope that the team comes back and continues to bond and develop into an even more competitive team.

We would like to thank all those who have filled in for our team when we were short on players. With special mentions to Joshua Azar, Mohamed Koroma, George Massoud, Izzy Abdu, Ellie Bailey and Louis Ishak. And of a course a big thank you to all our parents, family and supporters who make it all happen. The support is always greatly appreciated. That's Guildford McCredie family!

Under 15 White Team Report

This season has been a rewarding journey of growth, teamwork, and resilience for our Under 15 soccer team, with every player contributing their own strengths to make the squad stronger as a whole. In goal, **Ali Ahamad** provided a reliable last line of defence, showing quick reflexes, bravery in one-on-one situations, and strong communication that kept the backline organized and confident. Our defenders — **Aayan, Muhammad Erem, Ali, and Matthew** — worked tirelessly throughout the season to protect our goal, with Aayan demonstrating calmness and reliability under pressure, Muhammad proving dominant in the air and strong in challenges, Ali bringing grit and determination to every contest, and Matthew showing discipline, awareness, and composure in critical moments. In midfield, **Subhan, Gahdiar, Danielle, Jacob, and Bilal** formed the heartbeat of the team, combining energy, vision, and tactical intelligence; Subhan's tireless running linked play all over the pitch, Gahdiar added creativity and attacking spark, Danielle brought composure and smart decision-making, Jacob contributed versatility in both defence and attack, and Bilal worked hard to win possession and control the rhythm of the game. Leading the attack, **Big Ali, Houssain, and Arash** gave us a constant threat going forward, with Big Ali using his strength and presence to hold up play and create chances, Houssain bringing pace and flair to stretch defences wide and cut inside dangerously, and Arash showing sharp instincts around goal to finish opportunities with confidence. Together, the squad not only grew in skill and tactical awareness but also developed stronger bonds of trust and teamwork, displaying determination in difficult matches, celebrating successes as one, and learning valuable lessons from every challenge faced. Overall, this has been a season to be proud of, with the players' hard work and spirit laying down excellent foundations for continued improvement and even greater success in the seasons to come.

Under 15 Onyx Team Report

In preparing this year's report, I reviewed last year's to ensure minimal repetition. However, it is important to once again highlight the remarkable consistency and resilience demonstrated by this team. Last year, I noted that we had achieved the distinction of champions and minor premiers for five consecutive seasons. This year, that achievement has been extended to six.

At the commencement of the season, there was some uncertainty regarding our prospects following the departure of eight players from the previous squad. The integration of new players—Mohamed, Danton, Zanyar, Jonah, George E, and Alex—together with the return of Farooz, proved pivotal. Their determination to secure a premiership was evident throughout the season, and they blended seamlessly with the established Onyx core responsible for our continued success.

A highlight of the season was the Grand Final victory against Wentworth Point, in which we established a commanding 5–0 lead at halftime and secured an 8–3 result. Every player made a significant contribution both on and off the field. Their efforts may be summarised as follows:

- **Kelvin Moshi** – A commanding presence in defence, Kelvin consistently read the game with precision, winning crucial challenges and initiating play from the back. He embraced a senior leadership role, guiding his fellow defenders with composure.
- **John-Paul Diab** – Serving as one of the team captains, John-Paul inspired his teammates with his leadership, passion, and commitment. Even when sidelined through injury, he managed the team in my absence, exemplifying reliability and responsibility.
- **George Massoud** – A versatile player, George made valuable contributions at left back, left midfield, and even in goal when required. His tackling ability and defensive commitment were vital assets to the squad.
- **Alex Azar** – Our other captain, Alex brought valuable experience and tactical intelligence. Acting as a shield in front of the defence, he combined composure on the ball with excellent communication, reading the game at an advanced level.
- **Zanyar Ahadi** – A dynamic new addition to the squad, Zanyar added pace and directness down the left flank. His determination to progress play and link effectively with teammates was a consistent strength.

- **George Esber** – Operating in midfield, George’s physical presence and tireless work ethic disrupted opposition attacks and provided balance to the team structure.
- **Ahmad (Samim) Amini** – A central figure in midfield, Samim controlled the tempo of play, contributing defensively while also creating attacking opportunities with his ability to beat opponents and distribute effectively.
- **Danton Sewell** – Reliable and composed across the backline, Danton’s pace and tackling ability strengthened our defensive resilience. He also achieved a personal milestone by scoring his first competitive goal.
- **Mustafa Jaffari** – Although his season was interrupted by injury, Mustafa made valuable contributions when available, operating effectively in midfield and adding to the scoresheet on several occasions.
- **Jonah Younes** – A new signing, Jonah impressed as a forward, combining technical quality with determination. His pressing of opposition defenders and strong link-up play were key features of his game.
- **Farooz Maqsoodi** – Returning to the team after a year away, Farooz was immediately impactful. Operating primarily on the right wing, he contributed with crosses, attacking runs, and long-range goals, including a notable strike from the sideline in the Grand Final.
- **Aaron Kidane** – A technically gifted player with excellent vision, Aaron became a versatile asset, filling roles across midfield and attack. His delivery from set pieces, including corners and free kicks, was consistently outstanding.
- **Stefan Rusu** – Transitioning from a goal-scoring role in previous seasons to his preferred position in defence, Stefan displayed speed, intensity, and fearlessness. His ability to shut down opposition forwards was invaluable.
- **Mohamed Koroma** – Remarkably, this was Mohamed’s first experience in structured football. His impact was extraordinary, averaging five goals per game while playing in an older age group. His natural pace, skill, and instinct made him a decisive factor throughout the season.

This has been a truly exceptional group of players—both individually and collectively. I extend sincere thanks to all parents and guardians for their ongoing commitment, ensuring attendance at training and matches, and for providing invaluable support on the sidelines.

We now look ahead to 2026 with determination, as we aim to defend the Premier title and continue this remarkable era of success.

Under 15 Girls Team Report

The start of the season was once again full of unknowns. We had many returning players and a few new faces, and moving up to a bigger field was always going to be our biggest challenge. We started strong with a great win in Round 1 against last year's champions, which gave us plenty to look forward to. Unfortunately, as the season went on, a mix of injuries and other dramas meant we often found ourselves short on players. Some weeks we held our own, and other weeks were tougher. A huge thank you to the U12 Girls, who were once again our saving grace—stepping in whenever they could to make sure we could field a team.

We finished the season in 3rd place, but due to washed-out rounds and a shortened finals series, we sadly didn't get the chance to compete in the finals.

Aya was our standout once again, selflessly taking on the goalkeeper role. Her drive and positive attitude, even in defeat, were exceptional—I couldn't have asked for a better captain.

Annabella joined the team this year and started the season barely able to kick the ball. But her determination and perseverance were inspiring—she gave 110% every game and improved tenfold each week.

Chloe, my cousin (yes, a bit of a "nepotism hire"), joined late in the season to help with numbers. We didn't get to see her full potential, but she brought great energy, and I hope she'll return next year to show us what she's got.

Gabi and Faith again proved themselves as two of the best defenders in the competition—absolute powerhouses both on and off the ball. Hopefully, they can stay injury-free next season.

Dani continues to impress me every year. From watching her play in U6s to now—it's been amazing to see her growth. She always strives to be better, both as a player and a person.

Mona and Ellie were outstanding up front this season. The bigger goals and extra space really suited them. Now all we need is a full team to feed them more ball through the middle!

Saffron was our most consistent player this year, giving 110% every week and never missing a game.

Savanah continued to improve after her debut season last year—now we just need to make sure she wakes up on time for the matches!

Despite a bit of a chaotic season and a few challenges, the players who stuck it out showed amazing spirit, teamwork, and resilience. They built great friendships among themselves and with players from other teams, which is what the game is all about.

It's been a privilege once again to coach this amazing group. I'm proud of every single one of them and look forward to hopefully seeing them all back next season.

Under 16 Team Report

The team competed in the U16s competition this year, whilst having players from the U14, U15, and U16 age brackets. This presented a significant challenge; however, the players responded with determination, skill, and resilience. Their performances against older and more physically developed opposition were highly commendable. The season culminated in a narrow 0–1 defeat in the grand final. Although the result was disappointing, it should not overshadow what was an excellent season in which the players achieved a great deal and demonstrated consistent growth.

In attack, Koroma led the line with distinction. Despite this being his first experience in structured football, he delivered an exceptional campaign, scoring numerous goals and consistently troubling opposition defences with his speed and technical ability. He was well supported by Ali, Aaron, Hossein, and Stefan, who each contributed with goals, assists, and moments of individual quality.

The midfield group, consisting of Samim, Abbas, Farooz, George, and JP, was tireless in its efforts throughout the season. Their work rate and commitment were crucial in both disrupting opposition play and linking defence to attack. Their ability to provide width, deliver crosses, and sustain attacking momentum ensured the team maximised its opportunities in the final third. Their fitness and consistency were key factors in maintaining competitiveness across the season.

Defensively, the team was anchored by Bilal in goal, whose reliability and composure were invaluable. He produced a number of crucial saves, including several one-on-one situations, that proved decisive in tight contests. In front of him, the defensive line of Kelvin, Adyaan, William, and Alex was disciplined and effective in repelling opposition attacks, winning possession, and initiating the team's build-up play.

Looking ahead, the objective for the upcoming season will be to build on this strong foundation and challenge once again for the championship. With the potential addition of new recruits and the possible return of players from other clubs, the squad will be well positioned to achieve further success in 2026.

Raahauge Cup First Division, First Grade Report

This season was one to remember for our Men's team, crowned champions after a campaign defined by determination, quality, and teamwork, with every player playing their role in achieving ultimate success. In goal, **Charbel** was outstanding, providing security and confidence from the back with crucial saves in big moments. Our defensive unit, led by captain **Peter G**, was the backbone of the side, with **Chris, Marc, Joey M, James, Wilson**, and **Anthony G** all stepping up to ensure solidity, discipline, and resilience, whether through commanding tackles, smart positioning, or sheer determination under pressure. A special mention goes to **Wilson**, whose consistency, leadership, and all-round performances earned him the honour of **Player of the Season**, a well-deserved recognition of his impact across the campaign. The midfield was the heartbeat of the team, where **Joey K, Peter Y, Serge, Matthew**, and **Chucky** combined intelligence, work rate, and creativity to dictate the tempo, protect the defense, and launch attacks with precision. Up front, our attacking quartet of **Salem, Tony, Kalts**, and **Colin** proved lethal, with Salem leading the way as the competition's top goal scorer, consistently finishing chances with composure and flair, while Tony's strength and hold-up play, Kalts' pace and sharp movement, and Colin's creativity and determination kept opposition defenses on edge throughout the season. Together, the squad embodied resilience, passion, and unity, overcoming challenges with grit and showing composure in key matches to rise above the competition. Winning the title is not only a reflection of individual talent but also of the collective spirit and commitment each player brought to training, match day, and the team as a whole. This championship season will be remembered as a true testament to hard work, dedication, and the power of playing for one another.

Over 35s Team Report

Another season, another year of hope. Only half the guys from last year returned for more punishment 😊, so we needed to recruit some new faces.

Thanks to Phil for an amazing recruitment drive we managed to make a team late and it was going to take us a while to gel as we were from so many different groups.

We were once again comfortably the oldest +35 team and this meant that some niggles took longer to recover from. We were once again fortunate to recruit Pece after a few games in plus a few cameo appearances from PL players. Injuries was our biggest battle this season, we found it hard to field the same lineup 2 games in a row.

It took us a few games but we grew as a group and slowly worked out how to play as a team. We played a number of competitive matches which kept our spirits up especially a hard fought draw against the second placed team.

We played competitively and quite often were only beaten in the last few minutes which was only possible by everyone's dedication to turning up while carrying a few injuries. It was a good season with a good bunch of guys who all I believe had fun. The experienced players really kept the team together, a lot of knowledge and skill helped us this season. Not sure how far we could have gone with some youth added into the mix, maybe recruit some players under 45yr olds next season?

Thank you to all the guys that turned up every week, or every second week, especially those playing weekend games too. This competition has grown over the last couple of seasons, and I hope it continues to grow and maybe we can have a over 45s comp where we can play with people our own age.

All Age Ladies – Team Report

There are more and more strong players coming into our opponents' teams and the competition continues to be evenly fought each week. That we finished second on the table after playing four 0-0 draws shows how close the comp was (and how badly we missed Katrina when she was injured or sick). We are extremely fortunate to continue to have our strong junior girls graduating into the Ladies team. This year we welcomed Aya who joined us full time and Ellie and Mona who filled in when required. It was tough leaving Ellie out when everyone returned from injury, she was one of our best each time she played.

From 2023 only 2 girls remain, which is unbelievable when considering we have still only lost 3 games and conceded 6 goals in 5 years. It also demonstrates how strongly our new girls Bec, Jenny, Christine and Sylvia performed this year. I gave the "it's not about winning, it's about enjoying each other's company and playing good football" speech before the season. Then we set about beating everyone – almost. A very pleasant surprise.

Sylvia is the best keeper in the comp. She is at least as good as Henny was 12 years ago – let's leave it at that. Great with feet and decision making, but sensational with hands and heart. Keely and Faith with Aya's support held the back line. That we don't concede goals is why we do so well each year. Keely is one of the 2 remaining from 2023 by the way. No coincidence. Dani and Narges rule the midfield and set everything up. Sarah, our skipper, takes no prisoners out wide and still hasn't missed a game in 5 years (she hasn't missed many in 13). Bec, Jenny, Christine and Theresa all made the coach's job tough in working out who should play when and where. Bec crossed great balls, Jenny tackled everything, Christine kept feeding the forwards and Therese never gave up out wide. Up front Katrina was the go to but Rama also scored some great goals. Eddie saved her best moment for the last round where she scored a great goal through energy alone to break a deadlock.

We finished 1st and 2nd at the six a side holding the trophy continually since 2014 and lost a single game in the competition rounds 0-1 to a late runaway goal against the play. We then lost our semi final 0-1 to a late goal against the play and our glorious premiership run was over.

Premier League Red Squad Report

Let's start from the second round of playing each team in first grade, because the first 5 games were 'character building'. We drew with top 4 teams Greystanes, McCredie White & Inter Parramatta and defeated Lightning twice and defeated & drew with Melita (after round 1 washouts against these teams). Basically with the exception of St Columbas and Granville Rage we competed with all our opponents and took points from them. That we finished well outside the 4 in 6th place is due to our start. We had a difficult draw, playing all of the top teams first, but we also lost 8 first graders from last season. We were learning each other's names!

Reserves found the going much tougher. Anthony's goal against St Columbas certainly gave us something to celebrate and our best result.

In firsts Josh was a standout as he graduated from reserves to firsts this season and never let us down. Sandro and Michael combined well in the middle until injury cut their seasons short. Aidan and Riley played their first season in premier league and held down first grade positions all year. Paul made a huge difference up front with his arrival aligning with our reversed fortunes. This wasn't a coincidence. Antonio also kept potting in goals and Aaran and Deng were reliable out wide (when I say reliable Deng – I don't mean timely). In goals Edwin was amazing until he injured his shoulder and was ably replaced by Nathan. But Edwin was possibly the best keeper in the comp – so was certainly a loss. We have some other very strong players too but getting them to play regularly was a huge issue for us.

In reserves Jason was strong up front with limited opportunities and Darren and Daryl really offered some grunt in the middle or back, wherever they were needed. Reiny and Bao combined well in the midfield, and Peter continues to improve markedly. Passing to your own team is an underrated skill, and Peter is one of the best. In the back, Tom had some great games and Marchy, Sandesh and our new player William had plenty to do and were reliable in doing it. Nick is the consummate team man, and I know that he was frustrated by injury this year.

As a club it is likely that we will enter a single premier league squad in 2026. With Whites and Reds struggling for reliable numbers but boasting strong rosters on paper and neither making semi finals (ultimately our draw knocked the Whites from 2nd to 5th!), it seems sensible to select a single squad and aim to win Premier League & Premier Reserves again. This will put pressure on all players to fully commit, attend our pre season trials and perform well. Unlike the last two seasons, commitment will be required from the start – pre season trials. Nobody's place in a combined squad should be assumed.

Premier League White Squad Report

A year of transition with a lot of core players leaving the team to travel the world or moving away. Darren stepped up to take the reigns and did an amazing job all season.

The new faces in team did well and were quick to understand the standards we've set in the teaming the last 10 years.

The main script of this season was a struggle with numbers each week, only rarely having a full squad for both games each week.

The old heads in the team put in huge shifts each week and were the main contributors to wins each week. The highlights of the season were the win in a perfect game with a full strength First Grade team against Inter Parramatta, and an incredible team spirit game win with a rag tag mix of Reserve grade and First grade players against a 1st placed St Colombia team.

Sadly the season was plagued by rainouts and the season end with two rainout weeks which left us missing finals by goal difference.

Definitely the poorest season in years as it was the first season in many years that neither First grade or Reserve grade didn't make finals.

Next season we will need to reaffirm our standards in commitment and attendance.
